

## PORT ISAAC SCHOOL

### Sports Day

Our thanks to all the parents and members of the village who came along to support and make our sports day such a success. Particular thanks go to all parents who 'volunteered' their services to assist in running the proceedings. Competition was fierce but good natured and the infant children who competed in the dressing up race stole the show! Father Hugh Fryer presented the following trophies to the overall winners in each section.

Senior Boys Cup -  
Darren Donnithorne  
Senior Girls Cup -  
Jessica Sweet  
Junior Boys Cup -  
Matthew Hayne  
Junior Girls Cup -  
Julia Williams  
Infant Boys Cup -  
Thomas Wills  
Infant Girls Cup -  
Bethney Albury

### Radio Cornwall Fun Run

Mr. Bruce would like to thank all the people who sponsored him for the 4km run on Sunday 23rd. June. A grand total of £52 was raised for school funds and the thought of all that money was the only thing which eventually carried him over the line. Aren't the hills in Truro steep!!

### Domesday Project

Our involvement in this project is now drawing to a close. Much of the work would not have been possible without the assistance of so many people in the local community. We are extremely grateful and next term we hope to be able to show the copy of our work on the computer in school.

### The Quiet Corner

Put all things to the test; keep what is good in them; reject the evil. Do not restrain holy inspiration.

1 THESSALONIANS 5:19/22

## THE LIONS

How many people in Port Isaac realise that we are in the area covered by the Tintagel and Camelford Lions? This group of men, helped by their wives, is always willing to help individuals in any way they can, or in organising fund-raising for village projects.

Most of you with children know that they visit the village with Santa on his sleigh every Christmas, but did you know that they brave the wind and weather during the previous week, bringing joy to the children in twelve other villages in their area? All Lions give their time and petrol freely, only asking for the smiles on the children's faces in return, plus a few pence in the collecting tins to help towards the cost of the apples and oranges that Santa gives out.

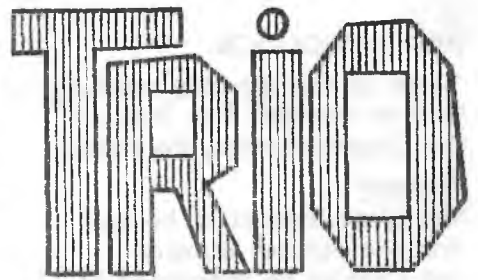

I owe thanks to our Lions who early this year gave our doctors some 'nebulisers' to help people with asthma. When my son Paul had an attack, we were able to have the machine in our house, saving a trip and a stay in hospital.

Now everyone in the Port Isaac district has the chance to help the Lions by going along to the 'Grand Donkey Derby' (see the 'Diary') which they offered to put on when Mrs. Benz and Mrs. Regler asked for help in raising some money for the children's play equipment in the Playing Field.

The Lions only take 10% for their expenses, and will divide the rest of the money raised between the equipment and another charity. Please go along and support them - everything they have organised in other villages has been a Fun Time for all the family.

If there is anyone living in the Port Isaac, Port Gaverne, and Trelights district who would like to be a Lion, Mr. Fisher - tel. Bodmin 880415 - will be delighted to hear from you.

Melanie Dingle.

> A FREE NEWSLETTER FOR THE PARISH OF ST. ENDELLION IN NORTH CORNWALL, ISSUED ELEVEN TIMES IN THE YEAR AND DISTRIBUTED [WITHOUT CHARGE] BY THE HARBOUR SHOP AND THE BAY GIFT SHOP, PORT ISAAC, AND BY THE POST OFFICE, TRELIGHTS. ALSO AVAILABLE BY POST FOR £2.75 PER YEAR. PRINTING COSTS ARE MET BY REVENUE FROM ADVERTISING. EDITOR: ROBIN PENNA, 9 DOLPHIN ST, PORT ISAAC, CORNWALL. PL29 3RJ <

ISSUE NO. 37 JULY 1985

Next Issue Sat. 31st. August

Deadline Friday 23rd. 5.00pm!

### SPACE AVAILABLE!

As long as the present demand for advertising space continues, we shall print a six-page Trio every month. This means that there will be more space for news from clubs and societies. It costs nothing to put a news item in this newsletter, but we can only print your news if you send it to us. Editor.

Many thanks to everyone for their good wishes and kind offers of help, extended to myself and my family during my recent illness.

Max, Central Garage.

### THANK YOU

to everyone who has supported the Mini Markets. 8 charities have benefitted with over £700 having been raised. I have sent £100 to the Coronary Care Unit at Treliske Hospital, Truro. Thank you again, Pat Collins.

## PARISH COUNCIL

Notes of the monthly meeting held on Monday 8th. July, at the Church Rooms, Port Isaac.

### Finance

Money on deposit to be paid into the current account and £600 to be precepted to meet expenses. £282 VAT to be reclaimed. The Annual Audit showed everything to be in order.

### Tennis Court

Progress continuing. The lease is being signed by the Trustees. The Car Boot Sale raised £60.

### Toilets - Port Gaverne

Plans to install 2 wc's and a urinal in the courtyard of the old 'Loveday Carew' fish cellars were discussed. These are to be sent to the National Trust, owners of the site, but Mr. Norris expressed doubts that they would be favourably received as members of the public are not usually allowed inside the yard. There might be some N.C.D.C money for the project next year. Mr. Scawin's remarks, quoted in the 'Cornish Guardian' recently, were said to be incorrect.

### Light - Trewetha Lane

Residents of the Council Houses want some kind of light to help reduce night-time burglaries. Over the last 12 months, coal, logs, and garden tools have been stolen. The police would support the idea of an all-night light, as already in use at Mayfield Road. Mr. Provis said that petty thieving has been going on for years. The Council is to get a price for a light and discuss at the next monthly meeting.

### Notice Boards

The owners of Homer Park

Hotel would like to put a sign directing the public to their hotel on the Parish Council board at the Fish Cellars, Port Isaac. The idea was defeated by a vote of 7 to 1 against it.

The Clerk was also instructed to remove any trade notices from the board at the car park, this is to be used to announce events only.

### Rubbish - Cartway Cove

Building rubbish, plastic sacks, etc. being thrown down in spite of sign to forbid the practice. Police not able to act as it happens in the small hours of the night. It was suggested that the Fire Brigade be asked to come out in the autumn and hose it all down.

### Handrail - Teague's Pit

The chain is broken and some new posts are needed. John Sweet to be asked for a price to do the work. Mr. Norris felt that there should be a handrail, not a chain, and that it should be nearer the path.

### Bus Shelter - St. Endellion

The 'Jubilee Fund' has provided £120 so far, and £465 is needed altogether. Cllr. Dawe is not happy about plans supplied from Truro, building should be block, stone, and slate roof. County Council unlikely to give grant for use of school children only, Port Isaac or Trelights would therefore be more suitable. Mrs. Cann asked why the children have to cross the main road. If they didn't have to, they could shelter in the church porch. The whole matter to be discussed at the next monthly meeting to be held at Trelights when interested

members of the public can attend and hear what is said.

Road Corner at Trewetha  
Until Mr. Phelp's offer of a trip of land is received in writing, the Council can take no action about the danger to pedestrians using the road.

Change of Use - Shops  
No reply from Planning Dept. regarding Parish Council enquiry about a fish shop and a charity shop. Mr. Welton has received complaints about the latter not being 'in keeping'.

Correspondence  
Estimates of £55 for new notice board at Trelights, and £50 to repair, repaint, and replace gutter on bus shelter at Port Isaac, were received from John Sweet. Dr. Barron felt that the price for the notice board was too low for a decent one, but Mr. Cunningham said that some of the material from the old board would probably be used. The board will be sited in front of the bushes on the piece of land at Mr. Barriball's shop.

A 'wet paint' sign removed by a mischief maker from a seat at Little Hill, caused a visitor to complain of paint on a dress. The Council are to investigate whether the insurance company covers this situation.

The roads in Trelights, and Church Hill, are to be patched or to possible re-surfacing later on. The cobbled section of Church Hill will not be covered over. 'Accident Black Spot' signs which were to be considered, are not standard, so cannot be authorised by the Highways Department.

Permission was granted for the Lions Club to use the Playing

Field for a 'Donkey Derby' on Tuesday 30th. July, with stalls and a barbecue. The Lions Club take 10% of profits to cover their expenses.

The footpath along Port Gaverne Valley is being used a lot now and a letter from Mr. Penna asked if a very obstructed stile could be improved, and better stepping stones provided where needed. The Highways Dept. to be asked to do this work.

Plans  
Mr. Sherratt, Port Isaac: Demolish annexe and erect an extension, Fairholme Guest House. P.C. observation - 'A great improvement'.  
Mrs. McCrohon, Port Isaac: Erection of extension to Drakes Cottage. P.C. observations - 'overdevelopment and dislike of flat roofs in Conservation Area'.

Next Monthly Meeting:  
Monday 12th. August, 7.30pm.  
Church Rooms, Port Isaac.  
Next meeting at Trelights will be in September.

#### USED STAMPS

What do you do with the stamps on the letters you receive? Don't throw them away, let me have them. If you work in a place that has lots of mail, ask them to let you have the stamps. Used stamps help to raise money and the Port Isaac Branch of the Royal National Lifeboat Institution need all they can collect. We need your help, and one day you may need ours, who knows. Quantities, large or small are welcome.

R.P.Law,  
5 Church Hill, Port Isaac.

### COMPETITION

Suzanne Richards, Bodannon Farm, Trewetha, has won the £2.00 prize again this month. The electricity pole shown last month was 'just above the telephone kiosk at the bottom of Church Hill' she wrote. One other correct solution came from Elizabeth Townsend, Port Isaac.

Actually, we were hoping that there might be a letter or two about these unsightly old poles and their tangled wires. If you do feel like airing your views please do drop us a letter.

A house again this month. Where is it or what is it called? Answers to 'Trio', 18 New Road, Port Isaac, before Friday 23rd. August. £2.00 prize for the winner!

### RECIPE

#### Smothered Steak (for one)

6oz chuck steak, 1 onion, 1 green pepper, stick of celery, small tin of peeled tomatoes. 1 stock cube, and  $\frac{1}{2}$ pt hot water. For the seasoning: oregano, a little thyme, basil, sugar, salt and pepper.

Coat the steak with flour and fry in oil and butter until brown. Transfer to a baking dish. Finely chop the onion, pepper, and celery and fry - first the onion, then the peppers and celery, and add the tomatoes last of all which can be cut up in the pan. Add the stock cube dissolved in the hot water, and stir in. Season with the herbs, etc., to taste. Pour this mixture around the

steak and put, uncovered, into a hot oven (350°F) to cook for 1 - 1½ hrs. Maintain the level of the liquid by adding a little wine from time to time.

Fred Thompson.

### R.N.L.I

The Annual 4 Legged Race will take place on 2nd. August, starting with the Fancy Dress Parade at the Cornish Arms, Pendogett; then via the Headlands, Port Gaverne, and Lawns Hotels, the Golden Lion, and to the Lifeboat Station, Port Isaac. The Race is for the 'Whitbread Trophy'.

Mrs. Finch's Coffee Morning at Trelights on the 26th. June realised £142. Many thanks to all supporters on a chilly day.

A Coffee Morning on 10th. July, organised by Mrs.F.Hocking of New Polzeath, raised £151.

In total, these Coffee Mornings, organised by the R.N.L.I. Lady Supporters are not only pleasant social occasions, but also one of the more fruitful fund raisers for the Branch.

David Finch.

### IN DETAIL

I'm glad so many people tried the walk up Port Isaac Valley to St. Kew, but sorry that some got a bit lost on the way. Here is an attempt to describe the walk, in more detail than was possible last time, with a map of the section that caused all the trouble. It's a little bit squashed in as there isn't a lot of room in a 'Trio' column. Have a good walk.

Leave Church Hill, follow path along brake, through gate, pass sewage works on your left, cross field through wooden gate by ruined barn, through mill yard (between mill-house and other buildings). Up track to little wooden gate in fence on your left. Across field (along bank of former mill-race) down bank to fork at old millpool (path over little bridge, left, leads to lane up to Trewetha). Take right fork alongside the old pool - sometimes very muddy! - cross stone stile with pieces of wood on top, then straight along till gateway. Veer sharp right here, don't go through, and follow path along top of bank, over dilapidated stile, along sloping path past old orchard (private) and out into large sloping field-called 'Fuzzy [gorsy] Parc'. Look for foot-bridge under trees on left. Cross, turn right, and walk along the lower edges of four fields. In the last one walk diagonally to trees at top on further side, through three gates into Tresungers farmyard. Straight past front of house and along track up to the B.3314 road.

## LIFEBOAT

The Lifeboat was launched on 29th. June to a broken down dory in the Bay. The dory with three people on board was rowed into Port Gaverne. The owner, Mr. Wilkinson of Launceston, stated that he had three engines but kept 2 in his garage at Launceston!! The Lifeboat was crewed by Ted Childs, Paul Robinson, and John Trayhurn.

On Friday 12th. July, the Lifeboat was launched to a young swimmer in trouble at Trebarwith. The girl managed to get ashore and the lifeboat was recalled after 5 minutes. The crew were Andy Walton, Harry Pavitt, and Bob Young.

The Barbecue which was to have been held at St. Kew Inn on 17th. July was cancelled due to the adverse weather. It will now be held at 7pm. on Wednesday 21st. August. It is hoped that the weather will be fine for all to enjoy the event.

## WE GO ELECTRONIC

A new electronic exchange manufactured by STC and installed and commissioned by local British Telecom staff at a cost of approximately £413,000 was opened at 7am., Wednesday 3rd. July, at Port Isaac.

In the 1920's subscribers were served by switchboard operators. In 1939 the automatic exchange was installed but long distance 'trunk' calls were connected by operators at Wadebridge. From May 1964 Wadebridge went automatic and trunk calls were connected by Bodmin operators until Subscriber Trunk Dialling (STD) was introduced in 1972/3.

The new exchange has been provided as part of British Telecom's modernisation policy, to cater for growth in the telephone network and to ensure that rural communities enjoy the same benefits as are available in the larger cities.

All our numbers have now become 6-digit 'Bodmin' ones by prefixing with '880', e.g. 'Port Isaac' 299 becomes 'Bodmin' 880299.

The area code for calls made from other parts of the country is shortened to '0208'.

Most of the local codes have also changed and we give you a list below, taken from Table one, page 14, of the 'Phone Book'. We have been very careful to get these right but can't accept responsibility for any errors!
