GOLDEN CIRCLE

Over 60's Club.

On Wednesday 25th. February the Golden Circle celebrated its 23rd. Anniversary with a luncheon held at the Cornish Cafe. Thirty-four members attended. Included in the number was one of its founder members Mrs. (Lizzie) Couch, now resident at the St. Breock Home, Wadebridge, and Mrs. Muriel Donni-thorne, treasurer for many years who recently relinquished the post through ill health. An excellent meal was enjoyed by all and a vote of thanks was given to David Phelps and his staff. A raffle in aid of club funds raised £10.20 and the afternoon ended with an enjoyable 'Bingo' session. The committee would welcome new members and, if necessary, transport can be arranged to collect and return to their homes anyone requiring same. Please contact me on Bodmin 880751, or any committee member,

WHEELHOUSE RE-OPENING

The Wheelhouse has been given a face lift. Despite a surprising chorus of approval of the orange undercoat, it has finished a more sober cream and brown. Sue and Neil James hope to have the kitchen back in commission in good time for the restaurant's re-opening on the 3rd. of April.

PARISH COUNCIL

Notes taken at the monthly meeting, Trelights Chapel Room, Monday 9th. March.

Apologies were received from: Mr. Cunningham, Mr. Provis, and Mrs. Richards. Mrs. Barron took the chair.

Cllr. Dawe reported more failed street lights. Mrs. Barron hoped SWEB will do something.

A report was given of the meeting on 18th. February with the Bishop of St. Germans.

Finance

With the need to make payments towards the building of the toilets at Port Gaverne in advance of money to come from N.C.D.C., the Council's funds have been severely reduced, and the final £200 of the precept is to be asked for. Good news is, however, that the N.C.D.C will grant an extra £400 for electricity and water for the toilets. The total cost of around £5000 is light compared with sums like £25,000 elsewhere.

Annual Parish Meeting

County Cllr. Harvey Lander, and the police will be present. Catering will be by Mrs. Cann and Mrs. Richards, councillors each donating 50p to the costs.

St. Endellion Churchyard

After inspecting the balance sheets, it was proposed that the donation be increased by £25 to £350. The payment will be made in the next financial year.

Listed Building in Disrepair

Cllr. Dawe reported that Myrtle Cottage has been allowed to get into a bad condition. In reply, Mr. Symons said that the property, which belonged to his father, was damaged during the recent severe cold spell and that plans were in hand for the necessary repairs. The building

is not yet listed, however, and work cannot start until official notification is received. Mrs. Barron said the matter was nothing to do with the Parish Council and said that Cllr. Dawe could have contacted Mr. Symons directly if he had wanted the information.

Port Isaac Conservation

Documents from the Planning Department to be circulated to all parish councillors.

Car Park Notice Board

Tenders received for replacing the existing board of £60, or for an enlarged board as requested by the Port Isaac & District Tourism Association of £75. P.I.D.T.A. to be asked if they will pay the £15 difference.

Planning Applications

Mr. Richards. Farms (Cornwall) Ltd. Erection of agricultural building and new underground slurry lagoon - Treore Farm. No observations except for the request that the white asbestos roof be 'toned down' a bit.

Messrs. R. Molloy and A. Baillie - erection of two 3-bedroomed bungalows and integral garages, St. Illicks, Port Gaverne. No observations except a request be made that they shall not be 'dormer bungalows' capable of being converted to two-storey buildings later on.

Mr. and Mrs. D. Giles, Central Garage, Port Isaac. Change of use from garage and flat to three lock-up shops and two flats. No observations.

Public Discussion

Mrs. Brown expressed fears that if another 'lovely' cottage were demolished to widen the road at St. Endellion the new cottage to be built behind it would be exposed and look out of place with the old church across the road. Instead of widening the

road, she said, the drivers should be slowed down.

Mr. Lobb for news of the work to widen the B.3314 where a boy was killed. Cllr. Dawe said County Cllr. Lander would be able to answer that question.

Mrs. Haygreen asked again for a one-way scheme in Trelights. 'Now that the buses run daily, we often have to back up to allow them through,' she said.

Mr. Lobb thanked the Council for the Christmas Lights money and apologised that he had not been able to do this until now.

Next Meeting

The next monthly meeting of St. Endellion Parish Council will be on Monday 13th. April at 7.30pm. in the Church Rooms, Port Isaac.

Notice of Election of District Councillors and Parish Councillors. Nomination papers can be obtained from Clerk to St. Endellion Parish Council, 11 New Road, Port Isaac.

N.B. Before rumours fly - the Central Garage planning application is only the five-yearly renewal of the existing one!

LETTERS

Dear Sir. On behalf of my mother (Mrs. Dorothy Harris) and myself, may I congratulate and thank you most sincerely for such an interesting and informative community newsletter, which is forwarded to us from time to time by kind friends. Although we both now live in Dorset, we have many valued memories of the happy years spent in Port Isaac whilst my late father (Mr. Raymond Harris) was headmaster of the village 'school on the cliff'. During those ten years, my parents were associated with numerous village organisations (R.N.L.I., Fishermen's Co-operative, Methodist Church, Liberal Association, Golden Circle, Parish Council, etc.) and made many trusted and valued friendships. May we, through Trio send Greetings and Best Wishes to these friends. Once again many thanks for helping us to keep in touch.

Joy Coffin (nee Harris).

Dear Sir. I, as the District Councillor for St. Endellion Parish, wish to publicly apologise to Mrs. A. Steinbeis of West Germany, the owner of Castle Rock View, Port Isaac. The contents of her letter were not disclosed to the Planning Committee, if it had been read to us at the meeting, I would have known the full facts of the letter. I have since received a copy of her letter from the Planning Officer at Bodmin, stating that she was not happy about cars using the footpath in front of her house, and this was not an objection to the Development of the Bungalows. I will also be writing a letter to Mrs. Steinbeis personally.

Clt. W.J.Dawe, N.C.D.C.

Dear Sir. In the early hours of Sunday 8th. March, some persons decided to move the plant container from the front of my house, damaging one in the process. I fail to see what pleasure and enjoyment they got from their actions, perhaps I haven't the same warped sense of humour as them. Since my late wife and I moved here permanently four years ago after over 40 years association with the village, we have tried to make the front attractive with flowers, not only for ourselves, but also for 'locals' and visitors to enjoy. This is the third time in two years the containers have been damaged and I think it is a great pity that people cannot respect someone else's property.

R.P.Law.

BROWNIES

The 1st. Port Isaac Brownies held a Thinking Day Service on February 22nd., when all friends were asked to join with them at the Methodist Church, Roscarrock Hill. The Brownies led the service, attended by the District Commissioner, and served refreshments afterwards. A total of £40.20 was collected by the Brownies with Sunny Smiles booklets for the National Children's Home, and it was presented by them at a very enjoyable evening at the Foster Hall, Bodmin. They are currently participating in the 'Halford Trophy' which involved several competitions between various packs with the winner going on to the County Final. - Good luck 1st. Port Isaac! We have room for more Brownies, so 7 - 10 year olds - come and join us.

Cindy Powell, Melanie Dingle.

Dear Sir. There are only six seats left on my 9-day coach tour to the Austrian Tyrol, leaving on 12th. May. The cost is £226 and includes beautiful excursions. Will people contact me as soon as possible (880404) for further details and booking forms.

BOOK REVIEW SESSION

The four Prebendaries of the Collegiate Church of St. Endellion met in the Church on Wednesday 18th. February for a book review afternoon. Preb. P. H. Fryer, Rector, Preb. K. Noakes, Preb. H. Miles-Brown, and Preb. E. Stark each talked about a different Lent book. Tea was served afterwards in the rectory.

BISHOP'S VISIT

The Rt. Revd. Richard Llewellyn, Bishop of St. Germans, attended an open meeting of parishioners from St. Kew, St. Endellion, and Port Isaac in St. Endellion Church Hall on Wednesday 18th. February. Father Hugh was Chairman. The Bishop spoke about the changing pattern of ministry in rural parishes from earlier times to the present day, and initiated a lively discussion.

ST. DAVID'S DAY EUCHARIST

A well-attended combined Eucharist for the parishes of St. Kew, Port Isaac, and St. Endellion was held at St. Kew Church on Sunday, St. David's Day. The Revd. Preb. Hugh Fryer, rector, was celebrant, and readers were Admiral Alec Weir, Mrs. Philippa Bartlett, and Mrs. Joanna Brown. The combined choir sang Bach's 'Jesu, Joy of Man's Desiring' accompanied by Rowena Barratt, flute, and Mrs. Janet Townsend, organ.

ANNUAL CHURCH MEETING at St. Endellion.

Mrs. B. Carter and Mr. R. Richards were unanimously re-elected as Churchwardens as were the Honorary Secretary Mrs. F. Kent, and the Honorary Treasurer Mrs. J. Watson. Mr. R. M. Pollinger was elected as Vice-Chairman of the Council. In his

annual report, the Chairman, Father Hugh Fryer, spoke of the involvement of more lay people in the services of the Church, the development of the Ministry of Healing in the parishes, and the introduction of women servers. Both the Treasurer and Secretary presented very satisfactory reports.

The beginning of Lent was marked with special Ash Wednesday services at St. Endellion, Port Isaac, and St. Kew. In the evening, Father Hugh Fryer, rector, celebrated a Eucharist for Healing, after the blessing and imposition of ashes. Judith Pollinger.

SUCCESSFUL WHIST DRIVE

£29.90 profit was made at a whist-drive organised by the St. Endellion Church Fund-raising Committee, in the Church Hall on Tuesday 10th. March. Winners were 'Ladies': Mrs. D. Fryer, Mrs. M. Dale, Mrs. B. Richards, and Mrs. L. Hall. 'Gentlemen': Mr. C. A'Court, Mr. R. Hillage, Mr. T. Harris, and Mr. F. Hartley.

Judith Pollinger.

COMMUNITY BUS

As a result of the interest expressed at the Public Meeting, three further meetings have been held at the Golden Lion with good attendance from many organisations. It was agreed to apply once again for a Community Bus and a committee was formed to operate the bus when it arrives. Chairman - Mrs. Elsie Ferguson, Treasurer - Jackie Giles, Secretary - Jill McDonnell, Bookings - Debbie Pattenden, plus a representative from all interested groups. A proposal has been drawn up to submit to Cornwall County Council, and a fund raising campaign is shortly to be put under way as the St. Endellion Parish will need to find £500 as our contribution, plus £700 for on the road expenses such as tax, insurance, registration etc. The Community Bus would be an enormous asset to us all, so please support our fund raising events in every way you can. If you feel that you could help in the mammoth operation by having an event of your own, please contact any of the committee named above.

Notes from a Slimmer's Diary.

It started as a bout of post-Christmas depression, when Dave Phelps and I tried to pass each other in the Golden Lion. Impossible, and we decided there and then to go on a sponsored slim in aid of R.N.L.I. funds. Two stones each or we paid the penalty. Little did I know the terrible three months that lay ahead. First, out went the amber nectar and old John Barleycorn. In came about two tablespoonsful (after meals) of a hideous diet lager. It was so weak that Jack gave me the washing up water by mistake and it tasted stronger. No matter, I persevered. Next to go were the bacon, egg, etc., etc. breakfasts to be replaced by porridge resembling boiled cardboard, and divers other oats and flakes resembling unboiled ditto. The stomach sent a letter of protest which I ignored. Then the dinners. Gone were the steak and kidney puds, the roast beef of Olde England and the legge of lambe from Newe Zealande. Instead stones of all known (and some unknown) fish were supplied by Alan at Dennis Knight's piscatorial parlour. I had cod, haddock, sole, monkfish, megrim (whatever that is!), boiled, poached, baked, sauteed, fricasseed, and for all I know linseed. The stomach sent a Strong Diplomatic Note endorsed by a near-bankrupt Mark Trovis. I persisted. Then the walks, Oh God! the walks. Walking will lose you weight, they all said. I started with a 100 yard trek to the Post Office and graduated to the hill top and eventually made Port Gaverne. In desperation, I suggested to 'her indoors' that we walk to Port Quin. 'A little pipe-opener', I said. What folly!!! The ascent of Everest is but a mere stroll compared to

the coastal footpath. At Port Quin we rested awhile and I morosely pondered that the nearest licensed premises were three miles or a million light years away. This, at closing time on a Thursday - sorry thirsty Sunday. We thought we'd take the dry walk back along the road (huh!). Little did we know that a gang of British Telecom Irishmen were creating their own little bit of Auld Oireland, and Homer Park onwards was a vast peat bog. I arrived home 2lb. lighter, but the living room carpet gained 3cwt. In mud! Anyway, I'm nearing the target, and I hear that 'Ole Cap'n Birds Nest' has passed the magical 2 stone. We shall see on April 1st. at the weighing-in. All Fools Day would you believe? There's no fool like an old fool!! Cheerio. Eric Stokes.

Dear Sir. As a law abiding resident of this Parish, I wish to bring to public notice, insidious undercurrents of illegality that are yet again undermining the moral welfare of Port Isaac. A certain group of people operating under the name of P.I.P.s (which I understand to mean 'Prohibition in Port') are planning another evening of gambling and general debauchery at Golden Lion Speakeasy on Saturday 16th. May. It is understood that the ticket price of £2.50 will include chicken and chips and £100 of counterfeit money to be spent on such degrading pastimes as roulette, blackjack, and horse racing. The tickets will be sold by upstanding members of our society such as Harbour Shop, Bay Gift Shop, Golden Lion, and the Port Gaverne Hotel. I appeal to you all, do not support these people - **Stamp out Prohibition.**

TUES. EVENING FELLOWSHIP

For many years a weekly meeting for members of the Methodist Church has been held in Port Isaac. Originally it was the 'Class Meeting' when members were under the care of a Class Leader who was responsible for seeing to their spiritual well-being, and other needs if the occasion arose. They received a Class ticket of membership which was very highly valued, and they paid one penny per week plus one shilling per quarter (a fairly hefty sum in those days of near poverty). Should they be absent, it was the duty of the Class Leader to visit them and see why, and to find out if they were in any kind of need. If numbers warranted it (and they usually did) more than one Class Leader would be appointed. These meetings have continued for well over 100 years, although in more recent times they became known as Prayer and Praise meetings. The Tuesday Evening Fellowship came into being approximately 16 years ago, and is now not confined to those of the Methodist faith. In an endeavour to give our Christian faith a practical expression, the T.E.F. also raises funds to assist various charities, the most recent being the Famine Relief Appeal, the sum of £816 being sent to 'Save the Children' organisation. It is now felt desirable to personalise our giving, and we are hoping to arrange help for a particular area of need, details of which we will publicise if or when complete. Meanwhile may we please say 'thank you' to all who have so generously helped us in our charitable appeals.
