

LIFEBOAT

On 2nd. August at Boscastle's Lifeboat Day, collections raised £138, and £146 worth of Volvo Draw tickets were sold.

Port Isaac's Lifeboat Day was held on 9th. August. Lifeboat Larks took place on 12th. August, and the Waitress Race was won by Sarah Irons, representing The Drug Store. Details of money raised at both events will be given later.

On 19th. July, the lifeboat was launched to assist two adults and three children trapped on rocks near Polzeath. All were safely put ashore. Crew members were Andy Walton, Nigel Andrews, and John Collins.

On 20th. July, the lifeboat was launched to investigate a reported body in the sea off Barras Nose, near Tintagel. Crew members Mark Provis, Nigel Andrews, and Chris Scott found the body, which was that of a cow.

On 29th. July, Neville Andrews, Trevor Beare, and Chris Scott took windsurfer Matthew Revett, of Ruislip, Middlesex, off rocks by The Greenaway, Polzeath in heavy surf, and placed him safely ashore.

On 11th. August, two windsurfers were reported to be in trouble simultaneously - one off Polzeath, and the other between Pentire Point and Newland. Crew members Neville Andrews, Greg Hingley, and John Collins rescued Mark Hudson, and the other casualty - his brother Christopher - was picked up by a nearby boat.

In addition to the above incidents, the lifeboat was launched nine times between 18th. July and 12th. August, in each case being recalled. The calls were to windsurfers, persons reported in the sea, and in one case a missing child, found safe ashore. In each case the incidents were resolved by casualties reaching safety, being aided by others, or were assessed as 'false alarms with good intent'. John Scott.

FOLK EVENING

An evening of Folk Music will be held at the Green Door Club, Port Gaverne, on Wednesday 5th. September at 8.30pm. There will be Guest Artists. Everybody welcome to come along and join in. Liz Rowe.

The Quiet Corner

Prayer is a force as real as terrestrial gravity. As a physician, I have seen men, after all other therapy has failed, lifted out of disease and melancholy by the serene effort of prayer. Only in prayer do we achieve that complete and harmonious assembly of body, mind, and spirit which gives the frail human its unshakable strength. Dr. Alexis Carrel.

TRELIGHTS FETE

The Fete held at Mill-House on Wednesday 8th. August was a great success, and the sum of £610.00 was raised. This will be shared between Trelights Chapel and the Kidney Research Fund. Thank you to everyone who contributed so generously with donations, gifts for the various stalls and the delicious homemade food. Thanks must also go to everyone who worked so hard to make it a marvellous afternoon.

Mrs. B. Cock.

MICHAEL SCOTT

The whole village and district was much saddened when it became known of the death of Michael Scott, aged 61 years, after a long illness at his home on Sunday July 22nd. Michael was born at Trelights and had lived in the village all his life. He was a well-known tradesman being a mason and builder. The Collegiate Parish Church of St. Endellion was crowded to capacity for the funeral on July 25th. The service was conducted by the Revd. Alan Wainwright who also officiated at the interment. We express our sincere sympathy to Pauline and members of the family in the loss of a much loved husband and a friend of so many over the years.

I would like to thank all the friends and relatives who visited us and helped us both in so many ways during Mike's illness. A special thanks to the doctors and nurses for their wonderful care. Thanks also to everyone who attended the funeral and sent flowers and cards. The wonderful donations, up to the time of writing, total £978 and will be divided between the MacMillan Nurses and Mount Edgcombe Hospice. I would like to add thanks to the Revd. Alan Wainwright who came out of retirement to conduct the service and to Jack Provis who played the organ. Paula Scott.

ANDREW HOOKINGS

Those of us who knew Andrew, who celebrated his 21st. birthday in May, must have been shocked to hear of his death in a road accident in Devon two weeks ago. Andrew, who had worked as Assistant Manager at the Castle Rock Hotel last season and this, was due to take up a position as Restaurant Manager with a hotel at Uppingham, Leicestershire, and had already said farewell to many of his friends here - friends who had no idea that they were saying 'goodbye' for the last time.

Tina Harris, from Hartland Road, who was also in the car, was thrown through the windscreen and suffered severe injuries. She is now in a Plymouth Hospital and hopefully on the way to recovery.

COMMUNITY NEWSLETTER

Issued eleven times a year for the civil parish of St. Endellion, North Cornwall. Available at 15p. per copy from The Harbour Shop and The Bay Newsagents, Port Isaac, and the Post Office Stores, Trelights, or by mail for a yearly subscription of £4.25. Published by Robin Penna (who does not necessarily hold the same views as those expressed by contributors). Duplicated at The Blackthorn Press, 18 New Road, Port Isaac. PL29 3SB

ISSUE NO. 92

AUGUST 1990

Next Issue Sat. 29th. September.
Deadline 9.00am, Thursday 20th.

We are sorry to have noticed a couple of Diary items this month too late to include them. To make sure that any dates mentioned in an article also get included in the Diary, please write the details out on a separate piece of paper marked 'Diary'.

PORT GAVERNE FIREWORKS

Due to the time and height of the tide this year, the Bonfire and Firework Display will be held at 6.00pm. on Saturday 10th. November, followed by a Bonfire Supper and Disco at the Green Door Club, Port Gaverne. Port Gaverne Fireworks Brigade: Mike, Clive and Barry.

ST. BREWARD BAND

Last Night - Thursday 30th. August, starting from Prout's Garage at 7.30pm. Dance across The Terrace and then down to The Platt, followed by a concert at 8.00pm. Please come and join in the singing and dancing - Fancy Dress if possible. Make it a Fun Night to remember.

Peggy Richards.

PARISH COUNCIL

A report compiled from notes taken during the meeting held at the Church Rooms, Port Isaac, on Monday 13th. August.

St. Endellion Lane

A question was asked about the progress in clearing the lane.

St. Peter's Flower Festival

The theme chosen finally was 'The Resurrection' and a letter is to be sent to Mrs. Barron to thank her for the display she arranged on behalf of the Parish Council.

Glebe Land, St. Endellion

Mr. Norman of Bodmin, surveyor, has advised the Council not to argue with the price being asked, pointing out that the land is right alongside the church. However, Cllr. Symons and Mr. Dawe both still feel that the price of £1,300 for two fifths of an acre is too dear considering the going rate for agricultural land of £1,400 per acre. Cllr. Symons agreed to contact an agricultural surveyor, Jefferies in Wadebridge, and to talk to the vendors of the land to see whether a lower price could be obtained. Mr. Phelps asked why the Council was being charged so much by the Church committee when the land was for Church use anyway.

Report on Annual Audit

The auditor requires all financial matters to be minuted. The deposit account should be used more. Port Isaac Playing Fields Action Group can donate money to the Council for the purchase of equipment and the Council can then reclaim the VAT. Where a donation is made by the Council, as with the Village Hall, the VAT cannot be reclaimed.

Visit to Delabole Fire Station

Peggy Richards will try to arrange a visit on the fire brigade's practice evening one Monday in September.

Protection of Unclaimed Common Land

This item was thought not to be applicable in St. Endellion Parish.

Name for New Estate

Several lists of suggestions had been sent in, but the names of the participants were not divulged until after the choice had been made. Suggestions were: Crookmoyle Close, Four Gates, Greenacre Parc, Hillsons Close, Hillsons Court, Hillsons Field, Hillsons Place, Hillsons Way, Lane End Drive, Three Gates, and Trenoweth (New Village).

By a vote, 'Hillsons Close' was chosen and it was learned that Mrs. Barron was the winner.

Repairing and Painting Seats

Tenders are to be sought for this work, also for oiling the teak seats. Some of the seats are in a poor condition and the one on Little Hill (near Port Isaac Post Office) is to be repaired immediately.

Litter in Port Isaac

The general opinion was that the village is looking clean and tidy.

Village Hall

Mrs. Coates, Grant Secretary, in a letter, said that the committee would appreciate financial help towards the expected costs of over £5,000 for 'phase 2' of the refurbishment, to include central heating, insulation, lighting, etc. Cllr. Symons said that the Hall had only just received the Cornwall Rural Community Council grants and he very much doubted if a Parish Council grant at this stage would help the Hall's chances of raising more funds. Mr. Phelps said that the Hall should rely more on raising money from lettings. Dr. Barron felt that the Hall was badly situated and not commercially viable because it had no car parking. Mr. Dawe said the village was lucky to have such a hall; there were many other places having to raise thousands of pounds to build new ones. He proposed a grant of £150. This got no support, however, and the matter will be reconsidered in six month's time.

Endellion Glebe Land, Right of Way

Advice from the County Surveyor, referring to the recent request by Mr. Melhuish for a path from the churchyard gate across the field to St. Endellion Lane, is that there is no path shown on the Definitive Footpath Map, but this does not mean that the public cannot claim a right of way. The Clerk was therefore asked to investigate the possibility of a 'Modification Order' under the 1981 Act of Parliament.

Mud and Weeds in The Leat

Peggy Richards said that The Leat at Port Isaac was getting smelly because of all the rubbish in it. Mr. Provis had offered to operate the sluice gate if it was replaced. Mr. Phelps proposed that this be done and the Clerk was asked to get a price for the work. The sluice

would have to be made lockable to prevent unauthorised operation. Symons queried whether there could be a danger of flooding, and claims for damage, should the sluice be left closed during a storm.

Clerk's Correspondence

a. The County Surveyor says it would be impracticable to provide a ramp alongside the steps on the coast path at Overcliff and that they are being used by wheelchairs 'with very little problem'. The Council will reply that they are not satisfied with this statement. Mrs. Cann asked whether something could be done about the height of the bottom step where the ground is being worn away.

b. According to County Highways, further restrictions on parking in New Road would not be justified, now that there is an all-year ban on parking in the village. Mr. Phelps said that the road from Jack Hick's corner up to the top of the hill can be very dangerous because parked cars force drivers to approach the crest of the hill almost on the wrong side of the road and there is bound to be an accident sooner or later. The rest of the Council were not, however, in agreement with a restriction and will wait to see what happens this winter.

c. A letter from Mr. Hooper for the Port Isaac Fishermen said that the problem with spider crabs in the car park area at the playing fields was regretted but was a one-off incident not likely to re-occur. Peggy Richards said that the area has been clean since then and the gates are kept closed.

d. A letter from residents of Lundy Road asked for police bollards or yellow lines where the road joins Trewetha Lane because parked cars are blocking the visibility. County Councillor Harvey Lander has already approved the idea. Cllr. Symons said yellow lines could be difficult in the unadopted road but the Council will ask the Police for bollards. It was mentioned that The Highway Code warns that cars must not be parked near a turning.

f. The Clerk has a copy of the County Public Transport timetable in her office.

Public Discussion

Mrs. Dingle asked if brambles in Trewetha Lane could be cut back to allow the public to pass safely. Mr. Penna asked how anybody could say that Port Isaac looked clean and tidy when many of the streets were not being swept at all. He asked who is responsible for overseeing them. Cllr. Symons said that he wished he was able to do something but under the present Direct Services Contracts, lots of little details had been overlooked in the specifications and this situation would now last for the five-year term of the contracts. Mr. Penna asked if street sweeping was a 'detail'. The Clerk was asked to get in contact with the Direct Services Officer.

Mrs. Carol Richards said the streets looked lovely and clean for the visit of the Duke of Kent to the Lifeboat Station. 'If this could be done for him, why can't it be done for us?' she asked. Margaret Couch said that she and her mother had tried to walk up to Tresungers in Port Isaac Valley but the old millpool now looked like a bomb site and they had not been able to get any further.

Planning Applications

a. Two Flats at 'Pencarrow', No. 4 Tintagel Terrace, Pam Obi: These flats already exist so no observations could be made.

b. Dwelling to replace mobile home ('Stay-a-Little'), Maylands, Port Gaverne, Mrs. P. Deacon: Although this would mainly mean re-building a broken down bungalow, the Council were not in favour of any further development at the site.

c. Demolition of nine feet of wall at Valencia House, Trewetha Lane, to form access, Mr. Matthews: on a vote five were in favour of the application and three against.

Next Meeting

The next monthly meeting of the Parish Council will be held on Monday 10th. September at 7.30pm. in the Church Rooms, Port Isaac.

MARGARETS LANE

Dear Robin, We are your Billericay subscribers to 'Trio', and would like to respond to your article in the July issue on Margarets' Lane. When we are in Port Isaac we use this lane frequently to walk from Dolphin Street up to our car, or simply as a way out to the 'top'. We have noticed on our visits recently that the lane is dirty. The real trouble is when we use it at night, as there are no lights to speak of - I'll leave the consequences to your imagination!

I would like to point out that as visitors we use this path when we first arrive with our suitcases and is therefore our first impression. I am sure this is true of many other visitors also. In the meantime keep up the good work with the 'Trio'. We thoroughly enjoy receiving it in commuter land - it gives us the flavour of the place very time it pops through the letter box. Kind regards.

Helen Harding.

Last month I asked if anybody used the lane. Apart from receiving the letter above, I was also stopped by practically everybody I met who said they thought that the lane ought to be cleaned up. So I telephoned the 'Direct Services Organisation' (0840) 212441 who explained that they only act within their prescribed responsibilities, but when I complained that we must have our streets swept (I did also suggest that perhaps we could have a reduction in our Community Charge and pay for our own street sweeper) they offered to send 'a couple of men out - for one day'. I heard later that five men were sent out with a large drain-cleaning machine to clear the debris. They also cut some of the foliage (which actually should be done by the owners of the adjoining properties) but a lot of the cuttings were left lying about. Our street sweeper does what his contract stipulates but it is a pity that it doesn't include the regular sweeping of the small back lanes. Since we have had some rain, of course, much of the gravel and dust has been washed down into the drains - which no doubt will soon all be blocked up again! Robin Penna.

LOWERMOOR WATER INCIDENT

Do you think you are still suffering from the effects of the Lowermoor Water Incident?

Do you think your health has been affected by the Lowermoor water pollution incident? Are you concerned by memory problems, joint swellings, nails falling out, or any other changes in health which have occurred since the incident? We have set up a completely independent Support Group to assist you with your problems and we ask you to ring us and talk to us. We are working in conjunction with some of the doctors to research and help you with these problems. We can refer you to specialists. The Support Group also tries to give you as much practical help and advice as possible and you will find people with similar symptoms and worries within our membership.

Please ring me on Camelford (0840) 212817 or write to me: Doreen Skudder, The Moorings, Trefrew Road, Camelford. PL32 9TP, and I will be pleased to give you help, advice, and assistance.

The Support group meets regularly and informally and many people benefit from the chance to talk freely with other sufferers in confidence. Please come forward if you are worried.

ST. PETER'S PARISH CHURCH

The Summer Fayre

This was very successful due to an excellent lunch and well stocked cake stall. Our thanks to all who helped and to the charity stall holders. £290.50 was raised for much needed church funds.

The Flower Festival

Once again our sincere thanks to all who contributed flowers. Great thought was put into the interpretation of the theme - 'Bible Stories', the results being much appreciated by the many people who came to the church which looked beautiful. Many thanks also to the folk who played the organ. £255.00 was collected for church funds.

Harvest Festival October 7th.

This year we will be celebrating with a combined service at the Methodist Church. Jo Phillips.

ST. ENDELLION CHURCH Successful Music Festival.

The ten-day St. Endellion Summer Musical Festival once again attracted capacity audiences to the Collegiate Church of St. Endelienta. Many people return year after year, planning their Cornish holiday in the area to coincide with the Festival, but there were also many newcomers this year. Music Director Richard Hickcox, whose professionalism and creative conducting skills have increased the reputation of the Festival during the past few years, had arranged a varied programme of orchestral and choral music which included works from more modern composers as well as favourites from the classical repertoire. He left the Festival briefly to conduct a Promenade concert at the Albert Hall, London. The highlight of the Festival was the performance of Brahms's 'A German Requiem' included in a programme repeated before a large audience in Truro Cathedral.

Visit of New Prebendary

The new Prebendary of St. Endellion, the Revd. Jim Vincent, Vicar of St. Michael's, Bude and Marhamchurch brought a group of his parishioners to visit the church in July. He conducted a short service of evening prayer and Churchwardens Mrs. Pam Richards and Mr. Russell Pollinger gave a guided tour of the church.

Julian Meetings

The July meeting held in the church was led by Major Walter Magor of St. Tudy and the August meeting was led by Miss Mavis Morgans of Tintagel.

Old Cornwall Society

The age old tradition of 'Crying the Neck' was performed by the Wade-bridge Old Cornwall Society. A sheaf of corn was placed in the church and a service was held followed by a supper in the Church Hall.

Judith Pollinger.

THANKS

Mrs. Frederick Smith, 8 Mayfield Close, would like to thank all neighbours and friends who were so kind and helpful while her husband was in hospital recently after a heart attack. He is now progressing well at home. I would also give special thanks to the ambulance crew who were so helpful.
