

VILLAGE HALL

Exterior Redecoration

The outside woodwork needs repainting and tenders are invited by the middle of October. Details from the Hon. Secretary, Lyn Prescott (880327).

Maintenance

Cleaning arrangements are to be improved, necessary repair work is to be done, and we hope to get the kitchen tidied up.

Funds

Hon. Treasurer George Oxley expressed thanks for a donation of £660+ from Jon Cleave's event. £380 was raised at the Raft Race. The committee now has £1,000 to deposit. The Hall is being used regularly by organisations, private lettings, parties, etc.

Keys

No list of keys was drawn up when keys were issued so the present committee has no idea how many keys there are. To solve this, and regularise the insurance position, a new lock will be fitted and keys issued to regular users who will be responsible for them. Leaders of organisations - please tell Lyn of any personnel changes, to help us to communicate with you.

Alcoholic Beverages Licences

There are four occasional licences with the annual entertainment licence. This year three were used by the R.N.L.I. whose committee disagrees about a donation for the use of the Hall. In future, licences will only be for the use of the Hall itself, or for joint-user ventures.

Hire Rates

Local people and organisations:
10.00am.-1.00pm: £4.00, 1.00-6.00pm: £6.00, whole day: £10.00, one hour: £3.00.
6.00-11.00pm: £12.00.
Voluntary groups: £2.00 per session, children's parties: three hours £5.00 plus £1.50 per extra hour.
Meeting room: £3.00 per session.
Commercial use or for people from outside the parish, about 30%-50% more.
The next committee meeting will be at Corestin, 8pm. Thursday 24th. November.

Robin Penna.

The Raft Race Committee wish to thank everyone who took part in the Annual Raft Race on Port Gaverne beach in July. In particular all helpers both before and on the day. To John Powell for his commentary on the proceedings and especially Bill who, with his bucket, raised the grand sum of £100. Last but not least to everyone who came along on the day.

To avoid being struck down with the flu - why not go to the surgery now and ask for the nurse to give you the vaccination? it only takes a couple of minutes and, in many cases, is totally effective.

The Quiet Corner

How important it is, while doing the best we can, to accept ourselves, and to be ourselves.

*Carlos Romulo,
United Nations General Assembly.*

PLAYGROUP

We have spare places in our happy, active group, if you know of any children from the age of two and a half years who are interested in starting Playgroup. Why not come along to the Village Hall, Trewetha Lane, on a Monday, Tuesday or Thursday morning from 9.30 to noon. We would be very happy to see you.

Parents and toddlers are also welcome to come along and join in with the Playgroup. We have changing facilities and a selection of suitable toys. Please feel free to come and join us.

Sarah Yates.

We are delighted with a further boost to our funds of £150 from the garden party held at Thorne House. We forgot to mention a further £100 raised at Margaret Clarke's Ploughmans Lunch in June. This money will buy us a Trampoline, a coupe car, several crash mats, a toy farm and a large selection of smaller items for the consortium. A *big thank you* to all those who have helped us to buy this new equipment and for supporting the Playgroup.

The Committee.

CHRISTOPHER BROAD HARRISON MAY

It was indeed with regret that we learned of the death of Mr. Christopher May, age 47 years, on Friday 16th. September at his flat in London. Christopher grew up at Archer Farm, Trewetha, and was educated in Port Isaac County Primary School and at the Sir James Smith Grammar School at Camelford. He then went to Falmouth Art School and Plymouth College, and worked at the British Museum. He became an expert on English porcelain and earned himself a reputation in the antiques world. The last ten years of his life he spent in Turkey teaching English and travelling that country extensively, returning to England and to his flat in London when his health began to fail. We all express our sympathy to his family, but especially to his sister Janet in her sad loss of a much loved brother. Many friends and neighbours attended the funeral service held in St. Peter's Church on Wednesday 21st. September at which the Revd. Bartlett officiated.

Janet Chadband and the family of the late Christopher May would like to express their sincere thanks to all who attended the funeral service at St. Peter's Church, for cards and letters received, for the floral tributes, and for donations towards the Cancer Research Fund. Very special thanks to the Revd. Preb. M. Bartlett, to Charlie Honey, organist, and to Ian Honey, Funeral Director, for his great help and kindness in our sad loss. Thanks also to the chosen bearers.

NANCY LITTLETON

The parish has lost its oldest resident by the death of Mrs. Nancy Littleton, age 100 years. The family came from Holland years ago and farmed at Penquite, Pendoggett, later coming to Trewithick, Trelights. Mrs. Littleton and her son John have been residents at Olive House in Rock for some time. Our sympathy goes to John in the loss of his mother. The funeral on Tuesday 30th. August was held at the Penmount Crematorium, with the Rector, M. Bartlett of St. Endellion Church officiating.

PARISH COUNCIL

An unofficial report compiled from notes taken by a member of the public during the meeting held at the Church Rooms, Port Isaac, on Monday 12th. September. For authoritative information, please refer to the Parish Council minutes.

David Bolton, Chairman, congratulated Port Isaac Ladies Rowing Team for gaining 3rd. place overall in the county gig races.

Public Discussion

Peggy Richards said that the County Highways Department had done a good job in Trewetha Lane but other drains had not been done so well 'I could do a better job with half-a-dozen O.A.P.'s', she said. The path and steps to Mayfield Drive were overgrown with brambles, especially the hand rails which were unusable.

She had seen youths jumping from a seat, over the playing fields hedge into the road and thought the seat should therefore be removed before an accident occurred, especially as younger children might try and imitate the youths.

Finance

High-interest account: £2581.92, current account: £395.84. Expenses for the month £326.07, footpath clearance £625.00. The footpath payment was agreed so it was necessary to transfer £1,000 from the high-interest account. An anonymous donation of £20 towards the cost of running Port Gaverne toilets was received.

Glebe Land, St. Endellion

David Bolton and Henry Symons had examined the draft contract and details of gates, fencing, repositioning a water pipe, and provision of access were discussed. The solicitors will now be asked to proceed with the purchase and completion is hoped for by 29th. December. Bill Norris asked if the situation regarding actual ownership of the land and receipt of burial fees had been verified but this apparently is still not clear. Bill Dawe said that St. Minver new burial ground had been created by their Parish Council some years ago and was running smoothly. Mark Provis asked for the possibility of improving the safety of St. Endellion church lay-by to be included in next month's agenda.

Dog Bins

Mr. and Mrs. Larkin had requested that the bin on the Terrace should be emptied more frequently and that it should be placed outside the roadside barrier. Mark Provis suggested that a survey of the bins should be made, carried out by Port Isaac and District Tourism Association who had suggested the bins in the first place, to see which were used most and if any were not being used perhaps they could be removed. Bill Dawe said he had already asked North Cornwall District Council to consider re-siting and removing some bins.

Car Parking

Mark Provis spoke of the traffic congestion in the village during the peak season and said, with more people spending less money, it was essential to provide for as many as possible. Perhaps a landowner could be encouraged to provide a temporary car park just outside the village during

this time each year. It was pointed out that the walk into the village was long and unsafe but Mark said it took 15-20 minutes to walk into Looe from the car park, and the way into Sennen was like walking down Church Hill, but people still did it. David Phelps suggested the District Council be asked if, when the playing field was extended for a full-size football pitch, extra land could be acquired for a car park at the same time. There was also the possibility of some land being offered by Eric Donni-thorne. Letters were received from Mr. Keats of the Anti-Car Lobby at Okehampton who advocated a Clovelly-style 'shuttle-bus' and Keith Willmott, Penreal Estates, who pointed out that street parking proliferated when the official car park was full so that extra parking was obviously needed and perhaps this could be provided on the land next to the South West Water treatment plant in the valley which would be easy parking with easy access to the village. Mark Provis said if nothing was done Port Isaac would get known as 'the place with nowhere to park'. Until now the Parish Council had not tried to accommodate the needs of tourism which was vital to the existence of the village. It was decided to ask the County Council and District Council to advise on the problem.

Play Equipment, Mayfield Drive

Mr. Buse of the District Council had authorised the removal of the equipment which was unsafe and on Council land. Eric Stokes said no play equipment should be put there as the noise of the children would only cause complaints from the elderly living close to the site.

Permanent Post, Rose Hill

As the present removable post regularly goes missing, Mr. and Mrs. Dawson, 17 Rose Hill, have requested a permanent one, but only with the full approval of all parties concerned. Eric Stokes praised the idea and said there ought to be a permanent post below the South West Water gates with the rest of Rose Hill pedestrianised 'It is too narrow for cars', he said. David Phelps pointed out that residents have had the usage of the road for some time and Bill Dawe raised the question of the small coal lorries delivering. The motion was, however, defeated by six votes to two.

Committee Reports

a. District Councillor: Bill Dawe said he had been successful in persuading the planning committee to refuse the demolition of 3 metres of wall at Higher Barn. Henry Symons pointed out that the decision, contrary to the planning officers' recommendation, could incur the councillors on the planning committee in costs should an appeal be successful. Bill Dawe said that a stand had to be made so the risk had to be taken. It was time an Article IV order was introduced. Barbara Willmott, clerk, said there was a considerable amount of literature to be read before such a decision was taken and copies of this will be sent to all councillors. The proposal is to be discussed at the November meeting.

Bill Dawe went on to report that the toilet seats at Roscarrock Hill had been vandalised again late one night when, due to a misunderstanding, the toilets had not been locked up. Ken Webster is now in charge of

locking up. The three posts opposite the Piskey Shop in Fore Street are to be replaced and David Phelps asked whether a stone pier wouldn't be better.

b. Seats: The Trefreock and Homer Park seats have been repaired, and the one at St. Endellion church removed. The 'John Scott' seat is on the Platt and the 'BBC' seat is at Trewetha Farm awaiting installation. Eric Stokes will repair the seat at Little Hill. Bill Dawe urged for a replacement for the seat at St. Endellion Church but this is awaiting a possible decision by the Festival committee to donate a seat. Eric Stokes has repaired the car park notice board. He also reported that the refuse bins at the Platt, not being emptied often enough during the peak season, were often full to overflowing and stinking.

c. Chippings and Tarmac: Mark Provis pointed out that there was still water flowing across the B3267 in spite of remedial work by the Highways Department. He asked why there was a Parish Council if the authorities did what they saw fit without considering its views.

d. Playing Fields: While looking at the possibility of providing another litter bin, the committee will examine the situation concerning the seat used by youths to jump over the hedge into the road - mentioned in 'public discussion' above.

CLERK'S REPORT

The telephone kiosks opposite St. Endellion church, and at Church Hill, Port Isaac, are to be included in the listing programme as grade 2 listed buildings but those at Trelights, Trewetha Lane, and New Road, not being in proximity to other listed buildings, are not considered eligible. David Phelps thought the New Road box (next to the Pea Pod shop) should be included as it was next to buildings while the one at St. Endellion was in a lay-by and against a hawthorn hedge. His proposal was defeated by five votes to four.

PLANNING APPLICATIONS

Display of an advanced directional sign advertisement, land east of entrance to Little Treswarrow/Plain Street, Trelights, for Mr. and Mrs. H. Symons and Mr. M. Symons: David Phelps was totally opposed to this sign and questioned its legality, and said that signs are making the village look like a rubbish tip - 'We are killing the goose that lays the golden eggs'. Eric Stokes said there are signs everywhere and was against it. Bill Dawe was opposed to a sign at the position but would agree to one nearer to Mr. Symons premises. Mark Provis asked why everyone was against the sign. The application was recommended for refusal by a vote of six votes to one on the grounds of an abhorrence of the proliferation of signs in the parish. David Phelps said everybody with a business should be more responsible and think of the good of the village. He asked for the matter to be discussed at the next meeting but meanwhile ask the County Council to advise on which signs are legal and which are not.

Next Meeting

The next monthly meeting of the Parish Council will be held on Monday 10th. October at 7.30pm. in the Chapel Rooms, at Trelights.

Everyone is invited to join the children for both these events. All proceeds raised will be donated equally to Food Aid and school funds. We look forward to seeing you.

Success in Poetry Writing

We are delighted to announce that, following submission of poems written by Junior children at school last term, four have been accepted for publication in the Poetry Now young writers anthology 'Wah Hey Cornwall', which is due to be pub-

lished at the end of this month. Congratulations go to Karen Grills, Dawn Hallett, Leanne Harris, and Karen Pattenden on their success and to Miss Boddington for inspiring them all to be so creative. Karen's poem is printed below and the others will follow in future editions of Trio.

FOOTBALL CLUB

Team News

Congratulations to Martin and Jo on the birth of a daughter. Well done - another supporter for us.

The team have started the season very well, winning four games and drawing two in their first six games: Menheniot 4-2, Lanreath 4-4, Boscastle 4-2, St. Breward 3-1, Stoke Climsland 3-1, and Padstow 1-1.

Car Boot Sale

This was a very good evening in spite of the very poor weather. We made £107.00 profit. Thanks to all who helped us at this event - and to Kenny Webster and Jon Rowe for the use of the beach. We would like to thank Mike Warner for the benches he kindly donated for our changing rooms.

Now the season has started we would like to thank Fred Harding for the use of the field and also Peter Rowe and Les Honey for all the work put in pre-season on the pitch and changing room. Thanks to Robin and Fred for their kind donation to the club and to Jon Cleave for his donation of £155.00, part of the proceeds of his garden party, and also to Mrs. Pearl Bunt for running a 'guess the name of the clown' competition which raised £6.00 for the club.

ST. PETER'S CHURCH

Our Harvest Thanksgiving Service was held at 10.00am. on Sunday 18th. September. The Church was gaily decorated with flowers and fruit and vegetables. We were especially glad to receive gifts from the Rector's Saturday Club. The youngsters had harvested the Rectory garden of such things as blackberries, rose hips, and apples and added them to our decorations. The service was taken by the Rector and we were happy to welcome a number of visitors in addition to our usual congregation. After the Garden Society's Show, some of the produce was given to the Church, notably some beautiful large onions, leeks, and marrows. Anything that would keep for a week was passed on to St. Endellion Church to be sold with their harvest gifts at auction, proceeds to go to charity. Anything such as tomatoes which would not keep was sold and the money given to St. Endellion to add to their auction proceeds.

Healing Service

A Healing Service was held in the Church on Wednesday 21st. September. The Rector led the service and Mrs. Pat Gaunt and Mrs. Pamela Richards shared in the laying on of hands.

Praise Service at Bodmin

A coach will leave Port Isaac at 5.00pm. for the Praise Service at St. Petroc's, Bodmin on Sunday 16th. October. This service is for all at the Deanery. Last year's service was very much appreciated by us all. Please join us if you can.

Renee Norris.

Roger and Pam Richards are extremely grateful for the support they had at a well attended Coffee Morning on Thursday 30th. August at Bodannon Farm. Many thanks to all for donations, gifts, etc. £360 was sent to St. Michael's Hospital, Hayle, where Pam was a patient last year.

ROWING CLUB

My apologies for missing last month's deadline for Trio.

Results

I'll summarise on the remaining races left to report on from the rowing season.

Ladies 'A' - 1st. at Cawsand, Fowey, and Port Isaac.

Men enter both the Mens 'A' and 'B' races at every event but, as they have not been able to maintain a regular crew of six, their results have not been as good as they had hoped for.

Juniors improving through the season. Considering we have the youngest junior crew they are a credit to Port Isaac. Keep up the good work - well done.

The Regatta

Port Isaac Rowing Regatta was on Saturday 27th. August and true to form we had a rough day. The junior race was cancelled due to severe sea conditions. The Ladies and Mens races were held, followed by a mixed and veterans race. The Rowing Club would like to extend a very great thanks to Mrs. Ross and staff from Port Gaverne Hotel, Mr. and Mrs. Cleave for all their help and co-operation in providing fields to park cars and trailers, Mr. Joey Strout for the use of his land and to Mr. John Wiseman for his co-operation on the day. After a successful day's fund raising and an evening of singing with a disco to follow, we raised £700.

Great River Race

Corsair did not actually compete in this race but Port Isaac was represented by three members in a joint crew with Fowey. This Ladies crew was the second Ladies crew to finish the race. A brilliant time was had by everyone.

Bingo - 27th. September

Many thanks to everyone who supported this event. We raised £216.00 after expenses. This is much needed as it costs a lot to maintain the gig each year.

Carole Provis.

HARVEST FESTIVAL

The service for the Harvest Festival at the Shipwright Inn, Port Isaac, was taken by Mr. A. Hooper. Bill Dawe took the Auction which followed and which made a total of £522.00 on behalf of St. Endellion Senior Citizens, Handicapped, and Cancer Research. Draw prizes went to winners in St. Teath, Rock, Port Isaac, and Wadebridge.

LIFEBOAT

Hang Glider in Sea?

The lifeboat was launched on Wednesday 17th. August to a report that a hang glider had gone into the sea off Port Gaverne. The lifeboat searched the area together with an RAF helicopter but nothing was found. It was learned that a large kite had been flown from Port Gaverne. The call-out was a false alarm with good intent. Crew were A. Walton, N. Andrews and C. Scott.

Tregardock Rescue

On Wednesday 24th. August the lifeboat was called out to search for a missing swimmer at Tregardock. Due to the heavy surf the life boat was unable to get close to the shore, but the casualty was spotted on some rocks and airlifted by helicopter to the Coastguard mobile unit. The swimmer, Mr. Parker from Bury St. Edmunds, stated that he was lucky to have survived in the surf conditions. Crew were A. Walton, P. Aldridge and M. Edkins.

Cave Search

The lifeboat was launched on Monday 4th. September to the report of a man missing in a cave at Tintagel Head. On searching the area nothing was found, but the man was located safe and well by the police on the cliff-top.

Crewmembers Wanted

Are you able to be a Lifeboat crewmember? Volunteers are wanted to commence training in 1995. If you are aged between 18 and 35, living in Port Isaac, able to swim 100 metres, medically fit and willing to be trained, then contact the Station Honorary Secretary, David Castle, 12 Tintagel Terrace, Port Isaac. WOMEN'S INSTITUTE

The highlight of August was Pat Rex's Cream Tea and Bring and Buy and we want to thank you all who supported this very successful event. Despite the appalling weather the sun came out that afternoon and - as so many times before - shone on our endeavours.

At our September meeting we had a fascinating demonstration and talk about the ancient craft of wool spinning by Mrs. Isabell Ramage from Kelly Bray, who kindly stepped in at short notice when our pre-booked speaker was unable to attend. We heard about different breeds of sheep, natural wool dyes nowadays, and some very peculiar methods of wool dyeing in the days of yore, particularly in Scotland.

70th. Anniversary

You may remember that I wrote in February about this year being special, as we are celebrating 70 years of Port Isaac W.I.! On Thursday 10th. November we are having our Anniversary Lunch at The Castle Rock Hotel. We invited our founder member Mrs. Bray, a number of special guests from County and also from our sister Institutes within our Group. Sybil Brown kindly offered to make the special 70th. Birthday cake, for which we all contributed ingredients. And now, 'calling all past members' of our W.I. You are cordially invited to join us for the Anniversary Celebration and Lunch. The time: 12.30 for one o'clock. Cost: £7.50 inclusive of celebratory toast. Deadline for accepting invitation: Monday 31st. October. Please ring me on 880049. Look forward to seeing you all at this Special Event. Present members please book at the October meeting.

GARDEN SOCIETY

The Port Isaac and District Garden Society's Show was held on Saturday 17th. September in the Church Hall, when there were 152 entries. The flowers and vegetables were of a very high standard in spite of the difficult season, and were judged by Mr. B. Lamerton of St. Tudy. Mrs. Douglas of 'The Tea Pot' judged the cooking classes, and Mrs. Sweet of 'The Pea Pod' judged the flower arrangements and the children's classes.

The Port Isaac Primary School children put on an excellent display of art and poetry, and are to be greatly congratulated. This was much admired by all who saw it.

Owing to the lack of funds and support the Committee regrets there will be no meetings this coming winter, but they hope to continue with the Annual Show in 1995.

Noreen L. Barron.

NOYES FLUDE CANCELLED

Due to a lack of interest in this project, we regrettably have to cancel it. Many thanks to those who did offer to help, particularly Port Isaac School, Trevor Grills, Steve Hewett, and Robin Penna. And to the few children who wanted to take part... sorry.

Janet Townsend and Liz Bartlett.
