

## PORT ISAAC SCHOOL

**Cross Country** Our thanks go to Tintagel and Camelford Lions Club for the fun run on Saturday 4th. July at 10.00am. All our children enjoyed it and Neil Hayne was our highest placed runner in 9th. position with Tom O'Connor close on his heels in 10th. place. A beautiful morning brought out 95 runners from the area, over 20 up on last year. The trophies were presented by Derek Hamer the current Lions President.

**Area Sports** Our thanks go to Mrs. Jane Lee for organising and running the first area sports held at Port Isaac School. It was a successful event and will be held at Port Isaac every three years in future.

**Sport Aid** A very big Thank You to all children, parents, and local sponsors who helped to make our fancy dress 1000m such a success. Over £300 has been raised for Sport Aid and this is a fantastic amount from such a small community. The serious runners clocked very good times. Tom O'Connor was first in 3 mins 32 secs, followed closely by Kirsten Andrews in 3 min 53 secs. Our thanks to Tamsin Mitchell of BBC Radio Cornwall for starting the event and we hope to be able to send 12 children to the party for the International Launch of Sport Aid '88 in London on 6th. September. This does depend on a major sponsor coming forward to make it possible. We remain hopeful.

**Leavers** We wish all this year's leavers well as they go their separate ways, to Camelford, Wadebridge, Bideford, and London. May they have every success in the future and hope they will always feel welcome at Port Isaac School.

**Farewell** At the end of term we say goodbye to Wendy Hayne who has been school secretary for the past three years. She will be sorely missed but we wish her family well in their new life in Bideford. Mrs. Elaine Brown will replace Mrs. Hayne.

**Harvest Supper** We will be having another Harvest Supper for senior citizens on Friday 2nd. October at 4.30pm. Transport can be arranged for anyone and meals provided for housebound. If you would like to join us please let us know when we return in September. It is essential for us to know who is coming so be sure to let us know beforehand.

**Many Thanks** Now that we are at the end of another school year, thanks must go to all parents who have given their time so willingly during the last year. Their assistance is invaluable and we hope this will continue again next year. Finally, have a good, hopefully hot, summer with six weeks of fun with your children!  
Ian Bruce, Headmaster.

## The Quiet Corner

It is through Jesus that everyone who has faith in Him is acquitted of everything for which there is no acquittal under the law of Moses.

Acts 13, v 39.

## BROWNIES

Port Isaac Brownies hosted this year's 'Brownie Revels' with packs from North Cornwall District joining in the fun. The theme was 'Smugglers and Coastguards' and, in spite of torrential rain, Smugglers Cove was found with the aid of maps and compass, dens were built and camouflaged, messages decoded, treasure found on the beach, and a barbecue enjoyed. The highlight of the day was the arrival of H.M.Coastguard to 'raid' the camp and 'arrest' the District Commissioner (an exercise she thoroughly enjoyed!). Many thanks to Norman and Mary Cleave for the use of their field and for all their help, to Clive Hester, Jim May, Peter Rowe, Pete Albury, Carol Taylor, and of course H.M.Coastguard for help and loan of equipment.

1st. Port Isaac came a very creditable second in the District Sports Day in spite of already having participated in Sport Aid at school in the afternoon. Well done Brownies and thanks to Tammy Benger for transport.

Cindy Powell.

## ST. BREWARD BAND

Due to a very moist airstream over Port Isaac in June, the band lost the first two nights of the season. We have now decided to have an 'Extra Night' at the end of summer. The last night will be Thursday 3rd. September. The theme this year is the 'Wild West' so come on all you Buffalo Bills and Indian Chiefs, let's make it a night to remember. Watch posters for details.

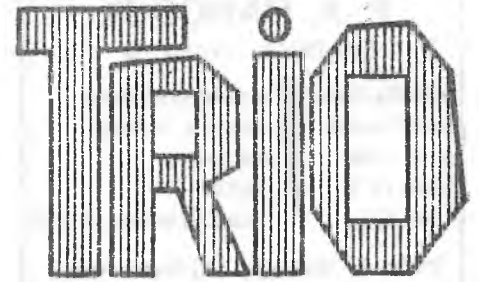

Peggy Richards.

## B.B.C. SONGS OF PRAISE

A 'Songs of Praise' programme is to be recorded by Padstow harbour on Saturday 22nd. August, with Janet Townsend as the Musical Director. Anyone who enjoys singing and would like to take part is most welcome. Rehearsals will take place on Friday 14th. August at 7.30pm. and Monday 17th. August at 7.30pm., in Padstow parish church, and on Friday 21st. August at 7.30pm. by the harbour, with the recording the next evening at 6.30pm. It is hoped to arrange a coach from Port Isaac for the rehearsals and the recording. If you are interested, please contact Janet Townsend, 880505, or Joan Orchard, 880450, so that we can have some idea of numbers for the coach. The transmission day is Sunday 30th. August.

## JOHN GARFIELD HANCOCK

Older residents heard with regret of the sudden death at his home, 'Hillcrest', Church Hill, on July 3rd., of Mr. John Garfield Hancock aged 92 years. In the earlier years of his long life, Garfield was well known in the farming community as he used to work with a threshing machine. The funeral service on 3th. July, conducted by the Revd. John Young, was held at the house and followed by interment at St. Endellion. We express our sympathy to son John in the loss of a much loved father.

ISSUE NO. 59

JULY 1987

## DEADLINE DATES

Trio appears on the last Saturday of each month - except December when a 'stop-press' sheet is issued if necessary. The Christmas number comes out at the end of November. Preparation of Trio is a 'part-time', unpaid activity so a whole week has to be allowed for this in order that any urgent work at The Blackthorn Press can take precedence. We stopped giving the 'deadline' date because of the flood of items that used to come in all on the same day, we will, however, give a list of the dates to any organisation on request. Otherwise please let us have your reports as soon as you can.

## THE PARISH MAP

Yes I did know where Gypsy Lane was - that was just to try and get you all going! I have got a couple more 'local' names for the map, however, - Warra Terry, and First and Last (which I knew myself but nearly forgot about). Does Rose Hill by any chance have a connection with Great Rose mine in Port Isaac Valley? Are there any more names for fields, lanes, etc.?

## PARISH COUNCIL

A report compiled from notes taken during the monthly meeting held at the Church Rooms, Port Isaac, on Monday 8th. June.

Apologies were received from Cllr. Henry Symons, and Mr. Eric Stokes.

Dr. Barron asked for the matter of Tree Grants to be put on next month's agenda.

### Finance

After expenses have been paid, there is a balance of £534 in the current a/c and £1,323.34 on deposit. It was decided to donate £75 to Trio again this year. The War Memorial donation would also stay at £65 as last year. A £5 subscription to Port Isaac & District Tourism Association was paid.

### Footpath Clearing

Parish Councillors were appointed to check the work on selected paths.

### Minepit Corner, Back Hill

The work to improve the appearance of the corner and the old pump will be done by a Manpower Services scheme, and they are to be asked to make suggestions and provide a costing.

### Coastal Footpath Wall

The capping stones, put on top of the wall to prevent children walking along it, are being deliberately removed by vandals. Tenders are to be sought to renew the capping with a better grade of cement, possibly using a triangular profile which would obviate the need for the stones.

### Coastal Footpath

A letter from Mr. Hoskins to M.P. Gerry Neale, asking for him to act in protection of the cliff path which is to be used as an access road, was read out. A reply from Mr. Neale to the effect that he has asked the Council to ensure that all relevant points are taken into account was also read out.

The Clerk reported that the Parish Council's enquiry about claiming ownership of the path was being considered by the legal department at County Hall.

### Cliff Erosion

Refuse tipping, from the cliff footpath near Cliff Cottage is the cause of undermining and a threat to the stability of the cliff. After a meeting at the site between Cllr. Henry Symons, Mr. Harold Brown, and Mr. Pyman from the North Cornwall District Council, it was decided to refer the matter to Cornwall County Highways and to the Environmental Department so that any work necessary could be included in next year's financial budget.

### Footpath to St. Blisickwell Grog

The Parish Council agreed to proposals to officially divert the old footpath across the cliff tops beyond Port Gaverne. The former route across fields will be transferred to the path behind 'Grammer's Chair', around the point to Welshman's Quarry, and down to the floor of the valley at St. Illickwell Grog. Steps will be provided on the steep place leading up to the old path.

## Donkey Derby

Permission was given for this event to be held at the Playing Fields in August.

## Plaque 'Narrowest Street . . .'

A suggestion from Mr. Wesley Blake that a small plaque denoting Temple Bar as the narrowest alley in the world could be put up was met with total opposition. It would set a precedent for other plates to be put up, and the alley was mentioned in all guides anyway.

## Flower Festival

Unfortunately the Council did not get enough notice of this event so that it was impossible for anyone to prepare an exhibit for the Methodist Church.

## 30m.p.h. Speed Limit - Trelights

Despite local reports that people drive through the village at 'terrible Speeds', the authorities think it unlikely that the necessary 'criteria' for a speed limit exist. Chairman Mrs. Cann said that individuals must write letters to County Councillor Harvey Lander, North Cornwall District Council, and M.P. Gerry Neale. Meanwhile it was suggested that 'Please drive slowly through the village' notices could be put on the village nameplates. Mr. Dawe proposed that another attempt be made to get the speed limit. This was seconded by Mr. Barriball and carried.

## Yellow Lines by the Surgery

The matter of a no-waiting restriction at the junction of Tintagel Terrace and Hartland Road has been under discussion since 1983. Objections have been raised to the latest proposals which are thought to be too extensive. It is also felt that it would make it difficult for patients visiting the surgery. If a reply is received from the authorities in time, the matter will be discussed at next month's meeting.

## Suggestions from the Community

Mrs. Eileen Trickett presented some suggestions from members of the community: Refuse sacks for Elderly People (They should ask N.C.D.C. for these); Bottle Bank (This was thought likely to cause too many problems); One-Way System Through the Village (Round-trip distance about 5 miles - too far); Seats for Old Age Pensioners (No suitable sites); 'Port Isaac Welcomes Careful Drivers' Sign (Already a 30m.p.h. limit); Flowers Supplied by N.C.D.C. (They would never pay for this, and there are already private hanging baskets, etc., tended by their owners and so less susceptible to vandalism). Trips to Port Quin and Padstow were thought to be a matter for boat-owners rather than the Parish Council. The Highways Dept. are to be asked to consider advance '6ft. width' signs to prevent difficulties at the foot of Church Hill.

## School Meeting

Mrs. Cann reported that Port Isaac was one of only two places where sufficient parents had turned up at the school Annual Meeting to provide the minimum 20% attendance required for approval of the curriculum. She will provide a report at the next meeting but added that she thought that Mr. Bruce gave very good reports in Trio.

**Verge Trimming**

The County Council are trimming for visibility only, not for amenity, as there is only enough money for this. Favourable comments were made about the appearance of Trewetha verges which had been trimmed by the Phelps family.

**Rose Hill**

Damage to the surface caused by heavy vehicles to be reported to the County Highways Dept.

**Seat - Trewetha Lane/Rose Hill**

Proof of ownership to be asked for before considering a request for rent.

**Port Gaverne - Conservation Area?**

A request from Mr. Stokes to put this item on next month's agenda on behalf of Port Isaac & District Tourism Assoc.

**Gypsies**

In reply to the annual enquiry from N.C.D.C., it was reported that no gypsies have camped in the parish.

**Fencing Applications**

**Mr. A. Wild - Porch/Conservatory, 81 Fore Street.** The Council were in favour provided Conservation Area recommendations were followed.

**Mr. C. J. Gregory, Trecreege -** Change of use existing barn and outbuildings to residential accommodation and garages. Also vehicular access. The Council felt it better to renovate the buildings this way than to allow them to fall into disrepair. Mr. Gregory intends to keep 20 acres for himself and allow 30 acres to be used for gardens and recreation.

**Mr. & Mrs. H. Symons -** Extension to 'Myrtle Grove', St. Endellion. This is now to be a listed building so the idea is approved of providing listed building requirements are followed.

**13 Building Plots, Trelights Village -** This proposal was not supported by the Council as it was felt to be 'overdevelopment'. It was also felt that existing drainage problems would be increased.

The Parish Council asked the public to leave as a tender for replacing the seat by the phone box at Mayfield was to be discussed.

**Next Meeting**

The next monthly meeting of the Parish Council will be at the Church Rooms, Port Isaac, at 7.30pm. on Monday 10th. August.

**NATIONAL EXPRESS SATURDAY BUS**

There is a bus, service 699, which starts at Porth Beach, comes via Padstow, Wadebridge, and Polzeath to Port Isaac, then on to Exeter via Camelford. It runs every Saturday until 19th. September. It leaves Port Isaac at 10.04am. and gets to Exeter at 12.05. The return bus leaves Exeter at 13.00 and gets to Port Isaac at 15.01. Thus it is useful in making connections with buses and trains at Exeter.

**APPRECIATION**

Readers of 'Trio' will have noticed the excellent way in which Mike tends our streets, removing litter down to the merest cigarette end. His early start spells the least inconvenience for residents and visitors, and his energetic and cheerful approach to his work is, I am sure, much appreciated by everyone who knows him, and sees the results he achieves. A.Jordan, Pisky Gift Shop.

**CHURCH NEWS**

Ten parishioners from St. Endellion and Port Isaac, including the Rector, thoroughly enjoyed their visit to Glastonbury for the annual Pilgrimage at the end of June.

St. Peter's Church, Port Isaac, was full for the combined Parish Eucharist for St. Peter's Feast Day. The Rector celebrated the Eucharist and baptised Charlotte Elizabeth, daughter of Mr. and Mrs. Michael Collings of Silvershell Road, Port Isaac. The Revd. Evelyn Dunford, Mr. Sidney Rex, and Vice-Admiral Alex Weir, readers, assisted the Rector. The lesson was read by Mrs. C. Greenwood, St. Kew. The combined choir, accompanied by Mrs. Janet Townsend, organ, opened the service with Mozart's 'Ave Verum'. Port Isaac Brownies presented their colours. The following evening, after a service in St. Peter's, parishioners enjoyed supper in the Rectory at St. Endellion.

Deanery evensong was held at St. Juliot's Church on Thursday 2nd. July and was very well attended.

The annual visit to St. Endellion Church by the Bristol University Madrigal Ensemble was much appreciated on Friday 3rd. July. The programme included folk songs, madrigals, church anthems, barber shop music, and a delightful selection of songs from Britten's opera 'Gloriana'.

A Eucharist for healing was held at the home of Mr. and Mrs. Sidney Rex, Port Isaac, on Wednesday 8th. July. The Rector was celebrant.

A large congregation was present at the baptism of Rebecca Rose Carey, daughter of Mr. and Mrs. R. Carey, Glebe Farm, St. Endellion, which took place during the Sung Eucharist on Sunday 12th. July, in St. Endellion Church. The Rector celebrated the Eucharist and baptised the baby. He was assisted by Mr. Sidney Rex, reader. Lessons were lead by Mr. F. Hartley and Mr. R. Parsons. Many visitors and local people crowded into St. Endellion Church Hall on Wednesday 15th. July for a very successful jumble sale which raised over £60 for Church funds. Raffle winners were: Mrs. J. Wilson, Mr. Cowling, and Mrs. B. Cocks. Helpers were: Miss V. Baker, Miss D. Hambly, Miss M. Hicks, Miss M. Sharpe, Mrs. S. Barriball, Mrs. Finnemore (Senr.), Mrs. T. Finnemore, Mrs. P. Richards, Mrs. E. Hawken, Mrs. G. Hambly, Mrs. J. Wilson, Mrs. K. Cox, Mrs. P. Kennaway, and Mrs. N. White.

## LETTERS

Dear Sir, I wrote to Trio in May concerning the intended use of our cliff path as the access road to the new houses to be built there. I have also written to many officials, and people in authority. Now, in response to your item last month I should like to give readers an idea of the sort of response I have received. The Chairman of North Cornwall District Council says the points regarding access to the site were carefully considered by the Planning and Development Committee, and from research of the car park deeds 'it would appear that the access road is still in the ownership of the original estate with rights of passage having been granted to subsequent purchasers of land served by the road'. As for possible conflict between vehicles and pedestrians, and general detriment to the area caused by motor vehicles, 'the Planning Committee did not consider these objections of sufficient weight to warrant refusal of the application'.

I leave it to readers to judge for themselves. It would 'appear' that the road is still in the ownership ... do they know who it belongs to or don't they? I hope 'general detriment' includes the possible destruction of the path's surface by large building lorries, cement lorries, etc. As for conflict between pedestrians and vehicles ... need I say more? No doubt the village will wait until the bulldozers actually

move in before they take any action. We must put a stop, now, to this terrible desecration of our lovely, peaceful cliff path.

Jack Hoskin

Dear Sir, The more I sit and think about the disaster of making the Cliff Path from Fore Street into a road, the more I feel we must press to stop it happening. It is a favourite walk for both villagers and visitors, being one of the few places one does not have to worry about vehicles or their fumes polluting the air. I have spoken to many visitors who feel that it would take part of the reason away for their coming to Port Isaac, as it is a favourite walk to and from the village and still unspoilt, they can walk at their leisure and not have to keep their children from the path of vehicles. Also we elder folk find it is lovely to have this Cliff Path, enjoy the views and clean air not polluted by petrol fumes. So please leave it as it is - quite unspoilt.

Mrs. E. Ferguson.

Why shouldn't the path be used as a drive? It is the natural approach to the site where the new houses are going to be built, and would seem to have been intended from the start as a cart track.

Robin Penna.

### P.I.D.T.A.

The advertising leaflet for our district will be continued with in September to be in good time for next year. All advertisements must be paid for before we can proceed. It is hoped that the Heritage Coast 'Interpretation Centre' will still be in Port Isaac and that the planning difficulties can be sorted out as it is felt this will help to bring people here. Eric Stokes, our Parish Council representative, has been asked to investigate the possibility of Port Gaverne being included in the Conservation Area. The problems of rubbish on Port Isaac beach and refuse collection generally may also be raised. Notices are to be displayed advising visitors that they should communicate any suggestions or complaints they may have to P.I.D.T.A. An 'Accommodation Guide' for giving to casual enquirers is to be discussed at the next meeting.

Hon. Secretary, Robin Penna,  
18 New Road, Port Isaac. PL29 3SB

### GARDEN SOCIETY

The next meeting of the Port Isaac and District Garden Society will take place in the Church Rooms on Wednesday 5th. August at 8.00pm., which will be a 'Question and Answer' evening. Non-members welcome. The schedule for the Autumn Show on 12th. September was printed in the March issue of Trio and will be repeated in the August issue.

Doris Hambly.

### BINGOS

The first three Bingos this year have been very successful. The Brownies received £94, Mount Edgcombe Hospice £136, and the Playgroup £115. Without the help of all the door and tea ladies, the people who donated all the super prizes, and everyone for attending every time, this would not have been possible. Very special thanks to our 'caller' - Dave Philp, and our checkers Melanie Dingle and Sue Dingle. Once again, many thanks everyone. See you on 6th. October - School Bingo.

## PORT ISAAC LIFEBOAT NEWS

Mr. Giles Cooper, a milkman who lives in St. Teath, was sponsored by friends and customers for his successful run in the London Marathon, which he completed in 4 hrs. 53 mins. On Sunday 5th July, Mr. Cooper visited the boathouse to present a cheque for £338.50 to Mr. David Castle (Station Hon. Secretary). Mr. Cooper was taken out in the lifeboat by crew members John Coshall, John McDonnell, and Mike Daly.

On the same day, children from Camel-ford County Primary School presented £246 to the R.N.L.I., the results of a sponsored 'matchbox' competition. The three winning children were kitted out with waterproof clothing before being taken out for a trip in the lifeboat.

The Coffee Morning held on 8th. July, at Handsacre, Trelights, raised a total of £277.29.

The lifeboat was launched late in the afternoon of Friday 10th. July, following a report of a swimmer in difficulty at Port Gaverne. Roberta Wilson, aged 19, of Banbury, Oxfordshire, was rescued, and the lifeboat also picked up Mr. John Bedford, staying at the Lawns Hotel, and who had been swimming to her assistance. The crew members were John Brown, Mark Provis, and Mike Daly.

Well over 150 people attended a service conducted by Revd. Hugh Fryer at St. Peter's Church on Sunday 12th. July, in celebration of the 20th. anniversary of the re-establishment of Port Isaac Lifeboat. At the service, Mr. Matthew Care, who led a delegation from Gideons International branches from Cornwall, presented inscribed bibles to the Station and to each crew member. A number of crew members who were unable to attend were represented by their wives.

Please note: It has been necessary to defer the Coffee Morning which was to have taken place at 1 Furze Park, Trelights on 6th. August. It is hoped that a new date will be arranged.

John Scott.

## HEADLANDS HOTEL

Chris and Anna Harris have recently taken over as resident owners of the Headlands Hotel, Port Gaverne. Together with their new chef, Mark Hannah, they are intending to provide an interesting and varied selection of dishes in Slaters Bistro for visitors and local residents, all year round.

Michael and James Harris have already started at Port Isaac school and they, as well as Chris and Anna, look forward to making many new friends.

We are very sorry that the R.N.L.I. Barbecue at the Headlands Hotel had to be cancelled. Taking over the hotel just two days before the intended date made it impossible to arrange the necessary licences. We hope that we will be able to offer the service again soon.
