

PLAYING FIELD EQUIPMENT

It took a lot of hard work and determination but all this was well rewarded when the new equipment was installed. Without the generosity and support of the people of Port Isaac, none of this would have been possible, so thank you everyone. A grand opening was held on Saturday 14th. September (less than three months after it was first decided to raise the money). Mrs. Prescott, acting head teacher of the School, performed the opening ceremony and was presented with a plant. We have nearly paid 'Taylor Made' (the manufacturers) who have been very helpful, and we are continuing to raise money for more equipment and maybe even some picnic benches, etc. Hopefully by next summer the Playing Field will be an even more pleasant place for all to enjoy. We hope you continue to give us your support and that the children of Port Isaac have many hours of pleasure - but treat the equipment with the respect it deserves. The following figures show how we raised the money:

R.C.C. grant	£800.00
Parish Council grant	£500.00
Original Account	£349.00
Donations.	£81.00
Mother/Toddler group	£80.00

	£3,246.00

The Parish Council will pay the VAT because they can claim it back, leaving a deficit of £84.73
P.I.P.F.A.G Committee.

DONKEY DERBY

We don't have a final figure as the Lions Club are going to send us a cheque (for the Tote), but from the two Derbys so far we have received:

Gross profit	£1013.18

Net Profit	£818.91

The Youth Club also benefitted by £309.75, and the Playing Fields by £509.16. Both nights were highly successful, thanks to locals and visitors alike. Thank you all.

FREDERICK SMITH

Port Isaac has lost yet another of its oldest and much respected residents by the death at Trelliske Hospital after a long illness of Frederick Smith of 8 Mayfield Close, aged 83 years. Fred served in the navy during the war years and was employed for many years with Cornwall Farmers Ltd. at Wadebridge. Fred and his wife formerly lived at Trelights - latterly at Port Isaac. The funeral service was at Penmount crematorium. We express our sympathy to Kitty and the family in their bereavement.

Kitty Smith, wife of the late Fred Smith, wishes to thank all friends and neighbours of Mayfield Close and Port Isaac for their kindness and sympathy in her sad loss. To Barbara Richards and the wardens for their kindness. With special thanks to Peggy Richards, Ray Polkinghorne and Horace Hillson.

PARISH COUNCIL

A report compiled from notes taken during the meeting held at the Church Rooms, Port Isaac, on Monday 10th. September.

Matters Arising

Mr. Norris asked for several matters to be raised concerning items in the minutes. Dr. Barron pointed out that they were all matters being dealt with by the Clerk and asked if he was questioning her efficiency. Mr. Norris replied that this was not his intention, he merely wanted to ensure that the items were not being forgotten.

Footbridge at Parish Boundary

It was decided to repair the sleeper bridge at the top of Port Gaverne Valley, and at the same time to ask St. Kew Parish Council to consider the creation of an official diversion of the path from this point, through to Pendoggett, and including a new route at Pendoggett Farm.

Fire Brigade

It has not been possible to make arrangements for the visit to the Delabole Brigade and the evenings will now be too dark for the demonstrations. However a member of the Brigade will be invited to speak at the Annual Parish Meeting next April.

Donation of Seat

Three seats are being donated to the Parish, one at Minepit Corner by Mrs. Cann, one at the top of the Pinehaven steps by Mrs. W. Sproull, and a 'picnic' table at the Playing Fields, by an anonymous donor. The seat at Trewetha Farm is to be repaired. Mr. Phelps asked if it could be temporarily re-sited, as it is on his land, during work on his barn. This was agreed to and a position on the grass verge across the main road from the farm was recommended.

Port Isaac Village Hall

A letter from Mrs. Coates pointed out that the Hall had not recently received any money, as reported last month, and that an extensive programme of work to make the hall more comfortable is foreseen. If no promise of a grant is forthcoming from the Parish Council then money which would have been available from North Cornwall District Council, the County Council, and the Rural Development Council will not be granted. The Parish Council therefore decided

to send a letter to the Village Hall Committee with a definite promise of an unspecified amount of grant to be donated in February.

Clerk's Correspondence

a. The N.C.D.C. Waste Management Officer says that the quarry on Church Hill, where tipping has been taking place, is overgrown so the rubbish can't be seen. He will, however, come out to inspect the site if any more tipping is reported to him by the Parish Council.

b. To save the heavy cost, minutes of N.C.D.C. meetings will no longer be sent out to Parish Councils every month, but specific copies will be sent on request.

c. Mr. Coulson does not want the commemorative seat to Mrs. Pam Coulson moved to a new site but asks if the Parish Council could monitor the situation to see that it does not get damaged by cars, etc.

d. A letter from Fred Thompson, Hon. Treasurer of Trio Newsletter thanked the Parish Council for the donation towards the cost of producing the newsletter, and said that it was a great encouragement.

e. Now is the time to apply for a bottle bank so, hoping that broken glass doesn't accumulate around it, one is to be asked for, to be sited behind the notice board, in the District Council car park.

f. South West Water are taking the new water main through the Playing Field so Mr. Peter Norman has been appointed on behalf of the Parish Council to ensure that adequate compensation is paid. Meanwhile the siting of the new playground equipment had to be deferred until the site was cleared.

Planning Applications

NB. The Parish Council are merely asked for an opinion on planning applications. The Planning Committee of North Cornwall District Council, make the final decisions. Plans are sometimes amended after they have been seen by the Parish Council and the Planning Department are therefore to be asked if the Parish Council can be notified of all amendments in future.

a. Erection of Kitchen Extension at rear of No. 12 Dolphin Street, Mr. A. Moreton: The Parish Council approved the plans, provided that suitable materials were used.

b. Erection of a Bungalow and

re-siting of the Kennels, Little Treswarrow, Miss J. Fanstone:

Approved by the Parish Council.

c. Formation of New Access on the main road near Valley View Cottage, Trelights, Mr. D. V. Blake: Approved by the Parish Council.

d. Established Use Certificate for use of lower part of premises as single dwelling unit, Northcliffe, Roscarrock Hill, Mr. R. R. Elsholz: This was a 'regularising' application and no observations were made by the Parish Council.

Public Discussion

Miss Doris Hambly asked if a hand-rail could be installed alongside the steps on the cliff path, as a ramp for disabled people could not be provided, people would not then have to grasp the chain link fencing for support.

b. Carol Richards showed the Council some pictures of the playground equipment being provided at the Playing Field and said that the suppliers, Taylor Made Ltd., would wait to install it until the work by South West water was completed. The equipment will be sited clear of the new excavations, between the existing Wendy House and the see-saw, providing room for the grass cutter to get through. The total cost will be £3,246 plus VAT. The Parish Council has promised to donate £500 towards this and will buy the equipment so that they can claim back the VAT. The Playing Field Action Group will provide the balance of the payment, and any maintenance of the equipment which may become necessary will also be paid for from their funds.

Tenders

The public were then asked to leave while the Parish Council discussed tenders received for painting or oiling all the seats in the parish.

Next Meeting

The next monthly meeting of the Parish Council will be held on Monday 8th. October at 7.30pm. in the Chapel Hall, Trelights.

VILLAGE HALL

The Village Hall Committee would like to correct the impression given in Trio in respect of the second phase of the Hall's refurbishment: central heating, roof insulation and secondary glazing.

There is a promise of £950 from the Community Fund of the Cornwall Rural Community Council towards the cost, with the proviso that this grant be taken up by May, 1991. This won't be paid until the work is completed. It was hoped to start work at the end of October, but no further help would have been forthcoming from N.C.D.C., Cornwall County Council, or the Rural Development Commission without the promise of a contribution from the Parish Council. The Hall is presently the meeting place of the Pre-School Playgroup, the Brownies, Badminton Club, and the Port Isaac Players. A Girl Guide Company, Keep Fit Club, and a Short Mat Bowls Club are to start in the Autumn.

Booking charges cover day-to-day running costs. Major building works, however, cannot be financed this way without making the charges prohibitive.

The present heating system is inadequate, particularly for the under-five age group (who use the Hall three times a week), Brownies, Guides, or a seated audience, and the committee deem it desirable to have the roof insulated, secondary glazing fitted, and central heating organised this winter.

On behalf of the Parish Council (Custodian Trustees), the committee have been working since 1986 to improve the Hall to give the people of Port Isaac a meeting place of which they can be proud.

The committee are grateful for the help already given by the Parish Council but requested them to reconsider their earlier decision in order that applications for grants may be made to allow the final phase of the work to be completed as soon as possible.

Mrs. B.Coates, Grants Secretary.

TRELIGHTS SHOW

We would like to thank everyone who participated in our Village Show held on Saturday 18th. August, at Park Villa. It was a friendly, competitive afternoon which even the weather favoured! The auction in aid of the Air Ambulance raised in the region of £50 - £60. Thanks to all who donated handicraft, plants, flowers, cookery, and vegetables. It looks as if the 'Trelights Show' is here to stay, so if you have any suggestions for other classes, contents, etc., please let Harold Barriball, Trelights Post Office, have them in writing so that we can make any changes next year. Thank you all once again for supporting and keeping the Village life alive and well!

Mrs. G.A.Beare.

Obituaries are usually fulsome praise for the dear departed. Let's say it, once and now for a man who is far from departed. A man who loves our village and visits us several times a year. Who has conquered enormous handicaps and fought severe illness, and in spite of deformities, which require at least half a dozen mirrors to even drive a car, enters into village life with gusto and an ever present smile. It is such people of this world who make us humble. God bless you sir, and long may you grace our village. Eric Stokes.

LIFEBOAT

Our Harvest Festival was held at The Cornish Arms, Pendoggett on Friday 14th. September. Mr. Ray Crossley held a short service and spoke of his long association with Port Isaac's Lifeboat when he was chairman of Tintagel Surf Lifesaving Club. Neville Andrews held a lively auction which raised over £340. One of two Harvest loaves bought by the crew, and donated for sale, this time with butter and cheese, at The Golden Lion Inn on Sunday 16th. September by kind permission of Jack and Muriel, raised a further £65. The lifeboat has been launched five times since last Trio, including: On Friday 24th. August, Mr. Kent Hill of Redditch fell trying to recover his dog on cliffs near Tintagel Head. Trevor Beare, Bob Young and Steve Hudspith took them off the rocks to land at Castle Cove. Boscastle Coastguard Team took over and drove Mr. Kent Hill to the local surgery for a medical check. On Sunday 9th. September, an empty boat trailer was seen at Port Gaverne, and enquiries suggested that the owner and boat were overdue. A search was begun by crew members Andy Walton, Mike Daly and Steve Hudspith, but it was called off when the owner and his boat were found to be safe at Rock. On Wednesday 5th. September, the lifeboat was launched with crew members Andy Walton, John McDonnell and Richard Hambly. In failing light and rough sea they went to Trevone Bay where a person/s were reported to have been washed off rocks into the sea. The search was later called off when it was understood that some anglers had thrown a bag into the water. Due to the poor weather conditions, the lifeboat was escorted back to Port Isaac harbour by the RNAS helicopter which had been participating in the search, together with Coastguard teams. Late on Thursday 13th. September, the police asked for a search for two persons who might have gone over the cliffs at Port Isaac. Together with Port Isaac Coastguard team and a helicopter from RNAS Culdrose, lifeboat crew members Neville Andrews, Mike Daly and John Coshall searched the area for two hours, but nothing was found. John Scott.

ST. ENDELLION CHURCH

Successful Mini-Market

Over £220 was raised at a successful mini-market held in the Church Hall on Wednesday 22nd. August. Organiser was Mrs. Pam Richards, Churchwarden, and there were many helpers.

Friends' Festival

Over 200 families are now members of the Friends of St. Endellion and many of these were present for the annual Friends' Day held at the Church on Sunday 26th. August. The Rt. Revd. Richard Cartwright, Chairman of the Friends, was celebrant and preacher at the well-attended Sung Eucharist in the morning. Lessons were read by Miss Diane Coombes, Secretary, and committee member Dr. Hugh Metcalf. At the Festival Evensong, a small choir formed for the occasion was conducted by Mr. Jim Holman. The Revd. Alan Wainwright sang the service and Bishop Cartwright led the intercessions. The Revd. Preb. Kenneth Noakes, and the Revd. Preb. Jim Vincent read the lessons. At the Annual Meeting held in the Church Hall, Bishop Cartwright thanked the friends for their generous support in enabling further work to be done to beautify the interior of the church. The Roscar-rook Chapel restoration had been completed, the new oak vestry screen was in place, vestry cupboards had been installed, the prebendal charter of St. Endellion had been cleaned and restored, and new almuces had been provided for the prebendaries. (An almuce is a special ecclesiastical garment, worn only by the prebendaries of the College of St. Endellion, and made these days of imitation fur - the originals were made of marten fur.) The Revd. Kenneth Noakes gave a fascinating talk based on newspaper articles and the minutes of the Prebendal Chapters of 1928 and 1929. Supper was provided and served by members of the congregation.

Bow Mothers' Union

A group from Bow Mothers' Union visited the church during the summer and attended a service conducted by Mr. Sydney Rex, Reader, who was also the preacher.

Taize Visit

Mr. Jody Gabriel, a server at St. Endellion Church has just returned

from a ten-day visit to Taize in northern France with a group of young people from churches in Devon and Cornwall. He was sponsored by the Parochial Church Council.

Julian Meeting

The September Julian Group meeting held in the church was led by Mrs. Judith Pollinger. A warm welcome was given to Mrs. Barbara Carter, former churchwarden and member of the Julian group who was spending a few days in the area.

Sponsored Walk

A combined sponsored walk to raise funds for the three parishes of St. Peter's, Port Isaac, St. Kew, and St. Endellion is being held on Saturday 6th. October, starting from St. Endellion Church at 10.00am.

Organist Required

The services of a part-time organist for St. Endellion and St. Peter's, Port Isaac, would be much appreciated. Anyone interested should contact one of the Churchwardens from either church. Judith Pollinger.

14th. HARVEST FESTIVAL AT LONG CROSS

Why another successful Harvest Festival? Bill Dawe without a doubt, but also the generosity of those giving and attending year after year and those helping on the night: Mrs. Ann Dawe, Garfield Ford, Harold Barriball, Mr. & Mrs. Brown, Fred Mitton, Mr. & Mrs. Hoskin, and Bill Spry.

A thought provoking lesson was given by the Revd. Alan Wainwright: hymns accompanied by Jack Thomas on his accordion. This was followed by Bill Dawe's resounding voice, which raised yet another record collection: Raffle £1500. Produce £390. 1st. Prize £70, to Mrs. W. Mason of Camelford. 2nd. Prize £50, to Mr. Daniels from Essex. 3rd. Prize £35, to Mr. Scotter from Surrey. 4th. Prize £20, to Mr. Warrington of Bristol. 5th. Prize £10, to Mr. Thornley of Nottingham. Thank you all.

Roger and Janet Warrillow.

ST. PETER'S PARISH CHURCH

ON Wednesday 6th. September, a lunch was held at the Cornish Cafe in honour of the Revd. Evelyn Dunford who is leaving Port Isaac to move into a clergy retirement home, The College of St. Barnabas, Lingfield, Surrey. Members of the three churches: St. Peter's, St. Kew, and St. Endellion attended the lunch. Everyone expressed their sadness at his leaving, but wished him 'God-speed' and a happy new life. The Revd. Alan Wainwright presented Father Dunford with a cheque from the three parishes, and said how much his help and service, so generously given, had been appreciated by all and that he would be greatly missed. Father Dunford thanked everyone for the cheque and said that although he was sad at leaving Port Isaac, where he had lived so happily for many years with his late wife Olive, he would only be at the end of a telephone and hoped to keep in touch with his many friends.

On December 6th, we are holding a Barn Dance, with a professional caller, combined with a Christmas Party. More details later.

Jo Phillips.

Dear Sir, I have just returned from a very enjoyable holiday in Cornwall and want to thank those responsible for organising the Harvest Festival at Long Cross Hotel. The bar was filled to capacity with an enthusiastic crowd including holiday-makers, who, like us, had wandered in to find an auction in full swing. If anyone can sell more crabs, honey, cream, eggs, (were all the local hens on overtime?) than auctioneer Bill Dawe, I would like to meet him. I must also apologise to the landlord for bidding up the price of the harvest loaf - he had to pay rather more than expected to preserve the tradition of buying it to distribute to the attendees - I can only plead ignorance and hope the causes supported appreciate the extra donation. Once again thanks to all concerned for making strangers feel so welcome. Rod Bryan, London.
