

TINTAGEL AND CAMELFORD LIONS

would like to thank all who supported their successful Jumble Sale in St. Peter's Church Hall on 14th. June, which raised a profit of £56.30 towards admin funds. Also a special 'thank you' to the ladies who supplied the goodies for the cake stall.

Kathy Fisher.

The Lions will be organising another 'Donkey Derby' in the village on Wednesday 23rd. July at 6.30pm. in the Playing Fields. Would any organisation wishing to have a stall there, ring either Bodmin 880432 or 880626. Half the proceeds from the Donkey Derby will go towards new equipment for the Playing Fields but other organisations with stalls will not be expected to contribute any of their profits for this fund. The Donkey Derby last year was a great success and we are hoping for as much support this year as possible.

Jennifer Regler and
Dianne Benz.

PORT ISAAC W.I. aks, 'Is There Anybody Out There?'

Port Isaac Women's Institute would love to hear from anybody living in or around the village who has any special hobbies or interests and could share them with us as a guest speaker.

All we need is ½ hour of your time. Please contact Pru Savell, W.I. Secretary, Bodmin 880783.

PORT ISAAC TO THE RESCUE

We are living in an age of high technology and many of the old skills are being forgotten. It was a double pleasure, therefore, to see on the television the other evening that when somebody was needed to start an old oil engine at St. Breward Quarry, not only was there still a man who knew how to do it but also that the man was Jack Best of Port Isaac.

The Quiet Corner

Look on our Lord's patience as the opportunity he is giving you to be saved.

II Peter ch 3 v 15 GNB

P.I.A.T.???

The organisation to try and get Port Isaac and Port Gaverne better known for quiet holidays - especially during the 'dead' times - has been started. So far we have only been able to think of the name 'Port Isaac Association for Tourism', can anyone think of a better suggestion?

At present the hotels, guest houses, and B & B proprietors have met and formed a small 'steering committee' of Gavin Bengier (Rockmount), Jim Ridge (The Lawns), Barbara Gore (to represent the ladies), and Robin Penna (Advertising).

It is planned to hold a public meeting at St. Peter's Church Hall on Wednesday afternoon, 17th. September, when all interested parties (shopkeepers, innkeepers, restaurant and cafe owners, and owners of letting cottages and flats) will be invited to attend. Everyone stands to gain from the enterprise, and the more support it gets the more effective it will be.

Photograph Competition

A colour leaflet describing the locality is to be considered and we are offering a £10 prize for the best photo (print or transparency, upright format) on the theme 'Port Isaac for peace and quiet' which could be used for this. Send your photos to The Blackthorn Press, 18 New Road, before 8th. September.

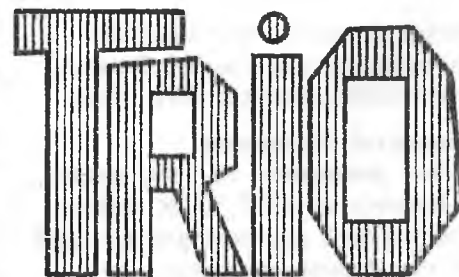

TRELIGHTS

The annual Garden Fete at 'Sundown' will be on Wednesday 6th. August this year. Fuller details will be given later. The Anniversary Services and Concert at the Methodist Church on 25th. May raised the sum of £135 for Church funds.

Mrs. E. Blake.

GOOD CROCHETING

Tina Harris, Naomi and Jessica Bengier have sent over £20 to the R.S.P.C.A. They raised the money by crocheting 350 squares, which will be made into cushion covers, during the Easter holidays. Thank you to all who supported them. Gavin Bengier.

We would like to express our thanks to the Parish Council for their donation of £75 towards our production costs.

PARISH COUNCIL

Notes taken at the monthly meeting at the Church Rooms, Port Isaac, Monday 9th. June.

Financial Statement

After deductions for the month, a balance of £347.92 is left in the current account and £717.69 in the deposit account.

Donation for Trio

Cllr. Dawe proposed that this be increased to £75, seconded by Mr. Bolton and carried.

Donation to Village Hall

Mr. Weilton outlined the position in connection with the loss of the Entertainments Licence, and said that £4,000 would be needed for the building materials for necessary improvements. It was hoped to use an M.S.C. scheme to carry out the work. Cornwall County Council had set aside £1000 grant funds for the work and there is a fair chance of a similar grant by North Cornwall District Council after estimates have been submitted to them. Meanwhile fund raising efforts have got well under way.

Mrs. Cann expressed concern that other halls in the area could be affected by the same regulations and had made enquiries to the District Council who told her that the number of toilets stipulated is only a recommendation and not mandatory therefore the Hall will get a licence and be given 18 months to do the work. Mrs. Coates who was present as a member of the public was asked to clarify the situation and replied that a licence had since been issued but the Hall was not to be used while work was in progress and this to be complete by 1st. April 1987.

It was finally decided to donate £500 now plus some more later on. It was also arranged that the Parish Council should buy the materials and get back the VAT.

Road Sign 'Trewetha'

Mrs. Cann proposed that this sign be put up on the B.3314 at Port Isaac Turn, seconded by Mrs. Richards and carried.

Tennis Court Report

A new estimate had been asked for but the cost would still be £9000 for the courts. £2000 is

still needed and organisations are being asked for donations. The secretary, Mrs. Pavitt, has had to give up and somebody is needed to replace her.

Approval of Footpath Tenders

Tenders for clearing work were accepted as follows: Mr. Watson £40 for path from Church Hill to the Mill, and J.M.Dawe £270 for all the other paths, plus £30 for clearing around seats. Cllr. Dawe declared an interest in the second tender.

Inspection of Footpath Clearing
Councillors were appointed to walk footpaths and inspect them after the clearing work is done.

Parking - Trewetha Lane

Reports of large vans parking and restricting access to houses and visibility were received. Problem to be mentioned to Community Constable LeBailly.

Street Cleaning - Port Isaac

Complaints were received that the work is not being done properly by the new cleaner, due, apparently, to lack of instruction. Mr. Cunningham has encouraged some shopkeepers to put litter bins on their premises to try and keep the problem of litter to a minimum.

Correspondence

It was reported that the reason the farmer at Pendoggett had a change of mind about allowing walkers to use an alternative route across his land adjacent to Pendoggett Farm, was that the privilege had been abused by some people whose dog had been allowed to chase the sheep. Mr. Symons pointed out that it is now illegal to have a dog not on a lead in a field where there are sheep.

Permission was given to the Village Hall Committee to hold a 'Country Fayre' at the Playing Field on Wednesday 20th. August.

A suggestion for a notice board in Trewetha Lane is to be put on the agenda for next month.

Port Isaac School Headmaster, Mr. Bruce, has agreed to join the Playing Field Committee.

Planning

Peter Richards Farms (Cornwall) Ltd. - replacement of old agricultural buildings with one new agricultural building, Treore - no observations.

Mr. Dawson - use of asbestos slates on 'Old Vicarage' on side facing Margaret's Lane (not on front elevation or roof) due to difficulty of getting Delabole slate - accepted.

Public Discussion

Mrs. McCrohon asked if the Parish Council was aware that a site meeting had been held in Rose Hill and that interested parties had not been informed. This is to be investigated. Mrs. Carney pointed out that if Rose Hill was closed to traffic it would make it difficult for coal to be delivered to the top of Dolphin Street as well.

Mr. Lobb, Trelights, complained that the streets there were only cleaned once in six months. Mr. Symons suggested this might be included in a letter to the District Council.

Mr. Rotherham, Trelights, asked who cut the grass in Coronation Park and was told that there is a management committee but as the park has been taken over by

LIFEBOAT

The Lifeboat was launched on 14th. June to go to the aid of an inflatable dinghy that had engine failure off Trevone and was being blown out to sea. The dinghy was assisted into Harlyn Bay by a local boat but the Lifeboat was requested to stand by. The crew were Ted Childs, John Coshall, and Mark Provis.

A Coffee Morning given by Mr. and Mrs. Graham Carpenter at the Slipway Hotel, raised £53 for RNLI funds. Thanks to all the helpers and guests.

The next Coffee Morning will be given by Mrs. Mary Finch, Handsacre, Trelights, on Wednesday 9th. July, 10.30am-12 noon.

On Wednesday 16th. July, there will be a Barbecue at St. Kew Inn, commencing at 7pm. St. Breward Band will provide the music. Please come and join in with the fun and games.

How to call on the emergency services:

Will all readers please remember that the quickest way to call on the emergency services is by dialling 999 and asking for either Police, Fire Brigade, Ambulance, or Coastguard. Should an emergency be seen at sea or on the cliffs, call the Coastguard giving full details of the occurrence. Your call will be taken by the Marine Rescue Co-ordination Centre at Falmouth who will call out the correct service to carry out the rescue. Do not hesitate to call the Coastguard if you see anything that might seem incorrect.

ANIMAL WELFARE

Dear June and Bob and all the people who helped you at the Bazaar, Thank you very much for the £218.70 - it is now kitten-puppy time - and road accident time - and, as you know veterinary fees are very high - so the money you have sent to us will be very useful. We also nearly always have adult cats and dogs in the kennels so keep spreading the word around to help find homes for them, kittens and puppies are easy to home - but adult dogs and cats!!! Please get in touch with me on Trebetherick 3347 if anyone is in any need of help with any animal of any sort.

Thank you all once again, including the public, because, of course, without you many more animals would suffer.

TO WHOM IT MAY CONCERN

With regards to your letter in last month's issue, concerning artificial flowers on graves in St. Endellion Churchyard.

May we ask what is wrong with artificial flowers? If artificial flowers are against church regulations, why has it only just been brought to the attention of the public?

What of people who cannot afford to keep replacing fresh flowers? What do we put on the graves to show that we care?

Surely artificial flowers are better than no flowers at all.

On behalf of the Young Women of Port Isaac.

Sir, May I, through the pages of Trio, thank, most sincerely, all who visited and extended good wishes to my good mother, Mrs. Gwen Billing, during the last few months whilst she was with us. I would also like to express my gratitude for the many messages of sympathy which we have received. Donations, in lieu of flowers, to the Port Isaac branch of the R.N.L.I. amounted to £135. Patricia M. Gaunt and family.

Sir, Thank you for a lively and informative May edition, it will certainly entertain my crew members who are avid readers. Referring to Brenda Andrew's letter, she raises one point which causes me some personal concern; I am finding it awfully difficult to differentiate between

locals and 'non-locals'; so many mixed marriages these days! However, I suppose I'm not unique, even that well-known 'ethnic purist' A. Hitler esq., was known to have made the odd mistake and had to insist upon certain people's wearing distinguishing stars and emblems in order that he did not inadvertently 'share a glass or two'. Perhaps a 'Purist Committee' could be set up to consider this worrying problem of identification, 'not local' is after all a bit of a mouthful and not easily embroidered on the mind nor emblazoned upon wearing apparel.
