

## VE DAY STREET PARTY

### What a Great Success

Lil would like to thank everyone for coming and enjoying their selves. Also David Phelps for going for the Bass and help with tables, etc, etc.

*Lil Thomas.*

Thanks Lil and Joey for a Great Party on VE Day.

*Pearl and Nick*

Congratulations on a wonderful VE Day street party! Thanks for inviting us to join in the celebrations, and thanks to all who organised, provided the beer, and cleared up afterwards – a wonderful day!

*Terry and Sheila Harris  
(Port Isaac and Trowbridge)*

All of us who took part in the super VE Day Street Party would like to give three very loud cheers to Lil Thomas who organised the whole thing. The atmosphere was fantastic with everybody sharing food and booze. It was lovely listening to and joining in with songs that actually had tunes and words. The dancing had all the 'golden oldies', and the youngsters, on their feet all the time. And the 'Bass' was bootiful! Once again, many, many thanks Lil for a great day. The grapevine says that there will also be a VJ Day Street Party.

See you all then!

*Fred Thompson.*

*Thursa Crocker enjoying the party.*

## VE DAY DANCE

The VE Supper Dance at the Green Door, Port Gaverne on the 8th. May was very much enjoyed by all. Many thanks to Frank McNichol who gave picture for the raffle. This raised £102. The Tombola contributed £78. A cheque for £180 has been sent to the War Widows Association. A VJ Dinner will be held on August 15th. at Port Gaverne Hotel. Tickets (£15 each) are available from the hotel.

*John Cunningham.*

## HOSPITAL CAR SERVICE

Although I am no longer a member of the Parish Council – personal reasons made me feel unable to stand again – I have been asked to coordinate the Hospital Car Service. I have agreed to do this because this is a service of value to the Parish which must not be allowed to founder through lack of support. It can only continue if it has sufficient drivers and to them I appeal, yet again, for volunteers. It is up to you, support it, use it or lose it. It is as simple as that.

## PORT ISAAC WORKBOATS

Rod and Sheila Baker are at the moment absent from their position as owners of The Shipwright Inn because they are visiting places around the world to make arrangements necessary to supply the type of fibreglass boat produced by Rod's company, Port Isaac Workboats, at Bradfords Quay, Wadebridge. The company has been given financial backing by an international company in Canada.

### KATHLEEN BETTY BASKERVILLE

It was with sadness that we learnt of the death two weeks ago of Mrs. Betty Baskerville aged 87 at her home in Port Gaverne, widow of the late Surg. Capt. Baskerville.

Betty and Bask had moved to the area some 30 years ago after Bask retired from the Royal Navy. For many years, until her first serious illness some 16 years ago, Betty was always to be found gardening, walking their dogs, and supporting Bask with his R.N.L.I. work. The funeral took place on May 25th. at St. Endellion, with Fr. Wainwright taking the service.

Sarah and Ann wish to express their sincere thanks for all the messages of sympathy. Special thanks to Fr. Wainwright, Ian Honey, Dr. Lunny, and all at the surgery, especially the District Nurses.

### CYRIL RICHARDSON

The death, after a very long illness, of Mr. Cyril Richardson, aged 86 years, and of 10 Silvershell Road, occurred at the Bowen Nursing Home, Trevone on May 4th. Mr. and Mrs. Richardson came from Solihull to reside in Port Isaac ten years ago. They had been married for 61 years. The funeral service at the Glynn Valley Crematorium on May 11th. was attended by relatives and friends. We all express our sympathy to Elsie and closest friends in their bereavement.

Elsie, widow of the late Cyril Richardson wishes to express her gratitude to all who were present at the funeral service. A special word of thanks to the staff of the Bowen Nursing Home for their loving care for such a long period. Thanks also to the Rector, Preb. Michael Bartlett, Mr. Ian Honey (Funeral Director), also for cards and letters received. A collection was received of £40, in lieu of flowers, for the funds of North Cornwall Air Ambulance.

### Public Discussion

Eric Stokes welcomed new and old members and hoped 'they do as good a job as we did'.

Jon Cleave gave detailed reasons for his plans to build an extension at the Post Office.

Olive Strout complained about untrimmed, vegetation in the back lanes of the old village.

### Finance

£4,250, part of the precept, had been received. £3,000 had been transferred to the high-interest account making the balance £3,952. After monthly expenditure the current account was reduced from £1,082 to £543.

### World War 2 Tribute and Promise

### COMMITTEE REPORTS

**District Councillor:** Bill Dawe submitted a written report - footpaths New Road/Tintagel Terrace, and Church Hill/Mill, have been trimmed. County Highways promise that the building estate road in St. Endellion Lane at Furze Park should be in good condition within 4 - 5 weeks.

**Seats:** A re-painting schedule is to be drawn up.

**Roads:** Mark Provis spoke of refuse collection problems. Friday was a bad day as most visitors leave on Saturdays and Sundays. Monday, or Tuesday as before, would be better. David Phelps added that people seemed unaware of day-later collections at bank holidays. To be put on next month's agenda.

### Footpaths

Harold Barriball had walked the mill valley path to Tresungers, with Bill Dawe. There were drainage problems and trees across the path. The footpath committee will hold a site meeting to which the general public will be invited.

### CLERK'S REPORT

a. Plans to convert the Bay Newsagent's shop to flats have been passed by the District Council.

b. Notice of an appeal against the demolition order on 'Maylands', Port Gaverne.

c. The vendors of ground that may be bought for the playing fields wish to include a covenant preventing building and restricting use to parish recreational purposes.

d. Longcross Stone site - Charlie David, North Cornwall Heritage Coast Service, has discussed this with Mr. Robert Sloman and will attempt to have the site improved, tidied up, and the number of signs reduced.

e. Information about fibre-glass goal posts from Cornwall County Council will be discussed fully next month.

f. It was not necessary to re-surface Hartland Road spur, but this will be reviewed next year.

g. Network Manager (East), Cornwall Transportation & Estates, Mr. Pryer, wrote that, 'a stronger stance will be taken regarding a persistent core of landowners who don't cut hedges adjacent to highways'. He will be asked to explain who should cut hedges and where. David Phelps asked, if landowners were responsible, why the Parish Council cut footpaths.

h. Betty Doney, retired County Council Footpaths Officer wrote to refer to Tim Foster as Team Leader for the Development and Promotion of Public Rights of Way. A letter of thanks for her past help is to be sent.

i. A letter from County Highways said necessary cuts would mean requests for road work will be less successful. The department is expected to make savings of £1.5m which will cause a 5% decrease in the level of service.

j. Complaints about the Furze Park development, Trelights. The plans will be inspected at Barn Lane and, if necessary, rapid action taken. Malcolm Lee and David Philp will visit the site. Mark Provis asked for assurance of a proper access at the main B3314 road in the future.

### PLANNING APPLICATIONS

Henry Symons reminded the Council that plans were received at the discretion of the Planning Department so the Parish Council only makes representations to the Planning Committee.

**Trelights Farm:** No objections to full plans and listed building consent for the erection of extension and alterations to the dwelling for the St. Endellion Festival Trust.

**Port Isaac Post Office:** The plans for an extension to the front of the building were felt not to preserve or enhance the character or appearance of a building in a Conservation Area. There were also letters of objection from neighbouring residents.

**Boundary Wall at 'Drakes', Rose Hill:** The same was felt about a Conservation Area application, by Mr. and Mrs. McCrohon, to demolish the wall.

No representations were made about plans for a first floor extension for Mr. and Mrs. Appleby, Tintagel Terrace, a double garage replacing a single one for Mrs. Fletcher, Garrick, Trewetha

Lane, or the demolition of a redundant farm building and erection of an agricultural building at Trevathan for J. H. P. Symons. (Henry Symons had left the meeting before this item was discussed.)

A site meeting was to be held at The House on the Hill, Trelights, regarding an application for a double garage.

No representations were made concerning an illuminated sign for Webbers Garage, New Road, or for an agricultural building for Mr. R. Sloman at Roscarrock Farm.

### Next Monthly Meeting

Monday 12th. June at 7.30pm. in the Church Rooms, Port Isaac.

## HEDGES

The County Council stopped exercising discretionary powers to cut roadside hedges in 1992. Cutting these hedges is the responsibility of the landowner. There are still landowners who do not carry out this responsibility and the County Council is asking Parish Councils to pass the message to the local community, and if problem hedges are spotted, to try a local approach in the first instance. The County Highway Authority still has to inspect all lengths of its highway, of course, and will pursue owners who do not fulfil their responsibilities for cutting hedges.

*Barbara Willmott, Clerk to the Parish Council.*

## ANNUAL PUBLIC MEETING

A fair number of people at the meeting in the Church Hall, Wednesday 17th. May, but where were all those who are always saying 'Why don't they do this or why don't they do that ...'?

### Henry Symons (Chairman)

The speed-calming at the entrance to the village is still awaited, likewise 'To the Harbour' signs. That Trelawney Garage had closed, due to government legislation and through no fault of their own, was noted with sadness. Flooding at Coronation Park, Trelights, should be cleared by the end of May but no action has been seen so far. Trelights is having to get used to a new telephone box. There will be involvement in a Parish Paths Partnership scheme this year - Port Gaverne and Port Isaac Valleys will be tackled - the most important paths but the hardest to deal with. 'Maylands' at Port Gaverne is an on-going battle. Port Gaverne toilets cost £2,000 per annum for 6 months use but have to be kept going. £900 worth of glebe land at St. Endellion, with legal expenses, etc., has cost £2,500 but the Parish has a statutory duty to foot the bill. Buying land for an extension to the playing fields is an opportunity not to be missed. It is hoped much of the £12,000 will come from outside the parish.

### County Councillor Harvey Lander

Much money was spent on local government reorganisation plans but the system is now exactly as it was. The County Council, and magistrates, are now less involved with the Police Authority, responsibilities being taken over by government nominees. Speed calming measures, including cameras, are being employed. Road fatalities this year - eight pedestrians, two cyclists, five motor cyclists, one pillion rider, and ten motorists. The authorities are still being pressed for a Port Isaac crossing, and to move the 30mph signs - but the money is not there. The Wadebridge scheme is paid for from a 'different purse'. Public spending is being cut at a time when the public are demanding higher standards.

### Simon Ford, Countryside Officer for The National Trust

In this centenary year, the Trust owns 220 large properties and 570,000 acres of land. Local Warden, Derek Lord's area is from the Camel to Tintagel. Some recent activities: a new footpath at Doyden, Port Quin; new access points for Lundy Cove and Epplaven; rebuilding the slipway, recovering the Fortescue boundary stone, repairing the cob wall at Union Cellars, and re-roofing Rashleigh Cellars at Port Gaverne; and restoring Birdcage Cottage, Port Isaac, to its original condition using traditional methods. In 1991, Dannonchapel Farm was acquired and is being restored, particularly with regard to wild life. Visitors are welcome - there is some parking space next to Lower Tynes Farm. At Port Quin all cables have been undergrounded, and a new sewage treatment plant installed under the car park.

### District Councillor Bill Dawe

Housing stock must be kept in District Council hands. Where Housing Associations take over, rents are sky high, as at Hillson Close. The piecemeal way that work is being done at St. Endellion Lane, Trelights, is disgusting. The plans are being investigated while the Highway Authority has promised to get the whole thing finished in four to five weeks. The Port Isaac street cleaner [John Riddex] does an excellent job, especially clearing up after the refuse collections when so much is spilled from plastic bags torn by seagulls and dogs. The previous owner of 'Maylands', Port Gaverne was refused planning permission - the present owner, flouting the planning laws, has built without permission or paying any fees - the building should be bulldozed. The Playing fields ex-

tension is a great idea but the Parish Council must make sure money from every grant available is used. The cost of a crossing between the school and the playing fields could be £30,000 - £40,000 but presumably a child will have to be knocked down before anything is done. Webber's Transport promised to continue the bus service as run by Mark Prout but already the bus doesn't call at Trelights or Pennant. Finally the old 'First and Last' building must be preserved, not just be allowed to fall down or be replaced by a modern building.

### Question Time

Henry Symons asked Simon Ford if it wouldn't be better to run the Liskeard - Bodmin bypass along railway tracks that might one day be defunct. Simon replied that if more money was spent on railways, perhaps all these new roads would not be necessary. The heath land at Lanhydrock where the road will run is one of the few habitats of the nightjar left.

Mrs. ffoulkes said it took eight years to get a pedestrian crossing in Teddington - even after five children had been killed. She also asked about wheelie refuse bins. Bill Dawe said they had been considered unsuitable. He was, however, worried that things would be worse in the summer.

Robin Penna had asked Cormac, and South West Water to quote for a small tarmac job, which either contractor could have done during other work in the village, and was surprised to be quoted a price three times that of a Liskeard contractor. Harvey Lander replied that they probably didn't want the work.

David Phelps asked if the District Council could cut the grass at the entrance to Port Isaac, work presently done, badly, by the County Council. Harvey Lander said that they used to do it but no longer wanted to.

Ending the meeting, Henry Symons thanked Barbara Willmott, Clerk to the Parish Council for all her hard work. The public showed their appreciation with a round of applause. Refreshments were then served.

## PORT ISAAC SURGERY

Port Isaac folk are very sorry Pam Hall has left the surgery. Everyone will miss her cheery voice on the phone and the lovely smile when we arrived at the surgery. It made us feel a lot better before we saw the doctor. We wish her good luck in her new job. Hope they take care of someone so good.

*Port Isaac Friends.*

## COFFEE MORNING

By kind invitation of Phil and Eileen Hudson, a successful Coffee Morning was held on Wednesday 17th. May at the Wheelhouse Restaurant. Thanks to the kind work and generosity of Phil and Eileen, over £160 was raised. Thank you.

## LIFEBOAT OPERATIONS

On 29th. April an angler, Roy Kingsman of Liskeard, was fishing with his friend at The Rumps when his car keys dropped onto rocks below. He climbed down to recover the keys but was washed off the rocks by a large wave. He managed to swim out and hang onto a crab pot buoy. His friend had to climb the cliff and run to Pentire Farm to raise the alarm. The Lifeboat was launched in 2 minutes and picked Mr. Kingsman up out of the water suffering from severe hypothermia. He was transferred to a RN helicopter and taken to Treliiske Hospital. Mr Kingsman has thanked the Lifeboat crew for their prompt action as he reckoned that he could not have survived another minute. Crewmembers were John Collins, Richard Hambly and Chris Scott.

On May 3rd. at the request of the Police the Lifeboat was launched to search for a body that had been sighted at Compit. The Lifeboat made a thorough search of the area but nothing was found. Crewmembers were Nigel Andrews, Mike Daly and Chris Scott.

On May 6th. the Lifeboat was launched when a woman had fallen over the cliff onto Trebarwith Beach. The casualty was picked up by the Air Ambulance and taken to Treliiske Hospital. Crewmembers were Mark Provis, Andy Walton and Paul Worden.

## CRICKET CLUB

Following last season's momentous achievement (finishing 2nd. in the Wadebridge Evening League - or was it 3rd?), on Wednesday 17th. May, we made our belated start to this year's campaign. Having failed to secure Lobber field as our home ground (the League said it was too steep to be a good wicket!) we play all our games away in nomadic fashion, and began at delightful Lanhydrock.

By a combination of tight bowling, sharp fielding, and superb tactical awareness on the part of the captain (who shall remain nameless!), Lanhydrock were restricted to just 76 runs in their allotted overs.

Our innings began in style, with 'Slipway Slimey' hammering a brutal ten, and Bunty improving on his last season's average five fold (scoring five!).

Following a shaky four overs, the innings was steadied by that redoubtable evergreen Mike 'Arthur' Daly, who even in his fiftieth year can score freely without the aid of a zimmer frame or jar of humbugs by the bed.

Thus a famous opening victory, by two wickets, was achieved.

New players are always welcome. Please send a letter of application and CV to the PMG, displaying an appropriate sense of the macabre and willingness to spend Wednesday evenings suspended in 'virtual reality'.

*Jon Cleave.*

## ST. ENDELLION CHURCH

### Feast day

Feast Day celebrations for St. Endelientia were better attended than for some years. Celebrant and preacher - in the beautifully decorated church - was the Rt. Revd. Graham James, Bishop of St. Germans. He was welcomed by the Rector, Preb. Michael Bartlett. Others taking part were Preb. Robert Strange, Preb. Jim Vincent, Preb. former rector Hugh Fryer, Canon Ken Rogers, and the Revd. Alan Wainwright. A delicious lunch provided by members of the congregation was served in the church hall.

### Churchwarden's Meeting

Newly-elected and retiring churchwardens from the United Benefice met with the Rector in the Rectory on Thursday 4th. May. The new churchwardens were sworn in by the Ven. Rodney Whiteman, Archdeacon of Bodmin at his visitation in Egloshayle Church on Thursday 18th. May.

### Bellringers' Evening

Home-made pasties and cider were sampled by the many people who spent a fund-raising evening at Poltreworgye Farm, Trelill, on Saturday 6th. May. The evening, which was organised by bellringers Mrs. Katrina Gill and her husband Stephen, succeeded in raising nearly £400 towards the cost of repairing one of the peal of six bells at St. Endellion.

### Bellringer's Baby Baptised

Bells rang out before Jonathan Ashley, second son of Mr. Graham and Mrs. Kay Strout, was baptised by the Rector during the sung eucharist on Sunday 7th. May. Jonathan and his brother James are quite at home in the tower where their father is a regular ringer.

### Ordination

A coach has been organised for those wishing to attend the ordination of Judith Pollinger in Truro Cathedral on Saturday 1st. July at 10.30am. Please give your name to Mrs. Pam Richards, 880381, or add it to the list in the church porch at St. Endellion, St. Peter's, or St. Kew.

### Mothers' Union

In May, Mrs. Tammy Benger led a Mothers' Union Quiet Day on Celtic Spirituality in the Rectory.

Mr. Roger Richards carried the banner for the United Benefice branch of the Mothers' Union at the annual Diocesan Festival service in Truro Cathedral.

### Whist Drives

The monthly whist drives held in the church hall continue to both pleasant and social occasions, and a way of raising money to support the church. They are held on the third Tuesday of each month at 7.30pm. and all are welcome.

### Julian Meeting

The Julian Meeting for contemplative prayer was held in the church on Monday 8th. May, the Feast Day of Mother Julian of Norwich. The reader was Mrs. Pat Hardman.

### St. Matthias

A said eucharist to celebrate the Feast of St. Matthias was held in the church on Monday 15th. May. The Rector was celebrant and Mrs. Judith Pollinger was server and reader.

### Diary date

A Parish review for St. Endellion Church will be held on Saturday 23rd. September at 10.30am. in the Longcross Hotel.

*Judith Pollinger.*

## ST. PETER'S CHURCH

The village gathered together to celebrate the re-dedication of the mural which now stands in St. Peter's Church. Clorinda and Keith Truscott sang 'Let there be peace on earth' and Liz Rowe accompanied them on the harp. Father Michael Bartlett said the prayer of dedication, and Janet Townsend played the organ for the service.

On 13th. may, just over 40 people met at Castle Rock Hotel for the Parish review. It was very well worth while and a report of proceedings and suggestions made is being prepared and a copy will be sent to all those who said they would like to be kept informed. *Renee Norris.*

## W.I.

**April Meeting:** The speaker in April was Mr. Snell from Wadebridge on 'Discovering Betjeman'. We learned a lot about the Poet Laureate, most of the facts about his early years spent in London's Highgate (not a very salubrious district) are not well known, and Mr. Snell, having made a study of the poet's life gave us a most interesting account interspersed with surprisingly witty and down to earth little poems. Betjeman spent nearly all his summers since early childhood and right through his life in Trebetherick and around Daymer Bay, hence the strong local interest in all his activities and poems.

**Flower of the Month:** Margaret Hoskin, Dorothy Oliver, and Zofia Fry. Competition 'Animal from Vegetable' Margaret Hoskin.

**Coming up:** Wednesday 21st. June, Margaret Hoskin's Coffee Morning and Bring & Buy. Tuesday 11th. July, 5-10pm. (approx.) Mystery Trip (£3.50). More events planned for the latter, look out for posters around the village.

*Zofia Fry.*

We apologise to Port Isaac W. I. for omitting this article from last month's Trio.

## THANKS

I would like to take this opportunity to thank all those who supported me in the District Council Elections. I am sorry that I failed, and by such a narrow margin. I apologise to my supporters for not trying a little harder (that is if it were possible).

However, I am back as Parish Councillor and will continue to put as much effort into that as I can, and work for everyone in the Parish of St. Endellion. Should anyone need the assistance of a Parish Councillor, or any help at all, I am approachable either in person, or by telephone on 880256.

In the meantime I will give the elected District Councillor all my support on issues where we have a common agreement.

Once again thank you all very much.

I hope to be put forward for District Councillor again next time.

Don't forget that everyone is welcome to attend Parish Council Meetings. The date for the next one is Monday 12th. June at 7.30pm. in the Church Hall, Port Isaac.

*David Phelps.*

### To the electorate of St. Endellion Parish

I would like to thank the members of the Parish who saw fit to vote for me at the recent election. While disappointed by the result, this temporary setback will not deter me from continuing to serve our community.

*Sincerely Yours, George Oxley.*

I would like to thank those parishioners who voted for me on Thursday May 4th.

*Henry Symons.*

To the electors of Port Isaac and Trelights who voted for me on May 4th., may I thank you. I wish the new Parish Council all the best in the ensuing year.

*Jim Watson.*

The newly elected persons, Jill O'Connor, Bryan Richards, and Bryan Nicholls would like to thank the electorate of the Parish for voting us on to your Parish Council. We will endeavour to serve you to the best of our abilities.

Congratulations to everyone elected to St. Endellion Parish Council.

*From Bob and Chris Douglas  
and all at Rivoli Court, New Road.*

## PORT ISAAC CHORALE

The choir entered the Bugle Music Festival recently, gaining distinction marks for their chosen pieces, and were well complimented by the adjudicator. Our most recent concert was at Pool Methodist Chapel on the 7th. May, which was well received, and enhanced by our guests singers, Keith and Clorinda Truscott. Our next concert will be at St. Peter's Church, on Sunday 2nd. July, at 7.30pm., to help raise funds for the church.

Liz Rowe.

## THE SAMARITANS

They are committed to the principle 'Whatever you're going through - we'll go through it with you' at the Cornwall Branch of The Samaritans in Truro. People who are lonely, despairing, and suicidal who choose to call 01872 77277 neither need an appointment nor are limited to any fixed period of time.

Formed in May 1970, they have just celebrated 25 years of continuous voluntary service and the quarter century has seen over 500 people involved with Samaritan work, over ¼ million hours of quiet, unhurried listening, a year on year increase in calls received - more than 18,000 in 1994, and more than £150,000 funds raised by Friends Groups to finance The Centre.

## PORT ISAAC SCHOOL

### Easter Assembly

At the end of last term all the children took part in the songs, poems, and readings at the Easter Assembly, based on the story of the Selfish Giant. The Friends of the School provided tea and hot cross buns.

### Beach Safety

Mr. Noel Harradine, lifeguard, spent a morning in school talking to the children about how to enjoy themselves while keeping safe on the beach.

### Football

In the two recent matches against Delabole and St. Tudy, the school team was unable to win against strong opposition. They also played some good matches at Tintagel in the local sports tournament. Training has now finished for this year. Many thanks to Mr. Peter Rowe and Mrs. Liz Brown for their support and expertise.

### Netball

The netball team played at the local schools tournament at Tintagel and came third. Mrs. Carol Provis and Mrs. Sandy May have done an excellent job coaching the team this season.

### Video Recorder

A new video recorder purchased by the friends of the school is eagerly awaited by staff and pupils.

### Welcome

To three new pupils: Amie and Chloe Willingale, and Poppy Miller.

### Birthdays

Josie Israel and Lauren Dyer (5), Josh Currow and Jacob Cleave (6).

## FRIENDS OF THE SCHOOL

I am delighted to tell you that, thus far this year, events organised by the Friends of the School - to which you have responded with enthusiasm - have raised a considerable sum of money. Amounts shown are net.

St. Valentine's Evening £128.05, Easter at Port Isaac School (hot cross buns, etc.) £53.05, Shrove Tuesday Pancake Race and sale of Pancakes £20.17, Sale of Yum Scrummy Recipe Books £403.03. The Cook Books are still on sale in the Post Office and at Glebe Farm, so for those of you who haven't bought one yet . . . ! The money was raised to help the school, and, to that end, our first purchase has been a new video recorder which was sorely needed. We look forward to meeting you on June 21st. at Hathaway Guest House, Roscarrock Hill, where Cream Teas will be served from 2.00pm. onwards.

Watch this space for news of other forthcoming events; the Summer Fayre, Barn Dance and Family Sports Day. *Kathie Carney, Secretary.*

## ROWING CLUB

The Club, plus several supporters travelled to the Isles of Scilly on May Bank Holiday for the 'World Gig Championships'.

The weather was fantastic, we couldn't have wished for better. The rowing was even better. The Ladies four hard races and their overall position was 2nd. out of 38 gigs competing. The Men again rowed well over four races and their final position was 29th. out of 39 gigs.

The rowers would like to thank everyone that travelled to the Scillies to support the Club during this rowing weekend, without their constant support, the results would probably not have been so good.

Our Rowing Regatta, to be held at Port Gaverne Beach, is on Saturday 3rd. June. First race starts at 2.00pm.

We hope this event will be well attended, with gigs from all over the country. So come along and view the races. The day will end with Cornish singing in the Port Gaverne Hotel and a disco in the Green Door Club. (No under 16's will be admitted to the disco unless they have rowed.)
