

TOURISM ASSOCIATION

The Public Meeting to discuss the possibility of forming a Port Isaac and District Association for Tourism will take place at St. Peter's Church Hall on Wednesday 17th. September at 3.00 in the afternoon. Everyone is invited but if you can't get to the meeting, it would be useful if you can drop a note in to 18 New Road before the 17th. to let us know what you think of the idea. Posters will be put up giving full details.

ST. PETER'S CHURCH

At the Fair on 30th. July, £230 was raised. To all who gave produce, cakes, etc., all who helped with the stalls and refreshments, and to all who came and supported us, our warmest thanks. The raffle prize winners were: Mr. Bill Dawe First Prize, The Rector, Father Hugh Second Prize, Miss Dorothy Tucker Third Prize, and Mrs. Muriel Short Fourth Prize.

Renee Norris.

TRELIGHTS CHAPEL

Proceeds from our Garden Fete on August 6th, amounted to £360 of which £250 is being sent to the Hospice at St. Austell. Thanks to all who helped in any way.

E. Blake.

ST. ENDELLION CHURCH

Thieves entered St. Endellion Church during the last week of July and stole a pair of brass altar candlesticks, the belfry clock, and a sum of money from the wall safe in the porch. After the Parish Eucharist on the following Sunday, Father Fryer, Rector, said that the Church would continue to remain open as a place of prayer but he asked parishioners and visitors to be vigilant and to pop into the Church when passing.

A very successful mini-market held on Tuesday 29th. July in St. Endellion Church Hall raised £382.49 for Church funds. Many people from St. Endellion, Port Isaac, St. Kew, and the

surrounding area attended this annual event. The competition to guess the Correct Weight of the Cake was won by Mrs. Reynolds.

Judith Pollinger.

FLOWER FESTIVAL

The Flower Festival Committee of Roscarrock Hill Methodist Church wish to thank all those who contributed in any way to making this event such a success. The flower arrangements were very much admired.

ST. MABYN IST. CUB PACK

A new Cub Pack has been formed in St. Mabyn, meeting each Thursday from 11th. September, 1986, at 6.00pm. If your son is between 8 - 11 years of age and interested in joining this pack, please contact Mrs. Jean Martin, St. Mabyn 339, for further details.

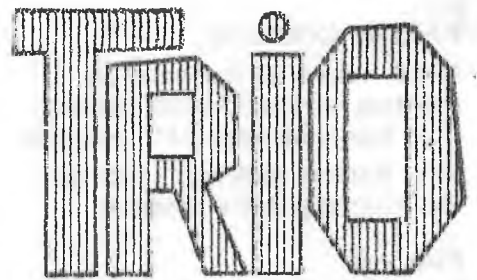

DEATHS

We again express our sympathy to Mrs. Edith Mitchell of 33 New Road, on the sudden death of her son-in-law Mr. David Wallis at Launceston and also especially to his widow Diane and her family.

Residents were saddened to hear of the death, on July 18th. after a short illness at the East Cornwall Hospital of Mr. Walter Raymond (Happy) Day of 4 Tintagel Terrace. Mr. Day was a Yorkshireman and he came to Cornwall with his family and resided for some time at the Headlands Hotel. Leaving there, they moved to Metherall. On the death of his wife Jean in 1971, Mr. Day returned to Port Isaac to retire. The funeral on 24th. July at Penmount was attended by a number of his friends. We express our sympathy to his daughter Judith and family.

Jude and Roger would like to thank Happy's friends for their kind thoughts, letters, and cards. The donations for the British Heart Foundation stand to date at over £130. Many thanks once again.

Many readers will be saddened to learn of the death, in London, of Ann Slater who often stayed at her cottage here - Evergreen in Middle Street - and was well known in the village. Our deepest sympathies go to Phil, Louisa, Wendy and John, and Nicky.

PARISH COUNCIL

Notes taken at the monthly meeting at the Church Rooms, Port Isaac, Monday 11th. August. Mrs. Barron took the chair in Mr. Cunningham's absence.

Finance

Since Parish Councils are being encouraged to precept for larger sums, less frequently, a precept of £750 is to be raised to cover present expenditure with £500 going to the deposit account.

Footpaths

Not all the paths have been checked since trimming so half the sum due to the contractor is to be paid, the rest in September.

New Road / Back Hill

A proposal for a new layout at the junction was considered. A site meeting with the Highways Dept. was asked for, however, as the scheme seems unworkable. The proposal is to provide an island, change in priorities, pavements, and better direction signs advising motorists that the village centre is unsuitable for cars.

Playing Fields - Fencing

The occupant of the house next to the field is worried that balls are continually landing in his garden and that children looking for them might be injured by his alsatian dog. The Association of Town & Country Parish Councils is to be asked for advice.

Port Isaac Village Hall

If a Manpower Services Scheme, with free labour, is used for the renovations, the 'agency' will obtain the materials at as low a price as any local builder could, so the hall's expenses will be as low as possible. All the accounts will be checked by an independent auditor from Truro.

Details of the present level of the funds and of expected grant aid were given.

New Path Pinehaven - Port Quin
County Highways to be asked if Parish Council can expect 100% remuneration for clearing this path. If this is correct, the present contractor will be asked to do the work immediately.

Coronation Park, Trelights

After representation from the

management committee, it was decided that the Parish Council would pay for grass cutting, etc, up to £125. This figure to be amended from time to time.

Wadebridge Area Publicity

Since there is no councillor free to attend meetings during the season, Mr. Penna was asked if he would act as the Council's representative at committee meetings in Wadebridge. The duty was accepted on the understanding that transport will have to be available as Mr. Penna does not have a car.

Port Isaac Playing Fields

An estimate of £220 to supply and hang a new gate was turned down. The gate will have to be repaired else the parking area might be used for dumping old cars. Permission was granted for Port Isaac Fishermen to use the area for loading spider crabs, but it was pointed out that there might be a tennis court there one day.

Rose Hill

A letter from County Councillor Lander denied that there were any intentions to restrict use of the hill by vehicular traffic. Any stopping-up order would have to be advertised in any case. It was felt, however, that the success of such an order would be very unlikely.

Poltreworgey

A site meeting is to be held in connection with plans for a barn at the farm.

Planning

Mr. Warner, Old School Hotel, Port Isaac: Roof Patio and External Staircase. Observations: in a Conservation Area, altering exterior of building, and not in keeping with old buildings.

At a previous interim meeting plans to build a kitchen extension at the rear of a cottage on Roscarrock Hill were approved subject to the use of a pitched roof rather than a flat one.

In the Public Discussion, it was reported that once again a group of people having a meeting had been seen in Rose Hill.

Mr. Lobb, Trelights, asked when something would be done about the dangerous part of the B.3314, he also said that the advertising signs everywhere spoiled the look of the village.

Next Meeting

Due to summer holidays, this will be one week later than usual - Monday 15th. September, 7.30pm. in the Chapel Hall at Trelights.

POEM

Ray Berman has asked us to print this poem entitled 'Matthew':

Matthew's my nephew, my
brother's lad,
Missing his development makes
me sad,
No longer the baby I left
at home,
You should see how he has grown,
A handsome boy with hair as fair,
His bonny face makes many stare,
Wherever he goes he has to run,
Playing with toys he has such fun.
Active and busy the whole day
through,
Always creating more things to do,
'The pride of his parents' I know
that's true,
Just want to add 'I love him too!'
By Linda Burwood of Delabole,
now nursing in Australia.

Dear Sir, Why St. Mabyn Cub Pack? Why not start a pack in Port Isaac? These are two questions that keep cropping up. To begin with, you can't just 'start' a pack. Anyone with a little scouting knowledge knows that an Akela (leader), plus one, if not more, warranted officers are needed. To become one there are courses to attend and you must be very interested in the Movement, and 'Be Prepared' (that's about all I know about Cubs and Scouts) for a lot of hard work. Fortunately St. Mabyn has both an Akela and a warranted officer (plus several willing helpers) so when Port Isaac boys were invited, if interested, to join the pack, they jumped at the chance and consequently nine will be invested from here. For a successful pack, at least 12 boys are needed so they can be divided into sixers - St. Mabyn are starting with 24. So good luck the 1st. St. Mabyn Cub Scout Pack, and I hope this has answered the questions.

Carol Richards.

P.S. Our first event at Sally Pavitt's realised a profit of over £130. Many thanks to all those who helped, donated, or attended the lunch.

Dear Robin, I would like first to say how much I enjoy Trio, thanks to you and all concerned. My parents brought my sister Hazel, brother Len, and myself away from the bombing in Kent during the 1940's. Port Isaac and the friends I have there still occupy a very special place in my thoughts. We lived on Church Hill and my parents stayed for over 40 years, until they died, so up to five years ago our visits were far more frequent. A letter by Graham Tayar in April asked for news of Roger Horton's contemporaries from the 1940's. I remember his sister Shirley. We called Homer Park 'Homeward Park' because our friends from Trelights had to walk past it every day, to and from school. It was nice to hear about Roger, and I would love to hear more about all of those who were at school with us in those days.

Shirley Wright (nee Crockford).

If you want to write to Shirley, her address now is:
28 Askerfield Avenue, Allestree, Derby. DE3 2SU

You may be interested to know that we have given the address to Roger Horton and he has written to her. We shall be glad to hear from anyone else who can tell us about those days.

Dear Sir, Am I the only motorist who is infuriated when the roads are re-surfaced with tar and chippings instead of Tarmac? While it may be cheaper in the short term, a road mended with Tarmac must last at least six times as long, so it is a short-sighted measure in the end. I find it maddening that having paid enormous sums in road fund licence and petrol tax, to say nothing of VAT on every item of

motoring equipment and servicing, I now have to grind in the surplus chippings with my expensive tyres - if I succeed in driving safely round the corners banked with slippery stones. Does anyone else feel like this, and if so, is there anything we can do about it?

Yours truly, (Mrs.) Maggie Cook.

Dear Sir, After last night (29th. July) my friend and I remembered how much we enjoyed discos. At one point there used to be a disco about once a month, now there is one about once a year! I know many people who would like more discos.

PORT ISAAC VILLAGE HALL

Thanks to your magnificent support we have now passed our estimated target for the renovations at the Hall. The situation at present is that grants have been allocated by County Council, we have not yet received one from the District Council as anticipated, but our case will be discussed in the September meeting. Parish Council have agreed a £500 grant although this has not yet been given and our request for a further £500 is still waiting a decision.

If and when all these monies are to hand, Manpower Services will send their Quantity Surveyor to see if the estimates we have given are similar and a work team will be allocated. The main requirement of grant allocation is that works must not commence before the grants are actually given and so in spite of our hard pressing of the powers that be, the wheels of bureaucracy grind exceedingly slow and we are in their hands.

As soon as we have definite commencement dates we will let you know, but until we know exactly what money will be given as grants, we will carry on Fund Raising and any excess will be put to Phase 2 for the much needed heating and lighting.

Then we should have a Hall to be proud of.

RAFT RACE

The 1st Port Isaac Bay Annual Raft Race was a resounding success with 13 rafts of the most amazing shapes and sizes taking part. Hundreds turned up to witness the proceedings and see the most inventive crafts ever seen on Port Gaverne Beach. The race winner was "5 go mad in Cornwall" skippered by Rod Baker. The Most Imaginative Raft trophy was won by the Wharncliff Hotel, Tintagel, as the Virgins' Atlantic Challenge, and Fancy Dress by the Port Isaac Hoteliers who had obviously forgotten to get up and set sail in bed. Thanks to all the participants who made it a really fun day, to all our helpers on the stalls and to those who came and helped us to raise nearly £500.

COUNTRY FAYRE

We couldn't have chosen a better day for the Fayre with brilliant sunshine and clear skies to show off the spectacular sight of the 3 men and 2 girls who represented the Trade Winds Free Fall Parachute Display Team. There were more than a few hearts in mouths as they dropped from the sky to within feet of the spectators. Mike Collings' name was landed on and he won a parachute course and jump (but opted for the cash equivalent to Linda's relief) The Village Hall was presented with an inscribed mahogany baton, passed during the jump from the Team, which will be proudly displayed in the Village Hall.

Market stalls, fun castle, sideshows, stands and pony rides made a very enjoyable day for all.

Final accounting has not yet been done, but we estimate £200 was raised for which we thank all our helpers too numerous to mention.

Adrienne and Paul St. Andrews Hotel wish the village hall success in their fund raising.

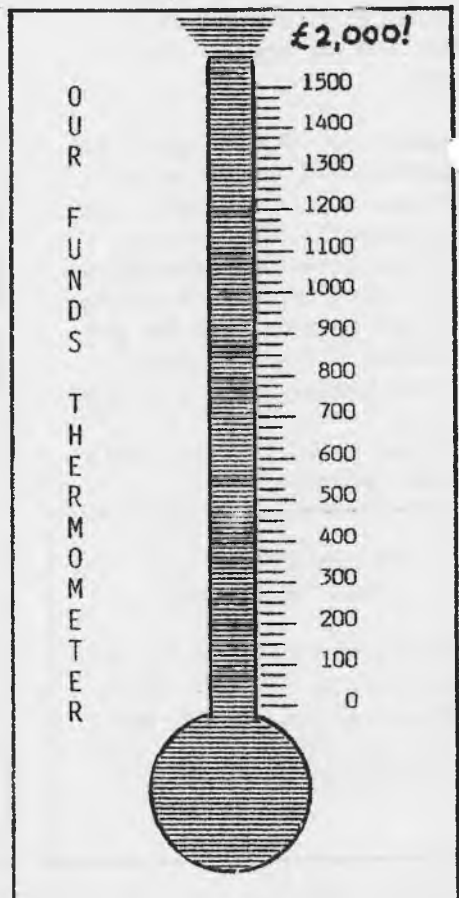

DISCO

The Disco on 29th July was attended by a bevy of beauties and gorgeous chunks of manhood to compete in our Miss, Junior Miss and Mr. Port Isaac competition. The Judge for the girls was Lenny Clark who is currently appearing with David Essex in "Mutiny on the Bounty" and agreed whilst on holiday to officiate.

Congratulations to Toni Gladwin our Miss Port Isaac, and Zoe Coshall our Junior Miss.

Mr. Port Isaac was chosen by "clapometer" decided by the evening's D.J. The result was a man of amazing physique, stunning looks and indeterminate age - an inspiration to all young males - Mr. Bill Dawe, who promptly donated his prize money to the Hall fund. YOUTH GROUP

Meetings of Port Isaac Youth Group will resume in October. Earlier this year the group made a short video with the professional help of Plymouth Community Video Project. It highlights several issues concerning life in a small coastal village. The cost for this project is considerable, including hire of expensive U-matic equipment, and expenses for Plymouth Video staff. We have received grants from the Princes' Trust, Cornwall Youth Service, and Plymouth Community Video (South West Arts Account). Tintagel and Camelford Lions made a generous donation and we thank them again for their support. The group has fund-raised but before the video can

Although group meetings have stopped during the summer, activities continue: abseiling, rock climbing, beach parties - weather permitting! Anyone interested in organising or participating in events, contact: Justine Rowe behind the bar in the Golden Lion or on Bodmin 880235, or Kevin 'Tank' Burt on Bodmin 880757.
