

## PORT ISAAC SCHOOL

The theme for this term throughout the School is 'The Environment'. Pupils may therefore be seen working round and about the village, on the beach, walking foot-paths, observing and studying their local environment. Year 6 are due to go to camp at Delaware Outdoor Education centre from June 23rd. to 25th., and will take part with St. Kew and Delabole Year 6 pupils, in canoeing, abseiling and climbing, orienteering, and problem solving activities.

Last term all the staff, including teaching, classroom support, clerical, catering, and caretaking staff attended a series of eight two-hour First Aid sessions held during the evenings and very kindly run by Mike Waite from (what was) the Cornwall Ambulance Service. As a result, all the staff were successful in gaining Health and Safety at Work qualifications. Our sincere thanks must go to Mike for giving up so much of his time to running the course, and to all the staff for their commitment in gaining such an important qualification - especially when working with children.

Two children were invited to attend Sir James Smith's School on the occasion of the visit by HRH The Princess of Wales. The two names drawn out of the hat were those of Alice Stratton and Antonia Edwards. We are looking forward to seeing the photographs!

All the junior and senior pupils are taking part in a series of tennis coaching sessions led by Peter Arnold who is a qualified Lawn tennis Coach, culminating in their own 'Wimbledon' on 29th. July. The School sports will this year be on 1st. July.

The senior class will take part in a Performing Arts Workshop at Sir James Smith's School on 14th. July and, following the huge success of the Children's Variety Show last year, another similar show is planned for later this term.

## SIR JAMES SMITH SCHOOL BINGO

The somewhat chaotic Bingo held in the Church Hall on 27th. April in aid of the Music Department of the school, proved to be very successful and £178 was raised. During the interval we were entertained by the school's Rock Group (hope everyone's eardrums are back to normal) and the very talented violinist Dave King. Mr. Jeff Woods, who is the music teacher, gave a speech outlining his aims for the Music Department. Many thanks to everyone for the outstanding prizes and to all those who helped with the teas and clearing up afterwards. Special thanks to Les Honey for his expert calling.

*Carol Richards and Melanie Dingle.*

P.S. Hope you had a good wedding anniversary Dave (Pea Pod) - we missed you.

## The Quiet Corner

Be at peace with God, whatever you conceive him to be.

## CONGRATULATIONS

A familiar and pleasing sight is that of Leslee-Anne Dawe running along the lanes around Port Isaac and its environs. All that dedicated training proved worthwhile on April 18th. - she ran the London Marathon, completing the course in just over four hours. Well done Leslee! Later this year she plans to run the Cornish Marathon from the Tamar Bridge to Lostwithiel.

## CHILDRENS HOSPICE SOUTH WEST and RNLI

## RAINBOWS NEED YOU

Can you spare an hour of your time, once a week, to help our Guiders run the Port Isaac Rainbow unit? 'Rainbows' is the newest and fastest growing section of the Girl Guides Association. It introduces girls between 5 and 7 to the fun and comradeship of guiding. Port Isaac Rainbows meet every Wednesday afternoon in the Village Hall, between 4.15 and 5.15 for an hour of organised fun and activities under the present leadership of Mrs. Lil Thomas. An additional helper is needed to develop this lively unit! Do you like working with young people? Enjoy a challenge? Interested in finding out more? Then contact Dawn Retford, Girl Guide Commissioner, St. Endellion District. 0208) 863431.

## LOCAL HISTORY

I have decided that the best way to show the growth of the village will be to produce a series of maps, one for each decade from 1890 onwards showing the buildings added at each date. A lot of you haven't given me any dates yet but I look forward to hearing from you soon.

## PARISH COUNCIL

An unofficial report compiled from notes taken by a member of the public during the Annual Meeting held at the Church Rooms, Port Isaac, on Monday 10th. May. For authoritative information, please refer to the Parish Council minutes.

Many items are discussed at great length and there is insufficient space in Trio to report these discussions fully. If you want to know everything that is discussed please note that you are allowed to attend and listen to all Parish Council meetings.

Apologies were received from Cllr. Dawe, David Philp, and Rohan Carey.

David Bolton was re-elected Chairman and the rest of the officers re-elected en-bloc.

### Public Discussion

Peggy Richards said that the postman had complained about the overgrowth on the path from Church Hill to Port Isaac Mill. It is, however, forbidden to clear any footpaths until July. Peggy also expressed disappointment at the poor turn-out for the Annual Public Meeting and said it looked as if we didn't care very much about the parish.

### Finance

David Welton, Hon. Treasurer reported that £6,163.28 (£5,312 of this in a high interest account) had been transferred to Midland Bank from Barclays who charged £18.54 for closing the account.

It was decided, on a vote of 4 - 2 against, not to pay a £50 minimum membership fee to the 'Clean Seas for Cornwall' Campaign based in St. Ives. Mark Provis said he thought South West Water should be paying, not the Parish Council, instead of 'pumping money into a local TV station'.

### Main Road into Port Isaac

David Phelps reminded the Council that, although tree planting had taken place, work on improving the corner from Coldstanton to Poltreworgey was still urgently needed. Heavy goods vehicles have to stop at the corner before turning when traffic is coming in the opposite direction.

The Highway Authority are to be asked to put a 'Please drive slowly through the village' sign where the B3267 comes into Port Isaac.

### Twinning with Kolka

The dancers from Kolka in Latvia, had hoped to visit Cornwall this month, but are unable to come because the cost is out of their reach. They hope, however, that the link with Port Isaac will continue. A twinning sub-committee may be set up after Henry Symons has studied the documentation involved and presented a summary next month. In any event, a public meeting would be held to discover if Port Isaac wants to twin with Kolka.

### Footpath Sign at Millpool

The County Council are to be asked to find out who installed the splendid sign at the northern end of Port Isaac millpool and to point out 'Home Park' on one finger is both spelt incorrectly and misleading as there is no direct path from there to Homer Park.

### Refuse Collection

It was thought a notice could be sent to all cottage owners with times and location of

refuse collection points in the village and explaining the use of the new litter bins at the slipway. It was thought, however, that it would be difficult to determine which of them were 'official'. Mark Provis complained that because the contractors had no machine to empty the 'wheelie bins' in the new litter bins, they were only removing black plastic bags, despite instructions from North Cornwall District Council that all refuse was to be removed. He suggested that the 'wheelie bins' were removed and the wooden interior coated with fibreglass to prevent seepage of fluids, the refuse could then be removed by hand. This recommendation will be passed to the District Council. David Phelps asked if at the same time, the high wall at one end could be lowered and painted black to blend in better with its surroundings.

### Memorial Seats

David Phelps asked for it to be a condition on donated teak memorial seats, in future, that they would be maintained by the Parish Council for the normal life of the seat only.

### Sign at Port Gaverne Beach

In response to complaints about the sign asking people to control their dogs, or face a possible ban, the National Trust asked the Parish Council to establish whether there actually was a problem with dogs on the beach, if the sign was necessary, or whether the wording should be amended. A letter from Port Isaac and District Tourism Association said the threat of a ban might be thought unfriendly by visitors, but the Parish Council thought this would not be a serious problem and recommend that the sign is left as it is.

### Paper Bank

David Phelps said that the aluminium bank should first be put back where it was before it was moved during the car park re-surfacing. It is full to overflowing and doesn't get emptied where it is. It was thought a paper bank might not be a practical proposition but apparently a local person has successfully been collecting as much paper as she can get for the last two years so it was decided to ask the District Council about the possibility.

### The Seat Committee Report

Eric Stokes disagreed strongly with the letter from Charlie David, North Coast Heritage Service Officer, in last month's Trio. 'We are glad of seats that are donated', he said, 'the more the better. They provide somewhere for old people to stop and rest'.

### The Playing Field Committee Report

Mark Provis said the goal posts are in a dangerous condition and should be taken down immediately. This might also give the grass a chance to grow back again. Tenders are to be sought for the renovation of the posts and it was suggested that perhaps the position of the pitch should be moved slightly next year.

David Phelps pointed out that the car park gates are very hard to close. Apparently children riding on the gates has strained the hinges. Councillors are to meet at the playing field, and discuss the problem at a future meeting.

Mark Provis suggested a 'Tarmac and

Chippings' committee to report on the condition of the roads in the village.

### Footbridge on the Main

Bill Norris reported that soil washing down on to the bridge was accumulating and compacting on top of the wood and could be causing damage. David Bolton will ask Robert Ford, who works for him, to remove the soil.

### Hospital Car Service

Eric Stokes said that unless more volunteer drivers could be found, the service was in danger of dying. David Bolton suggested that each Councillor should ask someone they know. Eric Stokes said there was 'no chance' as he had already asked everybody. Nevertheless each councillor would try to find more drivers. Bill Norris said that if there had been no car service, the National Health Service would have had to provide one as before, meanwhile patients should use taxis and ask for reimbursement.

### The Main

Doctor Baird wrote to deplore the change from smooth grass to weeds and blackthorn on the Main and suggested the Heritage Coast Service might be asked to help clear it or, that the land could be offered to The National Trust who would probably manage it. Henry Symons said that sheep could probably be grazed there, confined by an electric fence. The Heritage Coast Service, with local volunteers, however, is prepared to help with the work in September.

### Notice Boards

The board at Trelights is in good condition but those at the Co-op and the Liberal Club need repairing and renovating. Eric Stokes said he found no difficulty with the board at the main car park which some people had found hard to open.

### Clerks' Correspondence

a. The request for some method of traffic calming on the main road into Port Isaac has been added to the County Council list of schemes for consideration. An engineer is to consult the Headmistress about a crossing near the school, but no parish councillor was invited. Mark Provis said a letter should now be written to the Highway Authority, with a copy to Harvey Lander, asking directly what kind of crossing we can have.

b. St. Kew Parish Council has passed all the papers concerning the Pendoggett - Port Gaverne Valley footpath to the Wadebridge Ramblers' Association. They added that more effective action might have been taken if St. Endellion Parish Council had sent someone to the original meeting.

c. A letter from Paul Tyler MP said that the chances had been considerably widened for people to make representation about the proposed new school hours at Sir James Smith School, Camelford.

d. Notice was received that planning permission had been granted for a link between 'Morwenna' in Fore Street and the adjacent building.

e. Notice was received of a hearing, at Launceston on 8th. June, concerning the Parish Council's 1992 appeal against the business rate on Port Gaverne toilets. The chairman and, if possible the Hon. Treasurer, will attend.

f. Correspondence from Mr. Melhuish of Trelights was considered, about the parking problem outside Trelights Farmhouse, during Music Festivals or when canoe parties are staying there, also about the bad condition of Trewithick Hill. These items will be raised next month when it is hoped Cllr. Dawe will be able to say if he is already dealing with them.

g. It was decided to ask St. Minver Highlands Parish Council whether they would appreciate support in deciding the issue of allowing Polzeath Surf Life Saving Club to retain their Portakabin on the beach.

#### Planning Applications

Lifting of Condition 4 on Trewetha Farm, David Phelps. David declared an interest and left the room. The Council voted in favour of supporting the application.

Erection of a lounge extension at 4 Furze Park, Trelights, Mr and Mrs H. G. Haynes. Mr Barriball pointed out that it was only about a ten foot extension and the Council supported the application.

Erection of detached garage at Cam Awn, Port Gaverne, for Mr. E. J. May. Eric Stokes said that any extra buildings at Port Gaverne were undesirable, nevertheless the Council supported the application.

Permission to demolish 3m of garden wall at Higher Barn, Rose Hill, Mrs. A. Yorke. The Council said it was a shame that all the old stone walls are going and the application was unanimously opposed.

The public were then asked to leave while the Council considered tenders.

#### Next Meeting

The next monthly meeting of the Parish Council will be held on Monday 14th. June at 7.30pm. in the Church Rooms, Port Isaac.

Dear Trio, May we, the undersigned, take Charlie David to task on his letter re seats on the Coastal Path?

Seats are a very tangible reminder of where a loved one has rested, and enjoyed the view. Donated seats are invariably of a higher quality than the concrete ones, and a small 4" x 2" plaque does not detract from their appearance (note the two new ones on the Platt). They are greatly appreciated by us because they obviate the need to use ratepayers' money to replace broken seats.

'Reinstate Cornish hedges,' he says. The average donation of £200 would be sufficient for about 2 metres! (with plaque). Imagine 2,000 plaques from here to Port Quin! Now that would be a Memorial Trail!

Finally, of all the 38 seats in St. Endellion Parish, not one is galvanised steel and wood, and we can only hope that Charlie David's ill-conceived letter does not deter future donors giving memorial seats.

Seat Committee.*

#### RED CROSS WEEK

The house to house collection from May 2nd. to 8th. raised £145.68. Many thanks to the collectors Mrs. M. Dingle, Mrs. S. Barriball, Mrs. J. Phillips, Mrs. J. Saundry, and Mrs. M. Jones. The organiser was Mrs. Pam Richards.

Dear Trio, I understand that there are rumours circulating that my severance with St. Kew Church was because it is my intention to leave the Parish - this is not true! My presence at the Church was made so difficult and uncomfortable by a small minority, I had no choice but to resign. It was with great regret that I arrived at this decision - it caused me much distress to do so, after 45 years as a member of the Parochial Church Council, 36 years playing the Church Organ, 22 years as a Sacristan, and 8 years as a Church Warden. The one pleasing thing from this is the many letters, telephone calls and personal visits I have had, thanking me for the service I have given to the Church and expressing utter amazement that this situation could ever have arisen. To all my friends I would like to take this opportunity to thank everyone for their kind words and support.

## ST. ENDELLION CHURCH A.G.M.

At this well-attended meeting, the Rector, spoke of the joy and inspiration of the Church as a place of worship and prayer. During the year fund raising had concentrated on roof and fabric repairs. ## WOMEN'S INSTITUTE

At our April meeting, Yvonne Toms from St. Columb demonstrated the fascinating area of 'Making Flowers' from various materials including nylon stockings! We watched spellbound how little scraps of fabric were transformed into exotic orchids, lilies, and other creations. Yvonne has a lovely sense of humour and her running commentary was another treat.

Our first outing for this year was to 'The Lost Gardens of Heligan Manor' and you could not have wished for a lovelier day. The day before and after was wet and cold, but the gods smiled on us that Friday.

We had an almost full coach as St. Teath W.I. joined us plus numerous friends from the village. The gardens are being reclaimed from the wild (they slumbered peacefully and unchanged for almost 100 years) - we plan another visit next spring. The Himalayan rhododendrons, camellias, and magnolias were truly worth seeing.

Our May meeting was mostly taken up with Resolutions for I. G. M. Mrs. Bancroft was our speaker, explaining the importance of Women's Institutes nationally and as a voice to be heard on important issues.

Next meeting will be held on the first Thursday, 3rd. June as The Royal Cornwall Show begins on our usual day. The speaker will be Mrs. J. Haigh on 'The River Camel & its History'.

On Tuesday 15th. June at 10.30am. Pat Rex (7 Silvershell Road) is having a Coffee Morning. Please support this event, we'll have a Bring & Buy and cake stall. This is in support of our Institute. *Zofia Fry.*

## PORT ISAAC R.N.L.I.

Since the boat went back into service in late March, there have been four 'shouts'. The first being to a possible capsized boat which turned out to be a dead whale. The second was to a windsurfer at Greenaway who managed to get himself to safety. The third call on 2nd. May required the boat to stand by while the cliff rescue team attended two teenagers stranded on the cliff face at Greenaway. (This was the lifeboat's 400th. call since being re-inaugurated in 1967.) Later that day a windsurfer was reported in difficulties at Daymer bay. The boat launched but was recalled when the surfer was picked up by another vessel.

Crew members this year: Phil Aldridge, Nigel Andrews, Trevor Beare, John Brown, John Collins, Mike Daly, Mike Edkins, Richard Hambly, Greg Hingley, Steve Hudspith, John McDonnell, Mark Provis, Jonathan Rowe, Chris Scott, Andy Walton, Adrian Willson.

Any one over eighteen interested in joining the crew for 1994 is welcome to apply to the Hon. Sec. David Castle 880383. Applicants must attend winter training sessions and pass the R.N.L.I. medical

As many of you will have seen, the lifeboat has now been re-housed in the building that used to be the garage of the Slipway Hotel. Apart from the operational benefits of the new location, it is very satisfying to be in the building originally built by the R.N.L.I. to house the 'Ernest Dresden', Port Isaac's 4th. lifeboat. The station closed in 1933, exactly 60 years ago. The boat was installed by the crew during the first week in May. Although it may look a bit rough and ready at the moment, the facilities are already miles better for the crew than at the old boathouse and launching will be much easier. The crew and committee are pleased with and proud of the new boathouse as we are sure the rest of the village will be. Next winter it will be completely re-furbished (plans are available for inspection in the new boathouse) to include a crew room and permanent souvenir sales area for band nights and appropriate occasions. Volunteer sales people are always welcome.

The support given to the R.N.L.I. by the village and surrounding area continues to be tremendous. Many thanks and do visit the boathouse soon

The Four-legged Race will be on 22nd. July. Sponsor forms from Pat Hingley 880475 and Trevor Beare 850495.

## R.N.L.I. ANNUAL EXHIBITION

Annual Exhibition of work by local artists in aid of the R.N.L.I. was opened at the Port Gaverne Hotel on Friday April 30th, by Frank McNicol (who, with the help of his wife Renee, had organised the exhibition for the previous 25 years). As usual Mrs. M. Ross had very kindly offered the Hotel as the venue. The exhibition will continue until Friday 4th. June when at 8.00pm. a picture by Isabel Orr will be raffled, the proceeds being in aid of the R.N.L.I. Tickets at 20p each can be bought at the hotel.

## ROWING CLUB

32 Club members went across to the Isles of Scilly for the World Gig Championships. The crossing there and back could not have been better, with calm seas and warm sunshine. The ladies did a great job again coming in a successful 5th. making up two places on last year. In the 1st. race on Saturday afternoon all 30 gigs lined up to race from St. Agnes, a distance of about 2 miles in choppy conditions - the girls came in 5th. From these results the gigs were split into groups of about eight which then operated as a league.

2nd. race, Nut Rock to St. Mary's - 5th,  
3rd. Race (same as 2nd.) - 2nd, 4th. Race  
(same again) - 5th. The final Ladies results:  
1st. Fly - Newquay, 2nd. Islander - I o S.,  
3rd. Rival - Fowey, 4th. Royal - Truro, 5th.  
Corsair, 6th. Rydor - Looe, 7th. Cape  
Cornwall - C.C., 8th. Fury - Falmouth.

Well done to the ladies. Keep it up!

The men, well what can you say; they did not have a full crew and they did not come last, but they did have a good time.

The final Mens results:

1st. Islander - I.o.S. 2nd. Royal - Truro,
