

On behalf of Ellen and Mark Sim after the very sad deaths of their darling babies Demelza and Beverley, Eddie, Peggy, and Ella Philp would like to thank everybody for their prayers, flowers, letters of sympathy, and donations for the Bone-Marrow Appeal Fund, Westminster Children's Hospital. Special thanks to Father Hugh Fryer and Ian Honey. We hope Ellen and Mark will be able to thank you all personally in the future.

[You will all have read about the very sad death of these two young children from the rare illness 'Hurler's Syndrome' and of the appeal to raise money for vital equipment to help other children suffering from the disease. So far over £300 has been raised but the fund will stay open until the end of April for anyone wishing to make a donation. Cheques made payable 'St. Endellion Parochial Church Council' should be sent to the Treasurer: Mrs. Bertie Watson, The Mill, Port Isaac. PL29 3RX

#### INVITATION RINGING MATCH

The Bell-ringing Match at St. Endellion was well attended, with eighteen sets from local towers entering. Sets from St. Columb took 1st. and 2nd. prize with Withiel coming 3rd. The Umpire was Mr. Norman Armstrong and Mr. Chris Thomas was Timekeeper. A boy of 12 rang in the set that came 2nd, a thought that perhaps the youngsters of Port Isaac might like to bear in mind for the winter when St Endellion teach the learners.

Melanie Dingle.

The Tower at St. Endellion has six bells, originally cast in 1734, and recast in 1952. They are rung on most Sundays. Ed

## PARISH COUNCIL

Notes of the monthly meeting, Port Isaac, Monday, 11th March.

Mr. Cunningham asked for it to be pointed out that there was a misunderstanding about loans for the Tennis Club from Lloyds Bank - they aren't interest free.

### Annual Parish Meeting.

Several speakers, from Housing, National Trust, Police, and County Cllr. Lander, have accepted invitations to attend.

### Playing Field Equipment.

With any luck the Wendy House will be installed by Easter.

A quotation of £284.18 for new swing seats, chains, etc., was accepted.

Footpaths. The Footpath Committee are to go ahead with the plan to waymark certain paths. Mr. Welton said that after some delay, the County Council had given approval for the work on the 'Recreational' paths, but stile-, gate-, and bridge work is the responsibility of Highways. Tenders for Footpath Clearance to be advertised as usual and at the same time tenders for repainting the seats. Mr. Provis suggested that the Fish Cellars notice board be included.

### Seat - New Road/Back Hill.

Installation of a new seat also to be included in the seat-painting tender advertisement. Mr. Provis asked whether a seat should be placed on the highway by the telephone box in Church Hill. Mr. Cunningham will verify this with the police. Meanwhile Mr. Norris proposed a narrow bench seat at the site, seconded by Cllr. Dawe.

Tennis Court. Mrs. Willmott, Clerk to the Council, noted that the quotation for the court had risen from £9280 to £9720.

### Bus Shelter - St. Endellion.

Cllr. Dawe said there is a group of young people prepared to build a shelter on a voluntary basis if a Jubilee Fund grant application could be sent in within ten days. Mr. Welton pointed out that a planning application would have to be made. Cllr. Dawe felt that if the Parish Council would offer a grant towards the project there

might be a better chance of a grant from the Jubilee Fund. Mr. Cunningham enquired what the cost of materials was likely to be, but Cllr. Dawe was not able to answer this. When Mr. Cunningham suggested £50 from the Parish Council, Cllr. Dawe replied 'Peanuts! You never want to spend any money on us folk up to Trelights.' Dr. Barron asked if a committee had been formed, and it was decided that until there was a proper organisation no money could be granted, but that a grant would be made if the scheme goes ahead.

Village Hall. A letter of thanks from the Committee thanking the Council for allowing the Hall to use the £250 grant without further grant aid from the North Cornwall District Council. Mr. Welton presented the annual accounts for the Hall.

Light - Trewetha Lane. If a light was installed on the existing pole, N.C.D.C. would pay for the electricity and maintenance. S.W.E.B. to be asked to quote for the installation.

Community Projects for the Disabled representative, Mr. Harris, had visited the Village Hall and said that it would be perfectly feasible for a digger to excavate a path at the side of the Hall to provide slope to the side entrance, and he will be happy to do this.

No Parking Zone - Church Hill. Mr. Provis asked if the zone could be extended to the top of the hill to prevent the problem of cars parking adjacent to 'Hillcrest'. The possibility is to be investigated.

Footpath Work, Pinehaven. Mr. Provis asked if the Clerk could find out what exactly was being done as the excavations for the new path looked more like a motorway than a path.

No planning applications.

Next Month's Meeting will be on Monday 15th. April at the Church Rooms, Port Isaac, at 7.30pm.

10TH. BIRTHDAY  
The Blackthorn Press was started at Port Isaac in April 1975.

## VILLAGE HALL

There were eleven people at the A.G.M. in the Hall on Wednesday 6th. March.

The Chairman's Report was read by Mr. David Coy and accepted. The Finance Report was presented by the Hon. Treasurer Mrs. Pat Hingley. Current balances total £624, including the grant of £250 kindly released by the Parish Council so that urgent repair work can be done. A vote of thanks to the Parish Council was passed.

A general discussion on the use of the Hall took place, and many ideas were put forward. After a break for refreshments, a new committee was elected. This committee met on Monday 18th. March and appointed the following officers:

Mr. John Powell - Chairman  
Mrs. Pat Hingley - Hon.  
Treasurer.

Mrs. Linda von Lintzgy  
and Mr. David Coy - Joint  
Secretaries.

A representative from N.C.D.C. will write to the Parish Council and advise on improving access to the Hall for the elderly and infirm.

The next committee meeting will be in the Hall on Monday 15th. April. If any organisation in the village wishes to send a representative, they will be made most welcome.

## RECIPE

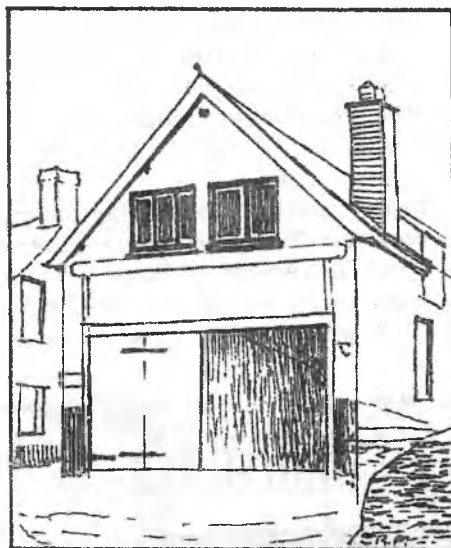

### Bread and Butter Pudding (Luxury Version)

Cut a bunloaf into thick slices and butter them. You can use four or five spice buns or currant buns but this costs a lot more. Arrange the slices in a deep pie dish. Beat two eggs, then add 1 pint of milk and three tablespoonsful of white sugar. Mix well and pour over the bread slices.

Bake at 350° for about 3/4 of an hour, or until golden brown. Remove from the oven and spread some apricot jam on the top. Return to the oven for a few minutes so that the jam melts a little. Serve warm, with cream.

To make this recipe into a 'Queen's Pudding', beat the whites of two eggs until very stiff, fold in some sugar, and use this meringue mixture to cover the pudding. Bake until it is golden brown.

Fred Thompson.

## COMPETITION

There were only three entries for last month's competition: Antonietta Dawe of Pennant, Charlie Honey of Port Isaac, and the prizewinner Jayne Woods, Lower Trefreock who, knew the answer, of course - '1st. ## PORT ISAAC ROAD STATION

How many people can remember when Port Isaac still had its own railway station? Opened in June 1895 and closed in October 1966. A mere 3½ miles away, perched 400 feet above sea level and in St. Kew Parish actually, near to Trelil. It was the direct link to Launceston, Okehampton, Exeter, and Waterloo in one direction - Wadebridge and Padstow in the other. Until 1965 there were

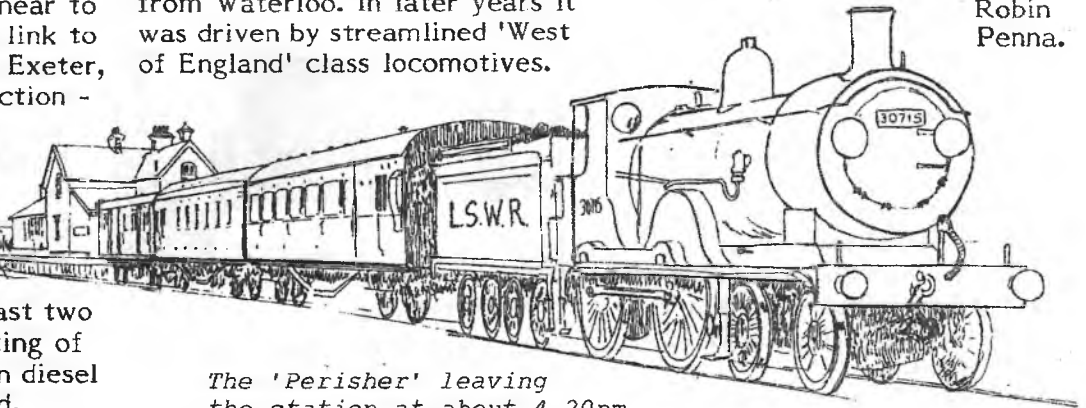

steam trains, but in the last two years local trains consisting of the comparatively modern diesel 'multiple-units' were used.

The train in my picture is the Padstow to Exeter afternoon one usually called 'The Perisher' for the 'Perishable Goods', it had a van full of fish from Padstow at the rear! More familiar to holidaymakers was the 'Atlantic Coast Express' from Waterloo. In later years it was driven by streamlined 'West of England' class locomotives.

The venerable engine shown is a 'T9' class 4-4-0, built 1899 in Glasgow, stabled at the Exmouth Junction shed in the 1940's and withdrawn in June 1961.

The station buildings and yard are now the premises of Messrs. W.T. Tucker & Sons.

Robin Penna.

*The 'Perisher' leaving the station at about 4.20pm.*

## LETTER

Dear Sir, I am amazed at the new Trelights Council houses in The Barton. What kind of planning is this? The houses are built too high up and have spoilt what was a delightful little village. The houses are being called 'Monstrosities' and 'The Barracks'. Surely, whether it would have been a bit more expensive to put them lower or not, it would have been better than the eyesore we've got. Garages could have been built below. The opinion I have stated is expressed in this village and not by just me. Come on Council and Planners, don't let this happen again. Mrs. Evelyn Brown, Trelights.

## CHRISTIAN FELLOWSHIP

The Port Isaac Fellowship, - the 'Tuesday Evening Fellowship', has been meeting for over 15 years. The meetings are inter-denominational and held in the homes of members, and are run by members of the Methodist Church. Any money raised goes to charity and last year £320 was sent to Frank Bough's T.V. appeal for Famine Relief. The need is even greater now and a target of £1000 has been set to be raised by autumn. A Crossword Competition has been run (closing date for entries 31st. March! - forms: Wesley Blake, 'Cranstoun', Mayfield Road.) and each crossword acknowledges the receipt of 50p or more as a donation to the appeal fund. There are no expenses.

## CATCHING THE BUS

Cornwall Rural Community Council has invited an impressive list of speakers to put their views on the Government's proposals on the future of bus provision in this country and their likely impact on Cornwall. The meeting will be held at Sedgemoor Hall, Mid Cornwall College, St. Austell, Thursday 18th. April, 10am. - 12.30pm. Application forms from: Cornwall Rural Community Council, 1/2 Victoria Square, Truro. These have to be returned not later than 9th. April.

The Port Isaac Lifeboat has returned from the annual overhaul and will be on service from first light on Saturday 30th. March to dusk on Thursday 31st. October 1985.

## PORT ISAAC C.P. SCHOOL Cross-Country Club

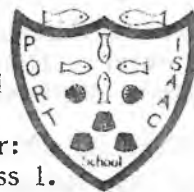

On Friday 15th. March twelve boys and girls represented the school at the Camelford and District Cross-Country Championships. All members of the team came well up the field in their respective events. Six members of the team did so well they were chosen to represent the district at the County Championship at Penair School, Truro, on Saturday 30th. April. This means we are providing 25% of the team for the area, a tremendous achievement considering that this was the team's first competitive event. It is a tribute to the hard work and enthusiasm of all the children who competed. So the children will still be seen running through the village with their super fit teacher at least 100m behind! Phew!

Ian Bruce, Headteacher.

## ARCHIE THOMAS

The Thanksgiving Service for the Life of Archie was attended by many of his friends. Peter Crookston read a poem he had written which we have pleasure in printing:

For Archie

You could not climb our hills  
Or ride our waves.  
But love made splendid  
compensation,  
Lifted you to dawdle  
With the cleaving gulls;  
Breasted you beyond  
The roaringest of seas.  
Love's strength outreached

And we who loved you so  
Are weaker now.
