Wish everyone a happy Christmas and a peaceful New Year.

SALE

We understand that Elizabeth Wools are planning a Sale for the New Year.

PIPs PANTO

The Dress Rehearsal last Monday was a riot and if there is anyone left who isn't in it, you are strongly recommended to come - you will really enjoy it!

CODA

Hope this isn't too scrappy - done in great rush. Ed.

E. & O. E.

Since there are things which need to be said before next month's Trio comes out, we've decided to do this extra edition!

ERRORS

It should have been 'Miss Tucker' and not 'Mrs. Tucker' who was mentioned under the heading 'Bowls' last month.

COFFEE BAR

Members of the Methodist Church Council would like it to be stated that they would certainly have attended the AGM if they had been invited.

AGM

In answer to queries, 'AGM' stands for 'Annual General Meeting'.

PHOTOS

We have had some photos of the filming of 'My Cousin Rachel', but could still do with a greater selection.

VILLAGE HALL XMAS FAIR

Although the exact figures are not to hand at the time of typing, we understand that the Fair was very successful considering the general lack of cash at present and the number of other functions taking place at the same period.

BAND OF HOPE CHINA

Most of the sets spoken for were collected at the Xmas Fair, but some people have not claimed their's yet. We will try to hold on to these sets as long as possible but would appreciate it if those concerned would contact Robin Penna as soon as poss. to make some kind of arrangement to get them.

STREET LIGHTS

If you know of a light that is out in the village (except the orange ones) the simplest way to report it is to ring S.W.E.B. on Bodmin 4141, they are responsible for the maintenance.
