

PORT ISAAC SCHOOL

Many Thanks Since the beginning of term, nearly £300 has been raised for school funds through efforts of individuals. Our thanks must go to these people for all their hard work.

Mrs. Cleave who raised £121.62 at a Coffee Morning before term started.

Mr. W. Dawe who donated £40 to School funds from the sale of harvest vegetables.

Mrs. C. Richards for the organising of the Bingo Evening recently which raised £121.10

These were indeed very much appreciated efforts and we do also thank all the people who helped these ladies, in particular to run their coffee mornings, bingo evenings, and make them such a success.

Harvest Supper Once again we had our Harvest Supper on Friday 2nd. October at 4.30pm. We welcomed 24 senior citizens from the village and surrounding area, who enjoyed a supper of quiche, vegetables, and other delights. Thanks must go to Mrs. Larkin and Mrs. Cleave for all their hard work organising the event, to the ladies who helped them in preparing the food.

We were disappointed with the turnout this year, after all the advertising in Trio and around the area. We expected more than the 48 we had last year so it was a little disappointing to see only half the number. We will be doing it again next year and hopefully the turnout will be better. We do look forward to meeting people we do not see during the year and also are more than

willing to collect them and bring them to school.

P.T.A. Events A Coffee Evening was held at the School on Monday 19th. of October, and we welcomed Mrs. Helen Patterson who is the foster care development officer for North and East Cornwall. She gave an interesting talk on the need for foster parents in all areas, and certainly provided food for thought. It was also agreed at the Meeting that there would be a new P.T.A. Fund Raising Committee. Once this Committee has been formed, and has met, you will doubtless be hearing more about the exciting events taking place in the village as a result.

School Changes There have been several changes this term. One has been in staffing and we welcome Mrs. Elaine Brown to the staff as our Clerical Assistant in place of Mrs. Hayne.

In addition, we have taken delivery of new library shelving which has added to our library display in school and our thanks must go to Mr. P. Hall for putting these up for us. Also we have waited nearly three years for new pin boarding to improve our display area, this has finally arrived and we are delighted with it.

Football Results Once again we are taking part in the Six-a-Side Football League this year and recently we played Otterham away and won 3 - 0 in our first League game. We did have a friendly against St. Minver at home and, although we started well, we faded badly, losing 7 - 1 on the evening. We hope to correct this later in the season!

Ian Bruce.

VILLAGE HALL

We see that the work is well under way and look forward to its completion. Congratulations to the Hall committee who, if previous experience is anything to go by, are involved in reams of paper work and telephone calls!

The Quiet Corner

The paradox is that upon arrival in port after a storm at sea we also realise how far man has to go to even start to catch up with the appalling forces, the unmeasurable strength of nature.

Tristan Jones.

ROYAL BRITISH LEGION POPPY APPEAL

May I please be allowed to say a very sincere word of thanks to all who over the past ten years have so wonderfully helped in making the Poppy Appeal so successful. I know of no place where folk give more generously and lovingly than Port Isaac; one look at the results of almost any appeal will confirm this. After having done the work for ten years, I now feel it is time someone else took over and I have handed over to Mr. John Cunningham, who will be glad of all the help we can give him, and I am sure he will have a very happy time in this great work.

Will the holders of the home boxes please let Mr. Cunningham have them before the Remembrance Service, details of which will be announced.

Thank you all.

Wesley Blake.

PARISH COUNCIL

A report compiled from notes taken during the monthly meeting held at the Methodist Chapel, Trelights, on Monday 12th. October.

Tree Grants

A meeting on Wednesday 14th. October to discuss possible sites.

Toilets, Port Gaverne

National Trust has advised that loose chippings on path can be swept away now that the concrete has set.

Telephone Kiosk, Fore Street

British Telecom to investigate the possibility of an extra kiosk at Port Isaac Post Office.

Footpath, Port Gaverne Valley

Path from third stile to sleeper bridge reported to be in terrible condition - 'mud, water, cattle, etc.' Something will have to be done before next year.

Seat - Trewetha Lane / Rose Hill

Mr. Godfrey to be asked what rent he would accept for the seat on his land.

Fence, Port Quin Coastal Path

The barbed wire on the fence, which is Mr. Sloman's responsibility according to the County Council, is not thought to be dangerous but councillors were asked to go and have a look and report back at the next meeting.

Minepit Corner

The sketch has been passed to the Community Agency who feel that some of the work might be beyond Manpower Services labour. However, an estimate of materials cost to be requested.

Beach Pollution

This will be fully discussed at the next meeting by Cllr. Symons, when some photographs will be available. M.P. Gerry Neale is concerned and making contact with the South West Water Authority about it. The National Trust have suggested that local volunteers could be asked to clean the beaches. Cllr. Symons said 'Ask any fisherman - he will tell you that the sea is full of rubbish.' 75% had foreign wording on it.

Coastal Footpath, Port Isaac

According to the Cornwall County Council Coastal Footpath Officer, the contractors will have to be informed if any damage is being done to the path. So far, however, there is no damage to speak of. Mr. Dawe said 'I've taken a lot of stick from people over this but they'll get it back from me later on.' Mr. Bolton said all the work Jack Hoskins has put in to save our footpath has been wasted.

Gates at Playing Field

Permission was originally given for the fish lorry to use the car space on the understanding that it would call about four times a year, not every week. The gates have suffered possibly as a result. The cost of replacing them would be beyond the means of the Council and, after an estimate has been obtained, the fishermen are to be asked if they would contribute towards the cost.

Yellow Lines by the Surgery

Cornwall County Council to consider objections received but North Cornwall District Council have already decided not to go ahead as scheme much larger than Parish Council originally asked for.

Tree Preservation Order, Trelights

Only three trees (all chestnuts: in Trewithick Hill, between 'St. Ian' and 'Watergates', and opposite triangle at Post Office), plus the group past the chapel, are subject to a preservation order. The maple at the entrance to Furze Park is unhealthy and has been deleted from the list.

Tourism Association

Cllr. Symons urged everybody involved with tourism to attend the open meeting on 21st. October. 'Tourism is a major factor in the economy of the parish and we have to raise our standards,' he said.

Uncontrolled Dogs

Two letters were read concerning the dogs roaming at will around the village and how you 'have to look down instead of looking at the scenery'. More signs are to be put up to inform owners.

Planning Applications

Erection of extension to provide indoor swimming pool, Treore Farm: no observations to be made.

Erection of flat roof extension to use as en-suite bathroom, Hathaway, Roscarrock Hill: Mr. Stokes reported that the work had already been started but that the flat roof can't be seen from the harbour or from the road - only from the field behind the house. It was also in line with an existing flat roof. No other observations were made.

Open Discussion

Mr. Bolton suggested that a coat of undercoat be applied to the seats before the winter, with the top coat in the spring. To be discussed next month.

Mrs. Brown asked where the trees in Trelights would be planted. Mrs. Cann, Chair, suggested that people interested could contact their parish council rep-

resentatives. A rough plan would be put on the board at the Post Office.

It was also mentioned that Trebetherick had an allocation of ten trees each year recently and that some of these were planted on private land where they were tended by the landowners.

Mr. Lobb asked why there is so much fuss being made because 'three local boys' are building bungalows on the cliff at Port Isaac when there was no fuss made years ago when the existing houses were built. Mr. Bolton replied that there had been a fuss.

Mr. A'Court asked the Parish Council to do something about the road from Trelights Post Office up to the new estate which was 'a dangerous mess'. He felt that direct 'public relations' between the Council and the developers could be tried. This will be discussed at the next meeting.

Mrs. Brown made a plea in support of a school bus for Trelights. There had been an incident involving a child in one of the lanes and she felt that the children should not have to walk along them.

Next Meeting

The next monthly meeting of the Parish Council will be at the Church Rooms, Port Isaac, at 7.30pm. on Monday 9th. November.

GREETING CARDS

**PORT ISAAC
AND DISTRICT
TOURISM
ASSOCIATION**

There was an encouraging attendance at the 'Where Do We Go From Here?' meeting in spite of the bad weather. Chairman Mike Wenden told us that the Advertising Leaflet is being printed and will soon be available for distribution. He also spoke about the work of the local publicity councils, and attempts to get free car-parking.

Christopher Wikeley, West Country Tourist Board, gave a valuable talk on the need to raise accommodation standards and of the scheme to inspect self-catering properties to award 'Crowns' denoting the standard of quality. He felt that this scheme will be more thorough than those of the AA and RAC which are really only intended for their members. Cleanliness, comfort, and certain facilities would be insisted on plus fire and public liability insurance. He also spoke of the possibility of getting help for the Port Isaac district. He was amazed to learn that the maximum budget P.I.D.T.A. could hope for, based on a £50 subscription from each business, would only be £2,800 - too little for any really effective promotion, but it might be worth considering the possibility of some form of mailing. Mrs. Betty Palmer from Wadebridge presented figures for North Cornwall Coastal car parks showing the downward trend in the number of vehicles using them.

In the following discussion, the subject of car park charges was raised again

and it was asked whether more money was raised when there was an attendant - who also gave visitors information.

Cllr. Symons expressed a fear that 'horrid yellow signs' would replace the yellow lines if these were removed from Port Gaverne.

It was suggested that direction signs on the main road could attract people to Port Isaac who otherwise just drive past on their way from Bude to Padstow.

The Heritage Coast Interpretation Centre at the Old School Hotel will open for Easter next year if all goes to plan. This will also be available for local information if volunteers can be found to run the service.

Mr. Corrigan said that the National Jet-Ski Race at Port Gaverne had done a lot to boost business and that perhaps we should try and attract more organisations of this kind.

There was an opportunity after the meeting for proprietors of all types of business to talk to one another and much discussion took place over coffee and biscuits.

P.I.D.T.A. is trying to build up information about local facilities. A questionnaire asking for accommodation details has been drawn up and we will try and get round to everybody with it. It would, however, be a great help if hotel, guest house, and B & B owners would volunteer details of their accommodation. There will be no charge for this. It is also hoped to do the same for self-catering properties but it is often difficult to discover who the owners or agents are. The lists compiled will be very useful in answering enquiries from would-be visitors to Port Isaac.

Hon. Secretary, Robin Penna.

SCHOOL BINGO

The bingo evening held recently once again proved to be a great success despite many other activities on the same evening and the nasty weather (have you noticed it is always blowing a gale or pouring with rain on these occasions?). We realised a profit of £121.10 for school funds, which was presented to Mr. Bruce. Once again many thanks to everyone who donated prizes, helped with refreshments and the cleaning up, and to all those people who came to play Bingo. In particular, thanks to Dave, Mel, and Sue. Our next evening is Tuesday 3rd. November (see 'Diary'). The last Bingo of the year that I am organising (the Golden Circle will be holding their annual one) is in aid of 'The Home Farm Trust' and it will be a particularly festive one. It is on the 17th. November, and if anyone would like to donate a prize, either Janet Chadband or myself would be delighted to receive it.

Carol Richards.

CONSERVATIVES

A successful coffee morning was held at Long Cross Hotel, on 10th. October. The Branch dinner will be held on Saturday 21st. November at the Cornish Cafe (see 'Diary'). Numbers will be restricted so please book early. For details please contact J. Cunningham 880224 or S. Jarvis 880726.

'COFFEE MORNING THANKS'

Just over £120 was raised at the recent coffee morning and barbecue in aid of Port Isaac School funds. There were various stalls and the prize winners were: Mrs. B. Blake and Mrs. J. Collins who jointly won the 'Guess the weight of the cake'. Master Richard Harris - 'How many sweets in the jar?'. Miss Jessica Powell - 'Dolly's birthday'. Raffle winners were: Mrs. Dianne Benz, Mrs. Elaine Brown, Mrs. Cindy Powell, and Mrs. Carol Richards.

Thanks to Mrs. Jackie Dingle who served on the cake stall, Mrs. Melanie Dingle and Mrs. Carol Richards who cooked and served up the barbecue, and to Mrs. Mary Cleave who baked all the splits. Finally thanks to everyone who helped or donated in any way, and to all the people who came and bought everything - we were sold out.

Don't forget - Bingo on Tuesday 3rd. November in aid of the Cubs and Scouts (see 'Diary').
Ann Cleave.

ST. BREWARD SILVER BAND

The tide was right, the weather super, the Band in fine form, so with these ingredients how could we fail to put on a splendid performance to a really bumper audience for the 'Finale' of the summer season.

Once again we have received tremendous support from Peggy and her friends (the Dancers and costumes were a treat). Sincere thanks to them, and to the Harbour Commissioners, Fishermen, David Castle, the Car Park Attendant, all the Police, the Hoteliers for power for the lights (very necessary), the coloured display (delightful - a new one this year), to everyone for displaying posters, Alf and Sylvia at 'The Lawns', and to everyone who helped to make the visits so worthwhile.

The Band will be down as usual at Christmas (see 'Diary'), collections for the Salvation Army this time, and a visit to 'The Chapel' is on the cards. Best wishes to everyone, Micky Hunt.

The Band have arranged to come on Sunday 22nd. November and accompany the hymns at the Evening Service in the Methodist Chapel at 6 o'clock. They will give a musical programme at 7.30, and everyone is invited to come and enjoy their visit. (See 'Diary')

CHURCH NEWS

Harvest Services

Harvest thanksgiving services at St. Peter's Church, Port Isaac, and at St. Endellion Church, were very well attended. At St. Peter's on Sunday 27th. September, the Sung Eucharist was celebrated in the morning by the Rector. In the evening, Admiral Alec Weir, Reader from St. Kew, conducted the service and was the preacher. Lessons were read by Naomi Bengier, Mark Larkin, and Mrs. Rosemary Castle. Organist was Mrs. Janet Townsend. The church had been beautifully decorated with flowers and produce which were later given to the mentally handicapped at Launceston. Members of the congregation provided a buffet supper after the service.

Head Teacher's Daughter Baptised

At the harvest Sung Eucharist at St. Endellion on Sunday 4th. October, Katy Sarah, daughter of Mr. and Mrs. Ian Bruce, was baptised by the Rector. Her brother James and sister Susannah, and Mrs. Pam Richards, presented the offertory, and a posy of flowers made by Miss Doris Hambly was presented by her to Mrs. Bruce on behalf of the congregation. Lessons were read by Mrs. Frances Kent and Mr. Jim Watson. Organist was Mr. R. King.

Harvest Evensong was conducted by the Rector, and lessons were read by him and Mr. Sidney Rex. Bells were rung at both morning and evening services. Organist was Mr. Jack Provis. A delicious fork supper was served in the Church Hall by members of the congregation. About sixty people attended.

Healing

Healing Eucharists have recently been held in St. Endellion Church and Bodannon Farm, Trewetha. On Saturday 3rd. October, the Rector and Mrs. Pat Hardman attended a conference on the church's ministry of healing at the Church of the Good Shepherd, Par.

Servers' Festival

Servers from St. Endellion Church attended the annual servers' festival in Truro Cathedral on Saturday 3rd. October. Preacher was the Revd. Peter Boyd, Canon Chancellor.

Whist Drive

A successful whist drive was held in St. Endellion Church Hall on Tuesday 6th. October, to raise funds for the church. Whist winners were, Ladies: Mrs. E. Hillage, Mrs. O. Hill, Mrs. M. Beare, Mrs. Hocking, and Mrs. P. Richards. Gentlemen: Mr. C. A'Court, Mr. G. Hill, and Mr. C. Reynolds. Raffle winners were: Mr. F. Hartley, Mrs. K. Cox, Miss V. Baker, and Mr. G. Hill. M.C. was Mr. Frank Hartley.

Combined Parish Eucharist

The combined Parish Eucharist was held at St. Kew Church on Sunday 11th. October. The Rector was celebrant assisted by the Revd. Evelyn Dunford and Mr. Sidney Rex. Lessons were read by Mrs. Doreen Fryer and Mrs. Judith Pollinger. Organist was Mrs. Janet Townsend, and the singing was led by the singing group representing all three parishes. Hymns were accompanied by the organ and by flutes and guitar. After the service, coffee was served in

the back of the church by members of St. Kew Church.

Sung Evensong

A monthly sung Evensong is to be introduced at St. Endellion Church at the request of members of the Parochial Church Council. The first one will be held at 6.00pm. on Sunday 1st. November - All Saints Day, and thereafter on the first Sunday of each month.

Sponsored Walk

About twenty people and a varied assortment of dogs took part in the annual sponsored walk for the churches of St. Kew, Port Isaac, and St. Endellion on the 17th. October. Fortunately the weather was fine. The walkers raised a useful sum of money for the upkeep of their churches. The walk began at St. Endellion, continued to St. Kew, and back through Pendoggett to Port Isaac. Refreshments were provided by helpers.

New Hymn Books

New hymn books are to be purchased for St. Endellion Church. At present the church uses the English Hymnal but this will be replaced by the New English Hymnal. Money collected from future activities by the church's fund raising committee will be given to this project.

Judith Pollinger.

ALL ABOUT TRIO

This newsletter was established in April 1982 to provide a free means of communication that could be used, without religious, political, or other discrimination by everybody in Port Isaac, Port Gaverne, Trelights, and the outlying farms and hamlets in the parish. There have been at least eleven issues every year and we have now reached no. 62! It is not a newspaper and there are no reporters snooping around for news, instead, we rely on you to supply nearly every item published. There are no fees for including your news items, reports, announcements, 'thank you' messages, letters, etc. but to cover the cost of paper, ink, and printing, we make charges for the advertisements. The current rate is £1.40 per single column 'unit' per month (there are 11 'units' in each column) and 5p. per word for 'classified' advertisements. Fred Thompson is in charge of advertisement bookings (telephone 880292). We have to insist that all payments are made in advance as we have no 'staff' to do invoicing or the chasing up of payments. Hitherto the newsletter has kindly been distributed free of any charge by our three newsagents, but we at Trio have now decided to make a nominal charge of 10p per copy, starting with next January's issue. This will, however, give you the chance to order the newsletter in advance and make sure that you get a copy. The postal subscription will be increased at the same time to £3.30 per year. These charges are to help with the steadily rising costs of production without leaning more heavily on our advertisers. We would like to point out that, whereas The Blackthorn Press gets paid for the actual printing of the newsletter, the time-consuming work of typewriting, compilation and page make-up is not charged for.

Dear Sir, May I through the Trio thank the Bodmin and Wadebridge Police and the Auxiliary Coastguards who searched for my husband Frank Harriss Cotton on 10th. October in such awful weather but with great success. He went off for a walk in the fields behind the School and fell down. He was unable to get up again due to an artificial hip. Thanks also to Barry Collins who phoned to say which direction he had seen him take earlier in the afternoon, also Vona and Carole Blake for their kindness to me. Apart from staying with me when I hurt my leg, Vona made endless cups of tea for the searchers. These are true friends. Last, but not least, Dr. Lunny who attended to my leg which needed 12 stitches, and also examined my husband before he was taken to Treliske Hospital, from where he hopes to have been discharged by the time you read this. Once again a big 'Thank You'.

Grace A. Cotton.

LONG CROSS HARVEST FESTIVAL

The Harvest Festival held at Long Cross Hotel on 4th. September 1987 - service conducted by Mr. Rex, auction by Bill Dawe - raised a total sum of £370 in aid of the handicapped and other local organisations of the Parish of St. Endellion. I would like to thank everyone for their support.

Bill Dawe.

COASTAL PATH

A set of twelve granite steps has been constructed on the rough, steep slope on the cliff path at Port Isaac. Below them there is still an uneven section but doubtless this will probably be dealt with later.
