### Christmas Lights and Coronation Park Committee

The A.G.M. of the above will be held on the 21st. March 1994 in the Methodist Chapel, Trelights at 7.30pm. Everybody interested in Trelights will be made most welcome.

*F. Milton. Hon. Secretary.*

## PLAYGROUP A.G.M.

Our A.G.M. will be held on Monday 28th. February in the Penhaligon Room at 8.00pm. Anyone who is interested is very welcome to attend. Annual reports will be given and an election for committee members will be held. If you feel that you have anything to offer the Group we shall be very pleased to see you at the meeting - you do not need to have a child at Playgroup to serve on the committee - simply give your ideas. Fresh input is always welcome.

*Mrs. N. Evans.*

## P.I.P.F.A.G.'S

The first meeting of the Port Isaac Playing Field Action Group took place on 29th. May 1990. The reason for formation of the Group was to better equip the Village Playing Field. With the help of grants, donations and lots of fund-raising, the first piece of equipment was installed for use in October 1990. A total of £4,500 has been spent to date on the Playing Field, and when the Action Group decided to disband, it was thought that a public meeting should be held to discuss what should happen to the £518.62 remaining in the account. This meeting was held on Tuesday 1st. February, chaired by Carol Richards, who gave a short account, to the members of the public who had braved the weather to attend. Three suggestions for the use of the money were put forward:

1. A letter from the Parish Council suggesting the money be left in their trust for the replacement, maintenance, and possible provision of new equipment for the Playing Field.
2. Used for 'Project 2000'.
3. Given to the school for the purchase of equipment for the school.

After a short discussion it was decided that as the money had been raised by the community as a whole, for the Playing Field, it should be used accordingly, and remain in an account held by the Parish Council for use within the Playing Field.

The original Committee has now disbanded, but there is no reason why a new group can't be formed and raise some money for new swings, for that is what seems uppermost in everyone's thoughts.

The members of P.I.P.F.A.G. would like to thank everyone for all their help and support in the past.

*Mel Dingle.*

## WOMEN'S INSTITUTE

The Christmas shopping trip to Plymouth was enjoyed by members and friends, as was our annual post-Christmas lunch at the Cornish Cafe. Thank you all, dear friends, for supporting our events.

At the January meeting we had 'Making Lampshades' by Zofia Fry, but modesty prevents me from giving it a 'write-up'. Competition: M. Hoskin and D. Oliver. Flower of the month: D. Oliver and P. Rex.

Our A.G.M. was held at the February meeting and the retiring officers reported a successful and interesting year. We had had outings nearly every month between spring and winter and they were all well supported from the village and by neighbouring W.I.'s. The monthly Competition Cup for last year (on points) was won by M. Hoskin, 2nd. prize - P. Rex, 3rd. prize - Z. Fry. Flower of the month for the last twelve months - N. Oliver, Z. Fry and D. Oliver. The following officers were elected. President - Mrs. P. Rex, Vice President - Mrs. M. Hoskin, Secretary - Mrs. E. Morris, Assistant Secretary - Mrs. S. Brown, Treasurer - Mrs. Z. Fry, Outings and Press - Mrs. Z. Fry. February Flower of the Month - Z. Fry and P. Rex.

1994 is a special year for the Port Isaac Institute as we will celebrate our 70th. anniversary in November! We plan many activities this year - outings, coffee mornings, bread making demonstration, jumble sales and you name it - we'll do it! But most important of all will be our 'Anniversary Recruiting Drive'. This is aimed at all of you, dear friends from the village, will you please support us in this effort?

When we came to Port Isaac in 1986 I didn't know a soul but within a month I was 'roped in' (very willingly) to join the Institute and I haven't looked back since. It was a wonderful opportunity to meet new friends and take part in all sorts of marvellous activities.

We meet on the second Thursday of each month in the Wave's End Club, behind the main building at Castle Rock Hotel, at 2.30pm. Do drop in, you'll be most welcome. We are planning a return visit to the Lost Gardens of Heligan, near Mevagissey in April and a trip to the Flora Dance in Helston on the 7th. of May.

*Zofia Fry.*

## IT'S TOMORROW!!!

## RAINBOWS JUMBLE SALE

Port Isaac Rainbows held a very successful Jumble Sale on 2nd. February. The Rainbows all helped on the various stalls and raised a total of £70. A cheque for £50 has been sent to Feed The Children for the 'Children's Convoy' to Bosnia. Thank you to all the people who helped on the day.

The Rainbow Guides meet every Wednesday during term time from 3.30 to 5.00pm. in the Village Hall, so, any girls aged between five and seven years, come and join in the fun. *Sea Horse and Turtle. (Jane Rowe and Lil Thomas)*

## NO TRIO IN MARCH

There will be no Trio next month.

It is felt it will be better if the April Trio comes out at the beginning of April, May's at the beginning of May, and so on. Also, The Blackthorn Press usually happens to be busy with printing orders at the end of the month. Therefore, from April onwards, Trio will still appear eleven times a year (February to December) but on the first Friday in the month.

**Deadlines:** news items before 4.00pm. on Wednesday one week earlier, advertisements two weeks earlier (to give time to make them up before the typing and sub-editing of articles starts).

## PARISH COUNCIL

An unofficial report compiled from notes taken by a member of the public during the meeting held at the Church Rooms, Port Isaac, on Monday 14th. February. For authoritative information, please refer to the Parish Council minutes.

There were several members of the public present but no points were raised for public discussion.

### Finance

Expenditure for the month exceeded the £324 in the current account, so £500 is to be transferred from the £3,545 in the high interest account.

A cheque for £518.89 had been received from P.I.P.F.A.G. to be held in trust on a high interest account and used for new playground equipment or maintenance of the existing equipment. The possibility of providing a netball practice post will be discussed next month.

### Parish Paths Partnership

Having failed to join the scheme this year, the application for next year will be sent in straight away.

### Local Plan Consultation Meeting

David Bolton, David Phelps, and Mark Provis will attend a meeting for local councillors to be held in Wadebridge on Thursday 17th. March, the day after the public meeting.

### Annual Parish Meeting

Paul Tyler MP is to be invited to speak at the meeting which this year will be held on Thursday 21st. March in the Church Rooms. Council and District Councillors, representatives of Police, County Council Highways Department, South West Water, plus the Dog Warden, and Betty Doney (footpaths officer) will also be invited. Cllr. Bill Dawe asked for the issue of an Article IV Order for Port Isaac to be raised.

### Port Gaverne Toilets

Tenders are being advertised for, for the operation and cleaning of the toilets from 31st. March to 30th. September.

### Coldstanton Corner

David Phelps reported that two cars had gone over the edge and that 'Highways' should be asked to either reduce the severity of the corner or provide a crash barrier. He said there will be a bad accident there. The Highways Department will be asked to look at the problem.

### Signs at Port Isaac Turn (B3314)

David Phelps said the conglomeration of small signs should be replaced with larger single signs where 'Poltreworger' was removed and 'Trewetha' added. 'Highways' will be asked to do this.

### Port Isaac Illuminations

Eric Stokes reported that vandalism and the weather combined had caused many losses and other problems for the Christmas Lights. The Playgroup train display had blown across the road with the danger that a claim for damage might have been made against him. As he would not be in a position to pay such a claim, he asked the Parish Council to act as an 'umbrella' for the lights and so be able to insure them. Cllr. Bill Dawe said the scheme should be

supported in any way possible. The Council are going to look into the possibility of adding both the Port Isaac and Trelights Christmas illuminations to their existing insurance schemes.

### St. Endellion Graveyard

The agents acting on behalf of the Parish Council will proceed with the transfer of the piece of land, to provide an extension to the churchyard, providing all parties are still in agreement with the valuation and conditions of sale drawn up in 1991 but shelved pending the resiting of an electricity pole - now completed. There will be a meeting attended by a member of the Parish Council, the Parochial Church Council, and the tenant. Bill Norris expressed fears that meeting the stringent fencing requirements could well cost more than the land but, as the Council was committed to the purchase, the costs would have to be met somehow when the time came. This could easily be a year or more hence as the land was not immediately required by the church.

### Reports of Committees

**District Council:** Cllr. Bill Dawe repeated his request for an Article IV Order on Port Isaac village. He went on to point out that there was to be a site meeting of all interested parties at 'Maylands' Port Gaverne.

David Phelps urged all Councillors to attend the site meeting because if the owner were to get away with the things he had done in defiance of planning regulations, it would clear the way for anybody else to do the same.

**Tarmac and Chippings:** Mark Provis was glad to see that the new entrances at Trewetha Lane council houses were under way. The bottom of the village, however, was a terrific mess and in a disgusting state, and he hoped that the re-surfacing work would not be carried out during the Easter two-week holiday period.

**School:** Bill Norris complained that a reply to a Parish Council letter had been sent to the headmistress and caused some ill-feeling with the Education Department. Mark Provis said the Council should write to the Education Office and take the buck. This will be discussed next month.

**Seats:** David Phelps said that a new black seat had arrived but was being kept in a barn at Trewetha until the weather improved. Eric Stokes said that the two seats on the Platt were to be removed, given a coat of preservative, and kept in store for the winter.

**Council for Parish and Town Councils:** Henry Symons said there was to be a special meeting of C.A.P.T.C. to discuss the plans for proposed changes in local government. The new authorities would be installed in 1997.

### CLERK'S CORRESPONDENCE

a. Good news was received that due to an increase in the Revenue Support Grant, North Cornwall District Council are now able to continue with the maintenance of the public toilets.

b. A letter from Malcolm Price, Planning Officer, explained that if the Parish Council raised an objection to a plan then that plan could not be considered for 'delegation'.

c. A letter from Mrs. Rander, Cornwall County Council, said that previous owners of Burrow Park Farm could only think of one couple, a Mr. and Mrs. Spry, who had walked the path through the farmyard with any regularity so that it would be necessary to find other people who could validly claim they had used the path before it could be included on the Definitive Map. It was felt that this would be a hopeless task and that footpath 32 might as well be considered as extinguished.

d. A further meeting had been held to discuss the flooding at Coronation Park, Trelights, and a further approach was to be made to Mr. Harris, neighbouring landowner. As Mr. Barriball was not present he was not able to report to the Parish Council on this meeting.

e. A letter from Cllr Dawe's solicitors, involved with allegations against the Parish Council relating to the manner in which it was purported to have discussed a 'rave' party in the parish, indicated that the matter was now closed. Cllr. Bill Dawe said that he wanted an apology from the Parish Council for being called a liar. Mark Provis said that he had visited the solicitors who had backed up everything Cllr. Dawe had said. Cllr. Dawe then said, 'Lies is no good; Truth will stand'. Henry Symons pointed out that since the solicitors had made the allegations against the Parish Council then it was Cllr. Dawe who ought to apologise. Cllr. Dawe said if anyone goes to the solicitor they will hear the same 'if they hear different, then I'll apologise'. David Phelps proposed that the matter should be closed and this was accepted.

f. A letter from Paul Tyler M.P. to say he had been informed by British Telecom that, at this late stage when 'all number dialling' was soon to be introduced, it would cause even more confusion if names of small exchanges were put back in the Phone Book. The next edition would show all numbers with their national dialling codes.

g. The Royal Association for the Prevention of Accidents (ROSPA) are offering to examine playground equipment and issue certificates of safety standards acceptable to insurance companies. It was decided to accept the offer of an inspection which would cost £37.50 plus VAT.

h. A letter from the Planning Department said that, after a site meeting, it was

**SPROULLS**  
**SOLICITORS**

The Rock, Port Isaac  
(0208) 880355

decided that listed building consent would no longer be necessary for the new dormer windows on Castle Cottage, Rose Hill.

i. Information from C.A.P.T.C. about the inclusion of Cornwall in the Rural Development Area which meant extra help for village halls, etc. David Phelps is looking at this 'They've got money', he said.

j. On the 8th. March and 19th. May, there are to be seminars of the Local Members Steering Group where there will be an opportunity to talk to County Councillors. These will be advertised on Parish Council notice boards

k. On behalf of the Playing Field Committee, David Phelps is to attend a meeting of the Cornwall Playing Field Association at Probus on 25th. March.

l. C.A.P.T.C. are inviting nominations from Parish Council chairmen for the four tickets they have for the Royal Garden Party in July but David Bolton would be unable to attend, so no nomination was made.

### PLANS

a. Continued use of dairy for the manufacture of ice cream, previously undertaken without consent, Glebe Farm, St. Endellion, Mr. R. H. and L. M. Carey: Henry Symons questioned the need for planning consent. The building and a cream making plant were already there, how did ice cream differ? The application was accepted.

b. Plans for a dwelling at 17 Trewetha Lane. Eric Stokes said he would oppose the plan for yet another building but, as the rest of the Council had previously accepted plans for three other buildings within 100 yards they could not oppose this one. It was suggested that the development should be restricted to a bungalow type dwelling but Mark Provis said that a bungalow was hardly in keeping in an area covered by a conservation order. David Phelps said this was absolutely right. The application finally received 'support' but recommended for a cottage type dwelling only.

### Next Meeting

The next monthly meeting of the Parish Council will be held on Monday 14th. March at 7.30pm. in the Chapel Room, Trelights.

*Dear Trio,* I write in reference to the article suggesting a new community hall for the village, in commemoration of the coming of the 21st. century. The existing facilities are not particularly good. The Village Hall lacks access - particularly for the elderly and disabled, and has no parking facilities, while the Church Hall needs substantial upgrading to meet the demands of a public meeting hall. The vision of the Parish Council could have exciting prospects for reinstating the spirit of Port Isaac in the years to come. But I sense it will come to nothing unless it receives the full support of the folk who make up the village. It is essential that each person makes their views known. Is it a good idea? - what is required? - what does the community need? - how can finances be raised? It is early days, and there is a lot of planning to do, but if it's going to meet our needs, we must make our ideas and views clear to David Phelps and the organisers. *George Oxley.*

### LOCAL HISTORY GROUP

At the first A.G.M. of the Group which took place on 4th. February, Chairman George Steer reviewed our first year in which we had staged a successful exhibition at the Wadebridge Wine Circle's Annual Craft Fair, drawing many favourable comments from residents and visitors. Many thanks to Margaret Couch for giving us this opportunity to put on the display.

Our monthly meetings are always well attended, with many fascinating artifacts on show. Over the year there have been pre First World War Port Isaac 'Pig club' and 'Clothing club' minute books, plans for developing Port Gaverne (1899), posters about action to stamp out truancy at the school (1902), 19th century traders' accounts, letters between the church and the Parish Council about parking the 'Parish Hearse', and more. Old photos, some from as early as the 1860s, are brought to our meetings, many of them unique family shots of former residents.

If things of this sort interest you, come along to our meetings at the Liberal Club on the first Friday each month. Annual subscriptions are just £3, plus 50p at each meeting to cover refreshments. Come along and give us a try, we charge 50p. for an occasional visit to our monthly meetings, or £1 if there is a visiting speaker.

In the coming months we shall arrange speakers, to talk on various aspects of local history, and at the Easter weekend, we are having another 'Old Port Isaac' exhibition. More details in next month's Trio.

## FOOTPATH 32

Another footpath bites the dust – well as good as. When farms are sold and become private dwellings and the former farmyards turn into gardens, the footpaths that crossed them as a matter of course (and not shown on the definitive footpath maps) become out-of-bounds to the walker. The path from Port Gaverne to Pendoggett, for example. You can walk up the valley to Pendoggett Farm, but the path is blocked there, just yards from the Cornish Arms. Now the beautiful path from Scarrabine to Burrow Park is to be blocked in the same way.

### Alan Richard Gaunt

On Sunday January 25th, with much sadness and grief, we learnt of Alan's tragic death as the result of a motorcycle accident. He was well known and respected in the village where he had many friends. He was a very keen sportsman who loved football, and was a member of the former Port Isaac team and of other clubs in the area.

The funeral service was held in St. Peter's Church on January 28th. The church was crowded, which showed the respect by which he was held. The service was conducted by the Revd. M. Bartlett, who in his address paid tribute to Alan's life. We all express our sympathy to Helen, his widow, to Clifford and Pat, his parents, and to his family, in the loss of a husband, son and brother, and to other relatives.

The families have been greatly touched by the many expressions of sympathy, callers, cards, and by all those who filled the church for Alan's funeral: our gratitude and thanks to you all. We would particularly thank the bearers, Fr. Michael for the service and his care and consideration, also Ian Honey who, as always on these occasions, is a tower of strength. Donations in lieu of flowers, some £300, is to go to the Cancer Research Fund and MacMillan Nursing Service.

*Sincerely, Patricia and Clifford Gaunt.*

### Cecil Gordon Seabrook

We have to report with deepest regret that Gordon has left us. He died at his home, 4 Silvershell View, on Friday 4th. February aged 72 years. Following his retirement, he had lived for nine happy years in Port Isaac but had been in failing health for some time. He was a quiet man and he leaves behind his wife Patricia and three sons.

The funeral was held at St. Endellion Church on Thursday, February 10th. A number of neighbours, relatives, and friends attended the service and interment, which was conducted by the Rector, the Revd. M. Bartlett. We express our condolences to his widow and three sons and their families in their bereavement.

Pat would like to express her sincere thanks for the many messages of condolence and sympathy, which she knows Gordon would have appreciated. Special thanks to the Revd. M. Bartlett and to Ian Honey for their help and kindness during this trying time. Also to Doctors Lunny and Sainsbury and the staff of the Port Isaac Surgery.

## PROSPERO I

We need something to brighten up one of the most dismal winters on record – we must all feel that we have got webbed feet! What better than our first exhibition of the season? Begun last year by Meriel d'Alby, and now taken over by Derek Plummer and June, 'Prospero I' is to be held at The Green Door Club (see advertisement).

There is a marvellous array of paintings to look at in really peaceful surroundings, with no pressure from anyone. Lovely wood carvings which make the most wonderful wedding gifts, along with some truly special pottery.

The artists taking part are all the same as last year, it is nice to feel that they have all wanted to stay together for this coming year. With such a display of talent it is not possible for me to pick out any individuals, but to ask you to spend an hour with us over the Easter holiday and browse at your leisure. Hopefully you will see something you like as everything on show is for sale.

We don't have a Preview, but everyone is welcome and there is the added attraction of the Port Gaverne Hotel opposite for bar snacks, meals and drinks. When we have left at night, the staff there are always willing to help should you see anything you want and cannot come back in the morning. To have the show open in the evenings is

wander around before or after dinner. Over  
the Bank Holiday we shall have a steward  
at night so please come along and see us.

This year we are supporting the First Air  
Ambulance who are in such desperate need  
of help. There will be a donation box on  
the door, and a percentage of sales will also  
be donated. Our lives depend on them so  
much, when hospitals are so far apart and  
roads congested in the summer months.

## TOURISM ASSOCIATION

The 1994 Accommodation Guide is now available, and being sent out to enquirers. Without bothering to tell any of the advertisers, the Cornwall Tourist Board dropped the response coupon page from 'Discover Cornwall 1994', which was the main source of enquiries. Following representations from Port Isaac and District Tourism Association and others, C.T.B. have agreed to reprint this page as an insert in 'Discover Cornwall', so enquiries are back to normal levels. We are already looking at the 1995 guide, which we shall be making more attractive to prospective visitors. In particular, we want to drop many of those facility codes which make it difficult to follow. It will then be possible for individual entries to have larger write-ups. A mock-up should be available in time for our A.G.M. in April. As it is *your* guide, and we want to hear *your* views about the changes, make sure you are there. Further details of the A.G.M. will be in next month's Trio.

We are organising a Social Evening at the Headlands Hotel on Friday 18th. March (see advertisement), to which everyone is invited, tickets will be available at various outlets in the village. The evening will give us all a chance to meet on an informal basis before the hustle and bustle of a new season is upon us once again. A coach will be available ring 880260 for details.
