

TELEVISION AERIAL

The new television relay station will shortly bring good reception to about 300 people in Port Isaac. It is being built jointly by the BBC and the IBA and is expected to open in a few weeks time. The channels to be used are:

- Channel 55 BBC 1 South West
- Channel 59 Channel 4
- Channel 62 BBC 2
- Channel 65 ITV-TSW

Viewers with teletext receivers or adaptors will be able to obtain Ceefax on the BBC channels and Oracle on ITV and Channel 4.

To take advantage of the new service, viewers will need group C/D aerials, carefully fitted outdoors, and directed towards the new relay with the rods vertical. Aerials used for reception from other stations may be of the wrong group and, if so, should not be used for the new relay. The BBC and IBA do not recommend the use of set-top aerials.

A few people living in Port Gaverne are not expected to benefit from the new station, due to the nature of the local terrain.

Viewers should consult their local dealer or aerial contractor, on how to make best use of the new service, but technical help is also available from:

Eddy Howarth, IBA Regional Engineer, Tel: Cowbridge (044 63) 3491

Richard Terry, BBC, Broadcasting House, Seymour Road, Mannamead, Plymouth. PL3 5BD Tel: Plymouth (0752) 229201

IBA Engineering Information Service, Crawley Court, Winchester, Hants. SO21 2QA Tel: Winchester (0962) 822444

A copy of the map showing the areas of reception can be seen at 18 New Road.

Note: If the aerial has been opened by the time you read this, please remember that Trio is compiled about a week before it appears in the shops.

VILLAGE HALL

It is now some 18 months since funds were being raised for re-furbishing the Hall, and many of you who so generously contributed must be wondering what is happening, and if, in fact, the work will ever be completed. We, on the committee, also began to have similar thoughts - but we are now delighted to announce that after much 'chasing', we have been assured by the Manpower Services Commission that the work (excluding any decoration) will be completed by mid-March.

In view of the above, the A.G.M. will be held in the Church Rooms on Wednesday 9th. March at 7.30pm. and the committee members hope that as many as possible will attend. Light refreshments will be served.

Bess Coates, Secretary.

The Quiet Corner

Between yourself and the powers of darkness place this day the lantern of the Word of God to guide you.

HOSPITAL CAR SERVICE

Some recognition is owing to Port Isaac's own voluntary car service of people who are prepared to give up their time and use their cars to get those of us without their own vehicles to hospital. No mention was made of this service in the recent media coverage when the official service was withdrawn yet Port Isaac was cited as one of the most remote places and therefore in most need of hospital transport and our own service has been operating for many years.

Robin Penna.

AIR AMBULANCE

Our grateful thanks are due to many for their continued fund-raising efforts and donations; in particular:

Mr. & Mrs. C. Feldman from 'up country', The Cornish Arms - Pendoggett, Ricky - Spar Shop Port Isaac, The Malsters - Chapel Amble, Higmans - Wadebridge, D. Johnstone - opticians, Quintrells - printers, and Philip Mutton - estate agents.

Please do sign a Bank Standing Order now, and keep the Air Ambulance flying. Order forms and Covenants are with me - Phil Milton, 19 Silvershell Road, Port Isaac.

WOMEN'S WORLD DAY OF PRAYER

This year's service on Friday 4th. March will be held at Port Isaac Methodist Church at 11.00am. followed by a Famine Lunch at 12.15pm. We do hope that many of the women of the area will take the opportunity of joining together for this unique annual occasion of Worldwide Unity, Peace, and Love.

Tammy Benger, Secretary.

TREES PLANTED

On Sunday 14th. February Charlie David and Tim Dingle of the Heritage Coast Service, plus helpers from various parts of the district, planted some trees along the edge of the access road to the sewage treatment plant at Port Isaac. Afterwards, they also carried out some footpath repair work on the path to the mill from Church Hill.

A DATE TO REMEMBER

The Holman Climax Male Voice Choir are paying a special visit to Port Isaac and giving a Concert at 3.00pm. and again at 7.30pm. in the Methodist Church. Programmes £1.00 will shortly be available from Church members.

FRED HONEY

The death at Treliske Hospital of Fred Honey, aged 81 Years, has meant the loss to the village of another of its older residents. Fred, of 'Lyndhurst', 27 Trewetha Lane, was connected with the sea in the earlier years of his life but recently had not been in the best of health. The funeral service and the interment were held at St. Endellion Church on Tuesday 9th. February. We offer our condolences to his close friends in their bereavement.

ISSUE NO. 65

FEBRUARY 1988

We are pleased to see that Father Hugh Fryer, Rector of St. Endellion, Port Isaac, and St. Kew Parishes has been able to return to his duties after a period of enforced rest. We trust that people will respect his need to 'slow down' a bit and will not call on him at times of rest or on his 'free' Mondays.

MOTHER & TODDLER GROUP

The Coffee Morning for the Port Isaac Mother & Toddler Group raised an amazing £62.20. Thank you to everyone who gave raffle prizes, baked cakes, and generally lent a helping hand. Don't forget we meet every Thursday 10 - 12 at the Harbour Cafe. A charge of 50p. will be made towards the cost of, perhaps, a trip out (swimming), equipment, etc. Please if anyone has got any old toys tucked away in the attic, I'm sure we could give them a good home and also put them to very good use!

## PARISH COUNCIL

A report compiled notes taken during the monthly meeting held at the Church Rooms, Port Isaac, on Monday 8th. February 1988.

**Please note:** The notes are made in the 'public gallery' where it is not always easy to follow the discussion, they may, therefore, contain inaccuracies. If you need exact information, you are advised to contact a Parish Councillor or the Clerk to the Council.

### Parking in Fore Street

Only two comments were received from members of the public; one in favour of all-year parking restrictions, and one against. Mr. Dawe said that the police should take action when obstructions were caused. Mr. Stokes said the problems only occurred at Christmas and in the summer. Mr. Fisher (Spar Shop) was invited to comment and said that most Thursdays the police had to come from Launceston to make a way for the delivery vans to get through. Five of the delivery firms in fact now refuse to come to Port Isaac. It was decided to ask the police and Cornwall Highways Dept. for advice.

### Annual Parish Meeting

This is to be held at the Church Rooms on Thursday 28th. April. Guest speakers are to be invited.

### Bus Shelter

Consideration was given to the idea of using the bus shelter by the entrance to the Church Rooms as an information kiosk. It was reported, however, that the shelter is still used by people waiting for the Trago Mills bus and also when jumble sales were on. The Council is to seek a price for repair work.

### Port Gaverne Toilets

Tenders for the cleaning and opening of the toilets must be with the Council by 29th. February. The toilets will operate from 30th. March to 30th. September.

### Playing Field Gates

A price for new gates has been received and was discussed in private at the end of the meeting.

### Road - Treore Turn to China Downs

The road was said to be covered with mud and Cornwall Highways Dept are to be asked to investigate.

### Notice at The Main

A new 'no camping' notice in red and white to match the other notice at Cartway Cove is to be made to replace the old one which has disappeared.

### Bollard, Rose Hill

The old bollard mysteriously reappeared the same night that it was reported missing. Cornwall Highways Dept. are prepared to make a replacement in future if necessary.

### Street Lighting

A meeting was announced for 10th. February at which villagers of Trelights were invited to attend. In Port Isaac, there will not be a 'Victorian' lantern outside 'Pride of Place' as this would need an extra pole. Two new fittings are to be supplied on the private section of Roscarrock Hill, paid for by the Parish Council (£15 each). Mr. Couch was asked to speak and told the Council that 'Springside', Fore Street, which has 22 permanent residents, is now totally dark since the light was removed under

the new scheme. North Cornwall District Council are to be asked to deal with the problem. Mr. Norris pointed out that another private road, Lundy Road, had two lights in it.

### Village Hall Grant

Mr. Welton reported that work is going on well at the Hall but that as it was nearly impossible to make bills for materials equal exactly £500, the Hall would prefer the grant in money form instead of materials.

### Cornish Alternatives to Structure Plan

C.A.S.P. a group seeking alternatives to the Plan which allows for 39,000 houses to be built in Cornwall over the next fourteen years, is to get the support of the Parish Council. As the population of Cornwall is expected to remain stable, the houses would only be occupied by people from outside the county. It was also pointed out that there were not enough jobs for all these people and that the road network was already not adequate for the present traffic.

### Wadebridge Action for Swimming Pool

Another group, W.A.S.P., are to receive a letter of support in their campaign for a much-needed swimming pool in Wadebridge. There is not to be a pool in the new sports complex apparently.

### Sub Post Offices

Mr. Barriball (Trelights P.O.) said that M.P. Gerry Neale is to make a stand against proposals to reduce opening hours whenever a sub-postmaster resigns. He also felt sure that the locals would petition strongly if the opening hours were reduced.

### Statement from the Chair

Mrs. Cann, Chairman, said that she had taken unkindly to the letter in Trio last month where the Parish Council was

criticised for not using powers under the Local Government Acts 1976. 'We did all we could, and I also hope that it will be the last letter on the subject,' she said. 'Meanwhile the the drain problems are being dealt with by Cornwall County Council.'

### Planning Application

Plans for change of use of barn and outbuildings at Trecreege Farm, without the previously planned 15-acre area for recreation, were represented. The Parish Council made no observations.

### Public Discussion

Mr. Welton enquired about a 40' animal feed bin at Poltrewoy which seemed to be too near to the road.

Miss Hambly asked if some trees could be planted at Trewetha.

Mrs. Brown asked if the Council knew who owns the land next to Trelights Chapel. Mr. Dawe replied that he would call it 'common land', and that Peter Blake ought to be congratulated for the way he has cared for it.

Mr. Stokes reported that the water in Port Isaac was like mud. South West Water Authority thought that this could have been caused by the violent weather and had now flushed out the main from the bottom of Church Hill and apparently cured the problem.

Mr. Lobb asked for a seat at Trelights to be discussed at the next meeting.

The public were asked to leave at the end of the meeting while the price of a new gate at the Playing Field was considered.

### Next Meeting

The next monthly meeting of the Parish Council will be held on Monday 14th. March, at 7.30pm. in the Chapel Room at Trelights.

Dear Sir, We are please to enclose our cheque to cover another year's subscription to Trio. We look forward to every issue and really enjoy being kept in touch with events in Port Isaac. We are only sorry we can't be more frequent visitors. Since we purchased our cottage, we feel more and more attached to Port Isaac and think of the village and surrounding cliff walks and countryside very often. We feel very strongly that the cliff walk and other natural amenities should be left unspoilt.

Jean and Chris Feldman.

#### ART IN THE KITCHEN

An Exhibition by Roscarrock Art Group will be held at St. Endellion Church Hall from Sunday 27th. to Thursday 31st. March, by kind permission of Revd. Hugh Fryer. Open 11.00am - 7.00pm., visitors will be most welcome. The pictures will remain hanging for concert goers to view during the interval of the St. Endellion Music Festival, 3rd. - 10th. April.

Although we have been settled at St. Endellion Church Hall since 1986, the name of the Group comes from the days when the art classes were held in the kitchen at Roscarrock Farm. Our tutor since 1981, Doreen Gane, who trained at London University's Slade School, offered the kitchen, where she lived, when a Council art class at Rock closed. The class moved and came under the auspices of the Worker's Educational Association in 1980.

Mrs. Elizabeth Cockburn Smith.

Dear Sir, Is it really fair that Parish Councillors raise subjects in the 'Public Discussion' period at the end of Council meetings? Surely they can have their matters included on the agenda for the meeting.

Fred Thompson.

#### GARDEN SOCIETY

A meeting of the Port Isaac & District Garden Society will be held in the Church Rooms on Wednesday 23rd. March at 8.00pm. to discuss the future of the Society and of the Autumn Show. Everyone interested is requested to attend. Non-members welcome.

#### THE U.S.A. CONNECTION

Port Isaac's 'Daphne duMaurier' is currently flying to and from New York while working on the script for a one-man show for Anthony Quinn based on the life of Pablo Picasso.

#### AGE CONCERN

Pat Barnard of Tintagel, telephone Camelford 770939, area organiser, is the lady to contact about transport for the over 60's. This is not a taxi service and neither will it compete with local commercial transport. The voluntary car lift scheme for North Cornwall will cover a ten mile radius inland from the coast from Boscastle to Port Isaac. For the present the service will also help over 60's to get to hospital appointments until the alternative hospital car service becomes available.

#### MOUNT EDGCUMBE HOSPICE

Thanks to the marvellous help and support received, the Fund Raising day for the Hospice raised about £400. The total will be publicised when the figures are finalised. On a truly dreadful day, weatherwise, we were delighted with this response and thank everyone who gave, helped, and turned out in the rain. Later in the year, when the visitors are here, we hope to hold a Cream Tea Afternoon. Once again very many thanks to all.

Sally Pavitt and Sheila Jarvis.

## ST. PETER'S CHURCH NEWS

### A.R.C.

The Port Isaac Branch of A.R.C. (Arthritis and Rheumatism Council) held its Annual Meeting recently, when it was reported that the sum of £600 had been raised during the year ended October 31st. 1987. Further payments to headquarters, totalling £350, have since been made, and the Committee would like to express thanks to all who have helped this cause in any way. Plans for the forthcoming months include (by special request!) another sponsored walk along the Camel footpath - this time from Wadebridge (10.45am.) to Padstow. The bus returns from Rock Villas (Council Houses) at 13.20 or 16.02. Please note the date - Thursday 19th.

April, catching the 9.30 bus for Wadebridge. Note that as this will be in the school holidays, we have to make a rule that children (no younger than 8yrs.) will be welcome but must be accompanied by, and be the sole responsibility of parents or adult friends. Sponsorship forms are obtainable from me. Last year we reached £380 from sponsors. Can we beat that figure this year? I'd like to make £500 our target.

Application has been made and approved for a Flag Day on Wednesday 1st. June and for a House to House Collection during the week 11th. - 16th. July. Helpers will be required for both of these events. Please let Mrs. Pam Richards, or me, know if you can give an hour or two of your time in this way.

Grace Hooper.

## NEIGHBOURHOOD WATCH

To those people who have tried to contact me in the last three weeks, I can only apologise for any inconvenience. Life is a bit difficult without a phone. Telecom have informed me that I have to wait until 8th. March for my phone. I shall retain my number 880285 and my new address is 3 Mayfield Road. The Wadebridge police station is manned 9.00 - 1.00 and 2.00 - 5.00 Monday to Friday. Wadebridge 2216.

Peggy Richards.

## TWENTY TWO YEARS

When I came to live in Port Isaac as a warden in September 1965, I had no idea I would be in the same job for so many years. There have been the good times and the sad times but I have enjoyed my work and I would like to thank all those who have helped me over the years. Barbara Richards has been my relief for several years. Barbara and I worked as a team and I thank her very much for all the support she has given me. Pat Berman was always a willing helper - whatever the day or time, Pat was always to be relied

on. Volunteers have been Ray Provis, Bub and Olive Strout, Ray Berman, Bryan Richards, and Margaret Honey. If I have forgotten somebody's name I apologise. The professionals: doctors, nurses, ambulance crews, and the police from Wadebridge station, all these people combined, helped to make sure that the pensioners at Mayfield were comfortable, healthy, and safe in their twenty-four hour coverage. Thank you all for supporting me it has been much appreciated.

Peggy Richards.

## SURPRISE SURPRISE

It most certainly was. What a lot of conspirators and such a well-kept secret. I had no idea that a party had been arranged. I would like to say a special 'thank you' to Anne and Barbara (chief plotters), all the family and friends, for the beautiful painting, flowers, and cards. Dr. and Mrs. Baird, Barbara for the delicious cake, Marlene for decoration, Joy photographer, St. Breward Band, their families and friends, for their present, cards, and the musical evening which was enjoyed by all who attended, for the scrumptious food, and all those who worked so hard to make this an unforgettable evening. It is something I will cherish and remember for the rest of my life. You are all very kind, thank you.

Peggy Richards.

### Grand Auction

Our thanks to everyone who contributed to the Auction and also made the morning such a success. A total of £286.25 was made. Our thanks to Sue and Neil James for the use of the Wheelhouse Restaurant and for all their hard work on the morning and the evening before. Thanks also go to all the members of the Fund Raising Committee for all their hard work.

### Jumble Sale

At the Jumble Sale on 17th. February a total of £124.21 was raised. Once again this is an excellent sum of money and we are very grateful to all of the people involved for their hard work in organising this event and our thanks too to the people in the village who contributed to it. This amount, together with the money from the Auction has given us a total of over £400 already this term which is to go towards our new adventure playground which we hope to start work on in the very near future.

### Football Results

We have played a few games this term, two friendly matches, and the results were as follows:

St. Mabyn 4 v Port Isaac 4  
St. Kew 5 v Port Isaac 4

In addition to these we have played only one league game because of the problem of the weather, and that was at home against St. Teath. We were winners in that match by 4 goals to 1.

### Six-A-Side Competitions

We will be hosting the English Schools Football Association Six-A-Side Competition, which is sponsored by Smith's Crisps, at Port Isaac School for the first time on Saturday 5th. March from 10.00am onwards. It involves many schools in the North Cornwall area and the two winning teams on that day will go forward to a final at Truro. The eventual winners will make an appearance at Wembley Stadium on the Littlewoods Cup Final Day. We will let you know the arrangements for Wembley when we win through! 5th. March should be a very enjoyable morning and if you would like to come along and support and see some exciting football you are all most welcome.

### Port Isaac Six-A-Side Knockout

Once again we will be holding our own competition on Saturday 28th. March for all the local teams to end our Football League Season. In addition to the football there will be a netball tournament for those teams that are interested. This will once again start at 10.00am. and hopefully we will have plenty of support. It was a very enjoyable morning last year and lots of good football was played and it was very exciting. At the end of the competition that morning, as well as the presentation of certificates to the winning sides on the day, the presentation of the Tintagel and Camelford Lions' Six-A-Side trophy will be made to the winners of the League over the season. The President of the Lions, Mr. Derek Hamer, will be present to give the winning team their trophy plus their own individual shields.

Ian Bruce,  
Head Teacher.
