Hetty Spry.

Once more the staff and children of Blisland School would like to thank Mr. Charlie Honey for yet another spellbinding talk (on Friday 11th. June) about his experiences at our school as a boy. Please, please come again soon - we can't wait for the next instalment.

Many thanks to everyone who gave me transport to Treliiske Hospital during Tom's illness. Thanks also for the many cards and flowers sent to him.

Gladys Chapman.

Leslee-Anne Dawe would like to thank everyone who supported her in the London Marathon, by making donations to the NSPCC and The Asthma Campaign.

P.I.D.T.A.

What do you think of the 'Season' so far? Whatever your reaction to that question, everyone should realise by now that this year is going to be worse than last, and heaven knows, that was bad enough! Visitors are around 40% down at this point compared with 1992. Blame the weather, the recession, cheap foreign holidays - our area and Cornwall as a whole are not having an easy time.

For our part, Port Isaac and District Tourism Association is busy 'behind the scenes' distributing brochures and leaflets, and answering enquiries by post which involves sending our Accommodation Guide to destinations far and wide, many to places abroad. We have placed our new Day Visitor leaflets in Tourist Information Centres across the county, from Bude to Newquay, and inland at Camelford, Bodmin, and Wadebridge. Malcolm Lee, our Hon. Secretary, has spent many afternoons in the mobile Heritage Coast Centre at the main car park - a further opportunity to distribute our advertising material. He has recently produced our 'What's On' guide for the fourth successive year. Well done and thanks Malcolm.

All is not sweetness - a sign we put at the main car park, directing people along the Coastal Footpath and down to the harbour, was forcibly removed three days later. We hope that the person or persons responsible realise that as they take one down we can and will replace it!

Finally I sincerely hope trade improves for the good and benefit of all, but, as I suggested in this column last November, I believe the only way this village will survive is for us all, as a whole, to unite and promote it as a single entity.

Geoff Wells, Chairman.

Please note that the bookings diary and a key to the hall are now kept at the Blackthorn Press.

BADEN POWELL TREFOIL AWARD

Congratulations Karyn Dingle on gaining the Baden Powell Trefoil Award. Thank you to everyone who has helped with information and testing during the ten months that Karyn has worked towards the Award. She worked hard to complete the work and present it for testing before the end of the term as, although she is at present working with St. Breward Guides, she is still officially registered as a 1st. Port Isaac Guide. Sadly, unless a Guide guider can be found before the new term in September, she could be the first and last 1st. Port Isaac Guide to achieve this high award.

If you would like information on helping with Rainbows, Brownies, and Guides, please contact Dawn Retford (District Commissioner) on (0208) 863431.

Car Boot Sale

Thanks to all who helped with this event. Special thanks to Carol Richards for the use of the Barbie. Thanks to our chefs, Peter and Liz Rowe, Roy and Jennie Smith, David Dyer, and Debbie Pattenden.

On Thursday evening August 12th (Band night) we will be holding our usual Annual Car Boot and Stall night at 6.30 pm. We look forward to other organisations joining us on what should be a crowd pulling evening (we hope).

LOCAL HISTORY GROUP

The August meeting of the Group will be held at 7.30 *tonight*, 30th. July, in the Penhaligon Room. This is prior to the Wadebridge Wine Circle's Annual Craft Show in the Church Room on 3rd. August. We will be having a stall at that show (thanks to Margaret Couch) at which we will be displaying a selection of photographs from the collections of members of the group, and other items of interest.

If anyone with photographs of any members of the Honey family who would be prepared to lend them or have them copied for the Group would they please contact me on 880754.
George Steer.

DRAKE BROOKSHAW

Older Port Isaac residents will remember Drake Brookshaw, eighty years old, who died at Treliiske on the 25th. of June. He was a very courteous and gentle man. His first home here was in Church Hill, bought in the 1940's. About 1956 he crossed the valley to 'Valencia', Trewetha Lane, where he lived with Doreen his first wife. They were very involved in the artistic life of the district and he was a founder member of the Camel Art Society. Besides being a prominent illustrator of many books, he also drew beautiful illustrations in the pre-war Radio Times and for a few years after. In the late twenties he designed posters for the London Underground and some locals will remember sitting for portraits to be used by the Post Office in their poster campaigns. During World War II he was trained as an air gunner, but when the Command found out that he was an artist, he was promptly put to supervising and designing the camouflage of the famous Manston Air Base. He was subsequently commissioned as an air photo interpreter, and served in Sicily and Italy. Doreen was an expert potter and they decided to go to Mijas near Malaga to open a pottery in an old mill, whilst Drake concentrated purely on painting. They returned to Port Isaac every summer. A charming and interesting man, Drake was very modest about his achievements in the hard world of commercial art. After a serious illness he returned to Cornwall last autumn and stayed at Pen-y-Bryn, Wadebridge. His second wife Joan, who many people will also remember, had died a year previously. Unable to draw or paint any longer, he looked forward to a retrospective exhibition of his work at the Betty Fisher Centre, but his death three days before the preview was a great sorrow to us as he would never know how successful it had been.

PARISH COUNCIL

An unofficial report compiled from notes taken by a member of the public during the meeting held at the Church Rooms, Port Isaac, on Monday 12th. July. For authoritative information, please refer to Parish Council minutes.

Public Discussion

Peggy Richards said new tarmac on the B3267 covered the drains between Short Lane Corner and Gwelva Dip, and the contractors had knocked stones out of the hedges. She also related the escape of cows and bullock from their field, via the playing fields - ending up in Mayfield Road.

Donation to Trio

A balance sheet was presented to the Council and a £100 donation, same as last year, was agreed. Henry Symons, who chaired the meeting in David Bolton's absence, gave thanks to Trio.

Trelights 'Slow' Signs

Mr. Barriball asked for progress on the signs to be speeded up.

District Councillor Report

A suggestion by Mark Provis was accepted for a 'slot' in 'Committee Reports' to allow the District Councillor to inform the Council on matters concerning the parish.

Pedestrian Crossing

A letter from County Highways reported a meeting with Jane Scown, school headmistress. A lollipop crossing with amber warning lights had been suggested and the school asked to keep a census of the number of children crossing the road. Pelican or other crossings were not viable and traffic-calming measures would not happen for a long time due to the number of requests for such throughout the county. Bill Norris, representing the governors, said if the Parish Council asked for a full time crossing, the school would have to 'pull out' as they would not be able to take the responsibility for it. Mark Provis said the County had admitted need for a crossing and, in view of the dangerous situation where both young and old people have to cross the road to reach the playing fields in one direction and to the school and doctors' surgery in the other - just where fast traffic enters the village, a crossing for the village and the school was needed. What it would cost is 'peanuts' compared with money that is wasted on schemes like the Trelissick to Truro 'road improvement' which has made little difference. 'We have a responsibility,' he said. A site meeting had been arranged with Mr. Monk from County Highways.

Playing Fields

David Phelps expressed fears that the bolts on the equipment were not up to standard and are wearing badly. Mark Provis felt that they still had a good two years life.

The Clerk reported that she had advertised for tenders for the removal of the goal posts for repair and re-seeding of the worn areas.

David Phelps congratulated the ladies who of their own free will had cleaned up the field on School Sports Day. The cattle who had broken in had left a great deal of mess behind them. Thanks were expressed by the Parish Council.

Port Isaac School

Bill Norris reported that the builders were going ahead with the extra classroom.

CLERK'S CORRESPONDENCE

a. Barbara Willmott reported that the County Council did not think it a good idea at present for the Parish Council to take over the grass cutting of verges, etc. The contractors had invested thousands of pounds in a sit-on mower so the work standard should improve. If at the end of the season it is still not satisfactory then the situation would be reviewed. Mark Provis commented that it seemed as if they were more concerned with their contractors than with the public. David Phelps said the standard has improved already and if kept up it would be better for the Parish Council not to do it. The areas under seats, etc., however, need 'strimming' as well as mowing.

b. The kerbstone in Mayfield Road will be repaired as soon as there is an urban maintenance team in the area.

c. The District Council said occasional licences for the use of land for concerts, etc., relate to the site, not to the applicants. If an application is refused, applicants can take the matter to court. The District Council have been advised that no tickets were sold for the concert at St. Endellion.

d. Paul Tyler, MP. has been fighting the anomaly of business rates on public toilets for some time. He is grateful now for the clearly laid out case presented by the Parish Council for Port Gaverne toilets and, as there is now a new Chancellor of the Exchequer, will take the matter up again.

PLANNING APPLICATIONS

Support was given at the special meeting in June to an application by M. Comodorou for the re-conversion to residential use of bank premises at 'Mi Cabana' in Fore Street.

Next Meeting

The next monthly meeting of the Parish Council will be held on Monday 9th. August at 7.30pm. in Port Isaac Church Rooms.

TRELIGHTS METHODIST CHURCH

The first Flower Festival to be held in the chapel will take place on 13th., 14th., and 15th. August. Refreshments will be served during the Festival between 2.00pm. and 6.00pm. Any contributions of flowers, refreshments, or plants to sell will be gratefully received on 12th. August. Proceeds for chapel funds.

MY GRANNY'S BOX

Does the man who played a confidence trick on me realise the heartbreak he has caused? After driving me to hospital he tried to charge too much, then said he would take, instead, my granny's old work chest, with tools in it belonging to my father. I said it was worth more and he offered to do lots of work for me. He has done one - and charged £20. I have since seen the box at a second hand dealers who have been asked to strip it down. They said it was worth a lot of money and would have given a fair price. Yes, I was gullible. So, Christian ladies and gentlemen, there are some good ones left, take heed. I would rather have left the box for Port Isaac. When the man picks it up I hope he realises my granny and father will haunt him for the rest of his life.

Mrs. E. Trickett.

WADEBRIDGE WINE CIRCLE

The Annual Craft Show will be on Tuesday 3rd. August in the Church Rooms from 9.30am. to 4.30pm. There will be some demonstrations, including lacemaking, and many new stalls as well as some old favourites. There will also be a Local History Study Group display.

Margaret Couch.

LIFEBOAT

Rescue

The boat was launched on Saturday 26th. June to aid a reported capsized catamaran off Greenaway. Luckily it was found that it hadn't capsized but was in danger due to a broken mast. Mr. Colin Shepherd of New Road was seen to hold his head in his hands and cry 'Oh, no!' with embarrassment when the lifeboat arrived. He has since shown his gratitude by making a donation to crew funds. The lifeboat was crewed by John Collins, Chris Scott, and Andy Walton.

The Flying Fish

Have you seen the hand-built model of 'The Flying Fish' on show in the Golden Lion? It took Cliff Redman, builder and committee member, three years to complete, and has been donated to be raffled in aid of the R.N.L.I. Tickets are being sold at the bar and the raffle will take place in the Lion on Friday 10th. September at the Harvest Festival Auction.

WOMEN'S INSTITUTE

At the July meeting, Mrs. Alice Brown from Lezant spoke about 'The Voice - A Beautiful Instrument' and we were treated to some recordings of such renowned singers as Maria Callas and Kiri Te Kanawa. Mrs. Brown explained the 'mechanics of the voice' and recounted many interesting anecdotes about both ladies. We all enjoyed the afternoon tremendously.

Mrs. Cynthia Bancroft (V.C.O.) who represented our Institute at the IGM in London's Royal Festival Hall, gave us a very comprehensive and interesting report. There are 301,000 W.I. members nationally and our new slogan is 'Today's Women Working For Tomorrow's World'.

Competition 'Round of Short Bread' (own recipe) was won by Margaret Hoskin, and 'Flower of the Month' by Dorothea Oliver.

This month's outing (July) an evening 'Mystery trip' which ended in Mevagissey, was much enjoyed by members, friends from the village, Polzeath W.I., and some visitors. Even the mist and occasional drizzle didn't dampen our pleasure in exploring this lovely old fishing village with some streets even narrower than Port Isaac! Many thanks to all who supported this venture.

Now for some more good news: On Wednesday 25th. August - trip to Penzance and Mousehole (how long since you visited this delightful and picturesque old village?). On Tuesday 14th. September, by popular demand, a trip to Brixham, and finally (so far) Wednesday 13th. October we're going to the Goose Fair in Tavistock. Early booking is advisable for this one as several neighbouring W.I.s will be joining us. Please read Trio Diary for more details. All bookings with Mark Prout - W.I. members with me.

Please note - no meeting in August.

Zofia Fry.

CAT PROTECTION LEAGUE

Thank you to everyone who donated tins, bottles, etc. for the hamper raffled for the fund. The League is always delighted to receive such donations, especially tins of cat food of any kind, so as to help with the cost of feeding cats and kittens awaiting homes.

I am more than willing to act as a collecting point for donations.

Mel Dingle.

ARTHRITIS AND RHEUMATISM COUNCIL

I would like to thank all those who made our sale for the above Council so successful - to those known and unknown, who contributed gifts to raffle and for the stalls, to the helpers who made the sale possible. I was able to send £200 to the ARC.

I am unable to organise further fund-raising (sales and flag day), but feel sure that there must be someone in this village who would take over this work. I do not want this worthwhile charity to lose out for lack of an organiser for the village. Will someone please volunteer? Come and see me, I'll gladly give details of what is involved, and also, of course, such support as I am able to.

Grace Hooper.

Richards, enrolling member, attended the Truro Diocesan M.U. meeting when celebrant at the midday eucharist was the Revd. Preb. M. Wainwright was celebrant.

Glastonbury Pilgrimage

A coachload of pilgrims from North Cornwall, with several from St. Endellion, attended the annual West of England pilgrimage in the ruins of Glastonbury Abbey on Saturday 25th. June. ST. PETER'S PARISH CHURCH

On Sunday June 27th. the debut of Port Isaac Chorale was held in the church before a very appreciative audience. Mrs. Janet Townsend conducted the mixed choir in a very entertaining programme. Everyone enjoyed the evening immensely and are looking forward to another concert soon.

St. Peter's Sunday School

We are very much in need of folks willing to help with our Sunday School in the autumn. Maybe there are some parents interested in helping to make the Sunday School fun for the youngsters. No experience is necessary. We are also in need of an organist. Is there anybody out there who could spare a few hours to play at St. Peter's some Sunday mornings? If so, do please ring our Church Warden on 880311.

Jo Phillips.

CALLING ALL COOKS AND GARDENERS

The Port Isaac and District Garden Society's Show will be held on Saturday 4th. September this year, at the Village Hall, Trewetha Lane, Port Isaac.

Schedules will be obtainable at the Pea Pod and the Harbour Shop. Please return your entry forms by the 2nd September and help us to make this year's Show a big success. Raffles and light refreshments will be available. The prizes will be presented by Mrs. Baird at 4 pm.

Dear Trio, The Vicar of my church, St. Matthias, at Torquay - Canon The Revd. Peter Larkin and Mrs. Molly Larkin, used to live in Port Isaac - indeed I have visited the village with Mrs. Larkin. I fell in love with it and with Port Gaverne and I wanted to meet my son and his wife (who are in business in Newquay) at the Port Gaverne Hotel, but was unable to make arrangements on a date convenient to both of us. Mrs. Larkin lent me Trio so that I could find the Hotel's telephone number and I took the opportunity to read the articles in it. I would like to commend you on wonderful community work - it is most interesting and keeps villages in touch with others so that everyone knows the 'happenings' of all - such is the life in small communities, but how much more caring and sincere are they.

As an 'outsider' I thank you for the work you are doing. With kindest regards.

North Coast Challenge

Gigs on the North Coast took part in a race from Port Isaac to Bude on Sunday 20th. June. The weather was warm and sunny but the sea became rougher as the race progressed. Four gigs left Port Gaverne with Padstow Lifeboat in attendance, and were joined for the last leg by Bude Inshore Lifeboat. The first gig to arrive, in 4 hours 22 minutes, was Fly (Newquay), second - Active (Newquay), third - Dasher (Padstow), with Corsair (Port Isaac) having to be towed the last couple of miles as two of the crew were so seasick they had to be taken off on to the lifeboat. Thanks to everyone who helped to put on a super

Dear Friends of the Cancer Foundation, Port Isaac: We have been home about five weeks after an enjoyable holiday in Britain and France, and I am writing to you as promised about the enjoyable Luncheon at the home of Sylvia and Ray McCrohon. Port Isaac was the 'Highlight' of our vacation - the location of Jill and Frank Gadman's 'Rogues Retreat', superb, and the friendliness of all we came across adding to our pleasure. It is a pity we had a chance to only sample your lobster (the season started the day before we left), it was even better than our crayfish, and I still have a can of your 'Wessex Fare' crab soup in my pantry - well travelled of course.

The picture of Port Isaac made the journey safely and is now on the wall of our living room. It is still a wonder to me that I should win such a lovely prize - it certainly was a great day! We send our best regards to you all, especially Jill and Frank for their friendly hospitality as their first guests in the flat of 'Rogues Retreat'. We hope to visit again - who knows? We did enjoy your lovely village. Sincerely,

Padstow to Wadebridge

On Saturday 10th. July there was a special gig race from Padstow to Wadebridge, finishing under the new by-pass bridge to celebrate its opening. Nine gigs took part. There were two mixed teams from Port Isaac - one in Corsair coming second and winning a barrel of beer which has yet to be drunk, and the other in The Intent borrowed from Newquay and coming in 5th. The race was won by the William Peters (Roseland).

Port Isaac Gig Day

Sunday 18th. July was our third Annual Gig Day and the weather for the first time was against us - but didn't defeat us. Twelve gigs came to race in rain, wind, and very rough seas. The junior race was cancelled because of the weather conditions but all the other races went ahead. The results were:

Men 'B' Ann Glanville 1st. Ryder 2nd. Rival 3rd. Men 'A' Speculation 1st. Spirit of Rame 2nd. Speculation 3rd. Ladies 'B' Speculation 1st. Ryder 2nd. Rival 3rd. Ladies 'A' Hornet 1st. Mystery 2nd. Teaser 3rd. Mixed Ann Glanville 1st. Cape Cornwall 2nd. Energetic 3rd.

Thanks to all the people who helped to make the day a success, too numerous to mention individually, without whose valuable support we cannot keep the boat running. Thanks also to the Port Isaac Lifeboat for escorting and looking after the gigs, and for the use of the boathouse.

Jan Rowe.

VICARS AND TARTS FUN FOOTBALL MATCH

What a glorious afternoon for this needle match between the two teams. Goodness knows what parishes or streets they came from, but they put their all, and nearly showed their all, into this thrilling game. Final score was - Vicars 7, Tarts 6. Well done to Vic Hingley and Roy Smith for organising this event. Special thanks to Mark Provis for his control of the game as referee.
