

SEE THE LANDSCAPE

Mark Prout's new bus timetables have a map of the route on them which is reproduced below. It is a beautiful ride and a pleasant way to Wadebridge with no parking problems at the other end. From the bus you can see right over the tops of the hedges and get views of the countryside that you would never dream existed when you are in a car. It means you have to use a whole morning to visit Wadebridge - there is a bus at 9.30am. from Port Isaac, and the midday one back leaves Wadebridge at 12.05 getting back here at 14.46 - but why not have a morning off and perhaps have coffee in town at the same time? Did you know that you can see the church of St. Enodoc from the road?

Coach to Truro

Thursday 30th. June, leaving the garage at 9.30am. To Truro via Polzeath and Rock (Clock Garage).

PORT ISAAC SCHOOL

Air Ambulance 1000

As you are doubtless aware, there will be a Port Isaac Fun Day on Wednesday 3rd. August at 3pm. All funds in aid of the Air Ambulance. The School is running an 'Air Ambulance 1000'. This is similar to an event we ran last year where anybody from the age of 6 months to 106 years can run, walk, crawl, stagger, or whatever they wish, over a course of 1000 metres. It is a Fancy Dress event and the cost of entry will be £1 per adult and 50p per child. We hope all the village will take part. Entry forms can be obtained from Mr. Bruce at School or by asking one of the children. Hopefully when the event takes place at 3.30pm. on the day, most of the village will be there to join us to go around the field. Certificates will be issued to everybody who competes. Please give this event your support - we look forward to seeing you all there on the day. Obviously, entries can be accepted up to the start of the Race at 3.30pm. So do not be shy, dig out your best fancy dress and come and join us.

Donkey Derby

On Wednesday 27th. July there will be a Donkey Derby at the Playing Field in aid of School funds. If you would like to sponsor a race or a donkey, please see me as soon as possible because, as you

know, the sponsoring of races is taken up very quickly. I am sure you will all join us that evening at 7 o'clock and give us your support.

Ian Bruce, Headmaster.

NO CHARGE

Many people putting items in Trio ask 'How much does it cost?' There is no charge for announcements, news items, association reports, notices of events, or 'Diary' items. The only things we charge for are the advertisements and classified advertisements where payment is requested in advance please.

CHRISTMAS LIGHTS BINGO

Many thanks once again to all those people who supported, helped, or donated prizes for the bingo. A profit of over £160 was realised. We will be organising an extra bingo on Thursday 19th. July (see 'Diary') for the newly formed Port Isaac Cricket Club so if you are interested, either Dave Philp (greengrocer) or myself will be delighted to accept prizes or donations.

Carol Richards.

Mr. John Moore

It was with regret that we heard of the sudden death at his Port Isaac holiday home, 'The Anchorage', Roscarrock Hill, of Mr. John Moore, aged 82 years, on May 31st. The family have been coming to Port Isaac for well over 30 years. The funeral service has taken place and the interment at Ealing. We offer our condolences to his family.

Mr. Donald Hambly

Mr. Hambly, who only retired to Roseleigh, Trewetha, a short time ago, had been unwell for some time and died on 4th. June. The funeral on 10th. June was held at St. Endellion Parish Church followed by cremation. We express our sympathy to his widow and family, and to his sister Doris, in their loss.

Mrs. Lily Violet Ketley

Residents will remember Mrs. Ketley and her daughter, Mrs. Gladys Putt, at the Trethoway Guest House. They moved to 'Ecila', West Hill, Wadebridge, nine years ago where Mrs. Ketley died on Tuesday the 7th. at the great age of 92. The funeral service was held at St. Endellion Parish Church on June 10th. Revd. Hugh Fryer officiated. Interment was in the Old Churchyard. A number of her friends from Port Isaac and Wadebridge were present at the service. We offer our sincere sympathy to the daughter in the loss of a wonderful mother.

The widow and family of the late Reginald P. J. Gorman would like to thank all who contributed to the Port Isaac Church restoration fund, in lieu of flowers. The amount raised was £175.

Mrs. Moore, Heather, and Ian, of 'The Anchorage' would like to thank all those who gave so much help and sympathy following the death of John Moore, a much loved husband and father, who passed away suddenly, in Port Isaac, on May 31st.

PARISH COUNCIL

This report is compiled from notes taken by a member of the public during the Meeting held at the Church Rooms, Port Isaac, Monday 13th. June.

Councillors stood in silence for one minute in remembrance of Reg Law.

Mrs. Peggy Richards was welcomed as the new councillor after the by-election.

Finance

With forthcoming expenditure, including election expenses, the balance will not be sufficient and a precept of £1000 is to be raised. A donation of £30 is to be made towards the upkeep of the War Memorial at St. Peter's Church Hall. Trio is to receive a donation of £75.

St. Endellion Churchyard

Complaints have been received of uneven ground around the graves and grass not properly cut. These are to be passed on to the St. Endellion Church Council with a request that something be done about the conditions.

St. Peter's Church Hall

A donation of £250 is to be made towards the £3000 needed to carry out works to the back wall which is letting in water which has caused the window frames to become rotten.

Old Slate Quay, Port Gaverne

A site meeting is to be held to examine the concrete steps which have been worn away by the sea, and to determine whether the path along the top has become dangerously narrow due to erosion of the rock.

Vacancy for Parish Councillor

The death of Reg Law has left a vacancy on the council. This could be filled by co-option, saving the expense of another election, provided that there is no request from members of the public.

Footpath Clearing

Paths were allocated to various councillors, to be checked after clearing work has been completed.

Parking in Mayfield Road

The Housing Department has no funds to provide off-street parking for the residents of Mayfield but the problem will be considered in the future.

Pump, Minepit Corner, Back Hill

Mrs. Cann said that the condition of the site at present is a disgrace to Port

Isaac. Unfortunately there is no contractor available to do the work for at least three months. Mr. Stokes offered to organise the demolition of the existing block shelter and Mr. Dawe will help with the removal of the blockwork. Mr. Stokes will then erect the woodwork for the new building at the cost of the wood only, prior to the final stone work and roofing. When completed, the pump will be remounted.

Steps, Mayfield Road/Silvershell View

The dangerous steps are to be repaired by the District Council, but a reminder to be sent to them.

Playing Fields

After inspecting various makes of gates, it has been decided that Mark Dawe's are more suitable than many for the Playing Field car park. He is to be asked to provide an estimate. Mr. Dawe declared an interest.

A letter from the Playschool reported on the bad condition of the playground equipment. Some councillors have also been to inspect it and agreed with the report. Many of the wooden parts have become rotten and there are holes in the floor of the roundabout that a child's foot could go through. This piece of equipment will be dealt with straight away and an estimate will be obtained for the rest of the work. Fears were expressed that regulations coming into force could mean a new surface might have to be laid under the equipment and that, if this should prove too expensive, there might be no alternative but to remove the equipment.

Police have been notified about a wire which somebody is placing across the bottom of the slide. Until the culprit can be found, parents should check that the slide is clear before allowing their children to use it.

Footpaths, Hartland Road

A letter to be sent to the District Council advising them that the paths are becoming muddy and overgrown.

Coronation Park, Trelights

This is becoming boggy due to the failure of the old drainage pipe. A donation of £100 is to be made to allow necessary work to be done.

Fore Street, No Parking All Year

The Parish Council has finally decided to apply to County Hall for the all-year parking restriction but for this to apply to Fore Street only if possible.

Footpath 35 at the Mill Pool

The contractor who is clearing the paths this year is to be asked to provide an estimate for work to improve

the path at the bottom of the lane up to Trewetha. If this approved, County Highways will re-imburse the cost.

Appeal from Port Isaac Playgroup

There are currently 26 children who attend the Playgroup which is held three mornings a week. The numbers mean that two paid workers and two voluntary workers have to be in attendance to conform with regulations. Over the 42 weeks of the year much expense is involved and the Parish Council are to donate £100 towards this for the time being, there are many demands on the Council at present, but further money could be available in the future.

Clerk's Correspondence

An invitation has been received for the Chairman to attend at the inauguration of the Midland Bank (North Cornwall) Mobile Branch.

Cornwall County propose that the Highways Department should only cut one swathe of grass along roadsides except where more necessary for visibility, and only new growth in hedges, and that landowners should be responsible for cutting old wood adjacent to roads.

The Parish Council are to ask County Highways to tidy up the ground around the old stone at Long Cross since the ownership of the land has not been established (it is not part of Roscarrock).

An explanation was received that only building materials are to be dumped in the sea from the works at Port Talbot, Wales, this material will sink and cause no pollution problem.

Planning Applications

Plans to provide living accommodation above Port Isaac Post Office were considered at an interim meeting of the Parish Council, and the same observations were made about revised plans - no alterations should be made which will alter the character of the Old Lifeboat House.

Change of Use, Shop to Estate Agents, New Road, Castle Properties. No observations were made about the change of use but it was remarked that the alteration to the premises was already completed; remarks were also made that other work had been carried out at other parts of the site at New Road and that no planning applications had been received by the Parish Council.

Extension to Agricultural Shed, Bodannon Bungalow. Again no observations were made concerning the application but it was felt that the absence of the wall at the road made it dangerous for

Plans for another Bungalow on Plot III at Marshall's Way also received no observations.

An application to build a Pair of Semi-detached dwellings in the un-developed part of Furze Park raised the objection that they would be too high and overpower the surroundings.

Mr. Penna thanked the Council for the donation to Trio.

GOLDEN CIRCLE

The last meeting of the Golden Circle before the summer break was an outing to Barnstaple. The journey was made in fair weather and enjoyed by 36 members and some friends. After lunch, and time for shopping, the hospitality of the Senior Citizens Centre was accepted and many had tea before the return home.

The following week saw the Silver Birthday Party of the Port Isaac Golden Circle celebrated at the St. Moritz Hotel, arranged by Mrs. Grace Cotton.

a founder of the Circle. Joined by the St. Minver Club, the members had tea and celebrated their birthday in great style. Mrs. Lizzie Couch, on behalf of the Club, presented Mrs. Cotton with an arrangement of flowers as a thank-you for a wonderful afternoon.

The Circle will re-open on Wednesday 5th. October, and an announcement will be published in Trio.

It was with deep regret that we heard of the death of Reg. Law. Reg. had been our treasurer and was a very valued member of the Golden Circle - we shall miss him very much.

Sheila Jarvis.

MOBILE MIDLAND BANK

Since many villages have no major bank, the Midland Bank believes that a Bank which comes to you is the answer. Just think how a mobile bank will help customers to avoid the long queues in the area throughout the summer.

The mobile branch is fitted out in a bright and modern style. It will provide a first-class counter service and staff will be able to offer help and advice about the full range of Midland services. In addition to cheque, cash, and bill paying facilities, an experienced member of the staff will be available to discuss savings and lending products. The daily control of the unit is the responsibility of John Pomeroy the manager at Wadebridge.

The mobile bank will be at the school lay-by, Mayfield Road, on Mondays and Thursdays 10.30 - 11.20am. Timetables of all the other stopping places and times, at the Blackthorn Press.

PORT ISAAC FUN(D) DAY

To raise vital funds for the Cornwall Air Ambulance, a grand Fun Day will be held at the Playing Field, Port Isaac, on Wednesday 3rd. August at 3pm. with pony rides, a fancy dress race, archery, swings, roundabouts, dodgem cars, side-shows of all kinds, Cornish wrestling, cream teas, ices, soft drinks, hot dogs, and a lot of fun for all, rounded off with the St. Breward Band in the evening to dance us around the village.

More car boots and stalls are very welcome if you book quickly with Phil Milton (Bodmin 880318).

Gifts of small bottles, cans, and other articles suitable for a hoopla table would be most acceptable - to me by 21st. July if you can possibly help in this way.

Don't miss a great time out for all the family, and help to keep the Air Ambulance flying and saving lives.

Phil Milton.

ST. PETER'S CHURCH

This item was omitted last month. We print it now with a slight amendment and our apologies.

Annual General Meeting

The meeting was held on Sunday 1st. May, after the morning Eucharist, with the rector, Father Hugh Fryer, in the chair. Church wardens were elected. The rector suggested that there should be occasional meetings apart from the four P.C.C. meetings during the year, and that these should include members of the congregation to deal with ordinary organisational matters. Mrs. Dilys Phelps consented to remain as secretary but did not wish to be a member of the council. Mrs. Norris was happy to remain as treasurer and thanked Mrs. Dunford for her help. Mrs. Dingle and Mrs. Fletcher retired and the remaining church councillors were re-elected. All members were given a comprehensive treasurer's report, church funds being reasonably healthy after re-wiring and roof maintenance. The church rooms now pose the biggest problem, a great deal of expensive repair work is urgently needed. The rector thanked Father Alan Wainwright and Father Evelyn Dunford for their invaluable help and support during the year. The organisers were also warmly thanked and the rector said how much he appreciated the fund raising efforts of the council members and the response of the village. The meeting closed with the Blessing.

Jo Phillips.

Let's work together and beat this dreadful scourge! The total raised will be published each month in Trio.

FOR MY SINS

Many people think that Trio is my full time occupation, which is probably not surprising because they are only aware of my existence through the newsletter. In fact, Trio is only a 'hobby'. Our share of the 10p. (of which the shops get a proportion), and from the advertisements, pays for the materials and machinery involved in printing. I don't charge for the time I spend typing it all out and laying out the pages but do the work because I feel that it is useful for our community to have the newsletter and the work is my contribution towards village life. Trio is not a professional newspaper, my living comes from printing all those little jobs that are needed in a small village but which are 'nuisance jobs' to larger printers.

LIFEBOAT

On Saturday evening, 4th. June, the lifeboat was launched to answer a Mayday call from the cruiser Palinus, in danger of going ashore on rocks near Rumps point, following engine failure. Crew members Andy Walton, Bob Young, and Richard Hambly, took Palinus in tow. The tow was later transferred to the Padstow fishing vessel Spinaway, which had also answered the call, and Port Isaac lifeboat escorted both vessels to Padstow harbour.

Members of Port Isaac Branch staffed the R.N.L.I. stand for the opening day of the Royal Cornwall Show. A total of £490 was raised for the R.N.L.I. from collecting boxes, tickets for a Volvo car draw, and the sale of souvenirs.

Mr. and Mrs. Carpenter held a Coffee Morning at the Slipway Hotel on Tuesday 14th. June, when a total of £96 was raised for the R.N.L.I.

Please note that the date for the Four Legged Race has been changed, it will now be held on Friday 19th. August.

LIGHTNING NEVER STRIKES THRICE?

Two weeks ago Tamsin Andrews was thrown from her horse while riding on Lobber and rushed to hospital by Air Ambulance as it was thought that she had broken her ankle. Then last week Neville and Tracy had to deal with a double emergency when Enid was flown to Treliske, in the Air Ambulance, with appendicitis, and Tamsin was rushed off again this time with meningitis, but, fortunately not the serious kind. Both are now recovering as are Neville and Tracy who would like to thank all the people who came forward to help them during the crisis.

Dear Sir, At every stage of our development at New Road, we have taken pains to consult with North Cornwall District Council Planning Department. Their decision is that no permissions are needed for the refurbishment of the Dolphin Gift Shop, or for the division of the other shops. The change of use from a shop to an estate agents is, however, necessary and has been applied for. Further work is planned, and this is already in hand with the Planning Department. If anybody would like any further information, please come and ask me, you will be welcome.

John Coshall.
