

WOMEN'S INSTITUTE

The May meeting took place on the 14th. in the Church Rooms. After the usual proceedings, we discussed the very successful Coffee Morning held on April 14th. at the home of Mrs. Morris. The recent outing to Penzance and Land's End had been very much enjoyed and further outings will be considered. The speaker was Mrs. June Swanson V.C.O. of Boscastle who talked and explained to us the resolutions which would be voted on at the forthcoming T.G.M. She was thanked by Mrs. Eileen Morris. The next Coffee Morning will be held on June 17th. at 14 Trewetha Lane, from 10.30am. Everyone is welcome to come and make one as successful. The winners of the competition were: 1st - Mrs. Margaret Hoskin, 2nd - Mrs. Dorothy Oliver. The Flower of the Month Competition was won by Mrs. Nina Oliver, and the raffle by Mrs. Dorothy Oliver.

Margaret Hoskin.

THE SPASTICS SOCIETY

We have great pleasure in writing to Trio again on behalf of the staff and residents at Gladys Holman House (Camborne) to acknowledge the receipt of a cheque from Mrs. D. Hicks to the value of £1000. This money will be earmarked for purchasing essential items of equipment such as 'lift hoists' and communication aids and therefore will be put into the House's Improvements Account. May I once again express our appreciation for the continuing support of this centre.

D.A. Ball. Asst. Manager/Care.

PORT ISAAC ROWING CLUB

We are pleased to announce that Freddie Ross has accepted our offer to be President of the club.

On Easter Sunday we had our 2nd. Fun Race, and as always the weather was good for us. Not as many gigs came as were expected, but it was still a very successful day for rowers and spectators alike. About £600 was raised and our thanks to everyone who worked so hard to make it an enjoyable day.

On September 5th. the Corsair is going to London to take part in the Great River Race on the Thames. It is a 22 mile race and three Loughton divers will join three Port Isaac rowers to race this long and exciting course. There are a limited number of places on a spectator boat which is organized by Bob Bulgin and any club members wishing to go should get in touch with me (Jan) as soon as possible. The club is looking for a new secretary and anyone wishing to do this important job should contact Mark Provis. *Jan Rowe.*

THANKS

May I, through Trio, thank all the kind people who sent me cards and good wishes during my stay in hospital. Since I have been home, the support and help has been marvellous and I am sure this has put me well on the way to recovery. Also many thanks to Dr. Sainsbury and all at Trelliske and Bodmin Hospitals - the care was wonderful. *Sheila Jarvis.*

I would like to thank all those who enquired after Don and appreciate the support I have received. Don is now home again. *Eileen Dunsdon.*

Nick and Pearl would like to thank Ian and Brenda for letting them share their Special Evening on 10th. May. It's not everyone that makes it to their 25th. wedding anniversary. Congratulations! Didn't they think of everything? Super. Well done Wheelhouse Restaurant. You done us proud!

Many thanks to the Football Club for a super evening at their Annual Dinner Dance. The speeches were good and the meal was great. Thank you all very much for the chocolates. *Pru and Pearl.*

Congratulations to Emma Talbot, aged 8, of Pennant Farm, for winning a Blue Peter Painting Competition with her painting of a Reindeer.

HILDA COWLING

The death at Trelliske Hospital on May 8th. of Miss Hilda Cowling, aged 85 of Rose Cottage, Trellights, after a very short illness, was received with much regret. Hilda was known and respected. For a number of years she was the Village Post-lady, which included walking to deliver the mail to distant outlying farms in the area. She was a valued member of the Port Isaac Golden Circle. The funeral at St. Endellion Church on May 14th. was attended by many of her family, neighbours and friends. We all express our sympathy to her relations in the loss of a much loved one.

The relatives of the late Hilda Cowling would like to thank all who attended the funeral service. Thanks to the the Rector, Revd. M. Barlett, the organist, the bearers and to all who gave donations in lieu of flowers to the Air Ambulance Fund. Many thanks to the ladies who prepared and served teas in the Church Hall after the service. Special thanks to the two Mr. Honeys for all their kindness and help.

MITZI LAWRY

We express our sympathy to the family of the late Mrs. Mitzi Lawry who died at her daughter's home after a long illness. She was only 61 years. For a number of years they resided at Mayfield Road. The funeral service on April 29th. at St. Kew Parish Church was attended by many of her friends from St. Kew Highway.

ISSUE NO 111 · MAY 1992

Last month we didn't have enough space to mention the typeface we had used which was 'Classic Sans'. This month we have used 'Palermo' with headlines in 'Church'. We set all the advertisements in computer typefaces now, and have at The Blackthorn Press a choice of about forty different styles. Don't forget, if you would like a small sign, notice, poster, leaflet, or anything nicely typeset, we will do it for you - for a very modest charge.

P.I.D.T.A.

At the Port Isaac and District Tourism Association meeting on 27th. April I was elected Chairman. I appreciate all the support given and I will endeavour to work hard on behalf of the Association and its members. As a committee we will work towards promoting tourism within our area and take an active interest in all matters associated with tourism affecting our members. To this end we are promoting a campaign to improve the signing around the village. Working with the support of the Parish Council we are trying to persuade the Highways Department of Cornwall County Council that clearer and more easily identifiable signs will help to relieve the traffic congestion from which we all suffer during the season. Finally we look forward to members' support again this year and for anyone who has any ideas, suggestions, or even complaints - please let us know. *Geoff Wells.*

PARISH COUNCIL

An unofficial report from notes taken at the meeting at the Church Rooms, on Monday 11th. May. For official information, refer to Parish Council minutes.

Public Discussion

Peggy Richards spoke about a broken seat at the playing fields and was told that it would be repaired. The owner of land next to Hillson Close had told her it was private, not owned by the District Council and wouldn't be developed. About last month's reference to building 'over the hill and down the other side' she said the village didn't want buildings in the valley. She also gave Neighbourhood Watch Scheme details (see article).

Robin Penna complained that on Saturday afternoons members of the public had to telephone to ask for refuse outside the fish cellars to be removed. This would otherwise not be collected until Monday and would be there all day Sunday when many people come to see Port Isaac. Until the proposed litter bins are built, he said, proper arrangements should be made to keep the site clear.

Finance

With £3830 on deposit, and a current account balance of £3245 (including District Council precept and deduction of this month's expenses) £2750 of this will be transferred to the deposit account.

Footpath Clearance

Cindy Powell, Clerk to the Council, reported that there were no council circular walks in the parish to attract 100% reimbursement so it was agreed with Betty Doney, County Footpath Officer, that the existing tender could stand this year. The coastal paths, are maintained by County Highways for the Countryside Commission, and are excluded. A County Highways workforce will come to upgrade some of the paths in the early summer and, providing money is available, some could then become official circular walks.

Mill Footpath

Mark Provis said there were complaints from the postman and Mrs. Watson of getting wet and asked if the path could be cut more often. There will now be an early and late summer cut, and a tender will be advertised. The County Highways workforce would also come in between. 'I don't mind cutting it myself' said Mark, 'but not carry it away.' David Phelps said that people using the path daily could carry a hook. Bill Norris said there had been a number of complaints about cuttings thrown in the hedges.

Village Hall

Bill Norris produced some Charity Commissioners documents stating that the Parish Council had no rights or obligations concerning the hall, just 'key holders' keeping the legal title but with no decision making powers. They should, however, try to ensure the Management Committee acts according to the rules.

When there was no committee, the Council should ask the Charity Commissioners for advice, who would decide to sell the hall or pass it to another charity. David Phelps said that in twenty years the village is bound to extend and the District Council must be told the parish wants a plot, then arrange with the Charity Commissioners to sell the existing one and use the funds for a new hall. There is a moral obligation to keep the hall going.

CLERK'S REPORT & CORRESPONDENCE

Security

The Chief Constable will reply in due course on this subject.

Paul Tyler MP had replied to say that more bobbies on the beat was a cause dear to his heart.

Coastal Footpath - Wheelchair Ramps

Letters from Mr. Bell who is seeking technical advice from organisations, on wheelchair ramps for the coastal path steps between the car park and village. David Phelps commended his action.

Morwenna

Part of the wall in front of the house had disappeared and the Planning Department confirmed that destruction of a wall wasn't in the application, but no consent for the work applied for was needed. The wall shouldn't have been knocked down and the agent has been advised. Mark Provis asked why time was wasted considering an unnecessary application. David Phelps, surprised by the Chairman's apparent disinterest, said if he didn't want to get on with it, he shouldn't be there. The Council should express concern that the decision was made at Barn Lane - not by the Planning Committee. Mark Provis said that, in effect, he could roof in his courtyard without permission. A letter will be sent to Mr. Price, Planning Officer.

Signs to Doctors' Surgery

Even if placed on private land, the signs would need planning permission, which could be opposed by County Highways as 'directional' and confusing. David Phelps suggested small signs under the 'Hillson Close' nameplates. The Clerk reminded him this could be illegal. Rohan Carey asked if it wasn't illegal if someone died. Mark Provis said it was illegal, the Council shouldn't do it. David Phelps proposed the Council 'stick its neck out and see what happens - it's got to be done before the summer.' Local signwriters will be asked to tender for the work. Mark Provis and David Philp voted against.

Committee Reports

The Playing Field Committee reported that a man from the equipment contractors, had inspected shackles and buckle-eye bolts and found them corroded and needing replacement. They have not been there very long so the contractors may be responsible. The see-saw is in a bad state, and the contractors have been asked to quote for refurbishment. Excessive wear

of the rubber mat at the bottom of the slide may also be their responsibility.

Aluminium Can Bank

to be installed next to the bottle bank in the car park. It will be emptied by members of the Girl Guides. Steel cans (which stick to a magnet - aluminium ones won't) should not be put in.

Road Signing in the Village

Chairman, David Bolton - County Councillor Harvey Lander had said he will do what he can to hurry this along.

PLANNING APPLICATIONS

The Parish Council recommended support of an application by the Lawns Hotel (R. Baker) for alterations and extension to ground floor extension and provision of natural slate roof over.

The Council also recommended support of an application by Tolraggott Farm (Mr. D. Blake) for change of use and erection of extension of existing agricultural building to skittles alley, snooker room, bar and snack bar, club room, reception, office, and toilets.

Notice was received of a meeting to be held at Glebe Farm concerning commercial elements in the area likely to attract criticism. Permission had only been given for sale of items produced on the farm, not from elsewhere in Cornwall, and not for parking area or picnic tables. (Another meeting to be held the same day at Trevathan Strawberry Field, St. Kew Parish - where the tea room was supposed to be ancillary to the picking fields, not a restaurant, signs did not conform with regulations, and no permission given for parking area or picnic tables.) Eric Stokes said both sites were owned by Councillors and not setting a good example.

Sponsored Walk

On the 5th. April we held a very successful sponsored walk from Port Isaac to Bodmin. We could not have picked a better day as the sun shone on us all the way. We raised about £275 and I would like to thank all those who sponsored us; also the following walkers: Alan and Helen, Peter and Liz, Jo and Ginny (her dog), Martin, Les, Roy, Mark (my grandson 8 years old), Ray. Thanks to our back-up team: Bryan, Barbara and Nigel and to Mr. Bill Dawe for seeing the walk started. We are still in with a chance of promotion after some really hard games. The lads are giving their all.

Divisional Cup

The lads have brought back their first cup since re-forming. We beat Lanreath 4-2 in a really thrilling final held at St. Breward. Carl Daly had a hat trick and George Little had the fourth. Thanks to all who supported us so well and a special 'well done' to our manager Peter Rowe, and thanks to Mark Provis for sponsoring us on the day.

Annual Dinner and Presentation

We had a really good turnout for a great and enjoyable evening at the Poldark Inn. Well done to Bryan for his expert organisation and thanks to The Old School Hotel, The Old Drugstore, and Rod Baker for raffle prizes.

WORLD PILOT GIG CHAMPIONSHIPS

Isles of Scilly
2nd - 4th May

We boarded Scillonian III at Penzance at 9.20am. on Saturday, looking forward to the weekend's racing but not the journey across. Our worst fears were soon realised and passengers were soon looking at the bottom of brown paper bags. We arrived at St. Mary's at 12.30, glad to be on dry land, only to learn our first race was at 2.30, the Ladies Race - Nut Rock to St. Mary's - just over a mile. Corsair finished 6th. of 27. The first Men's Race was at 3.30, St. Agnes to St. Mary's - about 2½ miles. Corsair finished 20th out of 29.

We had a couple of hours to 'relax' before our 2nd. race. The evening started at 7.00 with a Ladies' Race - Nut Rock to St. Mary's in which Corsair finished 6th. The Men's Race was at 7.30 on the same course in which they finished 20th.

Sunday morning, the strong winds had gone leaving a warm sunny day. The rough seas of Saturday now looked like a pond. The Men's Race, 11.30 was from the Old Wreck to St. Mary's - about 3½ miles - Corsair finished 26th. The final Ladies' Race at 2.30 was from St. Agnes to St. Mary's. Corsair finished 9th. The weekend's racing over, presentations were made and the final positions were, men:

1 Islander - Scilly 'A', 2 Royal - Truro, 3 Normour - Scilly, 21 Corsair, ladies: 1 Islander - Scilly 'A', 2 Dasher - Padstow, 3 Active - Newquay 'B', 8 Corsair.

Very special thanks to the Queen and Prince Philip, Frank Bruno, Ian McGaskell, Elizabeth Taylor, Joan Collins, Will Carling, Dick Ballcock, Fergie, and last but not least Boris Smirnoff (nice man) for their greeting telegrams. LIFEBOAT

Three crew members are attending a course at the RNLI's Inshore Lifeboat Centre at Cowes, Isle of Wight, from Tuesday 19th. to Thursday 21st. May. Andy Walton, Richard Hambly and John Collins, together with groups from Marazion, Burry Port, and Mumbles they will participate in a number of exercises in capsize recovery, as well as receiving detailed information about the construction and maintenance of the boat and engine. The last Art Show at Port Gaverne Hotel was closed by Frank McNichel on Friday 8th. May. We would like to record deep appreciation of all the work put in by Frank and Renee - the effect of which has been seen in the large sums raised. This year, although the Show was only open four weeks, £1373 was raised.

The first service this year was on 16th. April when a red sail was seen in the water off the Greenaway. A search established that the surfer was safely ashore, and all rescue services were recalled. On Saturday 18th. April, at about mid-day, a board-sailor was reported in difficulties off Trebetherick. Nigel Andrews, John Collins and Richard Hambly located the casualty, Plymouth man Richard Gray, and put him safely ashore at Daymer Bay. At about 3pm. the same day, the lifeboat was launched after a report of casualties on rocks at Trevone Bay, but was recalled soon after. While on an exercise on the 17th. May, the lifeboat went to the aid of a diving boat which had run out of fuel and was drifting seaward. The boat was towed into Port Gaverne. There were eight persons on board from the RAF St. Mawgan sub-aqua club. *John Scott.*

Fresh interred, old friends lie here
Yet in our minds, they still live clear.

Young men from near-forgotten wars,
Sailors borne from Cornish shores,
Lichened names with mossy fungus
A century on, still live among us.
Rich and poor, share one great Maker
Death levels all, in God's green acre.

Guards their souls with Love Divine
Whilst I who muse, when life's coil ends
Will join a thousand treasured friends.*

TRELIGHTS VILLAGE GREEN

The A.G.M. of the above was held on Thursday 28th. March in the Methodist Schoolroom. The meeting opened with a minute's silence and tributes to the memory of George Cowling, a long standing member and former Chairman of the committee, who passed away recently. We received reports on the year's activities from the Chairman, Harold Barriball and on the finances from the Treasurer, Mr. Clement A'Court. The latter also informed the meeting that, for health and personal reasons he would not be standing for re-election. The Chairman thanked Mr. A'Court for his many years of hard work on behalf of the committee, in particular in connection with the Christmas Tableau, barbecue, and play equipment. The Chairman also thanked the outgoing committee, in particular Mr. Harold Haynes, who was not standing for re-election. It was agreed to invite Mrs. Rita Cowling to continue as President.

The following were elected to the committee for the forthcoming year: Chairman - Harold Barriball, Vice Chairman - William Dawe, Secretary - Virginia Milton, Treasurer - Peter Adams, Ann Pethick, M. Dale, Mary Rayment, Valerie Adams, Gwen Kay, Violet Baker, Fred Milton, Raymond Hillage and Peter Lobb. A proposal by Mr. Lobb for a commemorative tree or plaque in the village for George Cowling was agreed and passed to the committee for further consideration.
