Youth Opportunity Scheme

all awaiting information from Manpower Services Commission, but understood work will be carried out at same time as Parish Council project.

Band of Hope Crockery

Please inform Mrs. Carney or Fred Thompson if you know anyone who would like to buy a set as we are compiling a list. The rest will be sold at the Autumn Fair (date to be announced) and any items remaining unsold will be sent to a public auction.

Insurance

The amount of cover is to be re-assessed before renewal the policy this year.

'Trio'

This has proved a success and support from advertisers has been encouraging. We would like to express our thanks to those who have generously donated to the fund which we

have started to try and help the magazine through the lean months of winter.

Representatives

We appeal to all organisations in the Parish to notify either Mrs. Carney or Fred Thompson who is representing them for the Management Committee.

Autumn and Christmas Fairs

Fred Thompson will try and organise one event in the middle of October and another in conjunction with the W.I. on a Saturday in December.

Management of the Hall

Any wrong impression will be corrected when Mr. Dawe reports to the Parish Council.

Hire of Hall by Individuals

Music practice, etc., will be allowed on condition that all doors are kept shut and no other persons admitted. Noise to be kept to a minimum and practices to end at 10pm.

Discos

Complaints about noise have been made to the police and a letter has been received from the District Council, but it is hoped that the Hall licence will not be jeopardised if care is taken to try and prevent future trouble.

Repairs

The handrail on the steps is to be replaced and some of the guttering needs attention. We thank Mr. Coates for repairing all the tables.

P.S.

The glass cover of the light

The residents of Church Hill are getting fed up with the large vehicles trying to get through and continually bashing bits off their houses. A temporary sign has been put up (see 'Parish Council').

Some people would like to see a warning notice at Home Guard Turning but this could deter lorries intending to deliver to Trefreock and Homer Park.

It shouldn't be impossible to put up a suitable notice, we would have thought, but of course the ways of our Highways people are not always easy to understand.

There is also a feeling that the double yellow lines (ugh!) should go all the way up the hill as a car parked at any point on the hill blocks the chance for two vehicles to pass and creates terrible blockages sometimes.

We are told that a fire engine will push out of the way any cars that might obstruct its progress, but does an ambulance have this facility?

Although the Parish Council has stated that it does not want any more yellow lines, the whole issue is to be discussed at a later date.

on the steps was taken by an unknown person. Perhaps this person would send a donation to pay for the replacement.

WHERE'S THIS TO?

Competition

The solutions to this month's 'Where's it to' puzzle should be sent in an envelope marked 'Competition' to Robin Penna, 9 Dolphin Street, Port Isaac, and will be opened on Saturday October 16th.

The first correct solution to last month's Competition, opened on Saturday 18th. September was from Jim May, Carnawn, Port Gaverne, who wins the £2 prize. Other correct answers received were

from Miss Baker, Tolraggott, Mr. Renowden, Susan Richards, Miss C. Saundry, and Mrs. B.E. Wherry, all of Port Isaac.

A Write-off

We feel sorry for the Leeds visitors who did not know that the tides reach different heights each day, and left their Chrysler car at the top of Port Isaac beach over night on the 22nd. where it became engulfed by the sea up to bonnet level.

R.N.L.I.

R.N.L.I. Port Isaac Branch Flag Day raised £747 - a record so far. Results: Tintagel £202, Port Isaac & District £545 - keep the flag flying.

Mrs. Holmes Coffe Morning at Port Gaverne raised £36.

C.B.

We thought 'Pool Breakers' were people who plundered store pots - but we learn that it is the 'I.D.' of our local CB Radio Club. Anyway, their Barbecue on Port Gaverne beach raised £40 for charity.

Annual Event

The 6th. Annual Harvest Festival held in aid of Senior Citizens, Kidney Patients, Mentally Handicapped, and the Brownies, raised £550 with donations, raffle, and an auction. Councillor Dawe acted as auctioneer and would like to thank everyone who donated.

P.I.P.s Panto

The Port Isaac Players are hard at work sorting out a Panto for this Christmas. If there is anyone in the Village who is not a member of the P.I.P.s and who would like to participate in any way, please contact Lis Fletcher (573) before 28th September.

Rotary

North Cornwall Past Rotarians Club meets monthly for lunch in Wadebridge. Any ex Rotarians interested please contact the Secretary John Fletcher, P.I. 573.

Parish Council

This month's Meeting, held as usual in the Church Rooms, seemed to attract a larger number of the public than usual.

Maintenance of Seats

The Chairman, Mr. Cunningham, reported that the seats on the Platt had had to be mended no fewer than three times during the summer.

The seat at Lower Trefreock turning will be replaced. Mr. Julian will be asked to repaint all the seats and to treat rotten timbers. The numbers are to go on the end of the centre bars.

Refuse and Litter

Letters from two cottage owners expressing the feeling that the village is getting very dirty although another report stated that the bins put out for collection are tidier. A long discussion ensued on the merits of skips and other ideas. Suggested that rubbish could be burnt on the beach. Also possibility of retaining road sweeper for another four months. To be discussed at next meeting.

Tree Planting

After learning that the only trees to survive the local conditions would be conifers, the idea was abandoned.

Lifeboat

Port Isaac Inshore Lifeboat was launched on Friday 3rd. September to search for a 9 year old boy missing on Tregardock Cliffs. The boat was recalled shortly after launching as the boy had made his way up to the top of the cliffs and reunited with his relatives.

On Monday 13th. September the lifeboat was launched following the report of two people having been swept off the rocks at Tregardock. It was fortunate for them that an RAF helicopter was on exercise in the Bude area and was able to effect the rescue within 5 minutes of getting the call. After a search of the area to make certain that no other persons were in difficulty, the lifeboat returned to Station.

The lifeboat was launched again early on Friday morning the 24th. after an all-night search by Coastguards for two fishermen reported missing in the fog. Happily, they had anchored up for the night and returned safely.
