

## PORT ISAAC AND DISTRICT TOURISM ASSOCIATION

In spite of horrible weather on the evening of the A.G.M., the attendance was very encouraging. Chairman Mike Wenden thanked the proprietors of the venues of the three monthly meetings held - Port Gaverne Hotel, The Old School Hotel, and The Huntsman's Inn (Homer Park). The organisation can not be involved with advertising on a large scale, except in co-operation with the Publicity Councils and the Tourism Association of North Cornwall. Eric Stokes is compiling a publicity leaflet on behalf of the Association but this cannot be completed until every advertiser has paid. It is thought that it could be too costly to set up an Information Bureau but ideas are invited. The Park and Ride Scheme has not made much progress, a site, and a willing contractor are still needed. The capital outlay and licensing costs would be tremendous but the idea is not to be dropped. P.I.D.T.A. has protested to N.C.D.C. about the rise in parking fees. A new Parish Council notice board is to be installed at the car park with part of the cost being met by P.I.D.T.A. No replies have been received from the Fishing Fraternity or Harbour Commissioners.

After two bad seasons, he continued, there is a new awareness of the need to publicise the district and P.I.D.T.A.'s voice will be heard on the other levels of publicity.

A P.I.D.T.A. logo has been designed (see the head of this article) and is available as a sticker, price 40p, for all members to display. Thanks were due to Port Isaac School for the splendid array of ideas they submitted for the logo design, and although none of them were used, there were some very good ideas among them. There is a limited amount of financial assistance available to the association and this would be taken advantage of. He ended by thanking all the members of the Committee and the sub-committees.

The Hon. Treasurer, Fred Thompson, submitted a Financial Report: with money collected by the Steering Committee, funds from the former Port Isaac Chamber of Commerce, subscrip-

### WEDDING

Every happiness to Jane Ridings and Jonathan Rowe who were married at St. Peter's Church, Saturday 11th. April.

My thanks to everyone for your many cards, gifts, lifts, and help through and after my recent operation. I thank you all for your kindness. John Trayhurn.

tions, and interest, the income so far was £418.81, less outgoings of £80, this left a balance of £338.81. There are a few items still to pay for which could amount to approx £100. It was decided that subscriptions should run for a year from the A.G.M.

Charlie David, Heritage Coast Officer, spoke about the programme of activities to be organised in the area, and said that he felt that P.I.D.T.A. and the Heritage Coast Service had similar objectives. He spoke about the possibility of an 'Interpretation/Information Centre' at The Old School.

Alan Nunn spoke about the achievements of T.A.N.C. and the success of the North Cornwall Guide. There is to be a North Cornwall video, funded by N.C.D.C. with a spoken commentary by Benjamin Luxon.

It was proposed by Henry Symons that all members of the present committee willing to stand be re-elected. This was seconded by David Phelps and carried.

### R.N.L.I. - PORT ISAAC BRANCH

#### Art Exhibition at Port Gaverne Hotel Friday 10th. April.

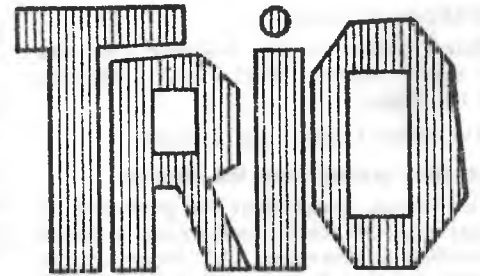

The annual art exhibition in aid of the R.N.L.I., held at the Port Gaverne Hotel by kind permission of Mr. & Mrs. F. P. Ross, was opened on 10th. April by Group Captain Peter Stean, Officer Commanding R.A.F. St. Mawgan. Group Captain Stean said he felt a close affinity to the R.N.L.I. because one of the roles of his Nimrod aircraft is the search for vessels missing at sea, and looking down at the water in bad weather left him in no doubt about the skills and courage required of R.N.L.I. crews. Surg. Capt. Baskerville, President of Port Isaac Branch R.N.L.I., made a presentation to Mr. David Castle, Branch Hon. Secretary, of a pair of binoculars engraved 'Presented by the R.N.L.I. to David Castle in recognition of valuable help to the R.N.L.I.'. By Sunday lunchtime a total of 21 pictures had already been sold, contributing £280 to the R.N.L.I. The exhibition will remain open until Friday 15th. May when it will be closed at 8.00pm. by Coxswain John Dare of Plymouth lifeboat. John Scott, Branch Press Officer.

### ETTA SAUNDRY

The whole village was saddened on 9th. April when it became known of the death at Treiske Hospital of Miss Etta Saundry of 21 Middle Street. Etta had lived in Port Isaac all her life. Several of her close friends were present at St. Endellion Parish Church for the funeral service on 14th. April. Our sympathy we express to Joe and Christine who tended her with loving care and devotion over such a long period.

### ALFRED JONES

Mr Alfred Jones who had lived in the Trelights area for a number of years, died aged 74 years. After leaving Trelights, the family moved to St. Teath, and more recently have lived at Helstone. The funeral service was held at St. Teath Methodist Church on 27th. March when a number from Trelights and Port Isaac attended. Our sympathy we extend to his widow Joyce, and family.

## PARISH COUNCIL

Notes taken at the monthly meeting, Church Room, Port Isaac, Monday 13th. April.

The whole Council was present.

### Matters arising from the Minutes

Dr. Barron asked what the point was of last month's item concerning a listed building in disrepair. Cllr. Dawe replied that he had been asked to bring the matter up.

### Finance

Balance on deposit: £310.69, current a/c: £174.96. Less outgoings this month of £102.02 leaves £72.94. It was decided to precept £500 as it was now the new financial year and funds would be available from the 3p rate.

### Toilets at Port Gaverne

With a final payment of £2,415 to be paid to the contractors when the money for this is received from N.C.D.C., the building will have cost £6,715, only £340 more than the original estimate. On top of this a payment of £405.16 (plus VAT which is reclaimable) is required by the National Trust who have provided the doors to their own specifications. As this price is for materials only, the Council is to ask for details.

The N.C.D.C. has recommended extra lighting and automatic door closers. Mr. Symons asked whether this wouldn't mean the lights and extractor fans which work when the doors are closed, would be on all the time. Apparently N.C.D.C. had overlooked this point. The exterior signs are to be supplied by The National Trust to conform with the style of the existing ones. Cleaning materials, disinfectant, toilet rolls, etc. will be supplied, at cost, by N.C.D.C. Mr. Norris pointed out that with the Yale lock, the door would be locked if somebody slammed it shut. A padlock will have to be fitted to secure the door in the open position. Arrangements are to be made for the door to be unlocked at 7.00am. and closed at 6.30 - 7.00pm. Advertisements for a cleaner are to be displayed in the Parish.

### Annual Parish Meeting

Final arrangements were discussed. Mrs. Richards expressed the hope that the lighting will be alright this year.

[A full report of the Meeting will be included in next month's Trio.]

### Tennis Court

Mrs. Cann reported that nobody had come forward to act as secretary. A £1,000 interest free loan had been received from a person in the village. The

Youth Club who had originated the idea and who were expected to be one of the main users, had packed up. So, if the scheme doesn't get off the ground, all money in the bank account, plus any interest, will be paid back.

### Footpath Trimming Tenders

Mr. Bolton proposed that the tenders be advertised for as usual. Seconded by Mrs. Barron and carried.

### Broken Wall, Steps, Mayfield Road

Cllr. Dawe reported that nothing had been done about the damage caused by a lorry using the right of way between Mayfield Road and Silvershell View about two years ago. N.C.D.C. is to be asked to investigate.

### Improvements to B.3314 Road

The work on the section of the road between Plain Street and St. Endellion is awaiting acquisition of land and funding and will probably take place in the year 1987/88.

### Community Bus

The campaign for a bus has been revived following meetings with Oliver Baines of Cornwall Rural Community Council. A committee has been formed - Chair: Elsie Ferguson, Treasurer: Jackie Giles, Secretary: Jill McDonnell. David Giles of the Central Garage has agreed to garaging and maintenance. Mr. Provis reported that there is lots of enthusiasm for the scheme, 'These buses are good, I have been in them as lifeboat crew' he said. £1,200 will be needed for initial costs, insurance, etc. The cost of the vehicle coming from various outside sources. As there may be some re-allocation of existing buses in May, Port Isaac could have one by September/October. The matter is to be put on the Council's agenda for June when the information will be available.

### Trunk Road Maintenance

A letter from County Highways warned that in future owners or occupiers of land adjoining the A30, A38, and A39 will be responsible for trimming the hedges to maintain visibility. After a directive from the Department of Transport, the Highways Dept. will only be allowed to trim the verges.

### Path, Council Houses, Hartland Road

Following a complaint about the path between the houses and the Co-op, the Environment Department is to be asked to do something about it.

### Coin-operated Telescope

A suggestion that one of these could be installed in the car park is to be passed on to N.C.D.C. who own the park.

### Coastal Footpath St. Illickswell Gog

The Council are not in favour of a proposed diversion order from the County Council to take the path along a new route. 'It would be a great pity to lose the old path' said Chairman Mr. Cunningham. Mr. Symons asked whether it would be possible to retain both paths. Cllr. Dawe said he would represent the Council's view at a meeting of the N.C.D.C. Environmental Committee where the matter was to be discussed.

### Rubble on Cliff Footpath

Mr. Bolton said that while they were dealing with the St. Illickswell path, could something be done about the building rubble which had been dumped there, the Heritage Coast Officer had been informed about it but, so far, nothing had happened.

### Heritage Coast Work

The Heritage Coast Officer is to come to Port Gaverne to deal with the rock overhanging the footpath which leads onto The Main. As soon as permission is received from landowners, trees will be planted along the road to the sewage works behind Port Isaac.

### Car Park Notice Board

The Port Isaac and District Tourist Association (P.I.D.T.A.) has agreed to pay their share of the cost of the new notice board. Mr. Welton proposed that this should go ahead, seconded by Cllr. Dawe and carried. No trade or political advertisements are to be displayed. The board will be locked and keys held by P.I.D.T.A., Mrs. Willmott (Clerk to the Council), and Mr. Penna, 18 New Road.

Dr. Barron reported that the children now use the other end of the Playing field. As the Council is waiting for the owner to take further action, the matter is to be put on the agenda next month.

#### Planning

Mrs. M.E. Collings, Trevelver, Trelights: renewal of permission for siting of mobile home. 'No observations'.

Mr. D.R. Stroud, Ocean View, 17 The Terrace: application for Certificate of Established Use in respect of use of building as 3 residential units: 'No observations'.

#### Old Pump, Middle Street

Mr. Provis reported that the pump is in need of maintenance and repainting.

#### Poltreworgey Hill

Mrs. Cann asked for the condition of the road at Poltreworgey to be discussed at the next meeting.

#### Undergrounding of Telephone Wires

Mr. Norris said that he hoped that all the mess created by British Telecom was not only to benefit Trelights. It was thought, however, that the work would also allow the lines to be removed in Port Isaac as well. Cllr. Dawe added, 'We should get the electric underground next'.

After such a long meeting, there was no public discussion,

Nothing was raised by the members of the public present when the time for the 'Public Discussion' came round.

#### Next Meeting

The next monthly meeting of St. Endelion Parish Council will be held on Monday 11th. May at 7.30pm. in the Church Rooms, Port Isaac.

Cann, Margaret  
Dawe, William Jostah  
Law, Reginald Philip

Trickett, Eileen  
Welton, David John

Henry Symons and Bill Dawe will also be contesting the District Council seat in the election on Thursday 7th. May.

#### TRELIGHTS

The Chapel Anniversary is on Sunday 24th. May. The Preacher at both Services, 11am. and 6pm., is Mr. Bobby Jewell, the 'Fisherman Preacher' from Porthleven. On Wednesday 3rd. #### VILLAGE HALL

The A.G.M. on Wednesday 15th. April gave us a good opportunity to find out what is happening at the Hall. Plans for a new room behind the Hall, plus new toilets and showers, will slowly come to fruition when the work continues in May. Bureaucracy has decreed that the work has to be done in two parts, and so far a lot of clearing has been done and massive shoring up timbers support the walls at the rear of the hall prior to the work. The new layout will allow the dressing rooms to be separate from the kitchen and available as smaller meeting rooms which will be easier to keep warm.

The Chairman, John Powell, spoke of very successful fund raising efforts (see below) and thanked secretary Bess Coates, treasurer Pat Hingley, and all members of the Committee for their hard work. He also thanked John Coshall and 'Big Ian' who are not on the committee, for their efforts in selling hot dogs every band night, Fred Thompson who collected about £100 at the Raft race, David Castle for playing piano at 'Bull and Bush' evening, and Trio for advertising and reporting.

Mrs. Wild spoke as representative of the Women's Institute and said that they can't use the Hall in its present state but will be glad to return when the work is completed.

#### Fund Raising

The amounts raised by the various events are: Whisky Raffle (Golden Lion) £356.42, Whisky Raffle (Port Gaverne Hotel) £292.79, Cream Tea (Manor House) £89.61, Cream Tea (Thorn House) £83.70, Barbecue (Headlands Hotel) £192.95, Donkey Derby £15.59, Hot Dog Stall £123.54, Raft Race £505.44, Grand Draw £148.57, Advertisements on Trio page £58.95, Donations £215.00, Sale of Chairs £2.50, Disco 1 £24.66, Trivial Pursuits Evening £6.32, 'Buy a Brick' £75.00, Country Fayre £161.91, Disco 2 £3.79, Bull and Bush Evening (Golden Lion) £39.41. With the interest on the bank account the total is £2,430.74, less running costs of £75.54 leaving £2,355.20.

#### Grants

Grants from County Council, District Council, Parish Council, etc., could total £7,086 and increase the amount available to the Hall to £9,441.20.

A combined Mothering Sunday Eucharist for the parishes of St. Kew, St. Endellion and Port Isaac, was held in St. Peter's Church, Port Isaac, at the end of March. Many families attended the service, and uniformed Brownies, Cubs, and Scouts presented their colours. The Rector celebrated the Eucharist, assisted by Fr. Evelyn Dunford (Port Isaac) and Admiral Weir (St. Kew). Lessons were read by a pupil from St. Ippolyts School and by Mrs. Bishop from St. Kew. Organist was Mrs. Janet Townsend, and the Sunday School Children, trained by Miss Sharon Cann, sang special hymns. Flautists Rowena Barrett, and Rebecca Jodi Gabriel, with guitarist Mrs. Caroline Barrett, accompanied the singing by the choir children. Posies of flowers and Mothering Sunday cards were presented by each child. Coffee and Simnel cake were served afterwards in the Church by ladies from the congregation of St. Peter's Church.
