

PORT ISAAC LOCAL HISTORY GROUP

We have had our first meeting with an attendance of 30 people. The following officers were elected: Chairman - George Steer, Secretary - Doris Hambly, Treasurer - Gwen Hambly, Vice-Chairman - to be elected. It was decided to charge a subscription for membership of the group of £3 per annum, or 50p. for people attending a single meeting, to cover expenses.

Miss Carol Vivian, Treasurer of the Cornwall Association of Local Historians, gave an interesting talk on how to start a project, and gave us ideas of where to get information. She has done a tremendous amount of work in and around her home area and we were lucky to get her expertise so early on.

Our project could be about the Port Isaac area over the last hundred years or so, based on the 1891 census return. If you can help in any way, even if you don't want to come to the meeting, someone that you know will probably have been there and would be delighted to make a record of any anecdotes that you have, so just jot them down on a piece of paper as you think of them. Should you have any old photographs of the family or village that you could LEND us, we would be extraordinarily careful over them and return them promptly.

But if you can, please come along to the next meeting in the Penhaligon Room, on Friday 5th. March at 7.30pm. At the end of the short formal meeting, we hope to have an informal discussion, so bring along anything you think would be of interest.

George Steer.

THANKS

I would like to express my sincere thanks to all those Voluntary car service drivers who for ten weeks drove me to the Physiotherapy Department at the East Cornwall Hospital in Bodmin. I had to go twice a week plus a few extra visits to the consultant. A special thanks to a few who took me two or three times in a row and to those who took three of us from time to time. It does make one aware of how many kind people there are in our Parish. Once again, thank you all very much. I think that the treatment did me a world of good, but it is an on-going thing.

Fred Thompson.

May I thank all who sent me flowers, gifts, and cards during my stay in Treliske Hospital. I hope to be out and about again soon.

JACK PROVIS

The recent death at the Trewiston Nursing Home of Mr. Jack Provis, formerly of 22 Hartland Road, was received with regret. Jack had been in failing health for some time. He was born in Port Isaac and on leaving school, he worked at what was then Chapmans' the Grocers in Fore Street. During the war years he assisted with the NAAFI and until his retirement he was employed with the Co-op in Oxford. He retired to Port Isaac eleven years ago.

One of Jack's greatest joys was music and he played the organs at St. Kew, St. Peter's, and at St. Endellion Parish Church where the funeral service was held, followed by cremation at the Glynn Valley Crematorium. The service was conducted by the Rector, Preb. Revd. Michael Bartlett. A number of friends and a large number of relatives attended. We all express our sympathy to his family in the loss of a brother and uncle.

In lieu of flowers, donations for the Roof Appeal Fund of St. Endellion Church amounted to £66.50. The ashes were interred with those of his parents in the churchyard on Wednesday 3rd. February.

During the early years of the war, Jack joined the Coldstream Guards and was stationed at Caterham near where we lived in Surrey. On his weekend leaves he would sometimes come to visit our family in his smart uniform of which he was very proud. Sadly, he was invalided out in 1942. Robin.

The family of the late Jack Provis wish to express their sincere thanks to all those that sent cards and messages in their bereavement also to those who attended the funeral. Special thanks to Mrs. Jane Cowen and staff at Trewiston Lodge for the care and kindness shown to him while he was there. Also to Revd. Michael Bartlett and Mr. Ian C. Honey (Funeral Director) also to Mr. Charlie Honey for collection of donations in lieu of flowers for the funds of the Roof Repair of St. Endellion Church.

We regret that the obituaries for Mrs. René Duval and Sidney Percival were not ready in time for publication but will be printed next month.

ISSUE NO 119 · FEBRUARY 1993

TRIO IS NOT A NEWSPAPER . . .

. . . it is a newsletter and, as such, is intended to act as a way for different parts of the Port Isaac - Trelights - Port Gaverne area to keep in touch with each other. There cannot be an editorial policy and so everything received is printed, except of course any material of a scandalous or libellous nature - but fortunately we don't get much of that! So if you have any interesting news, or want to publish details of the activities you are involved with, simply write it out and bring it in. There is no charge for articles printed, or for entries in the 'Diary' - the money needed to cover the cost of printing is raised from the display and classified advertisements. Much of the time spent on Trio I don't charge for, only for the printing; my living is supposed to be made by printing other things! *Robin.*

COPIES OF TRIO

Until there is a newsagent at the top of the village again, the Harbour Shop, the main supplier for Port Isaac at present, will deliver Trio with your usual paper or magazine. We also keep a few copies at the Blackthorn Press for those who don't have a paper and can't get down to the bottom. Mr. Barriball, Trelights Post Office Store, is the Trelights supplier, of course.

PARISH COUNCIL

An unofficial report compiled from notes taken by a member of the public during the meeting held at the Church Rooms, Port Isaac, on Monday 8th. February. For accurate information, please refer to the Parish Council minutes.

The Council welcomed back Mrs. Barbara Willmott as Clerk to the Council.

Public Discussion

Peggy Richards spoke about dogs fouling the footpaths and the area round the telephone box. She said that it has got worse since the dog bins were installed. It is particularly hazardous when the lights are on low power and there are shadows everywhere. Also there are a lot of stray dogs roaming around. The Council will contact the Dog Warden.

Peggy continued with a report of the number of house break-ins that are occurring and advised people to ring the police at Launceston (0566) 774211 when they see anything suspicious - like the stranger seen recently, taking photographs of houses. A bad time was between five and eight in the evening, when householders are less vigilant, with burglaries taking place even while houses are occupied. Other burglaries happen while house owners are away for as little as 48 hours so someone may be acting as an informer.

Malcolm Lee asked if there had been any progress with the promised footpath improvement work. It is now 15 months since volunteers carried out a detailed survey and there had been no sign of the '1992 Work Party'. The Council will raise this matter next month. Mr. Lee also reported that the footpath sign was missing where footpath no. 3 leaves the road at Tregaverne.

Finance

As the month's expenditure would use most of the money in the current account, £500 is to be transferred from deposit, leaving about £2,730. The Clerk announced that the first £3,750 of the precept would be received in April and the rest in September.

Donations, etc.

In spite of a request from the P.C.C. for a larger donation towards the cost of maintaining St. Endellion churchyard, it was felt that only an increase of £25 would be possible, making this year's donation £450.

The annual subscription of £15 was paid for membership of the Council for the Preservation of Rural England.

A third item, a donation towards the Cornwall Disabled People's Service who need money for a small, specially equipped coach, will be discussed next month.

Last year, the Council had paid £15 to St. Peter's P.C.C. towards grass-cutting but had since learned that the contractor had left the district before being paid. It was suggested, therefore, that the money be used towards this year's costs.

Report from the Seats Committee

Eric Stokes reported that the first part of the repair and repainting schedule was complete and that the seats in the village now looked better than they had ever done. The Port Gaverne and Trelights schedules

would now be started. A new seat on the coastal footpath at the top of the steps up from Pinehaven valley might be welcomed. Having expressed an interest in a similar project a few years ago, the Sproull family might be interested in making a donation towards the cost. Eric also reported that he had installed the handrail at the beginning of the footpath from New Road to Tintagel Terrace, and would make no charge for this. Users say they are pleased with it.

Report from the Tree Warden

David Phelps is attending a five-Saturday training scheme which he finds both useful and interesting. He asked the Council to chase up the Highways Department's promised tree-planting scheme.

Local Dialling Codes

In a letter, British Telecom reiterated their original reasons for replacing 'Port Isaac' code in the Phone Book with 'Bodmin' and said that as 'all figure dialling' was due to be introduced soon, it was unlikely that they could take retrospective action now.

Meanwhile M.P. Paul Tyler had written to the chief of B.T. expressing the anxiety caused to a relatively large residential area in a rural part of the country and questioned the 'rationale' of the decision.

Traffic Calming

The Area Surveyor had written to explain that there were over 200 requests for similar schemes in North Cornwall and that Port Isaac's need for some means of calming the traffic entering the village would be added to the list. Rumble strips, however, did not prove successful.

Mark Provis said that we must keep on trying and that our County Councillor, Harvey Lander, should be asked to help. There is also still a need for a zebra crossing at the school which is on the perimeter of the village near the dangerous corner in question where there is no pedestrian refuge at all. The Council decided to arrange a meeting at the site with Harvey Lander.

Proposed B.T. Telephone Kiosk

British Telecom will investigate the feasibility of the Parish Council's suggestion to install the new kiosk at the car park.

The progress on listing the old boxes in the village is to be investigated.

Heritage Coast Walks

The Clerk will liaise with Robin Penna and Charlie David of the Heritage Coast service to arrange some 'Parish Walks'.

Flooding at Coldstanton Corner

Cornwall Highways are investigating the cause of the flooding and any necessary

work will be done when the road is resurfaced in the first quarter of the financial year. David Phelps said that they had got their priorities wrong and that the roads at the bottom of the village were like those in a shanty town. This matter is to be discussed at the next meeting.

Hospital Car Service

Eric Stokes reported that through illness and other reasons the Service was running out of drivers. He pointed out that it is only a voluntary service. A letter will be put in Trio to ask for more drivers.

Annual Parish Meeting

This will be held on Thursday 22nd. April, and it is hoped to invite our M.P. and other speakers to the meeting.

Planning Applications

a. Erection of dwelling, Trewetha Lane, Mr. J. Saundry. This outline application for a second house had been rubber stamped 'delegation possible' which totally surprised the Council as the development was far from insignificant and in the Conservation Area. Consequently the vote of 3/2 went against it, objections being raised about increasing traffic in Trewetha Lane and over-development of a Conservation Area.

b. Erection of first floor extension and new pitched roof to front lean-to at Trehaverock Cottage, St. Endellion, Mr. and Mrs. Kirkman. There was a vote of 5/1 in support of this application.

Next Meeting

The next monthly meeting of the Parish Council will be on Monday 8th. March at 7.30pm. in the Chapel Hall, Trelights.

UK DIALLING CODES

To meet the increasing demand for phone numbers, on 'Phoneday' Sunday 16th. April 1995 at 1.00am, British Telecom will change all area dialling codes. The number 1 will be inserted after the initial 0 so that, for example, the 0208 code for Bodmin will become 01208.

VOLUNTARY CAR SERVICE

Drivers are urgently required for the Hospital Car Service which has been in existence for many years. This voluntary service is of great help to residents who have hospital appointments and hospital treatments but are unable to obtain their own transport for these appointments. Unfortunately the numbers of drivers have dwindled and it is now left to but a handful of volunteers, which as you can imagine, is proving a great strain on the noble few. Please offer your help for this worthwhile service and contact either Mr. Stokes on 880907 or the Clerk to St. Endellion Parish Council on 880302.

GETTING TO HOSPITAL

We live in a remote, under-populated area with the benefits of a unique lifestyle not shared by town-dwellers. But there are drawbacks as we all know. The long distance to any of the urban centres and the absence of serviceable public transport for example. Normally, with a car, this is not too great a problem, except in the summer when the roads are crowded. When a visit to hospital, or a number of visits, or regular appointments have to be made, it can be very difficult indeed. Even people who

have cars may not be fit to drive after treatment, or before it! Where a relative or friend is on hand to do the driving, assuming they have spare time, it is only a matter of relying on their kindness but where there is nobody else able to drive, an official organisation is necessary. The Voluntary Car Service was formed in this Parish some years ago as a temporary measure until the government came up with an alternative scheme to the regular service which had just been closed down, largely because of people abusing the free service even when they were fit enough to drive their own cars. Some said at the time that it was a mistake to provide a stop-gap service because if we were able to help ourselves the government would do nothing. Many of the volunteers were retired people - they had the spare time, but now some of them have had to stop providing the service and this is part of the reason for the shortage of drivers. While we try to find more, I urge anybody who is suffering hardship to write to:
Paul Tyler, MP for North Cornwall, House of Commons, London. SW1 0AA.
East Cornwall Hospital declared recently that they had not heard about the Port Isaac Voluntary Service - our MP may not be aware of the problem either.

Robin Penna.

INFORMATION SHEET

This year, having been asked by one or two people to do so, I am going to print the pink map-sheet again and proofs have already been distributed to most of the businesses with the request that they correct them and return them to me before the end of March. The reason for mentioning this in Trio is that there may be other people who would like details of their business to be included on the information sheet, if so they should get in touch with me as soon as possible.

ARTHRITIS AND RHEUMATISM COUNCIL

I wonder how many of our readers have had treatment for their arthritis, or have had hip replacements? These conditions have required specialist treatment, for which money has often been provided from the Arthritis and Rheumatism Council's (ARC) funds. Treliske Hospital's Rheumatology Unit has benefitted immensely from such donations and we now wish to support ARC with a Sale in the period after Easter. Your help in stocking stalls would be much appreciated. We shall need cakes for the cake stall, items for the general stall (china, glass, etc.), books and toys. Will you please turn out anything which to you is a 'white elephant' but to others may be 'just what I've been looking for'. Also good quality clothes, but no jumble please. Your help will be gratefully received by Mrs. Grace Hooper, Gwel Arvor, Tintagel Terrace, Port Isaac.

RAINBOWS, BROWNIES, GUIDES

We would like to thank all who supported the Rainbows, Brownies, and Guides Jumble Sale. we raised £168. Thank you all very much.

WOMENS' INSTITUTE

Our A.G.M. was held on the 11th. February with guests Mrs. Annabell Johns V.C.O. and Mrs. Joyce Jones, Group Con- vener. Mrs. Margaret Hoskin presided and we had a two minutes silent prayer in memory of our past President and ardent supporter René Duval who passed away recently after a long and painful illness bravely endured. She will be sadly missed.

Retiring Officers reported a successful year and a healthy bank balance, considering the truly minute size of our Institute.

The monthly Competition Cup for last year (on points) was won by Margaret Hoskin, 2nd. prize Eileen Morris, 3rd. Zofia Fry. Flower of the month for the last twelve months: Nina Oliver, Margaret Hoskin, and Zofia Fry.

Special thanks were expressed to Sybil Brown for her cheerful willingness always to step in and help out when need arose.

The following officers were elected: President: Mrs. Pat Rex, Vice President: Mrs. Margaret Hoskin, Secretary: Mrs. Eileen Trickett, Assistant Secretary: Mrs. Sybil Brown, Treasurer: Mrs. Zofia Fry, Outings and Press; Mrs. Zofia Fry.

Change of Meeting Place

There will be a change of our meeting place, from this April on, to what we hope will be our permanent venue: The Castle Rock Hotel. Next meeting (March) will see us still at The Tea Pot.

Competition 'Prettiest Seashell': Zofia Fry and Margaret Hoskin. Flower of the Month: Zofia Fry and Eileen Trickett.

Outing to Heligan Manor Gardens

Our first outing this year will be on Friday 23rd. April to The Heligan Manor Gardens near Mevagissey with their fabulous collection of Himalayan Rhododendrons, Camellias, Azaleas, and Magnolias at their best from March to early June. The gardens are the subject of the largest garden restoration undertaken in Britain since the second world war and are of special interest because, owing to the early date of their disappearance under mountains of bramble and fallen timber, they have remained largely untouched and hence unchanged for more than 75 years! We plan to start from Prouts' Garage at 10.00am. and be back here for 3.30pm. in time to collect children from school, so all local mums are very welcome to join us this time! The coach will be £2.00, group entrance to gardens also £2.00 and there is a tea room. Golden Circle are most cordially invited, as is everyone from the village. Bring a packed lunch and make this your special Spring Picnic! I am organising this outing in conjunction with our neighbouring Institutes and so, PLEASE book early with Mark Prout on 880208.

Zofia Fry.

CHANGE OF ADDRESS

Mr. W. S. Godfrey, our piano tuner and clock-repairer, has left Trewetha Lane and moved to 'Caradon', White Cross, Wadebridge, PL27 7JB. Telephone 815634.

NEIGHBOURHOOD WATCH

A very successful meeting was held at the Cornish Cafe on Thursday 4th. February with 20 of the 'co-ordinators' present. Each was given leaflets and stickers which they were asked to deliver to every household in their designated areas. As 'awareness' is the main factor for a successful Neighbourhood Watch scheme, could we stress how important it is for everyone to display the round stickers in their windows.

Since the meeting I am pleased to say that signs have arrived, and planning permission has been granted, as well as permission from the County Highways Department and S.W.E.B., to put these on poles at all three entrances to the village.

Arrangements have been made for a public meeting to be held in St. Peter's Church Hall at 7.30pm, Wednesday 10th. March. P. C. Ray Sykes, the local Crime Prevention Officer who is responsible for the local Neighbourhood Watch schemes, will be attending to answer any questions the public might have. Even if you don't have any questions you want to ask but would like to be kept up-to-date with what is happening in your village, please do come along.

Melanie Dingle, Hon. Secretary.
