Next Issue Saturday 26th. August.  
Deadline 9.00am, Thursday 18th.

**PLEASE NOTE**  
If your article contains details of events with date, time, etc., it is a good idea to write them out again, on a separate piece of paper, for inclusion in the Diary. We try to spot them but don't always see them when preparing the newsletter. If they are written on separate pieces of paper they will certainly be included in the Diary.

**ADVERTISING SIGNS**  
The Parish Council are extremely concerned with the amount of display boards advertising shops, food and services. These signs are obstructing footpaths, making it difficult for pedestrians to walk on pavements and having to step into the roadway. The village of Port Isaac is renowned for its unspoilt appearance and the Parish Council would ask traders not to display so many signs and feel it unnecessary to cover every available window with advertising material. Clerk to the Parish Council of St. Endellion.

**PORT ISAAC SCHOOL**  
Once again the end of term has been very hectic with many enjoyable events. The weather has been extremely kind to all of us and each event has gone off without any problem. Listed below are details of some of those events:

**Inter-School Sports**  
The Inter-School Sports were held on Wednesday, 28th July and many gained certificates in their events. The following children did particularly well:  
Danny Albury, Joanne Taylor, Liam Benz, Donna Byfield, Samuel Williams, Andrew Fletcher, Bethney Albury, Michaela Benz, Simon Slat-ter, Anne-Marie Hallett, Tom Wills, Kristopher Richards, Leah Coshall, John Coy, and Eloise Fisher.

**Swimming Gala**  
The Swimming Gala was held on Friday, 14th July, an excellent time was had by all and the winners of the 'Duncan Goodhew' Trophy were Grenville. This was a very closely run competition and it was finally won on the Relay events at the end.

**Sports Day**  
The Sports Day was held on Thursday, 13th July and everyone who came along to watch thoroughly enjoyed the Day with some very exciting racing. I do not think that in all the years we have been running the Sports there have been so many close races. Special mention must be made of all those who did not qualify for certificates but thoroughly enjoyed themselves and contributed to an excellent afternoon.

The following were the Cup Winners:-  
Senior Boys - Andrew Fletcher  
Senior Girls - Michaela Benz  
Junior Boys - Liam Benz  
Junior Girls - Donna Byfield  
Infant Boys - Mark Richards  
Infant Girls - Lucy Talbot  
Congratulations to them all.

**Summer Fair**  
Thanks must go to all the parents who worked so hard to put together and organise the Summer Fair on Monday, 17th July, and also to all of you who supported it. You will be interested to hear that the sum of at least £350 has been made, which, once again, is a fantastic sum. Special thanks must also go to Mike Warner of the Old School Hotel for the use of his premises.

**Thank you and Farewell to you all**  
I have thoroughly enjoyed what is nearly five years at Port Isaac School. I must thank you all for the support you have given the school throughout that time. I do not think

**The Quiet Corner**  
It's worth asking ourselves, 'What am I going to do with the miracle of time given to me today?'

that any headteacher in the County has better support or help from parents and members of the community. I will be very sad to leave the School although I am moving on to what I have always hoped I would get which is a large school headship. The atmosphere and relationship with both children and parents in a small school I do not think can ever be bettered. I hope to be able to visit Port Isaac from time to time once we have moved and I look forward to seeing one or two of you when I am around. So, goodbye to you all and thank you very much once again, I will always look back on my years at Port Isaac with affection and happiness.  
Ian Bruce, Head Teacher.

**PORT ISAAC & DISTRICT TOURIST ASSOCIATION**

Dear Members, new members, and all who are interested in keeping Port Isaac, the place where we are proud to live, not forgetting the surrounding district's charm and interest. We have recently erected signs on the main road B3314 directing people to our historic fishing village, this helps to keep people in our parish of St. Endellion. We have obtained tourist board recognition and liaise with the local information centres. We keep Port Isaac and District to the forefront by advertising in the Heritage Coast Paper, and the Tourist Association of North Cornwall guide backed up by a comprehensive Port Isaac membership accommodation list. Please help the Port Isaac Tourist Association move forward on your behalf by paying your subs now to keep our heritage secure and prosperous. Please give your subs, or send them, to Hon. Treasurer, Fred Thompson, 9 Dolphin Street.

We are yours, Port Isaac and District fellow residents

- Annual subscriptions: Hotels £30
- Guest Houses, Restaurants, Cafes, Shops, and Other Businesses £15
- Bed & Breakfasts up to six £10
- Self Catering Cottages, Flats, etc. one unit £10 (extra units £5, to maximum £30.)
- Private Individuals £5
- New businesses joining after August, half rates.

**MR. G. H. WHERRY**  
We express our sympathy to Mrs. Mary Honey of Mayfield Close, and other relatives, on the death of her brother George Henry (Ski) Wherry of Lower Greenbanks, Rock, aged 78. The funeral service was held at St. Minver Parish on Friday 23rd. June, followed by the interment at St. Endellion.

## PARISH COUNCIL

A report compiled from notes taken by a member of the public during the meeting held at the Church Rooms, Port Isaac, Monday 10th. July.

Mr. Norris, vice-chairman, took the chair in the absence of Mrs. Cann.

### Treasurer's Report

a. It had cost £16.50 to replace the broken glass in the car park notice board. The glass is now broken again and the cost of replacing it with perspex is to be investigated.

b. A letter from Fred Thompson, Hon. Treasurer of Trio, thanked the Council for past donations, but knowing that the Parish Council has little funds available for donations, help would not be asked for this year. Trio has sufficient cash at present from increased sales and from private donations.

### Planning and Conservation Area

Correspondence between Mr. Whiting, N.C.D.C. and Gerry Neale, M.P. has discussed the so-called 'permitted development' and the needs of the 'Conservation Area'. It was questioned whether the 'guidelines' issued by the Planning Department three years ago had any effect and consideration might be given once again, to applying for an Article IV order for the area. This would effectively prevent any development taking place without planning consent and the Council would first conduct a referendum to consult every ratepayer. The matter is to be fully discussed at next month's meeting.

### Parish Council Insurance

To meet the possibility of large claims, the cover for Parish Council money in transit may have to be increased to £2,000, and for public liability claims from £1,000,000 to £2,000,000. The clerk is to discover the increase in premiums entailed.

### Donkey Derbys

All councillors were in favour of permission being granted for the Donkey Derbys at the playing fields on 25th. July and 15th. August.

### St. Endellion Graveyard

A letter from St. Endellion P.C.C. said the existing graveyard will not be extended when it is full in ten to fifteen years time but will be closed due to escalating maintenance costs, and no further glebe land will be used for burial grounds. The Parish Council will then become responsible for burials for a period of six months until the N.C.D.C. takes over.

This raised the question of where would a new burial ground be - it ought to be adjacent to the present one, also, if the Parish Council had to pay for it the money would have to be raised from the ratepayers. It was suggested that a committee

be formed, with members of both the P.C.C. and the Parish Council, to discuss the problem.

### Playing Field Equipment

The roundabout is now dangerous and the contractor is to be asked to remove it, and leave the site in a safe condition. Meanwhile he will be asked to provide a quotation for the necessary repairs.

### Port Gaverne Toilets, Disabled Users

It was found, after tests with a wheel chair, that the door of the cubicle can be closed. A disabled user has said also that they have found the facilities to be perfectly acceptable.

### School Governors' Report

The clerk gave a verbal report from Mrs. Cann announcing that Headmaster Ian Bruce is leaving and that Mrs. Prescott will be acting head for the time being. Interviews will be held, in July to find a replacement teacher for Mr. Bruce's class, and in September for a new head teacher.

### Signs Outside Commercial Properties

It was reported that one business had 27 signs outside and another had 13, but, said Cllr. Symons, there are no planning infringements. The Parish Council is to ask that the number of signs is kept down.

### Road Safety

The Wadebridge and District Road Safety Committee wants to attract more people from outside Wadebridge itself and the Parish Council is invited to send representatives to the next meeting in September.

### Beach Cleaning

Under the new Direct Labour scheme, the District Council will no longer clean Port Isaac beach. This is the responsibility of the Harbour Commissioners. If it becomes unhealthy, the District Council can instruct someone to clean it and send the bill to the Harbour Commissioners. Port Gaverne beach, where there is no harbourmaster, is the responsibility of Delabole cleansing depot. While discussing this matter, it was mentioned that Mr. Pyman, N.C.D.C. will meet Mr. Dodgeon, Highways, in Port Isaac. The regulations stipulate that Councils must now be able to 'account' for all work done so - first someone comes to inspect the problem, then the foreman comes to see what needs to be done, the men come and do the work, and then someone else comes to see that it has been done properly, and so on . . . a system which means more money is spent on 'accountability' than getting the work done.

### Contract for Fishermen

A draft contract giving permission for the fishermen to use the 'coach park' at the playing field to load fish on to lorries was presented by the Clerk. After discussion it was decided that the document should be checked through by a solicitor.

### Clerk's Correspondence

a. A letter from Mr. Penna suggesting that a decision to support the footpath diversion in Port Isaac valley should not have been taken during 'Clerk's Correspondence'.

b. A definition of 'Heritage Coast Interpretation Centre' was read.

c. A letter from Mr. Warrillow, Port Isaac and District Tourism Association, asking the Parish Council to keep under review the possibility of adding the words 'Historic Fishing Village' to the village nameplate.

d. Next time he is in Port Isaac, Mr. Dodgeon, Highways, will observe the parking problem in The Terrace for himself.

e. A letter from Mr. Penna [published in last month's Trio] spoke about the lack of street sweeping.

### Public Discussion

a. Mrs. Brown, Trelights, said the graveyard would be full in five years, not ten or fifteen. She said the front of the church is kept immaculate but the long grass and a heap of stones in one corner are a disgrace. She also wanted to know what had happened to the money collected for flowering shrubs which have never been planted. She then complained about the low-flying jets which make children scream with fright. Mr. Shields pointed out that the pilots must practice low-flying.

b. Mrs. Strout spoke of letters she had seen at the time of the sale of the Old School, which referred to covenants forbidding the change in the appearance of the building.

### Next Meeting

The next monthly meeting of the Parish Council will be held on Monday 14th. August at 7.30pm. in the Church Rooms, Port Isaac.

### 1ST PORT ISAAC BROWNIES

The Brownies have spent an active summer term which included a District 'It's a Knock-out' Sports Day at Camelford School, joining in a Wild West Rodeo at Wadebridge Royal Show Ground together with 800 Brownies from all over Cornwall and finally dancing the Flora, leading the St. Breward Band with Boscastle Brownies, as well as taking their Water Safety Badges, during this hectic term. We wish a sad farewell to Kate Savell, Michaela Benz, Bethney Albury and Eloise Fisher who now have to leave us, and also to their parents who have given us such support over the past years. We begin again in September and invite any 7 year olds onwards to join us. The highlight of the 75th Anniversary Year of the Brownies will be a trip by all the Cornwall Rangers, Guides and Brownies to Flambards in October for a huge birthday party for the whole County. Cindy and Melanie.

### LETTER

St. Paul's Cricket Club, having just returned to London after a six day cricket tour, would like to thank everyone involved with the four sides we played, for their hospitality and help during our stay, especially Jackie Morris who stepped in at the last moment to organise the games on our behalf - we thank you Jackie most sincerely. Hope the phone bill will not be too high!!

Dave Lye, Sec., St. Paul's C.C.

### PORT ISAAC FOOTBALL CLUB

After such a terrible start to last season with two broken legs and various other injuries in which the club could only struggle along trying to field a team, it was great news to hear that last month at St. Blazey the Duchy League presented our secretary, Brian Richards, with a cup and a shield, Port Isaac being voted best sporting club in the league, and our secretary Brian Richards voted top secretary in the four divisions of the Duchy League. Well done Brian and our team. The club is now back in full training.

### Bus Trips.

With the club now in Division 2 and having to visit places such as St. Mawes, St. Austell, Bodmin, Fowey, etc. anyone who would like to travel, to walk around, shop, or even watch us, will be welcome as we always go by Prout's large coaches and there is always plenty of room. Special price for lottery members, and QAP's half price.

### Port Isaac to Bodmin Sponsored Walk.

Early in August we are doing a sponsored walk to Bodmin Police Station. Date and time will be shown later. All proceeds go to the club.

### Well Done Alf.

Alf Guard of the Lawns Hotel (our treasurer) did a sponsored walk for the Blind Dogs Association last week, raising £100, and with weekly raffles at the Lawns is well on the way towards the £1000 needed to buy them a dog fully trained. Last year £1000 was raised for the Air Ambulance. Well done Alf.

Les Honey, C/Manager.

### VILLAGE HALL

Would anybody like to volunteer to come and paint our front doors?

### PORT ISAAC PLAYERS

The P.I.P's will be presenting their summer productions on Tuesday evenings at 8.30. It is hoped to commence the performances on August 8th (but watch out for the posters). The programme will consist of two one-act plays:- 'Mixing with the right people' by Dan Sutherland and 'Red Spy at night' by Philip King, plus full supporting programme. Bess Coates.

## LIFEBOAT.

The coffee morning on the 12th June, held at 'Handsacre', Trelights, by Mrs. Mary Finch, was very well attended and raised £340.

On the evening of Saturday 24th June, the lifeboat was launched in response to a report of persons cut off by the tide at Tregardock. The anglers were found and said they were not in danger: further searching failed to reveal anyone in difficulties, and the lifeboat was recalled. Crew: Neville Andrews, Andy Walton, and John Collins.

On the 4th July, two people were reported cut off by the tide at The Greenaway, Polzeath. The lifeboat was launched and crew members John Coshall, Nigel Andrews, and Andy Walton took the two men off cliffs near Tristram car park. Both were unhurt and were put safely ashore. On 18th July, the lifeboat was launched to assist a child, injured on rocks at Polzeath. Crew members Neville Andrews, Mike Daly, and Andy Walton picked up Dr. Sainsbury from steps near the scene, and took him to the casualty. Henry Dingle, aged 12, from London, was found to have broken a bone in his foot, and had cuts to his face. The lifeboat took Dr. Sainsbury and the casualty ashore, where the boy was transferred to an ambulance and taken to City Hospital, Truro. John Scott

## PORT ISAAC ILLUMINATIONS

May I express my (belated) thanks to Carole Richards and all her helpers for the fund raising Bingo in the Church Rooms. Their magnificent efforts swelled our funds by over £160.00 and we hope to add to the lights at Christmas. Also a large 'thank you' to all the hoteliers and shopkeepers for their generous prizes. Eric Stokes

## STREET LIGHTS

The lights are inspected at night, once every three weeks and faults reported to the Highways Divisional Group Centre, Bodmin. The reports, together with faults reported by members of the public, are given to maintenance teams who normally carry out repairs within a few days, though unusual faults or those requiring special materials may need another visit three weeks later. A light which stays on all day may not be detected by the night patrol and should be reported. Ring Adrian Trudgian or Marie Neale, Bod. 73441, extension 52. Quote the yellow number on a black background on the post or near the lantern and give the location.

## MINEPIT CORNER

By the time this issue of Trio is published, the pump shelter should be completed. It is an improvement on the old eyesore and the addition of a seat provides a welcome 'half-way' rest up the hill.

Thanks to Frank McNichol for the sketch and Mike Scott for the stonework and roof.

Is it too much to prevail upon the small but destructive minority to refrain from vandalising it?

Eric Stokes

Thanks are due to Eric who, without charge, constructed the timber part of the new pump shelter at Minepit Corner (at the junction of Back Hill and Trewetha Lane). Now that it is finished and painted, it will be even more attractive if someone clears the weeds and plants some flowering shrubs. If any of our 'vandals' used some of their energy this way they might find the result very rewarding, and appreciated.

## SPECIAL ANNOUNCEMENT

Having been whisked to Treliske as an emergency four weeks ago, I have now had to return to the hospital, at a more leisurely pace, to have some surgical work done. This is being followed by a few weeks of recuperation during which I am afraid I shall neither be able to do any work, nor will I be up to producing Trio newsletter. My apologies for the break in transmission - normal service will be resumed as soon as possible, do not adjust your sets - anyone worried about their advertisements please get in touch with Fred Thompson

Fortunately last month's Trio was ready to print before the emergency happened otherwise it would not have been possible to produce that one either, but unfortunately this meant that I didn't have the opportunity to put in some extra wording to say how uplifted I was by all the enquiries, offers of help, good wishes, and cards. It is truly a blessing to live in a place like Port Isaac at such times. So I want now to take this opportunity to say, 'Thank you everybody'.

Robin.
