

## PRELIMINARY NOTICE

Secretaries please note Prize Bingo will be held in the Church Hall at 7 for 7.30pm. on four consecutive Tuesdays from 4th. November in aid of four different funds (see 'Diary'). I need lots of help including a volunteer from each organisation to run raffles. Also lots + lots of prizes are needed so if you can help in any way please let me know as soon as possible. All monies will be divided equally so each fund will benefit by the same amount.

Carol Richards, 880524.

Quintrells, the printers in Wadebridge, possibly the oldest business, are celebrating their 150th. anniversary on 17th. October.

## JACK AVERY

The village was much saddened on August 30th. at the news of the death at the East Cornwall Hospital after a long illness of Mr. Thomas John (Jack) Avery of 33 Middle Street, Port Isaac. Jack had worked at the Delabole Slate Quarries for some years and later at the China Clay Works at St. Austell. He had resided in Port Isaac for 33 years and was well known and much respected by all who knew him. There was a very large attendance at the funeral service on September 2nd. at Roscarrock Hill Methodist Church followed by interment at St. Endellion. Our sympathy goes to his widow and other relatives. Donations in lieu of flowers have so far totalled £175 for the Cancer Research Campaign.

## WILF SANDERCOCK

A former butcher in Port Isaac, Wilf Sandercock, died on Tuesday 9th. September. A service was held at St. Minver Church, and the burial took place on Monday 15th. September at Nanstallon. We send our sympathy to his widow, Maggie, and all relatives.

## The Quiet Corner

If God is not with us to give purpose and worth to life, we lose the meaning of it. Know and trust him and all things fall into place.

## ST ENDELLION CHURCH

Many useful bargains were purchased at the Church Jumble Sale when customers paid 55 pence for an empty carrier bag and then collected as much jumble as it would hold! £56 was raised for Church funds from the sale, teas, and raffle tickets. The event was organised by the Fund Raising Committee ladies: K.Cox, P.Hall, E.Hawken, V.Baker, B.Carter, P.Richards, M.Sharp, M.Harris, and other helpers from the Parish.

## ST. PETER'S CHURCH

A healing Eucharist was held in the Church in August and was well attended. Celebrant was Fr. Hugh Fryer who performed the laying on of hands assisted by two lay members of the Port Isaac congregation. Coffee was served in the church after the service.

A sponsored walk to raise money for the churches of Port Isaac, St. Endellion, and St. Kew will take place on Saturday 11th. October. Walkers (two-legged and four-legged) will leave Port Isaac Church Hall at 10am. and follow the old coastal path to Port Quin and on to Daymer Bay. Sponsor forms are available in all three churches.

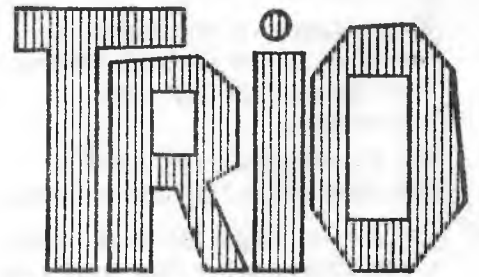

Judith Pollinger.

There will be cars to take walkers to Port Isaac and to fetch them from Daymer Bay, plus 'rescue' cars at Port Quin, Pentire Farm, and Polzeath Post Office. Someone will provide light lunches and hot drinks at Port Quin and Polzeath. The walk ends between 3 and 4pm. at Daymer Bay. Let Church Wardens know if you can help.

Our best wishes to John McDonnell who has been very ill in Treliske Hospital and we hope he is soon better.

Susan Franklin thanks all those who sent her cards and flowers during her illness.

Phil, Louise, Wendy and John, and Nicky would like to inform friends of Ann Slater that her ashes will be buried and a service will be held at St. Endellion Church, Sunday 28th. September at 3.30pm.

## WILLY SNELL

If you are wondering why Willy Snell our street sweeper is not around - he had a motorcycle accident on Port Gaverne Hill a few weeks ago and ended up with a broken leg. It doesn't look as if he will be on duty again this year and I'm sure you all wish him 'speedy recovery'.

## PARISH COUNCIL

Notes taken at the monthly meeting at the Church Rooms Port Isaac, Monday 15th. September.

Mr. Cunningham returned to the chair after his recent illness.

Cllr. Dawe reported that County Councillor Lander had confirmed that there had been no meeting at Rose Hill.

The coastal footpath to Port Quin has been trimmed by the County Council.

### Finance

The deposit account will be reduced by £300 to £941.70 to leave £319 in the current a/c after payments including £96 for seat repairs and filling the hole in Port Gaverne old quay.

### St. Kew Community Bus

Port Isaac organisations are invited to the meeting at St. Kew Highway to see if they would like to share in the use of the bus. It was purely a matter of luck that one community got a bus and another didn't. Cllr. Dawe said that we should still try and get one nevertheless.

### Emergency Committee

A letter issued under the Civil Protection Act 1986 is to be displayed on Parish Council notice boards.

### Job Creation

A letter from Mr. Badham asking the Council to recommend any suitable schemes in the Parish. Work is presently being done on the footpath at Port Isaac old millpool.

### Road at Trelights

A complaint was received from Mr. A'Court that the section of

road up to the council houses from the Post Office Store was in a bad state. Cllr. Dawe said that this is now being put right.

### Need for Vigilance

A letter from Cornwall Rural Community Council said Parish Councils need to keep themselves informed on matters being discussed by the District Councils.

### Local Government Boundaries

A document by the Boundaries Commission to be circulated to all councillors.

### Co-op Notice Board

It was decided to go ahead with a new Parish Council board at the Co-op at a cost of £60. This may be sited nearer to the pavement.

### Port Isaac Design Guidelines

A draft document concerning the Conservation Area of the village, similar to that drawn up for Boscastle, has been accepted by the District Council Planning and Development Committee.

There will be a public meeting to discuss the proposals and it was suggested that this should be in the third or fourth week of October to give non-resident property owners a chance to attend or be represented.

### Planning

Hills Trust, Land adjacent to St. Peter's Church. Amendments requested by the Parish Council have been incorporated, and no further observations were made. Mr. & Mrs. C. Fry, 91 Fore St., Extensions and alterations to existing dwelling and garage. Mrs. Cann asked if restrictions imposed in 1972 still applied. A month's deferment to be requested to obtain clarification.

1 Furze Park, Trelights. Extension to dwelling. No observations.

Mr. N. Cleave, Brooklands Farm, Port Gaverne. Erection of bungalow and garage. No observations.

Mr. Wait, Tintagel Terrace, Erection of dwelling. After reference to earlier plans for the site at rear of Lawns Hotel, no observations were made on this application for a chalet/bungalow type house.

Mr. & Mrs. Ross, Green Door, Port Gaverne. Amended siting of still room and store. Mr. Bolton expressed concern that six car parking spaces were no longer to be made available. There were no other observations.

### Any Other Business

Cllr. Dawe asked what the County Highways were doing about the yellow lines at the surgery. Mrs. Cann pointed out that cars were also obstructing the bottom of Tintagel Terrace.

### Public Discussion

Mr. Penna asked about the scheme to change the layout of the roads at the top of Back Hill. The reply was that this may be somewhat different from the proposals but that changes may well be made before next summer.

### Next Meeting

Due to the need to change the date of this month's meeting, it could not be held in Trelights Chapel Hall which was being used for the Harvest Festival. Next month's meeting will be in Trelights, however, on Monday 13th. October in the Chapel Hall at 7.30pm.

**WHY ARE WE WAITING?**

Trying to get official departments to move quickly is more difficult than trying to drive down Fore St. in the summer. However we have made some progress and at time of going to press, we find that our grant application to District Council has been discussed, but we are still waiting for details.

Manpower Services are still to allocate a date for start and we hope that the October meeting will give us an answer.

Please bear with us, the money is there, the paper work done, so all we need now are the workers.

Our fund raising so far has realised the sum of £2,143.19.  
 Thank you everyone.

The Draw will take place in the Golden Lion on Saturday 18th October.

Our new loos will have to be heated (!) so the money if not required for building will go to Phase 2, the Heating and Lighting Fund.

In response to many requests it is hoped to hold a Disco during the half term. Posters will be displayed when dates have been finalised.

## TOURISM ASSOCIATION

There was an enthusiastic crowd in the Church Hall for the Public Meeting on Wednesday 17th. September. We heard a lot of interesting advice from the Tourism experts on the platform and many pointed questions were made from the floor. There was 100% support by those present for the formation of a Port Isaac and District Association for Tourism and a small committee has been formed to consider how this shall be achieved. More details will be given when they are available.

## WIND SPEEDS

When I was typing a table of wind speeds, somebody came into the shop and said 'You ought to put that in Trio.', so here it is . . .

## COMMUNITY POLICE

As most will be aware, the waiting restrictions cease on 30th. September. However, as the result of complaints relating to obstructions and parking on footpaths, particularly in the Fore Street area, some police action will be taken this winter. In this respect, recent legislation in relation to the widening of the fixed penalty system will provide an easier and more immediate remedy for the existing problems. Offences such as obstruction and parking on the footpath can now be dealt with in this manner, and should these offences come to light they will be dealt with in this way. The legislation provides for penalties of £12 and £24 depending on the class of offence. Failure to pay the penalty will result in an automatic 50% increase.

Your assistance in the prevention of such matters is requested, and please bear in mind the nature of the access to the lower part of the village, should there be a fire, what could happen? How would the fire brigade get access? particularly with inconsiderately parked vehicles. Could you live with yourself if your parking resulted in loss of life? Not only the fire brigade, think of the ambulance.

P.C. le Bailly, Local  
Community Police Officer.

## DIABETICS

Mrs. Sue Dingle is organising a Jumble Sale on 1st. November (see 'Diary') in aid of Diabetics and will call for any jumble you may have if you ring 880012.

Jon, Jane, and Amy Louise would like to thank everyone for the kind gifts, cards, and baby things that were loaned to them.

## NEW BUS SERVICES

With the implementation of new Transport Acts, anyone can now run bus services where and when they like. Unfortunately, routes in this area are not profitable and nobody has offered to run any buses here. To ensure that services are provided, however, County Hall are to support certain routes and have asked contractors to tender for these. Prout Bros. submitted the lowest tender for the route from Port Isaac to Wadebridge via Polzeath and Rock, including in fact, more buses than the minimum required by County Hall, and a copy of the timetable is inserted in this issue of Trio, courtesy of Trelawney Garage. The new service replaces the old one and we shall now have four buses in each direction for six days a week including Saturday. So that Port Isaac passengers won't be penalised for the extra mileage involved, the single fare to Wadebridge will be 60p. only - fares from Polzeath onwards starting at 55p. Pupils who want to travel to Wadebridge school can do so but must pay the normal fares. School buses to Camelford are not affected by the changes, but the Monday bus to Wadebridge via St. Kew has been withdrawn. The Thursday coach to Plymouth will run as at present until further notice.

## PORT ISAAC SINGERS

Following their success in the South West auditions for the 'Choir of the Year' competition, sponsored by Sainsburys and to be televised in the autumn, the Singers will travel to Cardiff to compete against 32 U.K. choirs on October 12th. A lot of hard work has gone into this including learning songs in Hebrew and French. Janet Townsend.

## LAST BAND NIGHT

During the recent 'Monsoon' season, the St. Breward Band never lost a minute of their playing time. Every Thursday evening was dry, if rather cold, and there was a lot of praise from an appreciative audience. On the last night this year they were met by a very colourful 'fun of the fair' including clowns, fortune teller, Indians, rag dolls, and gypsies. Once again the Flora Dance was led by dancers from Polzeath and St. Breward. A large crowd greeted us at the harbour and we all spent an enjoyable hour and a half singing and dancing the night away. Traffic control was strict this year, enforced by P.C. Dave LeBailly and two specials Elaine McCormick and Jeremy Prior. Thanks to them we could listen to the music without interruption from traffic. Some advice to Elaine who complained of feeling cold - next year 'Wear your Thermals' or 'Join in the Knees Up'. Thanks to all who helped to make it a successful evening - see you around the village on Tuesday 23rd. December.

## ST. BREWARD BAND

The members of St. Breward Silver Band, by courtesy of the excellent 'Trio' newsletter, would like to express our very best thanks to various people for all their help in making our visits to the village so successful. Eleven Thursdays on the trot without a break for the weather which always seemed to be much better at Port Isaac than inland. The 'Last Nite' was a memorable event made possible by lights from the Wheelhouse, Harbour Cafe, and the Slipway Hotel. The Harbour Commissioners have been very helpful in allowing the Band to use 'The Platt' thanks to David and Mrs. Castle, and the Beach Park attendant. A feature this year is the large number of holiday makers from other Bands who came and played with us, we made many new friends. Thanks to Jim and Audrey at the 'Lawns', the Police, John Oliver, and everyone who displayed posters. Finally special thanks to Peggy and her friends, Pat, Heather, Win, and Vi, and all the dancers. We sincerely hope everyone enjoyed our music this year and we are looking forward to a dry night for carols on the 23rd. December - we could do with more singers. Grateful thanks to everyone,

Micky Hunt.

## PHOTOGRAPH COMPETITION

The Photograph Competition organised by the Steering Committee for a Port Isaac Association for Tourism was won by a lady who lives in New Road but who didn't give us her name. The picture was of thrift along the cliff path. Would this lady like to collect her prize from Mr Bengier at Rockmount Guest House, the Terrace, Port Isaac.

A voice heard speaking in strong Cornish accents recently: 'They'm comin' in yere, left right 'n' centre, and telling we what to do.'

If readers think that driving a car over tar and loose chippings is dangerous (see Mrs. Cook's letter last month), they should try it on a two-wheeled vehicle!

## GARDEN SOCIETY

Members are grateful to all who supported the First Annual Show of the Port Isaac and District Garden Society on the 13th. September by providing 113 exhibits and by visiting the Show in spite of appalling weather. It is hoped everyone enjoyed the occasion. The judges were Mr. and Mrs. Chapman. A cup for the highest points was won by Mr. Wesley Blake. This cup was given to the Society from the previous Port Isaac Garden Society. The present Society has also provided a cup, so it was proposed to present this for a child's entry but as there were only two entries this time, both were given a small award, and the cup was presented to the winner of the largest section: 'A Floral Table Decoration' - Mrs. Noreen Honey. It is hoped to have another Flower and Vegetable Show in 1987, including perhaps a Home Crafts section, but the date and further details about this will be announced as soon as possible. Thanks to all concerned for making the first Annual Port Isaac Flower Show such a success. Next meeting Wednesday 1st. October (see 'Diary').

## ANNUAL HARVEST FESTIVAL

There was a large attendance at this event, organised by Cllr. Bill Dawe, and held at Longcross Hotel, Trelights, by kind permission of Mr. and Mrs. Warrillow. The service was conducted by Mr. S. Rex of Port Isaac. A total of £750.43 was raised in aid of St. Endellion Senior Citizens and other charities. The Draw prizewinners were: 1. £40, Mr. D. Wellington, St. Minver, 2. £30, Mrs. S. Taylor, St. Columb, 3. £20, Floral Corner Shop, St. Columb, 4. £10, Mrs. Rowe, St. Austell, 5. £5 Jonathan, Port Isaac Old School. Also thanks to everyone who helped.

## DOG RESCUE, PORT GAVERNE

A visitor's small dog somehow got down the cliff near Teague's Pit the other day and was stuck just above the water until a bright canoeist who was around persuaded it to jump in and swim across to the spit of rock to be re-united with its master. This is by no means the first time that a dog has fallen over the edge of The Main - not all of them survive, unfortunately - perhaps the Parish Council could warn people to keep their dogs on leads when walking up there.

Dear Villagers, Remember last  
winter? All that dreadful weather?  
Well I had to spend it outdoors,  
with no shelter from the bitter  
frosts, driving rain, and howling  
gales. Now another winter  
approaches with the same bleak  
prospect. I'm too old to face it  
again so I'm looking for help.  
Any old barn or garage would do,  
preferably in the lower village  
as I'm not too good on hills. I'm  
not very big and I'd be no  
trouble. Of course, I'm willing  
to pay. Just let Neil James at  
The Wheelhouse know if you can  
help (880226). Yours sincerely,  
Ford Fiesta.

### GARDEN SOCIETY

A meeting of the Port Isaac and District Garden Society was held in the Church Rooms on the 12th. November, at which Mr. Chapman (Wadebridge) gave a very interesting and entertaining talk on the correct way to exhibit vegetables and flowers, illustrating his talk with some instructive slides. He also answered many questions from the audience, who were very appreciative of his advice and help. Mr. Phillips presented a bouquet to Mrs. Chapman as a token of the Society's thanks and appreciation.

The next meeting will be in the Church Rooms on Wednesday the 3rd. December at 8.00pm., and non-members will again be welcome.

### POPPY APPEAL

I would like to express my very sincere appreciation to all who have, in any way, helped to make this year's Royal British Legion Poppy Appeal such a tremendous success. Ten years ago we topped the £100 figure for the first time, this year we have reached £500, which is truly remarkable. Very briefly, in round figures, this was achieved as follows:

House to house, shops/hotels collection, and boxes	£204
Concert (Bodmin Male Voice Choir)	£110
Home Boxes	£70
Remembrance Service and Wreaths	£80
Donation from Trelights Chapel	£26
Extras	£5

On behalf of the Legion, please accept our thanks.

Local Poppy Appeal Organiser,  
 Wesley Blake.
