

## CANCER RESEARCH CAMPAIGN

A total of £128.58 was collected from the carol singing house-to-house collection made on the 19th. December. A big thank you to all who helped, especially St. Breward Band. We would like to point out that the band was organised by the Cancer Research Group a year previously, and was advertised in Trio and Trio Diary to start at the top of the village at 7.00pm.

We regret that some people waited in vain for the band at 6.30pm, misled by posters having no connection with our annual charity event.

It is hoped that within the next few weeks a Port Isaac Branch will once again be formed. Posters will be displayed, advertising this meeting. Please come along, meet the Area Organiser, and give this worthy cause your support.

Sylvia McCrohon.

## PORT ISAAC PLAYGROUP

Thank you to all who supported the children by coming to watch 'Twas the Night Before Christmas' at our open morning on 11th. December - we raised just over £90.00 with our raffle, cake stall, and coffee.

Jane Hudspeth.

The Playgroup requires a paid helper for three mornings a week: Mondays, Tuesdays and Thursdays. Playgroup is now open from 9.30 to 12.00 and there are vacancies for children aged from 2½ years. Child's Play in the form of gymnastics is available every alternate Thursday. Enquiries to Anne Collins please, on 880755.

## PLAYGROUP AGM

Past, present, and future parents/carers (and anyone else) welcome to attend on Tuesday 5th. February, 8.00pm. in the Golden Lion.

## THE GREAT BLUE PETER BRING AND BUY SALE FOR ROMANIA.

The above sale held at Fairholme Guest House raised £332.05. This money was sent to Blue Peter to help with their appeal for Romanian orphans. I have since received a letter from Blue Peter thanking us for our effort. Special thanks to Linda for letting us hold the event at her house. Thank you to everyone who helped and supported this worthwhile cause. Jill McDonnell.

## The Quiet Corner

### Busy people

The Bible tells us how God called the following people to his service: Moses, when he was busy with his flock; Gideon, when he was threshing wheat; Elisha, when he was busy ploughing; Peter and Andrew, when they were fishing; James and John, when they were mending their nets; Matthew, when he was busy collecting taxes. Do you see the point it illustrates?

## PORT ISAAC ILLUMINATIONS

Once again the lights were a pretty sight, and the switch-on night was a great success. I must apologise to the St. Breward Band, who had to endure comments from uninformed people about 'being late', but they were playing to a pre-arranged programme for Cancer Research, not for the lights.

The usual gales delayed erection, and continued after they were up, but the only gremlins were the tree, and the new string at the top. Better luck next year.

To mention all those involved would take a whole page of Trio, so I'll just say thanks to: 1. All the lads who put them up and dismantled them. 2. Everybody who donated electricity and money. 3. John Harris, a visitor, who regularly donates £50. 4. Mike Daly, who worked hard repairing wiring, and erecting extra lights with Steve. 5. Neville and Enid, and all at the Golden Lion who organised the wine, etc. on switch-on night, and do most of the fund raising throughout the year. 6. Henry Stickland of the Harbour Shop who gives up half of his garage to store them all. 7. Steve Hewitt for all materials at cost (Some free). Many thanks everybody, the Old Lady called Port Isaac, has put away her jewelled necklace for another year.

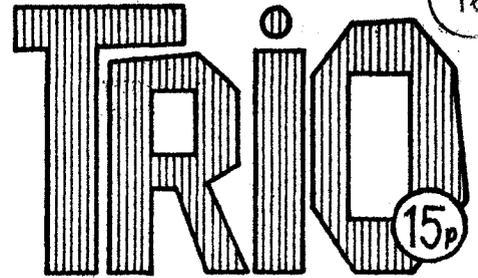

Eric Stokes.

## LAVINIA EVELINE (EVE) MAY MOTH

Port Isaac has lost another of its oldest and much respected residents by the death on 11th. January of Mrs. Eve Moth aged 87, of Gull's Way, 10 Tintagel Terrace, at Treliske Hospital. Mrs. Moth was born in Wales, spent all of her young life in India, latterly in the British Isles and at Port Isaac. One of her interests was the Women's Institute over the years being President and Secretary. The funeral on 16th. January was held at St. Endellion Parish Church and was attended by many neighbours and friends from over a large area. The service was conducted by Revd. Alan Wainwright who also officiated at the interment. We all wish our kindest sympathy to George and his family in their bereavement.

## THANKS

Husband George, and family of the late Mrs. Eve Moth, wish to express their sincere thanks to all friends and neighbours and to all who have assisted in so many ways, for letters and cards received, and for the attendance at the funeral service. Thanks to the bearers, Revd. Alan Wainwright, and Mr. Ian C. Honey funeral director. Also for the donations, in lieu of flowers, for the funds of the R.N.L.I.

## GARDEN SOCIETY

Port Isaac and District Garden Society held their January meeting in the Cornish Cafe when, despite the terrible weather, there was a large turnout of members and friends. A very interesting and informative talk was given by Chris Willett of St. Mabyn on the subject of 'The Planting Stage of Urban Forestry Management'. Originally trained as a mechanical engineer, Mr. Willett was very upset at the demise of our elm trees with the dreaded Dutch Elm Disease, and concentrated his future activities on the survival of other trees. He spoke on the right selection and treatment of trees and shrubs for the area in which they are to be planted. Thanks were expressed by Mr. H.J. Barriball of Trelights. The next meeting is in the Cornish Cafe on Feb 13th at 7.30 p.m. Speaker: Mr. D.P. Cockman of Sutton Seeds. (See diary date).

## PARISH COUNCIL

The December meeting is not going to be reported. You are recommended to consult the official minutes for any information.

This report was compiled from notes taken during the meeting held at the Church Rooms, Port Isaac, on Monday 14th. January.

### Finance

To meet this month's expenditure, £500 is to be transferred from the deposit account.

A donation of £25 is to be made to Youth Clubs Cornwall Ltd.

### Road Signs, Port Isaac

Roger Warrillow and Malcolm Lee of Port Isaac and District Tourism Association presented a report with proposals for improving the direction signs into the village for the benefit of visitors. Mr. Stokes proposed thanks to P.I.D.T.A. and urged the parish council to give the scheme full support. This was carried. Mr. Dawe then proposed a meeting of the parish council, P.I.D.T.A., and N.C.D.C. with Cornwall County Highways. This was also carried.

### Hillsons Close

Mrs. Richards reported theft and vandalism at the building site over the Christmas holiday. The council deplored this and feared that, as the cost would be borne by the Housing Association's insurance, it could therefore eventually be reflected in increased rents. Mrs. Richards detailed the accommodation and facilities to be provided and said that it was hoped that the tenants would be able to move in the week before Easter.

A letter from Councillor Facks-Martin said that there was little point in a meeting to discuss the method of allocation as this was the responsibility of the West Country Housing Association with recommendations from the N.C.D.C. and the relevant committee of which Cllr. Symons is a member and taking care of the interests of applicants from this parish. There is a ruling that deserving local applicants must be considered - local being defined in the agreement as the parishes of St. Endellion, St. Minver, St. Kew, and St. Teath.

### Condition of Road into Port Isaac

Mr. Phelps complained that the road from the school down to the car park had been dug up, was about to be dug up again, and was in a terrible condition. He hoped that it was going to be properly resurfaced. The section from the top of Back Hill to the car park was supposed to have been done within the last two years but had not been. Complaints were then raised about other roads around the village and it was proposed, and

carried, that a letter be sent to Cornwall Highways asking them to survey, and renovate, all the roads in Port Isaac. The road leading into Port Gaverne has been done.

### Glebe Land, St. Endellion

It was decided to accept the new valuation of £80 - £900 for the land and to ask the District Valuer to start proceedings.

### Clerk's Correspondence

- a. Information was received from OFWAT about possible future methods of charging for water by metering, flat rate charges, or property 'banding'.
- b. Some residents of Port Isaac recently connected to the new water main were being advised to boil their water due to a 'high bacteria count'. The parish council was concerned about this and the clerk is to telephone for details.
- c. A letter from N.C.D.C. planning department explained that there is no local plan, as such, for the future development of Port Isaac although guidelines are being prepared for Wadebridge, Camelford, Bodmin, and Launceston. There is, however, the 'Conservation Area' guideline document issued in 1986.
- d. A letter from South West Water explained that the Fire Brigade were responsible for the siting of the new hydrants on the green patch at the bottom of Tintagel Terrace. Mr. Phelps suggested that immediate contact be made so that the hydrants could be resited before their positions were 'coded'.
- e. N.C.D.C. have no objection to the siting of the proposed bottle bank at the car park.
- f. The District Council and Parish Council elections will take place on Thursday 2nd. May. The Clerk has nomination papers.
- g. Trewornan Bridge is to be closed from 16th. to 24th. February, but no alternative route will be offered as there is none of suitable quality.
- h. A letter from Mr. A'Court of Trelights thanked the council for the donation of £100 towards playground equipment. This had made possible a further donation of £150 from the Cornwall Rural Community Council. They would have to find the final £76 themselves. He also thanked the council for the £50 donation for the Christmas lights.
- i. A sample of re-cycled plastic as used instead of wood on the new seat at Trewetha was examined. More seats of this type may be ordered from Supawood Seats.
- j. A planning appeal by Mr. Cleave, regarding a dwelling and garage at Brooklands Farm, will be heard on Tuesday 12th. February at 10am. Everybody with an interest is invited to attend.

### Planning Applications

1. Cutting down and cleaning out of Trees covered by a Tree Preservation Order, Mr. C. Willett, Longcross Victorian Gardens, Trelights: 'No observations'.
2. Change of use from salon to lounge, Bay Bungalow/Andrea's Hair Salon, Tintagel Terrace: 'No observations'.

### Public Discussion

- a. Mrs. Carol Richards asked if yellow lines would be painted at the entrance to Lundy Road but was told this would not be possible as the road was unadopted.
- b. Mrs. Melanie Dingle asked who would pay compensation if a child was injured on the building equipment being kept in the playing fields car space.
- c. Mr. Robin Penna complained that nobody seems to be interested in the state of the old village. The road at the Platt and Roscarrock Hill, were as bad as any but were not specifically mentioned during the discussion. It had finally needed a long personal telephone call to County Highways to get something done about the flooding in Temple Bar. Street lights at the bottom of Fore Street, malfunctioning since the autumn, were still not working. Cllr. Symons was trying to get this corrected but apparently N.C.D.C. are charged £50 every time the engineers fail to find a fault.

### Next Meeting

The next monthly meeting of the Parish Council will be held on Monday 11th. February at 7.30pm. in the Church Rooms, Port Isaac.

**T. ENDELLION CHURCH**

Christmas services at the church were very well attended. Over 200 people crowded into the church for the combined candlelight carol service for St. Endellion, St. Kew and St. Peter's parishes. The service was arranged and led by Admiral Alec Weir, Reader from St. Kew assisted by the Revd. A. Wainwright and the Revd. A. Mackeracher. Lessons were read by members of the congregation of the three parishes and the singing was led by a combined choir, accompanied by Mrs. J. Townsend, organist. The bells were also rung. A collection of nearly £100 was raised for the Cornwall Air Ambulance. Coffee and mince pies were enjoyed after the services in the Church Hall. Bells rang out before the Midnight Mass attended by nearly 200 people. The Revd. A. Wainwright was celebrant.

**Healing Eucharists.** A Eucharist for healing with the laying on of hands was held at Bodannon Farm, Trewetha, in December by kind invitation of Mr. and Mrs. R. Richards. Celebrant was the Revd. Ian Morris and the service was led by Mrs. Jean Wilson. Coffee and mince pies were served by Mrs. Pam Richards.

In January a healing eucharist was held at Camelford Rectory. The service was led by the Revd. I. Morris who was also celebrant.

**Bell Ringing.** On New Year's Eve ten ringers from Hampshire on a bell-ringing tour of Cornwall rang the bells at St. Endellion. On New Year's Day a band of ringers from many parts of Cornwall visited the tower to ring. This visit was arranged by Mr. A. Carveth, master of the Truro Cathedral Company of Ringers. Both groups were welcomed by Mr. R. Richards.

**Servers.** In December servers attended the Guild Office at Treverbyn Church near St. Austell, and represented the Chapter of St. Michael and St. Petroc at the Requiem Mass held in St. Mary's

Church, Launceston just before Christmas.

A very successful Christmas Whist Drive was held in the Church Hall.

**Ordination of women.** An open meeting to discuss the General Synod resolution on the ordination of women to the priesthood was held in the Church Hall in January. Deanery Synod representative, Mr. J. Watson was chairman. A vote taken resulted in 6 in favour and 14 against.

The January Julian meeting was held at Bodannon Farm, Trewetha, and led by Mrs. Mavis Morgan, Tintagel. A sung Evensong with carols was conducted by the Revd. Judith Rose in the church on the Sunday after Christmas and afterwards there were more carols and tea at Trelights Farmhouse. Each year the Revd. Paul Rose and his wife and friends stay in the farmhouse after Christmas and form a choir to lead the morning sung Eucharist in the church and to sing Evensong in the afternoon.

Judith Pollinger.

**ST. PETER'S PARISH CHURCH**

On 6th. December, a Barn Dance was held in the Church Hall, a very happy evening. Everyone joined in the dancing and several folks said they had not had such fun for years! It was good to see all age groups enjoying themselves. Over £200 was raised for church funds and members of St. Peter's would like to thank all who helped to make it such a success. By special request another Barn Dance has been organised for St. Valentine's Day, 14th. February at 7.30pm. in the Church Hall - look out for posters. A percentage of the proceeds will be donated to the starving children of Africa.

On Christmas Eve the 'Blessing of the Crib' service was very well attended and it was good to see many children including some visitors. The Christmas Morning Eucharist was also exceptionally well attended.

On the Thursday after Christmas there was a party for members of the Junior Church. This was organised by Mrs. Judith Pollinger who was helped by Mrs. Maria Birch and Mrs. Wendy Sainsbury. The children played games and enjoyed a special tea. The Junior Church meets every Sunday at 9.45am. in the church hall. If your children would like to join, contact

Mrs. Pollinger (Camelford 212604) or just bring them along one Sunday, they would be most welcome.

We regret that owing to high maintenance costs (we receive no grants or financial assistance from any organisations) we have to raise the charges for the church hall. In future the fee will be - £10 a session for Bingo, £15 for a whole day.

Jo Phillips.

**METHODIST CHURCH**

In view of the rumours circulating round Port Isaac as to the imminent closure of the Methodist Church, I should like to clarify the situation. The Camelford and Wadebridge Circuit, of which Port Isaac is a part, consists of 23 chapels, scattered over a wide area from Wadebridge to Crackington Haven and from the coast to St. Brevard, and is under the care of only three ministers, one of whom is due to take a three month sabbatical very shortly. With such a large area, involving much time in travelling, it is obvious that the remaining two ministers cannot hope to cope with services and pastoral work, even with the part-time assistance of lay preachers and two retired ministers. It has therefore been decided that as from February, some of the chapels will, temporarily at least, join together; others will change the times of services to allow the preachers to take two services on Sunday mornings, while yet others will have the number of services reduced to once a month. Port Isaac unfortunately comes under this category and for the next three months, our services will be as follows

24th. February at 6pm:

Revd. David Easton.

31st. March at 11am:

(Preacher to be announced).

6pm: Revd. R. G. G. Stevenson.

28th. April at 6pm:

Revd. R. G. G. Stevenson.

It is proposed to hold a Fellowship meeting at 'Gwel Arvor' on the Sunday evenings when there are no planned services at the chapel and we welcome 'one and all' to join with us in 'Songs of Praise round the fire'. Come and choose your own favourite hymns.

Grace Hooper (Church Secretary).

### PORT ISAAC VILLAGE HALL

On Tuesday 29th, January there will be a coffee morning with a cake stall, raffle, etc. at Trethoway from 10am. to 12.00. Also a Jumble Sale on Saturday 23rd. February at 2.00pm. at the Village Hall. These events are in aid of the second phase of renovation, secondary double glazing and insulation. There are still some 'gaps' in the diary - can I please remind all groups who regularly use the Hall to let me have the exact dates for these bookings, including any 'breaks' and any changes that may occur. Thank you. Lin Holmes 880214.

### THANKS

I would like to take this opportunity of saying a big Thank You to my friends and neighbours for all the kindness and help they gave me. Also for all the many beautiful cards, flowers and presents given to me during my long stay at Trelliske Hospital. Elaine Found.

### PLAYING FIELDS

Well, we are off to a good start for the next phase of Playing Field equipment. We have bought the elephant mobile for toddlers as stated in the last issue of Trio. A grant of £500 has been received from the Telethon Appeal. Many thanks to Cary, Steve & Ray for organising a pool match and raising £26.50, and to Bill Dawe for the £30 donation from the Harvest Festival. A very successful lunch was held in the Cornish Cafe on December 4th. when some 90 people enjoyed a turkey dinner followed by mince pies and cream. Our sincere thanks to Dave Phelps for the use of his premises, and Lil Thomas for all her tireless hard work before, during and after the Lunch. Thanks to Shirley Angove and the ladies of the committee and to everyone who donated vegetables, to Janet for the wonderful mince pies, and to all who gave raffle prizes. We made a profit of £270.27p. Thank you everybody!  
May we take this opportunity to wish you all a Happy New Year, and we hope for your continued support in 1991.  
Port Isaac  
Playing Field Action Group.

### PORT ISAAC ROWING CLUB

The first A.G.M. of the above club was held at the Penhaligon Room, Port Isaac on Wednesday 12th. December. The meeting heard that fund raising is moving well, and thanks to Jill Gadman of Rogues' Retreat for an excellent supper. So far £4,200 has been raised. Thanks also to Richard Jewitt of Portsmouth for making and donating a model gig, which will be raffled on the evening of 26th. January at the Golden Lion. The draw will be made by Tamsin Mitchell and Ted Gundry of Radio Cornwall. The total sum required to buy a gig and the associated equipment will be £13,288 (including VAT), and the committee should soon be able to announce how much grant will be available from the Sports Council. The name of Port Isaac's gig has been chosen by ballot, and by a significant majority vote, the gig will be named 'CORSAIR'. The meeting re-elected Chairman Trevor Beare, Treasurer Chris Key, Vice Chairman John Brown and Secretary Chrissy Coshall. The following were elected to the committee: Neville Andrews, Anita Beare, Jeremy Brown, Julian Brown, Kevin Burt, John Cleave, Jill Gadman, John Rowe, Robert Sheppard, Juliet Tom, and, representing the younger members, Daniel Brewer. Chairman Trevor Beare said that it is important that more rowing members of all ages are recruited.  
Jan Rowe.

### GIG SUPPER - ROGUES RETREAT

I would like to thank everyone for making my Gig Supper such a huge success, specially all those who donated food, drink, raffle prizes, etc., Jan and the ladies who helped, and Sheila whose tremendous support I could not have done without. We raised a total of £656.50 on the night, and £46 more the following week with a raffle for one or two bottles and the unclaimed 'long necked goose', making a grand total of just over £700. Richard and Margaret Jewitt travelled all the way from Hampshire to bring Richard's superb hand-crafted scale model of the Gig and a beautiful painting by David Parsons.

### F.A.A.S.T.

I thought everyone would like to know the result of the Air Ambulance Christmas Bazaar held on Saturday 1st December. Because of the generosity and help in all fields and the added attraction of hot homemade soups and rolls, organised and made by Fred Thompson and the Port Gaverne Hotel, we raised a total of £413. Very grateful thanks to all who gave their time, support and money, and for the raffle prizes donated by the Slipway Hotel and the Old School Hotel, all of which helped to make this event such a success. Betty Milton.

### THANKS

Mrs. Vona Blake and family would like to thank all their relatives and friends for the kind support and sympathy following the sudden death of Richard Blake at his home in Hartland Road, Port Isaac. Also, grateful thanks to the bearers and many friends who attended the funeral service at Trelights Methodist Chapel.

### MUD SKIING

After hobbling around with the aid of a walking stick for about three weeks, I wouldn't recommend the above sport to anybody over the age of twelve. I would, however, like to thank 'May's Mum' who came to help me, Margaret, Gwen, and Rodney for taking Bracken 'walkies' - he was 'greatly relieved', Anne for her excellent cooking, Barry for his express meals on wheels service 'sorry about the gravy, Peg'. To all those who called with offers of help, thank you. A happy and healthy and accident-free 1991 to you all. Peggy Richards.

### PORT ISAAC W.I.

Our December meeting went off very well- good attendance and interesting demonstrations of Christmas crackers, decorations and gifts. I am sure that we all learned something useful from Yvonne Toms. Delicious home made mince pies added to the festive atmosphere. At the January meeting Mr. Warne with his guide dog Lionel was our guest speaker and we learned all about Guide dogs for the Blind and how this worthwhile charity operates. We decided to make them our 'Charity of the year', and will be holding events during 1991 to raise money for these marvellous dogs. I am sure that the village will support these events.

On the 14th January our annual Christmas Lunch held in the Cornish Cafe was enjoyed by members and visitors alike and I must say that Lil did us proud. The food was delicious and plentiful and I want to sincerely thank all who supported this event. 32 of us had a jolly good time and the raffle (the cost of the lunch) was won by Mrs. Marjorie Slatter. This was our third year at this venue and it is getting to be a most pleasant habit. The atmosphere was so good and friendly that four ladies from the village decided to join our W.I. The next meeting on February 14th. will be the A.G.M. and I would like to ask as many members as possible to attend. Spring is not too far away now and we will be resuming our monthly outings as in previous years. Everyone will be most welcome. Zofia Fry.

### LIFEBOAT

George Moth, who has been Treasurer of Port Isaac Branch for the last 24 years, has been awarded the RNLI'S prestigious Gold Badge. A formal presentation will be made later. At the Annual General Meeting, held in the Penhaligon Room on 5th. December, it was announced that £16,686 had been raised during the year - another record. Guest speaker Lt. David Nicholson, a pilot with 771 Squadron at RNAS Culdrose, gave a talk on their search and rescue work. John Scott.

### SENIOR CITIZENS

I would like to say thank you to Mr. Bill Dawe for his Christmas gift to the Senior Citizens of Port Isaac. A lot of hard work and worry must go into the collecting and distributing of the money. Once again, thank you Bill. It is very much appreciated. Mrs. A. Kershaw.

## OUR VILLAGE

Port Isaac we know  
Has its Monthly 'Trio'  
With good news but very few jokes.  
People of Delabole  
Laugh a lot as a whole  
Despite what you say, Mr. Stokes.

People visit Delabole  
Not just to see the 'Hole'  
Though that is part the reason  
for its fame  
It's the people who abode  
In Avenue or Road  
That makes one want to  
go back there again.

They are a friendly lot,  
Tons of money they've not got  
But happy faces help you  
with your stay  
You'll get a charming smile  
As you linger for a while  
And a kindly word to help you  
on your way.

You may travel foreign places  
Different sights and different faces  
In one's or two's or maybe  
in a throng,  
But nothing can compare  
Of our little village, where  
Dearest friends and families belong.

Our Villagers are true  
And each one will offer you  
Most kindness that I know  
folks do extol,  
For nowhere could you find  
Peace of heart or peace of mind  
Except amongst the folk of Delabole.

Eric Poynton.

### MOUNT EDGCUMBE HOSPICE

Are you allergic to the talc and soap you were given at Christmas or was it just the wrong 'smell'? If so, do not throw it away or leave it in the drawer, please donate it to raise funds for your Hospice. Any unwanted gift or just your usual annual 'clear out' articles will be most gratefully received for the Sale on Saturday, February 16th. in the Church Hall. Lunch will be served as usual, and all the popular stalls will be operating. If you can help run a stall or organise one yourself, please contact Sally Pavitt on 880683 or Sheila Jarvis 880726.

## ECONOMY PRINTING

To meet the ever increasing demand for inexpensive printing, I have installed a machine like a photocopier except that it uses a cool, high-speed, process which can produce numbers of copies like this one at much lower prices - while you wait if necessary.

The process is ideal for:

MENUS    WINE LISTS    TARIFFS    PRICE LISTS    HOTEL BOOKING FORMS  
TRADE CARDS AND ADVERTISING CARDS    LEAFLETS    CAFE AND RESTAURANT PADS  
TALLIES    COMPLIMENT SLIPS    CLUB DIARIES    POSTERS . . .

At present black only (colours may be available later) on white or coloured paper or card, from business card size up to A3 (42 x 29cm).

Enlarging and reducing is possible so that, for example, posters can be drawn smaller and 'blown up' (an easy way to get strong results), or two A4 size pages can be reduced and printed side by side.

### Some cash-with-order prices, A4 size on white paper (no VAT charged):

20 copies: £2.12 (10.58p. each)	250 copies: £6.22 (2.49p. each)
30 copies: £2.29 (7.65p. each)	500 copies: £10.68 (2.14p. each)
50 copies: £2.65 (5.33p. each)	750 copies: £15.13 (2.02p. each)
100 copies: £3.54 (3.54p. each)	1000 copies: £19.59 (1.96p. each)

500 trade cards can be produced for as little as £12.

A5 menu cards, typed and copied, from £7.78 for 50, £9.82 for 100

I shall, of course, continue my 'small order' printing service, for cards, notepaper, etc. Also drawings, maps, lettering, word-processing, typewritten letters, cv's, etc, etc, etc.
