

## PORT ISAAC SCHOOL

### Mrs. Prescott's Retirement

Mrs. Beryl Prescott is retiring, after sixteen years, at the end of the present term. It is hoped to make a presentation on the occasion of her leaving. Those wishing to contribute, please contact Mrs. M. Cann, 39 New Road, Port Isaac, or Mrs. H. Sproull, The Rock, Port Isaac.

### Deli Farm Run

If anyone is interested in taking part in the run on Saturday 27th June, details can be obtained from the School.

### Donkey Derby

This is to be held on Tuesday 7th July, at the playing field in the evening. Largely organised by Carol Richards and Julie Hewett, it will have stalls, donkey races, raffles, and games. There will also be a 'car boot' sale. Please contact the school if you can help in any way. *Everyone welcome.*

### Table Sale

This will be held at the School on Wednesday 22nd July at 3.00pm, with raffles and refreshments. If you would like a table (£3.00) please contact the school. *Everyone welcome.*

*Jane Scown, Headteacher.*

## THANKS

We would like to thank the unknown person who was good enough to post back to us the vehicle manuals which had been stolen when our car was broken into on Church Hill in May.

*Miriam and Ken Harrison.*

Thank you to my loving husband and 'the greatest staff' in Port Isaac, especially 'Our Swamp Duck'. You made it the best birthday in Port Isaac I have ever had. Thank you again. Gerri. (The Lantern).

I would like to thank everyone for making my R.N.L.I. Coffee Morning such a success, with all their generosity, hard work, support on the day, and help, especially with raffle prizes, cakes, etc., and of course, the washing up!

*Lesley Walton.*

May I try to thank all of you who sent such kind messages of support, cards, gifts and offers of practical help. To my regret I cannot thank each one individually, but wish to say how humble I felt that so many should take so much trouble for me and my family. Trish, Alison, Fiona and Chris join me in saying how much these warm thoughts have helped. I have now returned home, following great kindness - and a lot more tests than I knew existed - by people at Treliste, who have returned me to the equal care of our local Practice.

*John Scott.*

## The Quiet Corner

'Time is the inexplicable raw material of everything; the daily miracle.'

*Arnold Bennett.*

## P.I.D.T.A.

As most of the committee members of Port Isaac and District Tourish Association are hotel owners and serve on a voluntary basis after all, it is not practical to call meetings during the season therefore the next one will be in the autumn. Work is carrying on, however, and a new 'What's On' guide is in production.

### ANNIE BLAKE (nee BROAD)

It was with regret that we heard of the death of Mrs. Annie Blake at the home of her brother at Little Barton, Delabole on June 8th. Annie and her husband Will, had farmed at Trewetha Farm for many years. They retired to 'Little Trewetha' in Port Isaac 18 years ago. She had not enjoyed the best of health for some time. The funeral was held on June 12th, at Delabole Methodist Church and was attended by many relatives and friends. We express our sympathy to Will in the loss of a much loved and respected one.

### GERTRUDE KIRK

Older residents will have heard of the death at her home, 24 Well Street, Delabole, of Mrs. Gertrude Kirk age 90 years. Mrs. Kirk with her late husband Arthur, resided at 44 New Road, Port Isaac, where they had many friends. She was connected with the Port Isaac W.I. and over recent years has paid a number of visits to America where her son Tony and his family live. The funeral on Tuesday May 26th, held at the Penmount Crematorium, was attended by family and friends from Delabole and Port Isaac. We express our sympathy to Tony and family.

### MARY ROWLAND

Many friends over a very large area were sorry to hear of her death after a very long and painful illness, at her home 'Rowbrook', Trelights. Mary and her late mother came from London 22 years ago to reside at Trelights. At the time of her death she was a Steward at the Methodist Church at Trelights and also local preacher on the Camelford and Wadebridge Circuit. In spite of failing health and blindness she carried out services to the churches to which she was appointed. The funeral was held at the Trelights Methodist Church on May 27th and attended by a large congregation. The Revd. David Easton, conducted the service and also officiated at St. Endellion.

Mrs. Stella Rose, companion and friend, and family of the late Mary Rowland, wish to express their sincere thanks to all who attended the funeral service and to all those who visited Mary when at home or in hospital. Thanks to all the doctors and nurses who cared for her over such a long period. Special thanks to Revd. D. Easton for conducting the service, Peter Blake (organist), the chosen bearers, and Mr. Ron Bray. Donations in lieu of flowers were for the funds of Mount Edcumbe Hospice, St. Austell.

## DISTRICT PLAN

North Cornwall District Council is preparing a ten-year Local Plan for the whole of North Cornwall, setting out Council policies for the District's future. Its main function will be to guide and co-ordinate development and investment while ensuring environmental conservation. To make sure the plan is meaningful and comprehensive, and covers all the key social, economic, and environmental issues, each Parish Council in the District has been provided with a short and simple questionnaire, to be completed by 31st July. We understand that a Draft Plan will be drawn up, using the information received, and will be made available for public consultation next summer.

## POEMS

Cornwall happy joyful and warm,  
Cornwall fierce, fierce as a storm,  
The land of piskeys, Cornish men say,  
Fishing rules, rules the way.

I look forward to a good Cornish rhyme  
When I open my Trio each time,

## PARISH COUNCIL

An unofficial report compiled from notes taken during the meeting at the Church Rooms, Port Isaac, Monday 8th. June. For accurate information, refer to the Parish Council minutes.

### Public Discussion

Peggy Richards asked about the signs to the surgery and was told that they will be installed - paid for by an anonymous donor. She also said overhanging hedges on the road between Port Isaac and Trewetha make it dangerous for walkers.

Doris Hambly mentioned long grass causing poor visibility at the B3314.

### Footpath Tenders

The public were asked to leave the room while the tenders were discussed.

### Finance

After this month's expenses: £269.28 in the account, £3894.35 on deposit.

An insurance premium increase of £35 to cover libel and slander damages, no longer provided by the Council for Town and Parish Councils.

£25 was donated to the Soldiers, Sailors, and Airmen's Families Association.

An appeal against Port Gaverne toilets rateable value increase from £500 to £1,000 and a letter to MP Paul Tyler. The District Valuer is also investigating.

### Seat Committee Report

A new plastic seat is to replace a memorial seat on the Platt and the plaque transferred to it.

### Playing Fields Committee report

Fish packers have left the car park gates open the last two times so the Fishermen will receive a letter reminding them of their obligations.

### Council for Town and Parish Councils

Henry Symons said the Association would retain Parish Councils but the politically motivated Association of District Councils would remove County Councils in new moves to change local government.

He hoped Cornwall would become a 'Region in Europe' and that the Parish will participate in 'Beacons of Friendship', later this year, with a beacon at 'Becon Park' at St. Endellion.

### Playing Field Equipment

An offer was accepted from the makers to refurbish the see saw for £110 plus vat. They would also replace corroded eyebolts in the Maribu Walk free, and later, check the landing-mat wear.

### Roadside Trimming and Grass Cutting

While not criticising the workman, doing the best possible job under the circumstances, David Phelps complained that the road into the village was in a disgusting state and showed Port Isaac in a poor light. Also why Coldstanton Corner has been left in a dangerous condition, should be the subject of an inquiry. The grass area by the Mayfield

telephone box should be reinstated, it has been dug up numerous times and there are no longer any trees, he added.

(A suggestion to call this area 'Port Isaac Village Green' was rejected.) Cllr. Dawe said that it was 'all indians and no workers' at the Council.

Mark Provis said if there was no manpower couldn't they make money available for the Parish Council to get the work done.

David Welton said, all around the county, trimming was only being done where necessary for safety.

Henry Symons pointed out that Highways were responsible for the verges but that landowners were supposed to cut their hedges.

The Clerk confirmed that trimming should take place from June to September and November to March.

### St. Endellion Sign

Cllr. Dawe said that the village sign was now in St. Kew Parish, and ought to be moved back nearer to St. Endellion.

### Tree Warden Scheme

David Phelps said meetings will be held and, as warden for St. Endellion, he would be kept informed.

### Inspection of Footpaths

Paths were allocated for inspection after trimming to check the work had been done properly before payments are made.

### Church Flower Festival

At St. Peter's Church, from 6th. - 9th. August (not St. Endellion as the agenda). David Philp will be asked to supply the Parish Council display for up to £25. An idea by Eric Stokes was accepted offering to pay £1 towards this if each councillor did the same.

### Village Security

A letter from the Chief Constable expressed sympathy with disquiet about incidents in the village but said most were only slight. Special constables are needed and suitable persons should be recruited when possible. An evening Neighbourhood Watch Schemes meeting will be arranged with a police representative. David Phelps would notify the members of the existing group.

### CLERK'S REPORT

a. The Parish Council have no objections to the BBC filming 'Inspector Alain' in the village at the end of the month.

b. Notice of change of Long Cross Hotel licence to George Dunkin, from De Lank.

c. Highways provided notice of intention to do work around the telephone kiosk, Trelights, and on the blocks in Fore Street before the summer season. Work on other narrow streets, will have to wait until after the season as road closures will be necessary. Mr. Ian Purn is designing Port Isaac direction signs along lines suggested by P.I.D.T.A.

d. The Playing Field will be entered in a 'Best Kept Playing Field' competition with prizes of £500, £300, and £200.

e. A letter from Mrs. Joan Murray said St. Endellion churchyard was getting overgrown. Cllr. Dawe agreed it was time it was cut and suggested a letter to the P.C.C. before they met on the 18th.

f. The balance sheet for Trio Newsletter was presented but no donation offered.

g. Dog control signs to go up at Port Gaverne beach have been delayed because of wording that dogs will be banned from the beach if not controlled. The issue was raised by Malcolm Lee, a National Trust member but thought by them to be a Parish Councillor. Henry Symons pointed out that Malcolm was acting with P.I.D.T.A. support after discussion at a recent meeting. The sign might undo work to encourage good dog owners. David Phelps replied that the sign was for irresponsible owners and something must be done - only that day two children had been bitten at Trewetha and became infected - one was hospitalised. Mr. Lee was congratulated on the work he had done for the 'Poop Scoop' scheme.

(Mrs. Strout was allowed to speak, and claimed she had a map showing that The National Trust only owned the foreshore down to mean high water level.)

h. The Clerk asked for anomalies in her expenses to go on the next agenda. She receives nothing for the use of a room in her house, heating, or telephone rental and suggested perhaps £500p.a. could cover such items. The Chairman is also entitled to recoup his expenditure. David Phelps asked about committee members' expenses.

#### PLANNING APPLICATIONS

Support was given to revised plans for an owners-use bungalow, at Archer Farm.

#### THE DISTRICT PLAN AND PARISH COUNCIL LIAISON COMMITTEE

At a District Council meeting, on 27th. May, with all chief officers and many representatives from parish councils present, a parish council liaison committee was formed which will meet in September. A consultation Draft will be made public in the summer of 1993. The ten-year Plan will be completed in 1995.

All Councillors had received questionnaires about 'settlements' in the Parish. To see how these might be answered, one was tried and answers found relating to physical and social change over the last ten years, important changes, need for extra housing, car parking, conservation, and what the Parish ought to be like in ten years. As the questionnaire is of paramount importance, a special meeting was arranged for the following Monday.

#### Next Meeting

The next monthly meeting of the Parish Council will be held in the Church Rooms, Port Isaac, on Monday 13th. June at 7.30pm.

Members of the public may attend the meetings and are allowed to speak during the 'public discussion'.

#### WOMEN'S INSTITUTE

A Coffee Morning held at the home of Mrs. M. Hoskin, 14 Trewetha Lane, on Wednesday 17th. June, was attended by a large number of members and friends and proved to be an enjoyable occasion raising the sum of £67.80 for W. I. funds.

The raffle winners were:

1st. Mrs. L. Cloke, 2nd. Mrs. E. Trickett, 3rd. Mrs. W. Honey, 4th. Mrs. D. Hicks.

We are grateful to our friends who supported us. *M. Hoskin.*

#### FOOTPATHS

##### Footpath Diversion

Following the Public Enquiry last February, the Planning Inspectorate (an executive agency in the Department of the Environment at Bristol) have confirmed the Public Path Diversion Order applied for by K. C. Richards.

##### Footpath Signs

A visitor said to me today, 'If the landowners take the signs away or move them around, they will get people wandering all over the place. If they know where they are going, they will keep to the path.'

One of our farmers leaves clear paths through his fields which are an example of good management and also mean that he has no trouble with straying walkers.

##### Guided Walks?

If anyone is interested in informal walks along the delightful paths in this parish, or to Chapel Amble, etc., I should be happy to act as a guide.

#### FETE AT DELABOLE

With ploughman's lunches, many stalls including C.H.S.W. and R.N.L.I, children's fancy dress at 2.00pm., lots of games, pony rides, ice-creams, table sale, good raffle, and cream teas. Come along have fun and help two very good causes.

## SWIM A MILE FOR M.S.

As some of you will know, I do quite a lot of work for the Multiple Sclerosis Society, but my decision to swim a mile for M.S. during National Swimfit Week was rather a rash one. When my sponsorship form arrived in April, I hid it away hoping to forget about it. Unfortunately, Lili, Dilys and other people in the village managed to get hold of it and persuaded loads of people to sponsor me. By the time my sponsorship had reached £165, I had no choice but to swim the mile. I write this note the day after my swim rather exhausted and aching all over. I'm glad it's over, but I am glad that I managed to raise such a lot of money for a very worthwhile cause. Thank you to everybody who supported me.

*Emma Phelps.*

## FALL FREE FOR M.S.

Did you know that you can now experience the thrill of flying a plane, piloting a glider, tandem free fall parachuting or even making a bungee jump for free, providing that you raise a minimum amount of sponsorship for the Multiple Sclerosis Society?

## FOOTBALL CLUB

Due to an error in my last report we thanked Mark Provis instead of Mark Prout, who is of course our President. My apologies to both of these gentlemen.

Once again thanks to Mark Prout for his donation of the bus on Cup Final Day.

I now have plenty of jumble, etc, so watch out for posters as I will be arranging a Jumble Sale soon.

The Club's A.G.M. was held at Long Cross Hotel on the 10th June. We were given a very warm welcome by our new hosts, George and Penny Dunkin, who assured the team that we would be welcome to use the hotel after matches as usual. The new officers are as follows: President - Mark Prout, Secretary - Bryan Richards, Chairman - Steve Bunt, Treasurer - Roy Smith, Commercial Manager - Ray Berman. The Team Manager Peter Rowe, asked to have a trainee to assist him, and Kevin Grills was elected to this position.

Thanks were given to our sponsors, Hayes and Hingley, and to all who have helped us in what has been a memorable year for the club.

Players - are there any players out there? We need a few more. Please contact Peter or Bryan. *Ray Berman.*

## LONG CROSS HOTEL

We wish to inform all our friends that we are leaving Trelights and moving to a seventeenth century house which is called Greystones, in Stockwell Street, Leek, Staffordshire where we will be running a coffee shop. If anybody would like to look us up we would be delighted to see them. We would have liked to have said 'au revoir' to everyone personally but, of course, that is impossible, so please accept our very best wishes to you all.

We have sold the hotel to George and Penny Dunkin and their family and would like to thank all our friends and customers over the last sixteen years for their custom and friendship, support and loyalty. We wish George and Penny all the very best in their new venture and we are sure that Long Cross will continue serving you in the best traditions of hospitality and goodwill.

## ST. ENDELLION CHURCH

### Successful Spring Fayre

Well over £3000 was raised towards the repair of the Church roof, at a very successful Spring Fayre held at Roscarrock, home of Mr. and Mrs. Robert Sloman on May 17th. Much hard work and organisation by church members and friends in the wider community, helped to raise this sum. Attractions included helicopter flights, a pet show, a wide variety of stalls and sideshows, tractor rides, madrigals and a Wellington boot competition.

### Visiting Ringers

Ringers from Otterton visited and rang the bells at the church in May. They were welcomed by Mr. R. Richards.

## NEW OWNERS

Kernows of Camelford have recently taken over the former Castle Properties Office at New Road, Port Isaac. Kernows, who set up in business five years ago, pride themselves in offering a very professional range of services. Among their highly qualified staff are several chartered surveyors and recent work they have undertaken, which indicates the wide range of services provided, include such projects as a £1.5 million extension to a hotel in Torquay and farm rent reviews. From this you will understand that they are pretty broad in their range of capabilities. Planning applications and appeals are undertaken and several members of staff have been heard on Radio Cornwall talking about a wide range of property matters. The Port Isaac office will remain largely a sales related office. The day to day running comes under Bob Stratfield, who is a chartered surveyor, and he would be happy to meet anybody, at any time, to sort out their property problems.
