

LIFEBOAT

On Wednesday morning, 18th July, HRH the Duke of Kent, KG., who is president of the R.N.L.I., visited Port Isaac Lifeboat Station to meet Crew Members, and their wives and families, and Branch Officials and Committee Members. In superb weather, the Duke chatted informally with many of those present. As he left for Bude, the lifeboat went out across Port Isaac Bay on exercise, so that the Duke's helicopter flew over it on its way.

Wild West Evening

On 23rd June, the Wild West arrived at the Castle Rock Hotel. Proprietor Geoffrey Wells arranged for Frontier City to put on an evening. An elusive 'wanted man' turned out to be Mark Provis, and Helen Brown found she was the 'judge' at his trial, which also drew witnesses Bill Dawe and Jill McDonnell (who was herself prosecuted for discharging a firearm in court). After an unusual trial, the 'judge' awarded a collection of £55.00 to the R.N.L.I.

Mill House Inn Weekend

A further £78.64 has been received from the owners of the Mill House Inn, resulting from their recent charity weekend.

Coffee Morning

The Coffee Morning held at Hand-sacre, Trelights, by Mrs. Mary Finch raised a total of £355.

Rescue

On Thursday 19th., the lifeboat was launched to rescue two adults and three children cut off by the tide on rocks below the Greenaway at Polzeath. The rescued persons were Major Hunter from Beccles, Mrs. Wells from Fareham, her children Hattie age 13 and Jonathan age 9, and their friend G. Carver age 14, plus two dogs and a wine-cooler. Crew members were Andy Walton, Nigel Andrews, and John Collins
John Scott.

PLAYING FIELDS EQUIPMENT

Parish Council Meeting - 10th July:
Monies received or promised so far for the above are as follows:

Auction and other fund raising:	364.00
Existing Account	320.00
Donation from previous Mother/Toddler Group	80.00
Parish Council	500.00
Grant (R.C.C.)	800.00
	£2064.00

The first piece of equipment will cost about £3,300.00 including VAT. Hopefully the Council can purchase it on our behalf in order to reclaim the VAT. With the new fund-raising events, we feel we can go ahead and order it. The Council and the public were recently given the opportunity to see a very good display of the proposed equipment outside the Church Hall. Slight error in previous Trio - because we had realized the total of approximately £1000.00 we could apply for grants which could bring our target to £4000.00 - we are not automatically entitled to them. Carol Richards.

Thank you to everyone who supported the Auction - a total of £275.53 was raised. A big 'thank you' to Ben from the Wheelhouse for doing such a good job as Auctioneer. We hope most of you had a chance to see the display of photographs of some of the equipment we hope to be ordering soon. We have just received a grant of £800 from the R.C.F., so we are firmly on the way to our goal. With your help and support we will have an area which everyone can enjoy by the autumn. Mel. Dingle.

TRANSFER FUNDS?

As people may recall, fund raising for the Community Bus ceased due to a lack of interest. This money is currently in a deposit account, and as the project does not appear to be able to progress, it is proposed that the money be passed to the Playing Fields Action Group which is another community project and will be of benefit to all. If you have any objections and your group contributed to the fund raising, please see Mrs. Elsie Ferguson, Higher Barn, Rose Hill before 5th. August this year.

MOTHER/TODDLER GROUP

The money raised by this group has been donated to the Playing Fields Association. If anyone has any queries about this please contact me. Jane Rowe.

NAME FOR NEW ESTATE

The Parish Council is holding a competition to find a name for the new estate at Port Isaac. Residents may know the name of the field or of a previous owner, etc. Mr. Bolton, Chairman of the Council, will award a prize to the chosen entry.

PARISH COUNCIL

A report compiled from notes taken by a member of the public during the meeting held at the Church Rooms, Port Isaac, Monday 9th. July.

Seat at Playing Fields

As the 'nameplate' on the old seat was carved into the wood of the back, this will be kept at home now by Mrs. Short. A new hardwood seat at a cost of £185 will replace the old seat, but this will only cost £155 if existing concrete ends can be used.

Flytipping Church Hill

The sites for refuse tipping are controlled by Cornwall County Council and enquiries are to be made to see if any action should be taken about rubbish being dumped in the quarry off Church Hill.

Donation to Trio

The Parish Council decided to make a £100 donation to the newsletter.

Donation for War Memorial

£30 is to be donated towards the cost of clearance at St. Peter's Church War Memorial.

Playing Fields - Notice Board

Councillors commented on the amount of litter, etc. at the Playing Fields and also that mothers were sometimes seen with dogs when taking their children to the playing area. A notice is to be displayed to prohibit anyone from taking a dog on to the Playing Fields. Mr. Phelps asked for a paragraph to be printed in Trio about the situation.

Playing Fields - State of Car Park

Mr. Phelps said he had received reports of pots and bongoes being left behind by the fishermen when using the car park for loading. On one occasion a bongo full of spider crabs was left and had flies crawling all over it. The gates are being left open and the fishermen are treating the area with contempt. It was thought perhaps that the Parish Council should hold the only key and that it should be obtained only when needed. The fishermen should be allowed to continue to use

the area as this keeps them from using the street or the public car park but they should not be allowed to abuse the permission. Mr. Welton was in favour of a strongly worded letter, a 'last warning' that the permission would be withdrawn if there were any more complaints. Mr. Norris said that it is for the convenience of the public as much as for them and they will go elsewhere if stopped from using the car park. He felt that the fishermen were not being fair. It was suggested that Mr. Hooper, Secretary of Port Isaac Fishermen Ltd., should hold the key. Mark Dawe is to be asked if he can do something about the gatepost which is splitting.

St. Endellion Church - Glebe Land

£100 for a surveyor was thought by some councillors to be money well-spent if a professional valuation put the price of the land lower than the price being asked. Mr. Welton said it is public money and we should behave responsibly. Others thought a surveyor to be unnecessary but the idea was carried by a vote of 6 in favour to 3 against.

Notice Board - Port Isaac Car Park

A letter from Mr. Warrillow, Port Isaac and District Tourism Association, stated that the cost of the new board would be £180 and that P.I.D.T.A. would pay half of this. It is to be an 'open' public board but trade advertisements would be barred. Mr. Welton proposed that the idea be accepted but Mr. Warrillow should be asked to clarify any extra costs involved, e.g. cost of erection. Mr. Norris was told that the old board could be given to St. Peter's Church Hall who had no board at present.

Removal of Seat to The Main

Mr. Coulson had asked if the seat commemorating his wife's death could be moved to The Main. This was accepted and a site was suggested at a position near the beginning of The Main. Mr. Coulson is to be asked if he is prepared to meet the costs of removal.

Seat at Minepit Corner

Mrs. Richards said some of the elderly had asked for the return of the seat that used to be at Back Hill but which was destroyed by a lorry and had not been replaced due

to the improvement of the pump house which, said Mr. Stokes, now contained a seat for two people. An item will be printed in Trio newsletter to ask if any one would like to donate a seat.

Visit to Delabole Fire Station

The Parish Council have been invited to see the fire station fully operational and a demonstration of the new equipment. This was thought a good idea and perhaps the public who attend the monthly Parish Council meetings might be invited as well. Mrs. Richards will report back next meeting with a date.

Drain at Minepit Corner

Mrs. Willmott, Clerk to the Council, has the matter in hand. Mrs. Richards said the drain had been inspected and that the road may be dug up for a few days while they located a blocked s-bend. Cllr. Symons said that Mr. Dodgeon of Cornwall County Highways had said that the drains in Port Isaac are antiquated and provisions are being made in next year's budget for the installation of larger ones.

Gypsy Count

As usual, the count of gypsies in the parish is - nil.

Clerk's Correspondence

- West Cornwall Housing Association is looking for a name for the new development of 25 dwellings near the telephone exchange. An item is to be put in Trio asking the public if they have any names they would like to suggest.
- Cornwall County Highways are to include the work to improve the junction at Trelights in next year's 'small operations' budget.
- The opening into K. Richards' development at Coldstanton Corner is proving a danger as motorists

strange to the area are driving across in front of traffic leaving the village unaware of the sharp bend to the left. Mr. Phelps said there would be no danger if they got on with the scheme to improve the corners. Mr. Wherry, Cornwall County Highways, will provide a continuous white line, a bend sign, and possibly chevrons, as a temporary measure, and the main improvement will take place within twelve months.

d. Mrs. Barron has agreed to prepare a display on behalf of the Parish Council at this year's Flower Festival at St. Peter's Church. When the public were asked to name a suitable bible subject, the theme Joseph's Coat of Many Colours was put forward.

e. The National Rivers Association are providing an emergency 24-hour 'Freefone' number 0800 378500 to enable the public to report pollution, dead fish, poaching, illegal abstraction of water, etc. but not complaints about the quality of the water supply.

It was mentioned that the cloudy water on 8th. July was due to a burst main at Pendoggett and that the water was at no time unfit to drink.

Planning Applications

There were no applications for consideration by the Parish Council.

Public Discussion

Mr. Bolton, Chairman, said that during the discussion, which took place after the meeting was closed, the public were allowed to raise points of interest, and that councillors might reply to questions but that no decisions could be made and no minutes would be taken.

Matters could, however, be put on the agendas of future meetings.

Mrs. C. Richards reported on the activities of Port Isaac Playing Fields Action Group and details are given in a separate item in this edition of Trio. She asked Mr. Dawe whether he was in favour of their fund-raising and he replied that he most certainly was.

Miss D. Hambly asked if we could have new reflector posts at the approach to Coldstanton Corner from Poltreworgey.

Mrs. M. Dingle asked why the seat at Minepit Corner hadn't been replaced as soon as it was destroyed. The council thought this was due to the plans to improve the pump house but now realise that there should have been an insurance claim.

Mr. Penna thanked the Parish Council for the donation to Trio.

Next Meeting

The next monthly meeting of the Parish Council will be held on Monday 13th. August at 7.30pm. in the Church Rooms, Port Isaac.

THOSE BONGOS

At this month's Parish Council meeting, the Councillors said a lot about the fishermen and the misuse of the Playing Fields 'car park'. Talking among the fishermen, however, we hear that it is not all their fault: some of the 'bongos' complained about were thrown into the car park by crab-factory lorry drivers who had not returned them at the appointed time.

TRELIGHTS ANNUAL FETE

This will be held at Mill House on August 8th. at 2.30 pm. Proceeds for Chapel Funds and Kidney Research. The Fete will be opened by Mrs. E. Old. Teas, Stalls, Competitions, Plants. Mrs. B. Cock.

TRANSPARENCIES?

Can anybody loan some transparencies of the old village, to illustrate a talk about Port Isaac to be given to the Bude branch of the Old Cornwall Society next March. Please contact Trio if you can.

NOT REALLY THE IDEA

A reader has suggested that a good name for the Diary might be the 'Clash Register'! I hope this doesn't mean that it causes clashes with rival charities deliberately booking their events for the same date. Apart from providing free advertisement for events, the idea really is to give you a chance to see at the Trio 'office' what future dates have been entered and to allow you to find an 'empty' space.

NEED WE SAY MORE

The North Cornwall Advertiser quotes Tania Alexander ('Guide to Watersports on Holiday', Queen Anne Press, £4.99): 'One of my favourite places on the Atlantic Coast is the tiny old fishing village of Port Isaac . . . the Manor House is probably the nicest bed and breakfast accommodation I have ever stayed at . . . if you are looking for olde world charm, this is the place.'

SEAT, MINEPIT CORNER

Following a request for the return of a seat by the old pump at Minepitt Corner, Back Hill, the Parish Council has suggested that we print an article to find out if anyone would like to donate a seat for the position. Any offers should be addressed to Mrs. Barbara Willmott, Clerk to the Parish Council, 1 New Road, Port Isaac. PL29 3SD

We have been asked to mention how tidy the Platt looked when visited by HRH Duke of Kent recently.

Port Isaac and District Vegetable and Flower Show will be held on Saturday 22nd September 1990 in St. Peter's Church Hall. Entries 10.00 - 11.45 am. Doors open 2.00 pm. Show Schedule from R. Phillips (880764), 46 New Road.

1ST PORT ISAAC GUIDES

We are forming a Guide Company in September and will be meeting on Tuesday evenings in the Village Hall from 7.00 - 8.00pm. The Company will be open to all girls between the ages of 10 to 15. We are able to form the Company because we have found two ladies willing to train as Guiders: Sue Gaunt, who will replace me at Brownies and assist Cindy, and Jane Stark from St. Teath who will be my assistant with the Guides. Our first meeting will be at 7.00pm. Tuesday, Sept. 4th. This will be an informal meeting to give the girls an idea of the things Guides do, and then we propose to spend the following six weeks taking girls who are interested to visit other Companies. Mel. Dingle.

BROWNIES

At an Open Evening held at the Village Hall on 10th. July, parents met the District and Assistant Commissioner who told them about the new uniforms and the 'new look' future of the Guiding Movement. Five new Brownies took their promise, they were Abigail Smith and Yvonne Arnall of St. Teath, Jessica Powell and Samantha May of Port Isaac, and Laura Rundle of Pendoggett. This brings the Pack to 21 in total with three more new Brownies due to be enrolled in September. The Brownies wish to thank Melanie for all the years she has spent with the Pack, for her unique style of leadership, patience, and above all, sense of humour, and wish her all the best of luck for the future with the 1st. Port Isaac Guides, where she will be ably assisted by Jayne Stark of St. Teath. Sue Gaunt will become assistant Brownie Guider and we wish her, too, the best of luck. Brownies will reopen in September and all girls approaching their 7th. birthday will be welcome. Cindy Powell.

ST. KEW CHURCH ROOF FUND

This poem is for the people of Port Isaac who may occasionally like to exchange their salty sea breezes for the soft inland zephyrs of St. Kew.

Driving from Pendoggett
And down towards St. Kew,
Past the Pub and round the corner
A 'figure' comes in view.

It's a chap upon a ladder
And he's workmanlike and steady,
His arm is pointing upwards,
His finger at the ready.

The church is right behind him
And it's that they aim to save,
The people of this Parish
In an undertaking brave.

They need a hundred thousand
To make sure that it will last
Another hundred years, and so
Pass on the splendour of the Past.

So stop your car and pause a moment
In peaceful, old, St. Kew,
Look round our church -
then there's the Inn,
Refresh yourself anew.

In the church you'll find a box
For money, so please try
And help the chap upon the ladder
To reach his target high.

The Harbour Seafood Restaurant on the Platt, formerly 'The Harbour Cafe', is now open again and under entirely new management. Walter (Wally) and Doreen (Dolly) Aldridge have come to Port Isaac after running a successful sandwich and take-away shop in London for many years.

Using the best fresh ingredients, they make hot snacks, salads, and 'good sandwiches'. They also serve Best Scotch Smoked Salmon, and have begun to make Home Made Pizzas, large or small, including a seafood variety.

Wally and Dolly are already beginning to make a name for themselves here.

The cafe is licensed and also serves coffee, tea, soft drinks, etc.

CHURCH NEWS

St. Peter's Parish Church

On Sunday 1st. July, St. Peter's Day was celebrated with the morning Eucharist. The Archdeacon was celebrant, and with his wife, the Revd. and Mrs. Mackeracher, and the Revd. Dunford, were guests at a lunch served in the Church Hall by members of the Parochial Church Council and congregation.

On Sunday 8th. July we were pleased to welcome Mr. and Mrs. Black. Mr. Black, who is the organist at St. Nicolas Church, Guildford, plays in St. Peter's whenever he is on holiday in Port Isaac. Jo Phillips.

MARGARETS LANE

Does anybody else use the lane which leads up from Rose Hill nowadays? Nearly every day I walk up and down on my way to work and back and see that it is getting disgustingly dirty. In these days of stringent economy, I don't like to lodge a complaint, if nobody else uses the lane - I wouldn't like to feel that I was doing it solely for my own benefit - but if a few people tell me they do use the lane and would like to see it cleaned up, I'd be willing to contact whoever is in charge and see if we can't get it cleaned. Robin Penna.

PLAYING FIELDS

The Parish Council are particularly anxious to bring to the attention of dog owners, their responsibility not to allow dogs to foul the playing fields. The notice at the entrance is going to be amended to prohibit dogs altogether there.

Barbara Willmott, Clerk.

THANK YOU SPONSORS

Once again thank you to all the businesses, hoteliers, families and individuals for making us feel so welcome when we came around and pestered them for sponsorship for this years Donkey Derbys. We managed to sell sponsorship of 72 donkeys and 14 races. The Port Isaac Playing Fields and the Port Isaac Youth Club will benefit from any profit made this year. By now the first Derby is over, so we hope you enjoyed it, and we look forward to seeing you all on the 14th August. Carol and Julie.

NOT REALLY THE IDEA

A reader has suggested that a good name for the Diary might be the 'Clash Register'! I hope this doesn't mean that it causes clashes with rival charities deliberately booking their events for the same date. Apart from providing free advertisement for events, the idea really is to give you a chance to see at the Trio 'office' what future dates have been entered and to allow you to find an 'empty' space.
