

## PROPOSED TV AERIAL

This will be for UHF television only and should be in service sometime in 1988. There may not be enough unserved people to justify building a VHF radio relay station as well.

## ROSE HILL

We understand that Cornwall County Council has posed the hypothetical question to the Secretary of State for the Environment as to whether it would be possible to close the road to vehicular traffic or not. MP Gerry Neale has been asked to keep residents informed on the situation.

## ROAD SIGN

Cornwall County Highways Dept. is considering the possibility of putting up a 'directional' type of sign for drivers entering the village on the B.3267. This would indicate the routes down to the harbour, the no-entry roads, car park, Port Gaverne, etc.

## TOURISM ASSOCIATION

The steering committee is still working on proposals for this and had a meeting with the District Council Tourism Development Officer, Andrew Cowan, recently.

## £10 Prize Picture Competition

Don't forget to send your photos to 18 New Road before 8th. Sept. (See last month for details.)

It is with sadness that we report the death of 'Happy' Day on Friday 18th. July at East Cornwall Hospital in Bodmin. He will be missed by all who knew him. Our condolences to Judith & Roger.

Keith Downs, appointed Manager of the Co-op only three weeks earlier, collapsed in the office on Monday 14th. July and died in the ambulance on the way to Treliske Hospital. His funeral service was held at St. Petroc's Church, Bodmin, on Friday 18th. July. Our deepest sympathy to his family.

## The Quiet Corner

Forgive one another as God in Christ forgave you and find your strength in the Lord and in his mighty power.

## AN OPEN LETTER

There seems to be a belief among some of the people who claim to read Trio (not compulsory, by the way) that we are able to send out roving reporters to garner in news items. Trio is a newsletter, and it is up to the readers and the various organisations in the village to send us any news items that they feel should be printed or would be of interest to others. The Diary is used to advertise events, but far too often we are not given the results.

As it is a newsletter we do not have an editorial, and there is a report of the Parish Council Meeting. The word 'report' is actually mentioned in the English Dictionary so please look it up.

Another view commonly held is that, as ratepayers, Trio should be delivered to their homes or businesses. The Parish Council donated the sum of £65 in 1985 and £75 this year for which we are very grateful. Advertising and donations account for the extra 93% of the cost of producing Trio, so please thank the advertisers and the paper shops for their kindness and generosity in distributing the newsletter. If you have a view on any topic concerning anything in the Parish, please put pen to paper, as many people have done and, I hope, will continue to do.

The Port Isaac Village Hall now has its own page, so some of the moans about their news should cease.

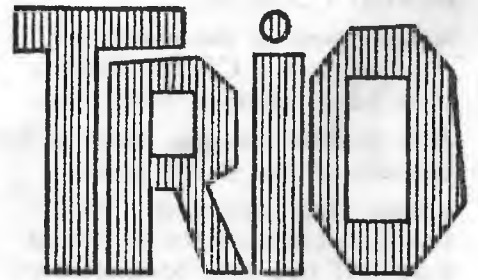

Anyone is welcome to come and see the audited accounts for Trio at 18 New Road on Wednesdays between 2pm and 5pm.

Fred Thompson,  
Hon. Treasurer.

## SPEAKEASY EVENING

The Port Isaac Players - the Drama Mob - would like to inform 'The Gang' who took part in the 'illicit and illegal gambling evening' that they have decided to donate their ill-gotten gains of £100 to the Village Hall Fund, instead of using the money for stage curtains and equipment as they stated in the May issue of Trio. [Issue No. 46]

Bess Coates,  
Chairman.

## PARISH COUNCIL

Notes taken at the monthly meeting at the Church Rooms, Port Isaac, Monday 14th. July.

Mrs. Barron took the chair in the absence of Mr. Cunningham.

### Village Hall donations - VAT

The Council has been informed that VAT can only be reclaimed on specific items, eg. washbasins, donated to the Hall and not on building materials, eg. sand.

Mr. Provis asked that, since a local builder had offered to supply materials at cost, the hall committee should provide details as their expenses might not be as high as they claimed when applying for their grants. Mr. Welton said he would discuss this with the committee and make a report to the next meeting of the Council.

### Finance

Payments for the annual audit, planning applications, and signs 'to the surgery', in addition to the normal monthly expenses mean that a precept for £250 has to be raised from N.C.D.C.

### Report of Audit

The accounts have been passed but the Council must ask for any donations to organisations that are not put to use to be returned.

### Increases in Insurance Level

The Council was advised that the level of liability for persons on Council duties must be increased to £20,000. Public liability has to go up to £1,000,000.

### Community Bus

As the matching 50% of the cost of a bus for St. Endellion was not available from Cornwall County Council, this parish has not been

included in the allocations.

St. Kew Parish has one, however, so a new bid should be made in October to be included in next year's list. The Parish Council is not specifically interested in a bus but will send information to interested local organisations.

### Notice Board, Trewetha Lane

A suggestion for a public board near Mayfield Road was not accepted. The existing board at the Co-op is to be repaired and re-painted instead.

### Parachute Jump

No objections were raised to a request from the village hall committee to stage a parachute jump at the playing fields on 20th. August, providing the team is properly insured. Use of the car parking facilities was also granted.

### Coronation Park, Trelights

As this is now common land it would be necessary to put advertisements in two papers for three concurrent weeks before any shelter could be built. This advertising would cost over £200 and it is felt that the exercise might be a waste of public money.

The District Council don't have the responsibility for cutting the grass but the Coronation Park committee can seek funds from the Parish Council.

### Rose Hill

Without informing the Parish Council or the local residents, a site meeting has been held with County Councillor Harvey Lander and members of the County Council Traffic Committee. It was proposed that the Council should tell Cllr. Lander that they are very disappointed. Mr. Symons proposed they should ask to see a copy of the report of the meeting before it was sent to the Traffic Committee.

### Tourism Association

A letter informing the Council that an attempt is being made to form an association was received and Mr. Cunningham was named as the Council's representative at any meetings.

### Heritage Coast Exhibition

A small portable exhibition is available describing the project and the Council feel that this might be suitable for use at local fetes and other activities.

### Playing Fields - Screen

The resident of a house next to the playing fields is concerned that children looking for balls that they have sent over his wall might encounter his alsatian. The possibility of erecting a screen will be discussed at next month's meeting.

### Cornwall Structure Plan

This document has been handed to Mr. Symons, and is to be circulated among other members of the Council.

### Planning

Messrs. Collings, Rowe, and Spry: 4 Dwellings with Garages, on land behind Coastguard Cottages. As this is in the Conservation Area, the Council are to view the site before making any observations. There also appears to be no vehicular access.

Toilets at Port Gaverne: After questions about the need for two entrance doors, the plans were passed with 'no observations'.

Mr. and Mrs. K. Willmott, Dwelling with Garage, Trelights: 'no observations'.

### Public Discussion

Mr. Sumner said that residents in Rose Hill were disturbed that the County Council were going over the heads of the Parish Council. He handed over a copy of a petition containing the signatures of each resident and asking that Rose Hill be left as it is.

The public were again asked to leave at this stage to allow the Council to have a private meeting with Ms. Richmond, National Agricultural Centre Rural Trust.

### Next Meeting

The next monthly meeting of St. Endellion Parish Council will be on Monday 11th. August, at 7.30pm. in the Church Rooms, Port Isaac.

## LETTERS

Dear Sir, I write regarding the letter in our most recent Trio from R.D. McCrohon - British Mongrel. The letter, though ludicrous, I read with mild amusement and total amazement. Being a resident in Port Isaac and married to a 'local' girl, I certainly did not take any offence at my wife's letter (Trio no. 46). One is either 'local' or one is not. It is that simple. Having made my home here for 25 years, I would not have the audacity to consider myself a 'local' although they have all made me very welcome always. If nothing else, we really must allow them to retain their 'local' identity. The are all so very proud of it.

I don't think it is necessary for us residents to wear any form of identification as the 'locals' know exactly who we are, but if the gentleman wishes to wear some form of badge to identify himself, I'm sure the 'locals' could suggest something suitable. My wife has spent many years observing the species (non-'locals') - the supply of us is endless, at the local watering ground, and is now able to spot them at great distances without binoculars! (Yes, I thought you would all be impressed!) although emulating their call is somewhat difficult as they all, like myself, originate from many different nesting grounds.

Ian Andrews (A well-adjusted resident of Port Isaac - and proud of it.

### PORT ISAAC POLICE WATCH

There seems to be a little confusion on how the Police Watch scheme works.

To contact our Community Policeman, I will take messages and send direct to the station. If the information is 'private and confidential', please put it in a sealed envelope marked 'police - urgent' or 'non-urgent' and I will arrange for collection.

It must also be remembered that our constable can only be reached through the police station, not on a private number.

Constable LeBailly will, if you prefer, call at your home. I hope this will clarify the situation.

Peggy Richards,  
5 Mayfield Rd. Phone 880285.

Dear Sir, My very sincerest thanks to Mr. McCrohon for his letter in our Trio. It is always more than a pleasure for us 'locals' to see a 'local's' name in print in Trio and on this occasion (issue 47) there are no less than three 'locals' (myself included) given a mention (excluding advertisements). If this is not a record, it must be very close to it!

Brenda Andrews,  
(a true local).

Dear Sir, I am a 'non-local outsider' married to a Cornish-woman. I emigrated to Cornwall from England because I wanted to. I was born in Hereford, a city of which I am very proud, but my 34 years in the West Country have strengthened my original conviction that emigrants to a particular country should accept and adapt to the local customs, practices, and people, not trying to alter the 'locals' who had the good fortune to be born there in the first place. The subtle wit, intelligence, and humour of the Cornish encompasses the ability to easily recognise the poseur, and assumed 'airs and graces' form a barrier that is unnecessary and regrettable. How much more pleasant to relax and enjoy life in the Delectable Duchy. Can not we non-locals and locals happily co-exist?

F.A. Jordan.

Dear Sir, Can you spare me a corner of 'Trio' to say 'thank you' to the many friends who sent me good wishes, get-well cards, and flowers when I was at Treliske recently, following a sudden heart attack. Home again now, I have strict instructions to remain quiet for a month, but it is heart-warming to sit and look at all my cards and flowers and think of the many friends who took the trouble to send greetings by Alf. I cannot write to them all, but I hope they will know how much their kindness is appreciated.

Grace Hooper.

Dear Sir, Yes, I have seen the pink pub and I like it and have you seen nannie's plants and flowers? They are very nice too.

Kirsten Jane Creighton  
Andrews.

Dear Sir, As a former resident of Port Isaac, I thought I would offer a contribution for a children's corner.

Q. Why did the elephant cross the road?

A. Because it was the chicken's day off.

Since living in Cornwall I have read quite a few Parish magazines, as yet I have failed to find one to match the quality of Trio.

E.H. Tipson,  
Wadebridge.

## COMPETITION

Last month we showed a picture of a cottage and asked for the name of it. The correct answer is 'The Rockies' (Port Gaverne Hill). The lucky winner, who should collect the £2 prize from 18 New Road, is **Bonnie Masters** of Mayfield Road. Other correct answers were sent in by: Joyce Collins, Sarah Irons, S. Julian, and Mrs. R. Parsons all of Port Isaac, and Mrs. E. F. W. May of Port Gaverne.

We are sorry that there is no competition this month - there simply has been no time to get one ready.

## WE WON THE CUP!

The 1st. Port Isaac Brownies took part in the North Cornwall District Brownie Sports Day at Camelford School on 2nd. July, and came home victorious after winning first place. The Trophy is now proudly displayed in Port Isaac School. Thank you Di and Chrissie for taking us.

We have enjoyed an active Summer Term with church parades at St Endellion, St. Peter's, and the Methodist Church, various badges being worked for and gained, and lots of outdoor activities.

On 12th. July we joined five other Brownie Packs for a Revel at St. Clether. They were all divided into four groups and had to use their imagination and initiative to build a camp and shelter, make grass skirts, hats, and shoes, then build and cook round a camp fire as well as getting thoroughly muddy and exhausted! They came home resplendent in their finery and war paint after a most enjoyable day. Many thanks to Gavin Benger for the transport.

We end the year with a Royal Wedding Party and meet again in September. Don't forget, if you'd like to join us on Tuesdays at 6 o'clock and are between 7 and 11 years old, you will be very welcome. Cindy Powell.

## PLAYGROUP

The Playgroup has said goodbye, with great regret, to Joy Irwin who has led the children for many years with patient good humour, lots of hard work, and a mile of understanding. She was presented with a floral display and two framed photographs of the children. Many thanks Auntie Joy from all the 'Playgroupers' past and present. She hands over to Anne Collins who has stepped into her shoes - Good luck Anne!

Cindy Powell.

I wish to thank all my friends for the lovely flowers, card and framed photographs I received on my retirement from the Playgroup. The years I have spent with you have all been very rewarding and I shall miss you.

'Auntie Joy'.

Joyce, Thursa, and Joan wish to thank everyone who gave a donation towards helping renovate an existing room into a 'quiet' room for patients and relatives at the Warleggan Geriatric Ward, St. Lawrence's Hospital, Bodmin. We achieved a total of £160.50. Thank you again for your support.

Noah and his ark wouldn't have been out of place at our Midsummer Madness Barbeque. The rain came down and the floods came up and our beautiful garden setting at the Headlands Hotel, decked with balloons, streamers, flares and fairy lights disappeared in a sea of mud. Alwyn and Jenny opened their doors to us and they came in 2 by 2. There were Cowboys and Indians, Hula girls, Punks and a motley conglomeration of other super fancy dress which was won by Chrissie Coshall as a chimney sweep. Our valiant chefs John Powell and Vic Hingley battled in the downpour to cook the food outside on the barbeque and thanks to our handy helper we eventually were all fed. We apologise that the evening's revelries were not as we planned, but the circumstances were beyond our control! Nevertheless we raised a magnificent £192.95 and our thanks to all of you who turned out to support us on such a terrible night.

## ST. ENDELLION CHURCH

Over 30 people attended the monthly healing Eucharist held at St. Endellion Church on Wednesday 25th. June. Preb. Hugh Fryer, Rector, celebrated the Eucharist and two lay

members of the congregation assisted him with the laying on of hands for healing.

The Church was full on Sunday 6th. July when three Baptisms and a Ruby Wedding blessing took place during the Parish Eucharist. The babies baptised were Lindsay Clare, daughter of Mr. and Mrs. Sims of Port Isaac, Mark David, Son of Mr. and Mrs. J. Williams of St. Endellion, and Karen, daughter of Mr. and Mrs. Kitts of St. Kew.

A special Blessing and prayers were said for Mr. and Mrs. William Billing from America who were celebrating their Ruby Wedding. A beautiful bouquet was presented to the couple on behalf of the Church by Mrs. P. Richards, wife of Mr. R. Richards, Church Warden. Preb. Hugh Fryer, Rector, celebrated the Eucharist, assisted by Revd. Alan Wainwright.

A varied programme of Church Anthems, English and Hungarian folk songs, 16th. Century madrigals, spirituals, and barbershop, was given by members of the Bristol University Madrigal Ensemble in a well attended concert, Friday evening 4th. July. The group's visit to St. Endellion was the last in their Westcountry tour. A warm welcome to St. Endellion was extended by Preb. Hugh Fryer, Rector. Coffee was served in the belfry at the end of the evening by Mrs. B. Carter, Church Warden, Mrs. P. Richards, and Miss V. Baker.

Judith Pollinger.

## ST. PETER'S CHURCH

St. Peter's Church, Port Isaac, celebrated the Feast Day of St. Peter on the 29th. June with a combined Eucharist with St. Endellion and St. Kew, followed by an excellent lunch in the Church Hall.

Representatives from all three churches helped to decorate the Church, take part in the Offertory, and assist in the choir. Port Isaac Brownies processed into church with their standards and the Sunday School children, trained by Miss Sharon Cann, delighted the congregation with their presentation of two story hymns on the life of St. Peter. Preb. Hugh Fryer, Rector, was celebrant, assisted by the Revd. E. Dunford and Admiral A. Weir. Organist was Miss S. Cann.

A singing group which included children from the three parishes sang 'All the Nations of the Earth' and also performed a descant in the final hymn 'Give Me Joy in My Heart'. Many people stayed for the delicious buffet lunch organised by Mrs. M. Cann and ladies of the church.

Judith Pollinger.

## COFFEE BAR

Sadly, due to lack of parental support, the Coffee Bar had to close in February. After much discussion, the committee decided to donate the remaining money, some £70, to Sir James Smith's School at Camelford.

Anne Collins.

Lizzie Couch of Canadian Terrace wishes to thank her many friends for enquiries, cards, and visits during her stay at Treliske Hospital. Lizzie has made a good recovery and has now moved to the St. Breock Nursing Home where she will now live.

## ST. ENDELLION FESTIVAL

August which will be followed by a production of The Cherry Orchard by Anton Chekov.

The programme is very varied this year. In the Opening Concert Beethoven's Symphony No. 8 and in the Final Concert Tchaikovsky's Violin Concerto in D and Haydn's Theresa Mass. The Endellion String Quartet will be giving a Concert on Saturday 9th. August. They have made the name of Endellion known internationally with their frequent concerts abroad and in this country with their broadcasts for the BBC.

## PORT ISAAC LIFEBOAT

The Lifeboat was called out on 27th. June to assist in a search for two people believed missing on the Rumps. The Lifeboat searched the area for 15 minutes before being recalled. The people had returned safely to their car after climbing around the cliffs.

The crew was Andrew Walton, Michael Larkin, & David Sumner. Edward Childs and his wife Elizabeth attended the Garden Party at Buckingham Palace in the presence of HM the Queen on Thursday 17th. July. The Coxswain of Fowey Lifeboat, Brian Willis, and his wife, also attended. The two lifeboat men were among a party of 18 lifeboatmen, fund raisers, and RNLI staff who were chosen to attend the Garden Party in recognition of their long and devoted service to the RNLI.

The Coffee Morning held at Handsacre, Trelights, given by Mrs. Mary Finch, raised £220. The event was blessed with fine weather and everyone was able to have their coffee outside in the beautiful garden. Thanks to Mary Finch and all the helpers.

Despite a continuous downpour of rain, the Barbecue organised by Mrs. Sandra Blewett at the Upper Deck Club, Rock, went ahead and raised £186. Although the cooking took place outside under the balcony, the stalwart supporters went inside to eat.

Pupils aged 9 and 10 years, at Tintagel CP School, took part in a sponsored matchbox competition. They had to get as many recognisable items into a standard-sized matchbox as possible. The winner achieved 202 items in her box. 42 children took part in the competition and raised £475 for RNLI funds.

The Barbecue held at St. Kew Inn on Wednesday 16th. July raised about £200. The final figure will be given in the next issue of Trio.

The Crew and Committee wish to congratulate George and Eve Moth on their 60th. Wedding Anniversary on 31st. July.

David Castle.
