Issue No. 10
February 1983

A Community Newsletter for the residents of PORT ISAAC, TRELIGHTS and PORT GAVERNE. Published by the Village Hall Committee and produced by voluntary effort. Revenue from advertising is used to offset the costs of duplicating.

Editorial

The 'Season' of 1983 is drawing nigh and visitors are being encouraged through advertising to come and spend their holidays in a 'quaint, picturesque, and unspoilt' fishing village - Port Isaac. A very large part of the livelihood of the village, and of the whole neighbourhood, is got from the money spent here by the visitors and, whether we like it or not, we are much dependent on this source of income. In return ought to do our bit to ensure that their enjoyment is not spoiled while they are here. After all, we do hope that they will come again.

Let's take an objective look around and see what there is that might offend. Can we do anything about the various kinds of litter that proliferate for example? Is it really necessary for the Platt - the focal point of the village - to be used as a general dumping ground for all kinds of rubbish? Yes, we know that the visitors put their rubbish here, but perhaps if the place was clean and tidy to start with they would be less inclined to think that it was meant to be the rubbish tip in the first place! We must also try and find an answer to the tendency of some people to leave plastic refuse sacks out days before the proper time of collection - have you noticed how the clever Port Isaac seagull knows exactly where a meal is to be found by breaking open the sacks and scattering everything out on the road? Then there is the continual problem of dogs who are allowed to use the streets and footways to make their messes in, to the disgust of the unwary when they inadvertently step in the deposits!

These are some of the things which help to spoil our pleasant environment - much sought after by people whose own environments have already been irretrievably spoiled. It will cost nothing to put these things right - no extra rates, no extra taxes, just a little more care and a little more thought.

Swimming

I run Children's Swimming Classes at Bodmin Pool on Sunday evenings, and would like to know what interest there would be for a Parent/Baby/Pre-School Class. Phone Mrs. Margaret Harris P.I. 434. There is a Ladies Only swim night every Tuesday 9-10pm. a 'Do Your Own Thing' session with no instruction.

Total Body Scanner

An appeal has been launched to raise funds towards the £500,000 needed for a scanner at Treliske Hospital. These computerised x-ray machines diagnose problems quickly and pleasantly but the nearest one is at Exeter. Molly Slater is organising a Jumble Sale, ring Port Isaac 580 if you can help in any way.

The Village Hall

Last Monday's Committee Meeting in the Hall:

Details of the Financial Report will be given at the Public Meeting and A.G.M. at the Hall on April 13th.

All but one of the sets of Band of Hope China have been claimed, but there are some plates and saucers left, plus some cups with hairline cracks. These will be sold in sets at £5 or plates at £2 and saucers at £1.50.

A Jumble Sale will be held after Easter (see 'Diary').

The Hall is suffering a lot of wear and tear, eg. the kitchen is getting badly damaged. The problem is to find someone who can do the repairs for us.

The Parish Council have assured us that work on the path at the front of the Hall will be done by the Community Enterprise Group as soon as possible.

Mrs. Pack, District Youth Training Scheme Co-ordinator was present and said that as things stand, work to re-decorate the Hall could start in May or June and should take eight weeks or more to complete. Meanwhile the Hall has to find a safe tower scaffold, ladders, brushes, etc., and any offers will be welcomed. A machine to sand the floor will have to be hired for 2 - 3 days.

New Regulations in an Act of Parliament (1982) concerning Entertainments Licences were discussed. These are very stringent and would almost certainly mean no more Discos if applied to our Hall. Help and guidance is to be sought from North Cornwall District Council, and Cornwall Rural Community Council at Truro.

The Committee is in favour of appointing a caretaker for the Hall if a suitable person can be found.

Competitions

The winner of last month's 'Where's it to?' picture puzzle is Mr. R. Pooley of Port Isaac who wins the £2.00 prize.

Answers to this month's puzzle in a envelope marked 'Competition' to Robin Penna before Saturday 19th.

The winner of the 'Christmas Puzzle' is Susan Richards of Mayfield Road, Port Isaac. She wins the £5.00 prize. We were also impressed with the entry from Neil Addison which was very decorative.

The correct answers were:
Odd Man Out - Trentinney, not in St. Endellion Parish.
Anagrams - Wadebridge, Port Isaac, Pendoggett, Port Gaverne, St. Endellion, Trefreock, Camelford, Trewetha, Trelights, Poltreworgey.
Lamp Brackets - we reckon there are about ten.
Cliff Cottage - built 1868 by Valentine Powell Richards (who also built the Birdcage)
Name of Path - Doctor's (or Doctor George's) Meadow as the field was used for his donkey to graze in. The telephone exchange is moving to the new building soon.

Beach Going?

We notice that the new Sea Defence Wall at Port Isaac seems to be causing a new sea flow which is scouring all the sand off the beach by the Golden Lion's Wall.

Fire

We offer our sympathy to Mr. and Mrs. Willmott, the proprietors of the new Port Isaac estate agent, Penreal Estates, whose house at Lane End, Pendoggett, was badly damaged when the next door house was burned down last Monday.

Playgroup

Port Isaac Playgroup mothers and children would like to thank all those who have so generously supported their fund-raising activities throughout the year.

Although we pay for our children's attendance ourselves, there are always extra items of expenditure which, with rising costs week by week, we find hard to meet. Hence Jumble Sales, Raffles, Open Days, etc. So we thank one and all who have joined in all these activities. We would like to say a special 'thankyou' for the Sale by John and Millie Sherratt on January 22nd. and for all their generosity and hospitality.

Thanks

We should like to say 'thank you' again to those who make donations towards 'Trio'. It is good to know that we are providing a service that is appreciated.

Parish Council

The Monthly Meeting at the Church Rooms, Port Isaac, on Monday 14th. February, was well attended by members of the public. Also present were Police Chief Inspector Halliday and our Community Constable David LeBailly. Insp. Halliday addressed the meeting and outlined plans for the hoped-for 'Surgery' which could be held perhaps twice a week. 'People will be able to come and talk about problems, we shall be here to talk to everybody' he said, 'but of course in an emergency dial 999.'

Resignation of Clerk. The Council had received Mrs. Powell's resignation and several applicants had answered the advertisements for the post. Interviews will be held before the next Monthly Meeting. The question of the Clerk's salary is also to be discussed in committee.

Annual Parish Meeting will be held on Tuesday 12th. April at the Church Hall beginning at 7.30pm. Various government officers and other persons in office are to be invited to attend.

Yellow Lines, Fore Street. After a meeting with County Highways and the Police, the Parish Council is to accept the recommendation that parking restrictions on the sea side of the Street from the Platt as far as the bottom of Back Hill are to be enforced all the year.

Car Park, Rose Hill. A scheme for 20-25 cars was outlined by Cllr. Dawe. This caused much discussion and it was decided to arrange a site meeting with the Highways Dept. and to report the matter to a later meeting.

Repair of Pumps. The pumps at Back Hill and Middle Street, Port Isaac, are to be 'energised' and Trelights is to have a new one which will be supplied by funds provided by Mrs. Holden and friends 'In memory of Mrs. Hicks'. The water may not be fit for drinking and the pumps will be for emergency use only and will be made inoperable at other times.

Trees for Trelights. At the meeting in January a selection of Silver Birch, Red Maple, White Variegated Leaf Maple, Copper Beech, Floribunda Apple Blossom, and Whitebeam was made. The Parish Council agreed to the list and the cost of approx. £60 for supplying and planting. There was one vote against on grounds of the trees being too big for site.

Street Lights, Trewetha. The County Council would require at least 6 lights costing £3,000 but felt no need to instal them as there was no accident record for Trewetha.

Erosion of Wall Port Gaverne. Not possible to get anything done as National Trust officer responsible away on holiday. Council to express concern to National Trust.

Fire Hydrant, Little Hill. As no action taken by contractors to protect hydrant from damage by heavy plant connected with sea wall work, Chief Fire Officer to be notified of danger.

Footpath Clearance. Tenders to be requested as usual by the end of April.

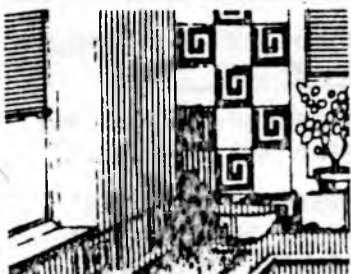

TV Reception in Port Isaac village should be improved soon when new equipment is available. Mr. Daly has said would people please complain to him rather than to the Parish Council. Also if some other equipment comes, we should have Channel 4 in about twelve weeks time.

Fore Street Re-surfacing in the form of blocks which are easier to lay and more in keeping with appearances will be done from The Golden Lion down to the Wheelhouse, and before the season if possible.

Coronation Park at Trelights is to be handed to the Parish Council by the Commons Commissioners soon. The existing committee is prepared to carry on with maintenance and arrangements may be made to allow them to do so.

Planning Permission is being sought for a parking area at 37 Fore Street (Mr. and Mrs. H. Brown), and change of use of part of guest house into three self-contained dwellings (M. Warner, Old School)

The date of the next Monthly Meeting is Monday 14th March, Church Rooms, Port Isaac, at 7.30pm.

Port Isaac School

Wednesday 2nd. February. Yesterday Brenda Wootton came to Port Isaac School. She sang some songs and we joined in and Brenda Wootton was lovely. I played the Indian Bells. Mummy and I polished them for Brenda to see them nice and shiny. Louise made her a pasty to take home to eat. She likes pasties because she sang about pasties and she talked about pasties. Bonnie Masters.

On Tuesday 1st. February Brenda Wootton came to Port Isaac C.P.School and sang some songs. On most of the songs some children joined in. One of the songs was about five Cornish men called Opie, Davy, Foote, Trevithick, and Bone. I thought Brenda Wootton was extremely brilliant. I liked the way Mr. Kitt played the piano. I wish that I could play like Mr. Kitt. Brenda Wootton told us interesting stories and made us laugh. Stuart Andrews.

EDITORIAL

Most of us agree that closing the old school was a sad day for the village, but a new trend - to send children out of Port Isaac for their primary education - could presage sadder days for our new school. If the numbers drop drastically, it could become a two-teacher school - a dreadful pity for it is scholastically as good as any in the area.

For the tots transported elsewhere this enforced separation from their local environment is destined to mean loneliness during the long holidays since they will inevitably make friends who live at a distance.

The reasons for the trend aren't clear. Some say 'lack of facilities for rising-fives, others 'lack of sports facilities', still others 'too much religion'.

Taking one point at a time: the law decrees that there has to be 1.8 square metres of space per child in the class room. There is currently only room for two rising-fives... the question is 'which two?'. There are attendant problems which demand more of the teachers' time and attention than is good for the other children in the classroom. For some time there has been an excellent Playgroup run by Mrs. Joy Irwin in close co-operation with the school, so the needs of this age group are catered for within the village.

The school has a large grass play-area as well as a hard netball/rounders court. Weather permitting, both are well used. In the hall there is ample modern equipment for gymnastics and the pupils have as much P.E. time as in other schools. Having the playing-field across the main road is not entirely satisfactory - even if it is nearer than it used to be - but the children are always carefully supervised. There are inter-school sports events with St. Teath, etc. Nevertheless, the object of education is academic rather than athletic, and no child in Port Isaac is more than minutes away from open spaces and a beach.

In this country's schools, religious instruction is the only subject compulsory by law up to the age of 16yrs. There must be a religious assembly every day. In common with all state schools, ours follows the directions of the 1944 Education Act as far as religious worship and instruction are concerned. This is of a purely undenominational character and children may be withdrawn from religious worship/instruction at a parent's request, or for denominational instruction, provided this does not interfere with their regular educational programme.

Our children are taught by example, to consider others; to be tolerant of differences; to respect their elders; to be kind and courteous; to be aware of and care for the environment they inhabit. They are, therefore, actively encouraged in the basic principles of civilised humanity & community living.

LIFE-BOAT

Port Isaac Life-boat was launched on service to a windsurfer on Wednesday 15th. June. Mr. Archer of Romsey, Hants., got into trouble in the Camel Estuary. He was able to get ashore unaided before the life-boat arrived. He expressed his thanks to the crew and intimated that he would not be windsurfing in the Atlantic again.

ISSUE NO. 14

JUNE 1983

OH DEAR!

What a chapter of accidents the last issue was! 'April' instead of 'May' in the title. Some of Mrs. Hooper's items got mislaid - for which we apologise. Also 'newspaper' type errors - wording in twice. We're thinking of sacking the sub-editor!

This month we're giving you more for your money by making all the headings smaller and increasing the amount of space available on the page. Also we shan't be printing the name in colour any more so we have drawn a 'fun' namestyle to make up for it. If anyone has any comments on the new style - favourable, or unfavourable, we should be pleased to hear.

NEW PRIZE-4 LEG RACE

The 4th. Annual Four-Legged Race in Fancy Dress, will be run from Pendoggett to the Platt, Port Isaac, on August 4th., start at 7pm. Ten teams are expected to compete, and must make calls during the race, at The Cornish Arms, The Headlands Hotel, The Lawns Hotel, and The Golden Lion.

Essentially a R.N.L.I. fund-raising event, each team finds its own sponsors.

This year, Mr. and Mrs. Ross of Port Gaverne Hotel have generously awarded an additional prize of A Dinner For Six for the team with the best sponsorship income.

Each team's sponsorship total will be published in this newsletter.

NEW ARRIVAL

Port Isaac Mill's donkey 'Jenny' gave birth to a foal on Wed. 15th. June. He will be called 'Denis' after you-know-who! Jenny was bought at a farm where she had been running with a number of donkeys both male and female. When she began to put on weight during the winter, it was thought this might have been due to 'good living'. Both mother and son are in excellent health.

CONGRATULATIONS

Phillip Holland, M.P. for Gedling, Nottingham, and brother of Miss Holland at Twelveacres, Trewetha, has been knighted in the Birthday Honours for his political and public services.

Can anyone tell us the right pronunciation of 'Varley'?

COMPETITION

The first correct solution to last month's puzzle, opened on Saturday 18th. June, was from Anna Perry and Angela Collins whose joint entry wins them the £2.00 prize. The picture was, of course, Twelveacres, Trewetha.

Other correct solutions from: Mrs. D. Gifford, Emma Phelps, Betty Platt, Suzanne Richards, and Mrs. B. Watson.

This month we are giving you a roof to identify! Answers, please, in an envelope marked 'Competition' to Trio, 18 New Road, Port Isaac, before Saturday 23rd. July.

VIEWPOINT

Next month we shall start a 'Viewpoint' column where you will be able to state your views on any topic without your name being disclosed.
