

DONATIONS

Mrs. Paula Scott has received letters from the Macmillan Service (Nurses) and the Mount Edgcumbe Hospice thanking her for the donations, in lieu of flowers, sent to them in memory of her husband Mike. Each charity, receiving £518.50, expressed gratitude and sympathy. Paula would like to thank everyone for giving so generously.

LILIAN KATHLEEN STROUT

Older residents heard with regret of the death of Mrs. Lilian Kathleen Strout, formerly of 5 Mayfield Close, Port Isaac, at St. Breock Nursing Home, Wadebridge. She had lived in the area most of her long life of 85 years. A private cremation was held at Penmount on Tuesday November 13th. We express our condolences to Maureen and Howard in their loss of a wonderful mother.

ROBERT JOHN (BOB) STROUT

It was indeed with much sadness we learned of Bob's death at Treiske Hospital on 9th. November. He had not enjoyed good health for some time, and he will be greatly missed by all who knew him. He was well known and greatly respected as shown by the very large congregation of so many of his friends and neighbours at St. Endellion Church on Wednesday November 14th. We express deepest sympathy to Olive, Joey and Sally in the loss of a husband and father.

The family of the late Mr. Bob Strout, aged 59, wish to express their sincere thanks to all who attended the funeral at St. Endellion Church. Thanks to the bearers, for the floral tributes, and cards received. Thanks also to the staff of No. 3 ward at Treiske Hospital. Most grateful thanks to Ian Honey and Charlie Honey for their great help and kindness through our time of bereavement and loss.

GEORGE REGINALD TULLY

We express our sympathy to Marjorie of the 'Moorings', Port Gaverne, on the sudden death of her husband, George, aged 80 years. He had lived in the area for some time, and was a well known figure at Port Gaverne. The funeral service at St. Endellion Church on Saturday 17th. November was attended by a number of close friends and neighbours.

I would like to thank all our good friends and neighbours for their kind support and sympathy, and for the lovely flowers, on the sudden death of my dear George on November 9th. May he rest in peace. Also my grateful thanks to Ian Honey for his marvellous help and to the Revd. Alan Wainwright for such a beautiful service on Saturday 17th. November.
Marjorie Tully.

The Quiet Corner

The sun's rim dips; the stars rush out: at one stride comes the dark. The heavens declare the glory of God and the firmament shows his handiwork. Samuel Taylor Coleridge and Psalm 19, v.1.

PORT ISAAC ILLUMINATIONS

I would like to thank all who supported our Bingo Night on 23rd. October. Almost without exception, the shopkeepers, hotels and cafes from the top to the bottom of the village, gave us a really good selection of prizes. As I said on the night, these people deserve our custom, as they are always being asked for prizes and they give willingly. Many thanks to all who attended and special thanks to my band of lady helpers. We raised the princely sum of £140.00. We hope to 'switch on' about Friday 14th. December at 6.00pm, with carol singing, hot mulled wine, mince pies, sausage rolls, etc. Watch out for the posters; it will be a great night. Let's get lit up!!
Eric Stokes.

MARRIAGES

Josiah Mark Dawe of Pennant Farm, St. Endellion, was married to Carol Deborah Kinsman of Wadebridge on 22nd. September at Bodmin - reception at the Poldark Inn, and in the evening at the Headlands Hotel. Christopher William John Dawe of Pennant Cottage, St. Endellion, was married to Leslee-Anne Talbot of the same address, on 26th. October at Bodmin, followed by a reception at the Headlands Hotel.

The Dawe family would like to thank Mr. and Mrs. Henderson of the Poldark Inn, and Mr. and Mrs. Harris of the Headlands Hotel for the excellent receptions.

POPPY APPEAL 1990

£528.35 was raised for the above on behalf of the British Legion. My thanks to all in the St. Endellion Parish for their contributions. Special thanks to house to house collectors, organisations who gave wreaths, home boxes which contributed so much, and to Graham Woods for allowing us to put the wreaths in his window.
John Cunningham (Hon. Organiser).

BUS FARES

There has been a slight increase in the fare to Wadebridge, which, at £1.85 return or £1.00 single, is still very good value, we think.

ST. ENDELLION CONSERVATIVES

I would just like to say a very big thank you to everyone for all the cards, flowers and gifts I received while I was in hospital. I know Mark will join me in thanking everyone for all their offers of help and support at this time and, as Mark says, he has never had so many offers from so many women before.

PARISH COUNCIL

At an extra meeting on Monday 5th. November to discuss a quantity of planning applications, the Parish Council approved plans for change of use of a store in Church Hill to a dwelling, for a parking space at 'The Folly', Roscarrock Hill, and for a visitor centre at Tolraggott Farm, they were not in favour of a design for a new Lifeboat house on the Platt.

The following report was compiled from notes taken during the meeting held at the Church Rooms, Port Isaac, on Monday 12th. November.

Finance

A £2746 donation from the Playing Field Action Group and £316 reimbursement from the County Council for footpath clearing meant a balance of over £700 after the month's expenses had been paid.

Plastic bags for Port Gaverne toilets at 50p. each were thought to be too expensive

Donations for Christmas Lights

Port Isaac: £100, Trelights: £50. Mr. Stokes thanked the Council for the Port Isaac donation.

Glebe Land, St. Endellion

As Cllr. Symons was absent this matter was deferred.

Allocation of Houses, Hillsons Close

The Chairman of the Housing Committee is to be asked to arrange a meeting with N.C.D.C. and the Housing Association to try and clarify the method of allocation.

Pot Holes in Coastal Path

Mrs. Jarvis has pointed out that vehicles have worn pot holes in the path at the lowest section of the car park, which fill with water and make the path impassible. County Highways Department to be informed.

Future Development in Port Isaac

Mrs. Richards reported that parties of people with clipboards had been seen roaming the fields behind Hillsons Close. A letter to the Planning Department is to ask if there are plans for future development in Port Isaac.

The Leat, Port Isaac

The weeds have been cleared but nothing seems to have been done about the former flush gate.

Port Isaac School

Mr. Norris reported that headmaster Peter Gale had to retire soon after his instalment due to illness, but a new head, Mrs. Scone, will start in January. The school has 67 pupils plus a few pre-school 'part-timers'.

Lorries in Port Isaac, Weight Limit

The Council, agreeing with John Cleave's letter in last month's Trio, decided to investigate the feasibility of a weight limit in the village. Mr. Welton said wholesalers would probably find smaller vehicles uneconomical. Mr. Stokes suggested that the shops could use their own vans to collect their supplies.

Playing Fields

a. People using the Playing Fields are annoyed that contractors have been allowed to use the locked car space. The covenant, while forbidding the commercial use of the space as a car park, does allow people

who are using the facilities to park there and they can ask any Parish Councillor for a key.

b. The 'No Dogs' Sign is to be resited in its original position.

c. The Playing Fields sub-committee will examine the swings, and report any practical problems about re-siting them, to the next meeting.

Footpaths at Trefreock

Following Mrs. Brown's comment last meeting, the removal of the hedges was discussed. Mr. Sloman is thought usually to be conscientious about paths, however, and he will probably reinstate them without being asked by the Parish Council.

Port Isaac Car Park

Mr. Welton said that bad parking in the summer sometimes blocks the coastal road and could prevent emergency vehicles getting through. N.C.D.C. are to be told about this and the situation will also be monitored by the Parish Council.

Clerk's Correspondence

a. Mr. Busby of N.C.D.C. is to report on the suitability of a site for a bottle bank in Port Isaac (costing over £1,000), but warns that the Parish Council would have to help run it and keep it tidy.

b. A letter from Charlie David, Heritage Coast Officer, said it would be desirable if each Parish conducted one guided walk a month along local paths. Mr. Phelps said the Heritage Coast Officers and Robin Penna already do an excellent job and such walks are best left in the hands of the experts.

c. Mr. Peter Norman, Surveyor, is to ensure that South West Water pay due compensation for disruption at the Playing Fields while the new water main was being laid, and also to find out whether a wayleave should be paid.

d. Requests for financial help from the Cornwall Trust for Nature Conservation and the Council to Protect Rural England will be discussed at the next meeting.

e. Mr. Barriball was not present but said in a letter, that Trelights Community Committee need help to buy some playground equipment. Financial matters can't be discussed if not on the agenda, however; so this must wait until next month, by which time the deadline will have passed. A letter is to be sent promising Parish Council support.

Planning Applications

a. P. and J. Pennington, Treore, amendments to existing plans for two farmworkers cottages: 'Approval'.

b. Mr. and Mrs. J. Ratcliffe, Silverspray, Port Gaverne, amendments to existing plans for extension and change of use of garage: 'No observations'.

c. Mr. and Mrs. Aldridge, Harbour Seafood Restaurant, six new windows first floor - five at front and one at side. Letter from N.C.D.C.: 'will be small-pane ones to match existing ones exactly'. 'No objections'.

d. Huntsmans Inn, amended plans for five holiday cottages: 'Opposed on same grounds as before'.

e. D. Knight, Port Gaverne, renewal of 1986 application for 2 cottages: 'Approval'.

f. Mrs. Reece, Trefreock, listed building consent sought for conversion of two barns: 'Approval'.

g. D. Knight, Trewetha Lane, demolish and rebuild old fish store: Parish Council 'in favour'.

h. 25 dwellings, (Hillsons Close): amended plans, previously not submitted for Parish Council approval because they only involved 'slight re-orientation of buildings, no significant change' were presented. These were seen, in fact, to be very different and Cllr. Symons is to be consulted and a letter of protest may be sent to the Chairman of the Planning Committee.

i. County Surveyor approval of road layout, Hillsons Close.

Any Other Business

Mr. Dawe asked for 'transport of children to school', as mentioned by Mr. Down, to go on the next agenda.

Public Discussion

Mrs. Lil Thomas said that if the Fish Cellar shops were to be closed in 1992 for health reasons, this could result in a lot more traffic at Mr. Knight's new fish store. The Chairman replied that the best way for members of the public to air their views on this would be, not by petition, but by individual letters to the Planning Department.

Next Meeting

The next monthly meeting of the Parish Council will be held on Monday 10th. December at 7.30pm. in the Church Rooms, Port Isaac.

SPONSORED WALK

Bill Dawe completed a sponsored walk of 10 miles from St. Endellion Church to Pentire and on to Daymer Bay, and raised the sum of £60 for the Three Churches.

Dear members and non-members of Port Isaac & District Tourism Association, after consideration by your committee, we are advertising in TV Times 'Christmas and New Year' supplement, English Tourist Board 'England Holidays', West Country Tourist Board 'Wonderful World of the West Country', and the Bude and North Cornwall Guide. All enquiries will receive our colour brochure and accommodation guide. There are advertisements in North Cornwall and West Devon tourist attractions and the 'Coastlines' newspaper to bring people, already on holiday, to our 'attraction', Port Isaac. Our hotels and guest houses spend hundreds, if not thousands, of pounds a year to encourage visitors to our district who must, in the course of their holidays, shop and eat. P.I.D.T.A. can claim to have brought thousands of pounds to the district by advertising, especially by the signs on the main road. All businesses benefit! We are all in the same GIG. Business membership is £15 per year, private individuals £5, but full details will be given next month.

We are yours sincerely, P.I.D.T.A.
The Chairman.

BIG LORRIES

The Parish Council are looking into the feasibility of a vehicle weight restriction in the village but those who rely on the local shops are worried that such restrictions might cause the food delivery lorries stop visiting the village, we have heard warnings before. Our shopkeepers can't get their supplies direct because the depots are too far away, at Saltash and Bristol for example. Neither would it be practical to leave a shop, walk up to a van in the car park, pick up deliveries from lorries at, say, the playing field car space, drive down to the shop, unload, drive the van back to the car park, and walk down to the shop again - at a moment's notice and sometimes at very busy times - the lorries, on long routes around the county, turn up here at all times of the day. This display on Saturday 10th. November went with its usual bang, and was enjoyed by all on the beach at Port Gaverne. We would like to thank all who helped to go round with the money buckets which raised £151, and everyone who supported this event. Greetings

PORT ISAAC METHODIST CHURCH

We look forward to seeing you at our annual Christmas Fayre in the Sunday School Hall on Saturday 8th. December at 2.30pm. There will be all the usual stalls - fancy goods, cakes, books, toys, etc, as well as household goods and linen, Brownie Bran Tub, bric-a-brac, 'white elephants' refreshments, etc. Last year our men organised their own 'Coffee and Mince Pies Morning', and it proved so popular with the ladies that we are repeating it this year. The mince pies are ostensibly their own make, but we have a shrewd suspicion that the wives were drawn into it and that even the help of that gentleman who 'does make exceedingly good cakes' was sought! Anyway, it proved great fun and the ladies enjoyed being waited upon by the gentlemen. So book the date, Wednesday 12th. December from 10.30am. at Gwel Arvor, Tintagel Terrace, and come and enjoy the fun once again. Everybody welcome. There will be a 'Bring and Buy' stall and a cake stall.

On Sunday 9th. December at 6.00pm. we hold our annual Toy Service, when the children are invited to bring gifts of toys, books, games, etc. for distribution to children who have none. This year the gifts will be divided between the 'Children in Need appeal' and 'Toys for Romania appeal'. The service will be conducted by Mr. J. B. Tamblin of Liskeard and will be a family service, with the Brownies, Guides, Cubs and Scouts parading. Our Candlelight Carol Service will, as usual, be the Sunday before Christmas, 23rd. December, at 6.00pm, and we hope you will join us to share in the singing of those timeless carols we all enjoy. Refreshments in the Sunday School after the service. Grace Hooper.

FOOTPATHS

The hedges in some fields north of the St. Endellion - Port Quin road have gone and the new, open fields have been planted. The paths had not been reinstated the last time I walked them, however, but there are waymarks to show where the farmer wants you to walk; all our footpath lovers will have to use the paths a lot now, to keep them clear. The new Rights of Way Act 1990 strengthens farmers' obligations to keep paths clear and restore the ploughed ones or Highway Authorities can do the work if necessary and recover the cost from the farmer. Remember, I am always interested in news about the local paths. Robin Penna.

PORT ISAAC W.I.

Our Group Meeting in the Church Hall on 29th. November went off very well, so much so in fact, that we have been complimented by the other Institutes on a 'proper village do'. Dr. Baird gave us a most interesting talk about changes in General Practice over the years since he qualified as a young man. We also had local singers with lovely nostalgic songs accompanied by harp and guitar. Our own past President, Renee Duval, won the first prize in a Tea Cosy competition. Very tasty refreshments prepared by our members rounded off a pleasant evening. Our first winter meeting was held in November in the Cornish Cafe when Mr. Rickard gave us a fascinating glimpse of Turkey, and showed slides of places seldom seen by tourists. I would say that this was one of the most interesting travel shows we have seen for some time. We said goodbye to Mrs. Bertha Blake and Miss Dorothy Tucker, longstanding members and staunch supporters of our Institute, who are retiring to Falmouth. They will both be missed very much and we wish them a happy and tranquil retirement. We had a smashing trip to Exeter on Thursday 22nd. November, lovely sunny day, most shopping successfully completed, raffle, and lots of fun on the coach. Many thanks to all who supported this trip. At the next meeting on 13th. December, Mrs. Toms from Launceston will show us how to make Christmas Decorations and Crackers. A seasonal topic, and, as always, visitors are most welcome. Names are now being taken for the Christmas Lunch at the Cornish Cafe on Monday 14th. January. Do join us and chase away those after-Christmas blues, it's only £6 each. Finally, we wish everyone in the village a Merry Christmas and a Happy New Year. Zofia Fry.

ANIMAL WELFARE

I would like to thank June Bentley and friends for £80 collected from Mini Markets held in Port Isaac this summer for animal welfare. This will be a great help to the animals, as the neglect, cruelty and strays situation I feel appears to get worse each year. Don't forget if I can be of any help to anyone, please ring 880570. Also any jumble, books, bric-a-brac, toys and furniture are always welcome and I will collect. Incidentally, we have lost our own dark Brindle and White Boxer bitch since 6th September. Any information please ring the above number. Many thanks again. Peggy Haynes.

ST. ENDELLION CHURCH

By completing a 'Sponsored Ring' at the church, bellringers S. Gill, T. Gill, K. Godden, R. Richards, J. Warne, S. Warne, and T. Warne, raised over £30 for the Truro Cathedral Music Foundation Appeal.

Visit by students:

Fifty architecture and engineering students from Bath University visited St. Kew and St. Endellion Churches as part of a course in design. The visit was suggested by Mr. R. Frewer, well known tenor soloist with the church Festival Chorus, who takes up his new post as professor of Architecture at the University after Christmas.

The students were welcomed by Mr. R. Pollinger, Churchwarden, Mrs. B. Holden and Miss S. Holden.

Julian Meetings:

The October 'contemplative prayer' meeting was held in the church and led by Mrs. J. Wilson. The November meeting was led by Mrs. P. Rex at 7 Silvershell Road, Port Isaac.

Whist Drive:

Monthly whist drives held in the church hall on Tuesday nights continue to be popular. The Christmas Whist Drive takes place in the hall on Tuesday 18th December.

Healing Eucharists:

On the eve of All Saints Day a Eucharist for healing with laying on of hands was held at Hillows House, Michaelstow, home of Mr. and Mrs. R. Pollinger. Revd. I. Morris, Rector of Lanteglos and St. Thomas, Camelford was celebrant. Also present was Revd. R. Wood, Rector of Michaelstow. The service was led by Mrs. J. Pollinger.

The November Eucharist was held at 'Albenbloem', Pityme, home of Mr. and Mrs. H. Kent. Revd. A. Mackeracher was celebrant and the service was led by Mrs. J. Griffiths.

Servers Guild:

Servers attended services and meetings at Little Petherick in October and at St. Michael's, Newquay in November.

Church History:

Three sessions of a course in this subject were held in the church hall, led by the Revd. J. Barnett, Diocesan Training Officer.

Sunday School Leaders Day:

Mrs. J. Pollinger and Mrs. M. Birch represented St. Peter's Junior Church, Port Isaac, at a Sunday School Leaders' Day held in Truro on November 3rd.

On Sunday 23rd. December, 6.00pm, there will be a combined service of carols and readings in St. Endellion Church for the St. Endellion, St. Peter's, and St. Kew parishes. Judith Pollinger.

ST. PETER'S PARISH CHURCH

November 11th, Remembrance Day: The Eucharist was celebrated at 9.45am. followed by the British Legion Remembrance Service. Both services were conducted by the Revd. Mackeracher, and a sermon for the British Legion was given by Mr. Wesley Blake. The Roll of Honour for the two world wars was read and afterwards, members of local organisations laid poppy wreaths at the memorial.

Christmas Services:

Christmas Eve: Blessing of the Crib at 4pm. Please bring your children, this service is specially for them. Christmas day: Eucharist at 10am.

Barn Dance and Party:

Just to remind folk that we are having a village social evening on Thursday 6th. December at 7.30pm. in the Church rooms - tickets, which are limited, are available at 31 Fore Street. See posters for all the details. Do come and make it a real Christmas party. Jo Phillips.

GARDEN SOCIETY

The first meeting of the Port Isaac and District Garden Society for the 1990/91 season was held in the Cornish Cafe on Wednesday 14th. November, under Mrs. N. Barron's chairmanship. Mr. P. Milton gave a very interesting and informative talk on 'Delphiniums', illustrated with a film explaining how to propagate and care for these beautiful plants. Thanks were expressed by Mr. H. Barriball, the vice-chairman of the Society. Many plants were given as prizes for a successful raffle. The December meeting in the Cornish Cafe is to be addressed by Mr. David Pearce, a popular speaker on Radio Cornwall, when he hopes to speak on 'Pests and Pesticides'. Wesley Blake.

A THOUGHT FOR CHRISTMAS

There is a warmth
within these bare hills
That seems to repel,
all winter's chills
Not the heat of the brazier's
brilliant flare
Or the sun with its
harsh, abrasive glare.

It's a warmth that transcends
all glowing coals
Its fount is in
Port Isaac folks souls
Unquenchable flames on
a cold winter's day
Pierced the heart of a stranger,
who came to stay.

A stranger who forsook, the streets
of locked doors
Found men here with free hearts,
by the ocean's grey shores
Hearts that were open,
kindness without end
Hand that reached out, and said
'Welcome friend'.
Mine was the hand that you shook
long ago
A lifetime of friends,
in a few years or so
May the good Lord repay you,
for the kindness you've shown
God bless you, for calling me
one of your own.

Eric Stokes.

LIFEBOAT

The Car Boot Sale held on Sunday 21st. October at the White Hart, St. Teath, was well attended and raised £67. On Thursday 15th. November, The Slipway Hotel held a Beaujolais Nouveau evening, which included a busy auction conducted by Neville Andrews - the sum raised will be reported later. The lifeboat was withdrawn from service for the winter on Sunday 4th. November. It will be inspected and overhauled at the RNLI's centre on the Isle of Wight, and will be going back on service on Saturday 23rd. March, 1991. The winter crew training programme will commence after Christmas. Don't forget the AGM at the Penhaligon Room on Wednesday 5th. December, at 8.00pm.

John Scott.

LETTER

We always enjoy receiving and reading Trio. How sad that Jack and Muriel are no longer behind the bar - I hope Neville and Enid are successful and continue the welcoming tradition of the Golden Lion. What a good letter from John Cleave about vandalism and H.G.V.s.

Ray Dunlop (1 Dolphin Street).

RE JUGGERNAUTS

I agree entirely with John Cleave regarding the juggernaut vandalism of our narrow-streeted village. Do we need a 20 ton lorry to deliver at the most 2cwt. of goods? How long will it be before one of our children will be 'All right mate, covered by insurance'? Surely the common sense answer is:
A. Ask the suppliers to use smaller vehicles as a matter of respect for our village.
B. Park these monsters at the top, and let the shopkeepers ferry the goods down in their own vehicles. (As the fishermen do in reverse).

My brother had a similar problem in a narrow street in Bideford, and kept his neighbours happy with a combination of A and B above.

Eric Stokes.

FOLK EVENING

Come and hear the entertaining 'Bakerlite Brothers' from Callington at the Golden Lion from 8.30pm. on Wednesday 5th. December. Everyone is welcome to come and join in a lively evening of folk singing and music.

Liz Rowe.
