TOURISM ASSOCIATION

We are sorry that the Social Evening planned, and advertised, for Friday 18th. March had to be cancelled at the eleventh hour. This was because of poor ticket sales due to a rival attraction.

Annual General Meeting

The A.G.M. of the Port Isaac & District Tourism Association will be held on Thursday 14th. April at the Green Door Club, Port Gaverne starting at 7.30pm. This is your annual opportunity to air your views on all aspects of tourism, so don't stay at home, be there.

No increase in subscriptions is proposed for this year, but it is clear that this cannot be delayed indefinitely if your Association is to continue with the same level of activities. In common with all other tourism associations, it looks as if the Cornwall Tourist Board will be discontinuing free advertising for regional guides in 'Discover Cornwall 1995'. This is the major source of enquiries for our brochures, so we cannot realistically abandon it. Even with the help of T.A.N.C. in buying a joint advertisement for North Cornwall, we are unlikely to see any change from £100. What do you think?

A mock-up of a new style Accommodation Guide for 1995 will be available for you to have a look at. We want to know your views on whether you think it will be even more effective than the present one.

For those who do not have a full colour brochure, the Port Isaac colour guides can be a useful addition to send out with your own literature. These will be available at the meeting, price per hundred: £8.00 for members, £12.00 for non-members.

We are always looking for new committee members, so if you would like to help, let me know.

Hon. Secretary Malcolm Lee, 880106.

MOUNT EDCUMBE HOSPICE

You have done it again - the most we have sent the Hospice as a result of one day's effort! £627 was raised on February 26th. for this very worthwhile cause. While all of us hope we never have to need the Hospice, it is comforting to know it is there and helping those less fortunate. The Bursar, Henry Gallichan, wrote, 'Please pass on our thanks to all who helped in any way. Their continuing support of our work is greatly appreciated and valued by us all at the Hospice'. My thanks to all donors, helpers, and those who attended, for this wonderful effort.

CHRISTIAN AID WEEK

16th. - 21st. May 1994

This year's theme is 'We believe in Life before Death' and once more the aim is to eliminate poverty in as many places as possible. All the members of both the Anglican and Methodist Churches will have a supply of envelopes to receive any contributions you can make. Please help us to help others at this time. A United Area Service will be held at St. Endellion Church at 6.00pm. on Sunday 22nd. May, and we hope many of you will join us then. For further information contact the Revd. M. Bartlett on 880442.

WOMEN'S INSTITUTE

At the March meeting of Port Isaac Women's Institute, our speaker was Mr. Edwards from Delabole Wind Farm who showed us very interesting slides about the construction of windmills. We also learned many fascinating facts about windmills past and present. There were 10,000 windmills in this country at the turn of the 18th. century. The turning point for windfarms came in 1988 as technology leapt forward and people became more aware of ecology and alternative sources of energy. For the last 10 years windmills on Lundy island generated almost all the electricity there.

Competition 'Model of a Windmill': Eileen Morris, Zofia Fry, and Margaret Hoskin. Flower of the month: Nina Oliver, Margaret Hoskin, and Zofia Fry.

Our Anniversary Year started well at the last meeting when we were delighted to welcome back Bess Coates, and a brand new member, Margaret Prout. Don't let's stop there, we have plenty of room and friendship for more members.

Our first activity this spring is a return visit to the Lost Gardens of Heligan near Mevagissey (did you see the marvellous programme on Sunday 20th. March?). Then Margaret Hoskin is having a Coffee Morning and Bring & Buy at 14 Trewetha Lane. Helston Flora Dance and visit to Falmouth is next on the agenda. Bank Holiday Tuesday (end of May) we are having a Jumble Sale at the Village Hall.

More events will follow, please read the Trio Diary and, in due course, posters around the village.

Zofia Fry.

CATERING BY ELITE SERVICES

PARISH COUNCIL

An unofficial report compiled from notes taken by a member of the public during the meetings held at the Church Rooms, Port Isaac, on Monday 28th. February, and at the Chapel Room, Trelights, on Monday 14th. March. For authoritative information, please refer to the Parish Council minutes.

MONDAY 28TH. FEBRUARY

Purchasing of Glebe Land

It was suggested that, since there appeared to be no immediate need to extend St. Endellion graveyard, it would be a good idea to purchase the land, as soon as the price was known, simply stake out the boundary, and allow the tenant to continue to use it for a 364-day peppercorn rent. This would defer the cost of fencing, etc. until a later date.

Local Government Review

Of the four options:

1. single unitary authority for the whole of Cornwall
 2. two unitary authorities – Penwith/Kerrier/Carrick and Restormel/North Cornwall/Caradon
 3. three unitary authorities – Penwith/Kerrier Carrick/Restormel and Caradon/North Cornwall
 4. status quo to remain
- the Parish Council voted in favour of 4.

Planning Applications

a. Provision of replacement Telephone Kiosk at Trelights, by B.T. The Parish Council felt the present kiosk to be o.k. and were against the application.

b. Erection of two cottage style Dwellings, Trelights, W. J. Dawe. The Parish Council were in opposition to this application but would support single-storey dwellings.

c. An application to enclose the porch of one of the pair of new houses at St. Illicks received support.

d. An application for alterations to internal arrangements at 9 New Road received support.

MONDAY 14TH. MARCH

Four members of the public were present but no matters were raised during the 'Public Discussion'.

Donation for St. Endellion Churchyard

It was decided by a majority of one to keep the donation the same as last year – £425.

Trust Account for Playing Fields Fund

The money from the former Port Isaac Playing Field Action Group will be kept in a special account with the Woolwich Building Society. Cheque signatories will be members of the Parish Council Playing Field Committee: David Bolton (chairman), and Mark Provis.

Footpath Tenders

The Clerk, Mrs. Willmott, was asked to put up the notices asking for tenders for cutting the footpaths this year.

Mrs. Watson of the Mill had reported that, among others, the postman experienced difficulty getting through the path to the Mill in the period just before it was cut and had asked if the cutting could be done

earlier. The Parish Council are not, however, allowed to cut the paths before 9th. June, in the interests of preserving birds nests and wild flowers, but this path will be cut twice during the year.

Trewetha Lane Crossing

A copy of a letter from Cornwall County Council to MP Paul Tyler, outlining the action taken so far, was read out. Mention was also made that a 'gateway' scheme and extension of the 30m.p.h. restriction were being considered.

In his letter, Paul Tyler said that he was disappointed that Cornwall County Council had not been more forthcoming but at least they were taking the matter seriously.

David Phelps said he thought that they were still playing the school against the Parish Council.

Bill Norris said that the staff of the school, with their unions, were unhappy about the deployment of teachers in a difficult role and that the County Council were not responding to their worries.

Mark Provis wanted a letter written to Paul Tyler explaining the position that was being created and that if there was an accident the County Council could say they had offered something but it had not been taken up.

Henry Symons felt no further action should be taken until the feelings of the school were known.

Annual Parish Meeting

Apart from County Councillor Harvey Lander, District Councillor Bill Dawe, and a representative of the Police, County Official Mr. Brian Stringer will be at the meeting to talk to us about footpaths, on Thursday 21st. April.

We have since been informed that the full list of speakers will be: Cllr. Lander, Representatives from the Police, Mr. James King of South West Water Authority, Mr. R. Downing the Dog Warden, Councillor J. Lugg, and District Councillor W. Dawe.

Committee Reports

a. **District Councillor:** Bill Dawe reported that the owner of Maylands had put in new plans with no flat roof and lowering the height by 2ft. David Phelps expressed disgust at the 'U turn' by the District Planning Committee. Bill Dawe said the recommendation came from the Department of the Environment and was not a 'U turn' by the Planning Committee, at which Mr. Phelps apologised and said that he was not criticising Mr. Dawe.

Bill Dawe then reported on the total destruction by vandals of the toilets at Roscarrock Hill and that, when repaired, they would have to be closed in the evenings and at night. David Phelps said that the culprits were not criminals – they were mentally sick. Mark Provis said the cost was estimated at nigh on £2,000 and went on to describe how local people had got together to raise £100 reward for information leading to a conviction.

b. **Cornwall Association of Town and Country Parishes:** Henry Symons spoke about what they had learned from a talk by a local Fire Officer and the need for carrying fire extinguishers in cars. The best type, unfortunately, was now banned on environmental grounds so it was best to ask

the local fire brigade for advice on which kind to install. There had also been discussion about capping old mine shafts as there had been a number of incidents where animals had fallen down one, and a county survey was hoped for. He finally said that the Association was in a good position to give financial help with new village halls.

Mark Provis said that before a new village hall scheme was instigated, the feeling of the people of the village should be determined, and he asked whether the Parish Council would be prepared to finance a questionnaire – a public meeting would be a waste of time because no one ever turns up at them. This will be put on the agenda for next month.

c. **Seats:** David Phelps said the seat to go next to the telephone kiosk in Trewetha Lane had arrived and would be installed as soon as the weather got better and it was possible to prepare the base for it.

Bill Norris pointed out that the Parish Council bench seat at First and Last had been removed but as there were only a few weeks left before the lease expires it wasn't worth doing anything about it – the telephone pole at the same position has also been resited.

Public Toilets at the Playing Fields

Mark Provis pointed out that ours was one of few playing fields in Cornwall that had no toilets and perhaps the County Council could be asked to provide some.

David Bolton said it would be better if the toilets could be incorporated in the Project 2000 scheme for a new village hall.

David Phelps said that they would have to be vandal-proof and that, incidentally, the toilets at Roscarrock Hill should also be restored in vandal-proof form.

Bill Dawe was asked to suggest this at the District Council.

Up-Dating the Information Map

There had been a request to up-date some of the information on the map at the main car park but the Clerk has discovered that this was done only a couple of years ago so no action would be advisable at present.

Harbour Direction Signs

There are still no signs directing traffic to the harbour and the County Council are to be asked to provide some. The brown

direction signs seen at certain places would not be available because these are only supplied for specific attractions which can show that they are attended by more than a certain number of paying visitors.

CLERK'S CORRESPONDENCE

a. Coldstanton Bend: The chevrons are considered quite adequate to warn motorists of the severity of the bend but Cornwall Highways are to arrange for a bend warning signs to be placed and 'slow' markings painted on the road.

Henry Symons asked if anyone knew who had requested bend signs either side of the bridge at the parish boundary in Vathan Lane, to his knowledge they had not been requested by St. Kew Parish. 'It seems that you get signs when you don't ask for them,' he said, 'but you don't get them when you do ask for them.'

b. Signs at Port Isaac Turn: Where the B3267 leaves the B3314, new direction signs will be installed to replace the existing assortment of signs.

PLANNING APPLICATIONS

a: Alterations and extension to dwelling, no. 15 Tintagel Terrace. Mr. P. Chappa. The building in question is the former doctors' surgery where the applicant would like to replace the existing flat roof with a hipped one. This, the Parish Council feel, will be an improvement, and therefore supported the application.

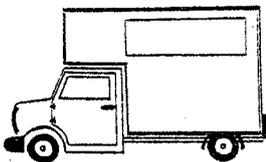

b: To demolish existing shed and replace it with a conservatory, 73 Fore Street, Mr. Long. Bill Norris declared an interest as the development adjoined his property. The Parish Council supported the application.

The public and press were asked to leave at this point as the Parish Council were to discuss tenders.

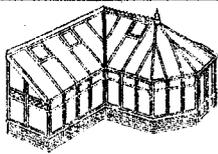

Next Meeting

The next monthly meeting of the Parish Council will be held on Monday 11th. September at 7.30pm. in the Church Rooms, Port Isaac.

LILY MARIAN (MAMIE) AUGER

The death occurred, peacefully, of Mrs. Marian (Mamie) Auger, at the age of 95 years, on Tuesday February 20th. at the Windmill Court Nursing Home, St. Minver. Mrs. Auger was born in London, but spent most of her long life in Cornwall. She married her late husband, William, a native of St. Teath, in 1923, and took a full part in village life both at St. Teath and at Port Isaac. She was a regular attender at St. Teath Parish Church, and was also a founder member and officer of the St. Teath W.I. On moving to Port Isaac in 1952, she attended St. Peter's Church and continued her interest in the W.I., becoming President of the Port Isaac branch in 1957. She, along with her husband, was a popular member of the local Drama Group and acted in many plays during the 1950s. She was also a member of the Port Isaac Ladies' Choir (a forerunner of the Port Isaac Singers), together with her great friends Gladys Lewonski and Kathleen Prout. She was a founder of Port Isaac Golden Circle. Even in her last years at Windmill Court, very happily spent, her hands were never idle and she encouraged

We express our sincere sympathy to his family in their bereavement.

Barbara, Tony, Alan, Debbie, and Jayne, and all of the family of the late Frank Herbert, would like to thank all friends in Port Isaac for their support during this sad time, all who attended the funeral service, and for the cards and letters received. A

WILLIAM FRANCIS (FRANK) CHAPMAN

It was with regret that we heard of the death of Frank who was born in Trelights and had lived in the village for the greater part of his life. He moved to Wadebridge four years ago. The funeral service was held at St. Endellion on Wednesday February 23rd. The Rector, the Revd. M. Bartlett, officiated. A number of friends and neighbours attended. The whole village expresses its sympathy to Frank's family and relatives.

The funeral service, conducted by Alan Wainwright, was held at St. Teath Parish Church on Thursday 24th. February, and was attended by a large congregation of relatives and friends including Mr. and Mrs. R. Smart and a full staff from Windmill Court. We all express our sincere sympathy to her daughter Sylvia in the loss of a much loved mother.

Sylvia Auger, the daughter of Mrs. Lily Marian (Mamie) Auger, wishes to express her most grateful thanks to relatives and friends for messages of sympathy. Thanks to all who attended the funeral service, to the Revd. Alan Wainwright, the Churchwardens and to the four chosen bearers. A very special 'Thank you' to Mr. and Mrs. R. Lent Study Course

Over twenty people from the United Benefice, including members of the Methodist Church, have shared in Bible Study, discussion, meditation, and the singing of the late evening Office of Compline Thursday evenings in Lent. Each meeting has been led by the Rector and venues have included St. Endellion Church, St. Kew Methodist Church, St. Peter's, Port Isaac, St. Kew Church and Treights Methodist Church.

Special Preachers

Three of the Prebendaries of the church have preached at the sung eucharist in the church during Lent. They are Jim Vincent, Michael Bartlett and Kenneth Noakes.

Prebendary Miles Brown

Many people in Cornwall were sad to learn of the death of Prebendary Miles Brown, a Prebendary Emeritus of St. Endellion and a Canon of Truro Cathedral. A Requiem Mass took place in Truro Cathedral on Thursday 24th. March.

Julian Group

The Julian Group for contemplative prayer held its March meeting at the home of Mr. and Mrs. Mulley at New Polzeath.

Healing Services

The Church's ministry of healing continues to play an important part in the life and worship of the churches of the United Benefice. Eucharists for healing which have included the laying on of hands have been held recently at the homes of Mr. and Mrs. R. Richards, Mr. and Mrs. R. Pollinger and Mrs. P. Rex.

Young People's Club

Young people from Port Isaac have enjoyed a variety of activities recently under the leadership of the Rector, assisted by Mr. J. Pollinger. They have been involved in a treasure hunt, aerobics, drama, games, exploring the church at St. Kew, and making posies for Mothering Sunday.

Mother's Union

A 'Songs of Praise' afternoon, when members chose and talked about favourite hymns and choruses was much enjoyed at the home of Mrs. G. Bengier in Port Isaac in March. Mrs. V. Bradley was pianist and the business meeting was chaired by Mrs. P. Richards, Enrolling Member.

Mothering Sunday

Posies made by members of the congregation were given to all who attended the sung eucharist in the church on this day.

Feast of St. Joseph

The Rector was celebrant at the eucharist to

celebrate this event. Mrs. J. Pollinger was server and reader.

Forthcoming Events

A special Family Day is being organised by the Mother's Union in Wadebridge on Saturday 23rd. April. There will be activities for all members of the family. A sponsored walk from Camelford to Advent to raise money for the churches of the United Benefice and the Air Ambulance, is taking place on 7th. May. A Spring Fayre will be held at St. Endellion from 11.00am. to 3.00pm. on Tuesday 31st. May.

SPRING IN PORT ISAAC

If the spring is as bad, as the winter
we've had,

Lord help us in our little village.
With westerly blows, and Atlantic 'lows',
Have nigh drowned us all with
their spillage.

Snow, blow and sleet, we've all grown
webbed feet,

And are walking like gulls with the gout.
You'll be off your trolley, if you carry
a broolly.

You can bet it will blow inside out.
Isobars close together, means really
bad weather.

It'll blow like a bat out of hell.
With the next pressure ridge, let's blow
Brunel's bridge

And sail further south for a spell.

Like Captain Bligh's Bounty, our old
sodden county

Could anchor right near the Equator.
We'd have endless fun, and bask in the sun
And think that life held nothing greater.
Wait a bit, in the blue, the sun's poking
through.

Two days and not one drop of rain,
S.W Water will say, 'There's a drought on
the way

Get out the standpipes again!! *Eric Stokes.*

ENTRANCE FEE

Future plans to 'privatise' Port Isaac old
village could mean that the three approach
roads would eventually sport smart new toll
booths. The plan would enable money to be
raised from visitors to the village which
could be used in the preservation and en-
hancement of the old buildings some of
which might even be purchased by the
company to be formed. The plan will be
especially remembered for the auspicious
day on which it was announced in 'Trio'.

PROSPER'O I

With the coming of spring once more, we
need something to brighten up one of the
most dismal winters on record - I feel
sure we must all feel that we have got
webbed feet! What better than our first
exhibition of the season? Originally begun
last year by Meriel d'Alby, and now taken
over by Derek Plummer and June,
'Prosper'o I' is to be held at The Green
Door Club, Port Gaverne, from Friday 1st.
April until Sunday 17th. April from
10.00am. until 5.00pm. daily. There is a
marvellous array of paintings for you to
look at in really peaceful surroundings, with
no pressure from anyone. Lovely wood
carvings which make the most wonderful
wedding gifts, along with some truly
special pottery. The artists (see adver-
tisement) taking part are all the same as last
year, it is nice to feel that they have all
wanted to stay together for this coming
year. With such a display of talent it is not
possible for me to pick out any individuals,
but to ask you to spend an hour with us
over the Easter holiday and browse at your
leisure. Hopefully you will see something
you like as everything on show is for sale.
We do not have a Preview at this
Exhibition but everyone is welcome and
there is the added attraction of the Port
Gaverne Hotel opposite for bar snacks,
meals and drinks. When we have left at
night the staff are always willing to help
you should you see anything you want and
cannot come back in the morning. To have
the show open in the evenings is an added
bonus as many people like to wander
around before or after dinner. Over the
Bank Holiday we shall have a steward on
at night so please come along and see us.
This year we shall be supporting the First
Air Ambulance who are in such desperate
need of help. A donation box is on the
door, and a percentage of sales will also be
donated to them. Our lives depend on them
so much, when hospitals are so far apart
and roads congested in the summer months.
