

A SAD ONE

Brought out by the cold snap, blackthorn blossoms stood white and silent against the darkening backdrop of the valley floor. Grey cloud had long since covered the bright blue patches that the day had seen. Evening mist drifted gently off the sea and mingled with smoke from freshly lit fires as it passed over the fishing village of Port Isaac.

The sound of late evening birds, the bleating of lambs at foot, and the cries of seagulls wheeling above gave no hint of the tragedy of the day. Many who had come home to rest in the houses on the seashore would not know that on the valley side that day, the 29th. March 1990 a young man had died. Their sadness will be a part of a new day's awakening. Scattered down the slope could be seen debris until eventually the eyes came to rest on a tractor, four wheels in the air, in so many ways a peaceful scene, a scene that belied the searing sadness and desperate activity of the day. Family, friends, neighbours, police, ambulance, fire brigade in attendance, but of no avail. For many not close to the scene and tragedy, not close to the family, not close to the neighbourhood, the event will soon be overlaid with day to day living. For some the tragedy will live on. Family, friends, and neighbours, and the North Cornwall Community have lost a farming son. For those young and old alike who think that wheel drive tractors are go-anywhere vehicles, I have this message, reflect a while and maybe, just maybe, a life can be saved.

Health and Safety Executive.

THANK YOU PEAPOD

Our nine year old son took his pocket money of six weeks savings on Saturday 24th. March to the Peapod to buy 'Mum's a gift for Mothers' Day. It was 4.30 in the afternoon when many shops in towns have just about sold out of the best of their stock. The care and attention he received from the tall slim lady with curly hair (his description) was marvellous, and the lovely blooms of tulips and carnations I was presented with on Sunday morning were a joy to receive, all still in bud. I admit to being a person who lets shopkeepers know when I am not pleased with their service, but I also believe in praise where due. Well done David and staff.

Ann Cleave.

The evening was a great success and our thanks go to Barry, Angela, and staff. The food was faultless. With great eating places like this, why leave the village for an evening out? The team wish to thank our Treasurer Barry Morris for his work in organising the evening with such style. Awards were as follows: Most Wins A. Penny. Most Tons A. Penny. Most Improved Player P. Honey. Highest Checkout A. Ring. Highest Score A. Penny. An engraved brandy glass was presented to 'Captain' R. Berman. Thanks Paul for the great Disco. Ray Berman.

BROWNIES

There will be a Coffee Evening at the school on Tuesday 22nd. May at 7.00pm. Everyone welcome. If you can bake a cake or give items of bric-a-brac we will be most grateful. The Brownies will be taking part in the ITV Telethon on Sunday 27th. May between 1.00 and 3.00pm. Pubs, shops, restaurants: beware you will be invaded, just pay us to go away!

I would like to say on behalf of Doreen and myself how much we have enjoyed being with you all for the last six years, sharing in the Church's Ministry in the Parishes, and in the Community life. Thank you to all who have been so kind and friendly to us, for your hospitality, and for not seeming to notice some of the worst mistakes! We hope that you will be able to welcome a new Priest to the Parishes before too long, but in the meantime our thanks and blessings to you all.
Father Hugh.

A MESSAGE FROM THE BISHOP OF TRURO

I, as a new boy in the Diocese, have little right or knowledge to write about Hugh and Doreen Fryer. But I sampled St. Endellion on Palm Sunday and came away fed in mind, body, and spirit. I know that sort of ministry, ministry where the bell and telephone go non-stop; when endless numbers of various tasks get done along the way; where all are born in prayerful and cheerful pastoral hearts: I know that sort of ministry, and I know it goes on in abundance in St. Endellion, Port Isaac, and St. Kew. And all done quite naturally without false smiles or attitudes. I know too, that has been the nature of their ministry wherever they have been, and we in the Diocese are enormously grateful. More, much more, could be said, but I won't embarrass them by going on. I wish them great happiness in their retirement and hope they will have a chance to breathe, do the things they've always wanted to do. Our blessings and thanks go with them.
Michael Truro.

PARISH COUNCIL

A report compiled from notes taken by a member of the public during the meeting held at the Church Rooms, Port Isaac, Monday 9th. April.

Burial Ground

Due to work load, the District Valuer can't fix a price for the glebe land for at least two years and it may be necessary to arrange private valuation costing about £100. It was revealed, however, that no organisation is under duty to provide a place of burial, and, according to the P.C.C., it will be ten years before the present ground is full. The matter was deferred till Cllr. Symons would be present.

Finance

A cash transfer from the deposit account is to be made to meet this month's expenditure, rather than wait for the first half of the Parish Precept, now due.

Annual Parish Meeting

Guest speakers to be Mr. Hill (County Footpaths), Cllr. Lander, and Cllr. Symons. Tea and sandwiches to be served afterwards.

Playing Fields Equipment

A representative of a playground equipment firm, used by N.C.D.C. as safety adviser, etc., has inspected the equipment in the playing fields and reported that the swivels are going and the seats need renewing on the toddler swing, the main swings are in order, the rocking horse could trap fingers (there are no others in the county now), the plank of the see-saw (a non-allowed 'bump' type) is splintering, the roundabout spindle should be removed, and the climbing frame and slide is just beginning to corrode and should be painted with special paint supplied by his firm. The regulations are to be tightened next year and the Council could be faced with having to remove the equipment altogether. A letter from the Playgroup said that the group is eligible for lots of grant aid provided they can get support from the Parish Council, and they are prepared to form a fund-raising committee. An 'adventure' style playground with static objects would be better than things which are expensive to maintain. It was decided to hold a meeting between members of the group and the Parish Council Playing Fields Committee. There is still some money left from the funds raised for the 'Wendy House'. Dr. Barron pointed out that the Parish Council can ask for as much money as they want - it is simply added to the local Community Charge! Meanwhile the rocking horse and the roundabout will be removed

and the rest of the equipment given necessary maintenance. Mr. Phelps spoke of a man with a vicious dog he was allowing to foul the play area but whom Mr. Phelps felt it wiser not to accost, 'if children had been present they could easily have been harmed', he said.

The fishermen are not closing the gate and are leaving equipment in the parking area, both in breach of their agreement.

Car Park Notice Board

The Council is to organise the replacement of the existing board for public notices with a new type authorised by the County Surveyor. P.I.D.T.A. have offered to pay towards the cost.

Clerk's Correspondence

a. In a note, the organiser of the British Trust for Conservation Volunteers team for the step-building project on the path up the side of Lobber, apologised for a lack of information. He assumed that since County Highways had ordered the work the Parish Council would have been informed.

b. A letter had been sent to Mr. Dawe offering the Council's condolences on the tragic death of his son, Steve, aged 18.

Planning Applications

- Formation of New Access, Trewetha Lane, Mr. J. Chapman: 'Not in favour'.
- Revised plan for Dwelling and Garage, Brooklands Farm, Mr. N. Cleave: 'No observations'.
- Listed Building Consent for Velux Window, 15 Fore Street, Mr. M. Stewart: 'Why is the Parish Council only being consulted when the work has already been done?'

Other Business

Mrs. Richards said she had been approached by the builders working in Trewetha Lane for permission to place a hut in the playing fields car park. It was not thought this would be a good idea. The whole matter of the car park will be discussed at the next meeting.

Public Discussion

Mr. Penna asked if councillors ever walked around the village. He spoke of the neglected appearance of the streets etc., and suggested that they might take a look and form their own conclusions.

Mrs. Strout said a skip asked for from N.C.D.C., to help tidy up Mayfield after the storms, had not yet materialised.

Mrs. Provis spoke of the complaints she receives at her shop about dog fouling and dirt in the streets and she asked when street sweeping would start this year.

Next Meeting

The next monthly meeting of the Parish Council will be held on Monday 14th. May at 7.30pm. in the Church Rooms, Port Isaac.

N.B.

The Annual Parish Meeting will be reported next month.

NATIONAL ARTHRITIS WEEK

Readers, especially those with arthritis or whose relatives have this problem, will be interested to know that the Port Isaac Branch of the Arthritis & Rheumatism Council for Research (ARC), is playing an active part in this year's National Arthritis Week (3rd. to 9th. June). The theme this year is the forgotten arthritis sufferers. ARC is publishing the results of community research which shows that 7% of the adult population has disability associated with the rheumatic diseases, but that for every one of these disabled people who have seen a specialist, another will have not. Moreover, the older the person, the less likely they are to have consulted a specialist.

During this special week, ARC will be underlining the message that, thanks to research and the better treatment that has resulted from it, something can be done about arthritis. It is no longer something you just have to put up with.

In Port Isaac we will be holding events (see the Diary for coach trips) to raise more money for arthritis research so the cause and cure can be found.

We hope that you will support us. If you would like more information about ARC and its work, please do not hesitate to contact me.

Mrs. Hooper (880404).

LETTER

To introduce ourselves, we kept the Corestin Christian Guest House from 1959 to 1982, when we retired and came to live here in California near our daughter Teresa and her husband. Since visiting Port Isaac last November, George and Eve Moth have been sending us Trio on a regular basis. Now we want to thank all who contribute to make such an interesting publication. It brings back many happy memories of our years in Port Isaac.

We felt sad to hear of the tragic news of John Cann's death. Our hearts go out to Margaret in sympathy. We do trust that she is finding comfort and strength in the God of all love and mercy and pity. We hope, too, that she is being well supported by friends.

On 23rd. March we celebrated our Golden Wedding in a reception given for us by Teresa and her husband, and some very close and dear friends. Just 50 people gathered and we were overwhelmed by the love and kindness shown to us. It was a real highlight in our life which will be remembered for a long time.

We would like to convey our love and fond remembrances to our many friends in Port Isaac. We often think of the many happy friendships and relationships which we left behind. May God bless you all.

Stan and Marjorie Bates.

LIFEBOAT

On Saturday 31st March a Cowflop Contest was held followed by a Buffet Lunch at The Longcross Hotel, by courtesy of Mr. and Mrs.

Warrillow. Our grateful thanks to Mr. Brian Blake for the essential Cows, whose product landed on Plot 276, held by Mrs. Liz. Hine of Chapel Amble, who won the prize. A total of £528 was raised for the R.N.I.

The Annual Art Exhibition at the Port Gaverne Hotel, held by kind permission of Mr. and Mrs. Ross, was opened by Ted Gundry of BBC Radio Cornwall on Friday 6th April. Please note that the exhibition will close on Friday 11th May (not 18th May as shown on some posters and calendars). John Scott.

MOBILE INFORMATION CENTRE

The North Cornwall Heritage Coast Service Mobile Information Centre had a busy week before Easter. The mobile exhibition will come back to Port Isaac on 2nd. June and anyone who would like to volunteer to help by spending a few hours aboard please ring Rebecca David, 851076.

STEVEN DAME

Our village in the past few months has been hit by much sadness and sorrow but on Thursday 29th. March perhaps the greatest tragedy of all, to hear that Steven Dame had died in a tractor accident at his parents' farm at Pennant. Steven, just 18 years, loved his life and work on the farm. He was much loved by all who knew him as was shown by the crowded church at St. Endellion for the funeral service, with many of Steven's schoolfriends at Camelford and Port Isaac schools. Muffled peals were rung on the church bells before and after the service. The whole area and district express deepest sympathy to the family in the loss of a much loved son and brother.

The parents and family of the late Steven Dame wish to express their sincere thanks to all who assisted at the scene of Steven's tragic accident. Also to the officiating clergy, the bellringers, organist, and the chosen bearers.

Thanks also for the many letters, cards and messages of sympathy received, for attendance at the funeral service, to the ladies who helped serve teas at the house, and for the donations in lieu of flowers. Special thanks to Mr. Ian C. Honey, Funeral Director.

MR. ARTHUR LEE.

It is with deep regret that we have learnt of the death of Arthur Lee in Bournemouth. Arthur and Joan ran the Janda Antique Shop on the Terrace for 10 years, before departing for the warmer climate of Tenerife. We will all miss Arthur's infectious laugh and his willingness to help everyone.

A collection is being made on behalf of Cancer Research, any donations can be handed to Sylvia McCrohon at Pride of Place.

The family of the late Mrs. Lois Williams of New Road, Port Isaac, wish to thank all relatives and friends who sent messages of sympathy following their sad loss, and for all the beautiful floral tributes sent, for attendance at the funeral service. Special thanks to the bearers and to Mr. Ian C. Honey, Funeral Director.

ST. ENDELLION CHURCH.

Farewell retirement presentations to the Rector and Mrs. Fryer have been made by members of the Julian group, the Healing Group and the Music Festival during the past month. At the Julian meeting, Mrs. Fryer was presented with gardening tokens by Mrs. Jean Wilson and warmly thanked for starting the group and for her hospitality. At a eucharist for healing at Bodannon Farm, Trewetha, Fr. Hugh was presented with a garden chair and Mrs. Fryer with gardening tokens by Mrs. Judith Pollinger. On Easter Day at the final concert of the Music Festival a portable compact disc player was presented to Fr. Hugh and a painting by Biddy Holden was given to Mrs. Fryer by Mrs. Frances Hickcox, who expressed the gratitude of the Festival to them for all their help and hospitality during the past six years.

Music Festival

Performances of the Bach St. John Passion took place on Good Friday and Easter Eve, and the religious significance of the events of Holy Week and Easter was heightened by the blessing and lighting of the Pastoral Candle and the Offices for

Easter Eve. As soon as the Passion ended, all the lights in the church were extinguished. Each person in the audience had been given a candle and, as the lighted Pastoral Candle was slowly carried in procession up the church, these small candles were lit from it. The service was led by the Rector and a lesson was read by Mr. Peter Orr, who had, earlier in the week, given a talk on the life and work of Sir John Betjeman and of his association with St. Endellion Church. Chamber concerts on Palm Sunday and Tuesday were well attended as was the final concert on Easter Day.

All previous records were broken at the Sung Eucharist on Easter Day when nearly 400 people were squeezed into every corner of the church. The Revd. Alan Wainwright was celebrant, assisted by the Rector, the Revd. Alastair Mackerachek, Mr. Sydney Rex and Admiral Alec Weir. There were 330 communicants. Mr. Richard Hickcox was organist and Easter eggs were distributed to the children by Tamara and Zoe Curnow, grandchildren of the Rector and Mrs. Fryer.

Judith Pollinger.

ST. PETERS PARISH CHURCH.

The Parish Church A.G.M. was held on Sunday 1st. April with the Revd. Hugh Fryer in the chair. Mrs. M. Larkin and Mr. Gavin Bengier were elected church wardens. Mrs.

T. Bengier was elected representative to Deanery Synod. The P.C.C. were re-elected with three additional members, Mrs. R. Castle, Mrs. D. Hardwick and Mr. Jack Provis. Mrs. Norris was re-elected as treasurer. Mrs. J. Phillips was elected secretary. The main discussion was about the state of the buildings. Mr. Bengier had drawn up a comprehensive report on both the church and church rooms. Mrs. Norris emphasised the urgent need for fund raising.

Friends of St. Peter's.

Arising from the AGM report on the state of the building, it seems we have rising damp, faulty electrical wiring, movement of the altar wall, and front doors which need renewing. Of course there is always considerable expense regarding insurance, heating, and general refurbishing. The P.C.C. will as usual be organising various fund raising events, but we are finding it increasingly difficult with the rising cost of maintenance to make ends meet. It was therefore decided to form a Friends of St. Peter's Association. If anyone is interested in joining

this association, perhaps they would contact the treasurer Mrs. Norris, 71 Fore Street. We do not suggest you commit yourself to regular giving (a covenant would be most welcome!) how often and how much would naturally be entirely up to you. We feel very strongly that it is important for St. Peter's Church to survive in our community, but we need HELP from fellow christians.

Junior Church

Members of the church have been greatly encouraged by the interest shown in St. Peter's Junior Church which starts on 22nd. April in the Church Rooms at 9.45 a.m.

Mini-Market

A very successful mini-market was held on 17th. April in aid of church funds. The total was £84.15p. Many thanks to all the folk who helped. The next one will be on Tuesday 15th. May. Jo Phillips.

CHRISTIAN AID WEEK 1990

This year Christian Aid Week is 14th to 20th May. There will be a house to house collection in Port Isaac and Port Gaverne. The theme this year is 'Justice in a Broken World'. Anybody who feels they can give an hour to helping with the street collection please contact either Oi Benz (880626) or Tammy Bengier (880629).

At our Annual Lunch on the 28th March, we raised the splendid sum of £900.19 - a new record!

The main course was a choice of Chicken and Ham Pie, Burgundy Beef Casserole, or a Vegetable and Bean (3 kinds) Casserole, plus a choice of other vegetables. There were about a dozen sweets, served with clotted cream. After the meal there were some rather special impromptu cabaret acts performed by some very accomplished **** artists. A big thank you for your wonderful support, to everyone who helped beforehand, and on the day, for the many donations of all kinds, and especially to all those who came and made the day such a success, enabling us to reach such a fantastic total. There may be a repeat performance in the autumn. If not, we look forward to seeing you in March 1990. Janet Chadband.

Muriel Short would like to thank all who wrote letters, sent cards and made enquiries during her stay in hospital. She is now at Alan's where she is making steady progress.

A.G.M.

Plans for a 'Holidaymaker Survey' will be presented at the Annual General Meeting on Thursday 3rd May, at the Church Hall (see back page for details). It is hoped there will be a good attendance as there are many things to be discussed and this is also a chance for the public to hear what is being achieved. The Association's aim, always, is to represent every aspect of local business, and people who may not be directly connected with tourism will be welcomed. An invitation is being sent to every business.

Accommodation Guide

A new Accommodation Guide will be printed after the AGM and all paid-up members offering accommodation will be included - free of charge.

Advertising

The full-colour leaflets are being distributed and members may get a free copy from 18 New Road. They will also be on sale at the AGM.

Press Advertising

Media experts are being consulted about a small press-advertising campaign, and a poster is proposed, to be displayed in T.I.Cs. Heritage Coast Interpretation Centre Grant aid has finally been received for the Centre, to be built adjacent to the Old School Hotel.

Betjeman Week

On Saturday 19th. May, in connection with the 'Betjeman Appreciation Week' of various events organised by the North Cornwall Marketing Group (14th. - 19th. May), there will be a walk, starting at St. Endellion Church, down the route to Port Isaac described by Sir John, and then around the village, looking at the buildings he wrote about. Details are available from Roger Warrillow, telephone 880243.
