ISSUE NO. 75 JANUARY 1989

The lady who was going to do the typing for us this month was sadly, and unavoidably, unable to do so. Special thanks therefore to the two volunteers who leapt in at the last moment to help with this month's veritable 'mountain' of typing.

VILLAGE HALL
The committee are pleased to announce that, at last, the Village Hall up-dating is very near completion and the Hall is, in fact, already in use each Tuesday afternoon for the cake decoration classes. Unfortunately 'Manpower Services' ceased before the work was complete, leaving such tasks as the plumbing, some electrical wiring, hanging of doors and covering of part of the floor unfinished. With the help of others, members of the committee have now nearly completed the outstanding work, and in this connection we would like to express our thanks to Kenny Richards for his great help in removing rubble etc., from the front of the Hall. It is now hoped to have the Hall fully operational in the very near future. Bess Coates. Hon. Secretary.

PORT ISAAC CP SCHOOL
Christmas Activities
We would like to thank everybody for their support during the Christmas period. Many people attended our Carol Service and were also extremely generous when we were carol singing. A total of £120.00 was raised and this has now been sent to the Morley Tamblin Lodge. Thank you all for your generosity and your support in this.

Thanks go to all the parents who have helped at our Carol Service and Christmas Party as well as joining us at the Carol Singing and helped to make Christmas so enjoyable for all the children.

Our thanks go to Mr. and Mrs. Spry at The Golden Lion for once again providing food and drink for the children.

Special thanks go to Graham Woods at the Drug Store for his kind donation of ice cream at the Christmas Party, this was much appreciated and much enjoyed.

We will be out and about again in the New Year and look forward to seeing you at all events that take place either in the School or in the village. Ian Bruce.

P.I.P.s
Were you a Mod or a Rocker, into Flower Power, Beatles, Stones and Merseyside? if so join the P.I.P.s at the Green Door on Saturday 11th. February at 8 o'clock for our "Swinging Sixties" Disco and Supper. Dig out your minis girls and see if the old man will fit in his flares. Only £3.50 per ticket to include Disco and Supper. Tickets available from Golden Lion, Harbour Shop, Bay Gift shop, and Green Door. The A.G.M., of the Port Isaac Players will be held on Wednesday, February 1st. at 8pm. in the Golden Lion.

The Quiet Corner

Some years ago, a very small miracle happened in my life. I kept very quiet about the 'miracle' side of it. Two years later, I had to visit a consultant physician who after scanning my medical records, described it also as a miracle. Today, there is no small miracle in my life, at 5ft. 10 inches, Guy is a large miracle.

Acknowledgements to Jan Richardson.

MACMILLAN NURSING SERVICE
A super lunch was served at the Cornish cafe by kind permission of Mr. D. Phelps in aid of the MacMillan Nursing Service. The sum of £239 was raised. Thank you Dave, Lil, Dilys, Shirley, Pat, Irene, Sally, Sue, and for all your hard work and to everyone who supported this very worthwhile cause.

Sarah Gill (on behalf of the MacMillan Nursing Service).

ADVANCE NOTICE
Flower Festival, St. Peter's, Port Isaac, Thursday 10th. August until Sunday 13th.

MR. WESTLAKE BROWN
Older residents of the village heard with much regret of the death, after a short illness at Treliske Hospital, of Mr. Westlake Brown, aged 87 years, of the 'White Cottage' Rose Hill. Mr. Brown worked as a butcher for the Worden family and later with the Cheshires until his retirement. He had been a Churchwarden and Sidesman at St. Peter's Church for many years. His late sister Alice, and his brother Ronald, had also been closely connected with the Church.

A Requiem Mass on Thursday 1st. December, was held at St. Peter's Church on the day of the funeral at Penmount Crematorium, conducted by Revd. E. B. C. Dunford. We express our sympathy to Westlake's closest friends.

MR. ROBERT GEORGE BROOKS
We express our sympathy to Mr. and Mrs. S. Slatter on hearing of the death of her brother, in London. The interment of the ashes was held at St. Endellion Parish Church on 6th. January and the short service was conducted by the Rector, Revd. Hugh Fryer.

MR. C. WALLEY
Many readers will have been saddened to hear of the death, at Christmas, of Mr. Charles Walley, father of Mrs. J. Warrillow, Longcross Hotel, Trelights. We send our sympathy to all the family and friends.

MR. GARNET JACK HOSKIN
It is with regret that we have heard of the sudden death at his home, Tregarthen, Trewetha Lane, of Mr. Garnet Jack Hoskin. We express our sympathy to Margaret and the family. We hope to print a full obituary next month.

## PARISH COUNCIL

A report compiled from notes taken by a member of the public during the meetings held at the Church Rooms, Port Isaac, Monday 12th. December and Monday 9th. January.

### December Meeting (abridged):

Mr Stokes said since several contractors are involved it is impossible to tell which ones gave rise to the Cliff Footpath complaints.

N.C.D.C. don't want the car park used for crab pots as they will be resurfacing it during the winter.

Cllr. Symons said N.C.D.C. would clean Port Gaverne toilets for about £150, they might also be able to open them in the mornings.

### Finance

Reimbursements from County Highways for footpath work, have improved finances. Estimated expenditure (cliff footpath wall, playing field gateposts, Port Gaverne toilets, and St. Endellion churchyard) mean a 4.5p parish rate will be requested (1p brings income of £1302).

### School Governors Report

Mrs. Cann, new Chairman of the Board of Governors explained the system by which governors are elected: one is appointed by the Parish Council, two are elected by parent ballot, two are co-opted by the previous governors, two are appointed by County Council from a list of recommendations, two teachers (including headmaster). They need not have children at school and presently are expected to serve a term of four years.

### Notice Boards

The glass has been re-fitted at the car park. Some of the other boards need new pin-boards. Mr. Stokes offered to look at the boards and advise on a more suitable material.

### Descriptive Sign at B.3314

A request from Port Isaac and District Tourism Association for 'Historic Fishing Village' to be

added to the 'Port Isaac' signs was felt to be a good idea. Mr. Phelps said it would be better to have just one sign, including this wording, instead of the present jumble.

### Fouling by Dogs

Mr. Stokes reported complaints and had been shown 17 messes in Middle Street. Dogs are not supposed to roam the streets so the police should be told. Dog owners show no sympathy. Notices are to be put up. Councillors feel that owners should collect the messes in plastic bags and take them home. Cllr. Symons will ask if N.C.D.C. has wardens.

### Preservation of Old Telephone Boxes

English Heritage is to submit, to the D of E, 1000 applications for listing 'K6 Kiosks', from 4000 received so far. They have been contacted and all other interested parties, e.g. P.I.D.T.A., should support the idea. Mr. Norris said perhaps the Council should reconsider the 'Phonewatch' scheme.

Mrs. Cann congratulated Mr. Stokes and his team on the Christmas lights in the village this year.

### Clerk's Correspondence

Cllr. Symons said County Highways is to look at the general situation.

No further action is proposed at the B. 3314 Trelights road junction.

Mr. Phelps said the pothole between the garages is a 'bottomless pit' and could be a fault in the ground.

It is proposed to divert footpath no. 7 along the side of the B.3267 to skirt the building development 'Bodannon Bungalow'.

Difficulties were reported from an allegation by the landowner that there is no footpath (no. 3) at Brooklands Farm, Port Gaverne.

Mrs. Cann investigated the Public Information Act ruling, following a complaint that Mr. Phelps spoke independently at a Trelights site meeting where he was a representa-

tive of the Parish Council. Any member of the public may attend a site meeting and have their say so Mr. Phelps was also entitled to speak as an individual.

### Planning Applications

K.C. Richards - Bodannon Bungalow - extension. The plans did not indicate the existing building and clarification is to be sought.

E. Donnithorne - outline plans - split-level bungalow and private garage, in Port Isaac valley just behind the village. A 'Section 52' agreement would prevent further development for a number of years. Also possible tree-planting, and use of some of the land for e.g. car parking. The Council decided to inspect the site before commenting

### Public Discussion

Mrs. Haygreen from Trelights, referring to an item in Trio, said people burning rubbish on open land had the landowner's permission.

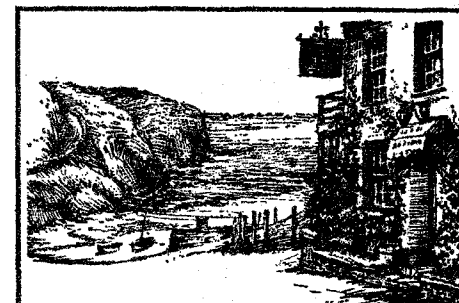

The problem with dog-fouling was 'disgusting'. St. Endellion Lane was a mass of flies in warm weather.

Margaret Couch said the Springside light, promised for last September, had still not been installed. She would raise the matter each month until it was done. Cllr. Symons said N.C.D.C. had the work in hand.

#### January Meeting:

Mr. Stokes, after reporting on the condition of the notice boards, is to look at those at the car park and at the Liberal Club.

Mr. Dawe asked why the new development at Trelights had no proper roads or pavements.

#### Finance

A balance of £593.63 less expenditure of £166.29 leaves a total, including funds on deposit, of £870.99. in the Council's account.

#### Telephone Boxes

Mr. Bolton said the new boxes look all right and in any case are preferable to plastic window frames in the Conservation Area. The matter of inspecting the boxes (Phonewatch) will have to wait six months before it can be discussed again.

#### Age Concern Truro - Mobile Centres

A scheme to provide a mobile centre at sites throughout the County, with a mini bus to bring elderly people to it, was not thought necessary for our village. The Community Bus scheme had attracted little support. Nevertheless Age Concern to be asked for details and to be sent a list of the facilities that we do have.

#### Clerk's Correspondence:

A letter from a resident in Silver-shell Road objecting to the proposed house on the side of the valley as a visual detriment to Port Isaac - 'the gem of North Cornwall's coast'. brought cries of 'hear, hear' from several members of the Council.

County Highways cannot authorise the descriptive sign at 'Port Isaac Turn' but will tidy up the present jumble of signs. The problem with the 'cobble' at the Platt will also be dealt with. Mrs. Richards said

again that the black paint obliterating the old yellow lines is very slippery. Mrs. Cann replied that the only solution would be to resurface all the roads, which is needed.

No further work is scheduled for the Trelights turning at Plain Street. Mr. Dawe expressed disappointment that no advantage had been taken of his offer of land to improve visibility. The earliest date any requests for further work would be Spring 1990.

Photographs of Myrtle Grove Cottage, 'before' and 'after' if possible, are to be obtained in connection with the award scheme.

A letter from Mr. Hoskin aroused considerable discussion concerning the deterioration of the cliff path due to use by builders' lorries. It seems that the road can be used by anybody, but Mr. Hill at County Hall is to be asked the actual legal position in view of the fact that Mrs. Doney, Footpath Officer, has received several complaints concerning the public footpath that runs along there. Mr. Stokes said that people are entitled to at least a footpath width strip of tarmac. Queries were also raised about the size of the dwellings being erected as the Council had not seen any plans since outline stage when bungalows were requested. The Clerk was asked to enquire about this.

#### Public Discussion

Miss Couch said 'We are still waiting in the gloom. When is there any likelihood of our getting the light at 'Springside'? She was asked to get in touch with Cllr. Symons (who was not present).

#### Next Meeting

The next monthly meeting of the Parish Council will be held on Monday 13th. February at 7.30pm. in the Church Rooms, Port Isaac.

#### AIR AMBULANCE

May we thank all those involved with fund-raising for the Cornwall Air Ambulance, for their wonderful efforts in 1988, the most recent being the Port Isaac Christmas bazaar which resulted in £283. Great work has now also been done by The Port Isaac Singers, the staff of the Cornish cafe, a Sponsored Slim, The Cornish Arms Pendoggett, St. Mabyn Holiday Park, Father Christmas at the Harbour Shop, and many others

including a large number of tin-holders whose efforts are always appreciated.

Ideas and efforts for 1989 will be extremely welcome and we shall both be only too pleased to help in any way possible, particularly with items for display and sale, badges, fun stickers, advertising posters, etc. Your enthusiasm and hard work ensure the success of the Air Ambulance for 1989. Very many thanks.

#### CANCER RESEARCH CAMPAIGN

The local Cancer Research Committee would like to thank everyone for their donations collected during the carol singing with the St. Breward Band before Christmas. A grand total of £125 was raised for this worthy cause. Many thanks.

#### MOUNT EDGCUMBE HOSPICE

It is a sad fact that each year more people of the village have occasion to become patients or visitors to Mount Edgcumbe Hospice. However, it is the experience of all that they are deeply impressed by the tranquil, happy atmosphere and the quality of the care given. To help provide this unique facility in Cornwall we are holding our Annual Hospice Day on Saturday, March 4th. in the Church Rooms. Any gifts or items for sale will be gratefully received by either of us, or we can collect. Helpers for the day will be welcomed and we will have our usual meeting to organise stalls etc. If you can help in any way please contact: Sally Pavitt 880683 or Sheila Jarvis 880726

#### CHRISTMAS "CAROLAIRE"

The Carolaire held in the Methodist Chapel in December was an outstanding success, and many requests have been received that it will become an annual event. St. Breward Silver Band under the conductorship of Mr. W. A. Hunt accompanied the singing of well loved Carols, and gave a programme of much appreciated Christmas music. Mrs. J. Townsend, conductor of the Port Isaac Singers, also arranged a selection of suitable items which was well received by the very large number of people present. An appeal was made on behalf of the Armenian Earthquake Disaster Appeal Fund. And as a result the sum of £138.10 was received. A further donation of £5.00 was given later. Our grateful thanks to all who in any way helped to make this such a wonderful evening. Wesley Blake.

#### PORT ISAAC CRICKET CLUB

We are having 'Grand Jolly Up' at the Green Door Club tonight, Saturday 28th. January from 8.00pm. till late. Live music by 'Mic McCreedy & Larry Law'. Tickets £2.00 including Buffet, available at The Green Door or The Bay Newsagents. Will anyone interested in joining the Cricket Club please contact Neil James at the Wheelhouse.

#### PORT ISAAC ILLUMINATIONS

Once more the lights were a great success with visitors and villagers alike. The "switching on" was a good night, and next year we hope to combine it with the St. Breward Band, and Carols. A heartfelt "thank you" to all the lads, too numerous to mention, who helped erect and dismantle the lights.

The bulk of the money was raised in the Golden Lion Sunday raffles. Thanks Muriel and Jack and girls, and a special thanks to Mike Warner of the "Old School" for a generous donation. Not least of all, our gratitude to the people who supplied free electricity, including: Graham and Maureen Woods, Drug Store - Frank Gadman Victoria House - Neil and Sue James, The Wheelhouse - Jack and Muriel Spry, The Golden Lion - Mr. and Mrs. Russell, Post Office - Neville and Enid Andrews, Mace Shop - Henry and Rita Stickland - Harbour Shop (plus free storage) - Jane McCulloch, Roscarrock Hill - Sir Peter Crisp, The Mariners - and our humble selves, Eric and Audrey. Finally, to the morons who regularly

stole bulbs from the tree, (five nightly) and low slung festoons, which cost us at least £70, we would like to say that if we catch you, we will prosecute, and if you are too young, we will ask your parents to pay, and publish the names. Next year, we hope to extend the lights even further around the village and up Fore Street, the fund is open to donations all the year, at any of the shops or Pub.

Thanking everybody, Eric Stokes.

#### EDWINA CURRIED EGGS

Eggs not all they're cracked up to be?

Or so Edwina cried.

But I shall eat them endlessly, Poached, boiled, and fried.

Scrambled eggs are eggcellent, If not too lightly cooked, Apparently, if underdone, Can get you smartly on the run!

In a souffle or a pud, Eggs really are eggstremely good, Chances of falling fowl of these, Are eggceedingly slight you see.

So please don't be a chicken, And eat an egg each day, Remember the protein packed in them Keeps the Doctor miles away.

Edwina has become a yolk! Eggspecially to us Cornish folk.

She must eggsamine her facts

I think, Or may well find she's become eggstinct.

Written eggslusively for Trio readers by Robert Andrews.

#### MORLEY TAMBLYN TRAINING CENTRE

At the bingo on November 29th in aid of the Morley Tamblyn Training Centre the magnificent sum of £370 was raised. This included a £60 donation from the Longcross Harvest Festival auction and was presented by Mr. W. Dawe. The hall was filled to capacity and everyone enjoyed the mince pies and sausage rolls served during the interval. Thanks to Janet Chadband for the super prizes and to everyone who helped and supported the event. The star prize of a wine rack filled with ten bottles of wine was won by Victoria Hall.

#### RUBY WEDDINGS

Congratulations and Best Wishes to Freddie & Midge Ross who celebrated their 40 years of marriage with a Supper and Dance at The Green Door Club on 7th. January, and, Congratulations and Best Wishes to Bill & Bess Coates who celebrated their 40 years of marriage with a Party at their home in Silvershell Road on Sat. 21st January.

---

What wonderful support this month - we were swamped, and had to dip into the coffers to print a couple of extra pages! It would be a help if articles could be kept to a maximum of 100 words, though, as there is only a certain amount of space and we never like to leave anything out.

We only had one reply about a light in Doctor's Meadow - an offer of a traditional style lamp post, so it wouldn't seem as if any other 'Port Isaackers want the path to be lit.

#### GARDEN SOCIETY

The first half of this session's meetings of Port Isaac and District Garden Society has been most interesting and helpful, and the great increase in attendances is very encouraging. Membership also has increased beyond what we hoped it would be. Our next meeting has been arranged for Wednesday 8th. February at 7.30pm. when, by kind permission of Mr. D. Phelps we meet in the Cornish Cafe. One of the outstanding experts on the culture of 'Cyclamens' in this country is Mr. T. D. Wiltshire who has agreed to come and give us a fully illustrated talk on this fascinating subject. As usual there will be an 'open question' period, a raffle, and refreshments will be served. Everyone is most welcome.

Wesley Blake, Chairman.

#### THE SPASTICS SOCIETY

To-day, Mrs. Hicks presented Gladys Holman House with a cheque for £1,000 which we will be placing into an 'Improvement Fund' from which we pay for future Improvements and Developments at the Centre.

I would be most grateful if you would express our most sincere thanks to all the friends and associates who have been concerned with raising this superb sum of money. Yours sincerely

J. G. Dellar.

Barbara and Keith Willmott realised five years ago that Port Isaac would benefit from having its own Estate Agency. Since then Penreal has grown over the years and offers Port Isaac an active personal property market and house letting agency.

The advantage of being able to use the Woolwich Building Society (formerly Gateway) 5½ days a week has proven a great asset to the local community. Other facilities available and well used are Typing Service, Photocopying (also in colour) and since the postal strike - our latest addition the FAX machine. This gives excellent urgent correspondence delivery not only locally but all over the world.

Penreal has now linked with Provident Life Association (Lautro Member) and Barbara and Keith are qualified to offer advice on mortgages and can give you an instant quotation on the type of mortgage you require whether you purchase from Penreal or elsewhere.

In May last year Penreal said goodbye to Lyn who was well known in the village and is now happily married to a farmer in Penzance. Christine Ubyly has now taken over and has added her youth and charm to Penreal. She is available to help with all aspects of the business.

#### GOLDEN CIRCLE

Our thanks to all the folks in the village who gave prizes and turned up to support the Bingo Evening in November. Many thanks to Dave for 'calling'. The splendid sum of £208 raised financed the Annual Christmas outing! After shopping in Newquay the party had a splendid lunch, with all the traditional fare, at the Kilbirnie Hotel.

Members heard with regret of the death of Mr. Charlie Walley, who, although had not been a member for very long, had made himself very much a part of Golden Circle.

## ST. ENDELLION CHURCH NEWS

### Ringers Dinner

In a novel way to raise funds for the Guild of Ringers bell restoration appeal, each tower in the diocese was given a £1 coin to try to multiply. At St. Endellion., a dinner and raffle held at the home of Mr. and Mrs. Roger Richards at Trewetha, succeeded in raising the splendid sum of £100 which was sent to the fund.

### Combined Service

Stormy weather and several parishioners on holiday meant that the December combined parish Eucharist at St. Endellion was poorly attended. The Rector was celebrant and the organist was Mrs. Janet Townsend. Lessons were read by Mrs. C. Greenwood and Major P. Barnett.

### Carol Service

The combined parish Carol Service was held in the St. Kew Parish Church in December and was very well attended by nearly 100 people. Lessons were read by members of the three churches and the combined choir led the singing of Taize music and carols. The Rector conducted the service and the organist was Mrs. Janet Townsend.

At St. Endellion Church on New Year's Day a party of singers from the Music Festival led the singing at the sung Eucharist and provided Sung Evensong with carols around the crib in the afternoon. The morning Eucharist was celebrated by the Revd. Preb. Edwin Stark, assisted by the Rector. There were 68 communicants.

At the afternoon service lessons were read by members of the Festival and the congregation was invited to Trelights Farmhouse for tea and carols. The Revd. Preb. Rose and his party were thanked by the Rector for organising this very pleasant annual event.

### Christmas Services

Nearly 100 people attended Midnight Mass at St. Endellion Church on Christmas Eve. Celebrant was the Rev. Alasdair Macheracher who also blessed the crib which had been made by Mr. Russell Pollinger. Mr. Sidney Rex assisted with the chalice and the organist was Mrs. Helen Bennett. On Christmas morning the sung Eucharist was very well attended. The Rector was celebrant assisted by

the Rev. Preb. Edwin Stark and by the Rev. Alasdair Macheracher. Organist was Mr. Reg. King.

### Healing Eucharists

#### Descriptive Sign

At the last meeting further efforts were made in the year-long saga to achieve a descriptive sign at Port Isaac Turn, and the Parish Council has been asked for help.

#### Accommodation Guide

The new Accommodation Guide has been produced and all members have received a copy. It is being sent out to all enquirers and copies will be supplied to Wadebridge and Camelford Information Centres. After the A.G.M., another edition will be prepared to allow for the inclusion of new members - it is now purely for the benefit of members.

#### Subscriptions 1989/90

The level of subscription for next year is under discussion and will be approved by the A.G.M. It will be strictly related to the financial needs of the Association.

#### Hon. Secretary

The Association is looking for another Hon. Secretary as the present one, Robin Penna, while he is happy to do the work, finds it difficult to run a small business and act as the unofficial 'information centre' for the village at the same time because the address of his shop appears on notice boards!

#### Self-catering

Attempts are being made to get information for inclusion in the Accommodation Guide on how people can book their holidays in some of the cottages and other self-catering places. We are again asking for all people with accommodation (preferably that has been inspected by one or more of the Tourist Boards, a representative of a reputable Tourist Guide, or the Motoring Associations) to get in touch with us.

#### Annual General Meeting

As Easter is at the end of March this year, it has been decided to hold the A.G.M. at St. Peter's Church Hall on Wednesday 19th. April at 7.30. More details later.

#### Next Committee Meeting

The next Executive Committee meeting, at which all paid-up members are entitled to attend, will be at the Old School Hotel, Tuesday 7th. February at 7.30pm. The Agenda will be posted on the two main notice boards. R. Penna, Hon. Sec.
