

## P.I.D.T.A.

Port Isaac and District Tourism Association

### Stop Press List

Until the new guide is ready, the old Accommodation List is to be re-printed with an extra sheet to contain any changes.

### Port Isaac beach dirtiest in Cornwall?

The report on BBC Radio Cornwall arose from a misunderstanding – the volunteers at Port Isaac were keener than others so they collected more rubbish!

### Subscriptions

Quite a lot of businesses have paid their subscriptions but we do need the rest as, unless the funds are there, we cannot do anything.

### New Guide for 1997

Phil Hudson has agreed to arrange a flight so that he can take some aerial colour photographs for the cover.

Inside, there will be a page of descriptive wording, probably with a black and white photograph, and one page of information for visitors, including references to St. Endellion Music Festival, the absence of commercial attractions here, but easy access to theme parks, etc. elsewhere. The information will include public transport (Western National), beaches, petrol filling stations, the 'Dolphin Watch' telephone number, times of church services, and dates of the North Cornwall Heritage Coast Service mobile interpretation centre.

The advertising spaces will include 'prime spots' of quarter-page spaces on the inside cover pages. The remainder of the pages to be divided into ten divisions to be sold in multiples as required.

Robin Penna is going to try and visit each business by the end of July but it will help if people who would like to take advantage of this advertising medium would contact him on 880292 – the 'prime spots' are already rapidly being taken up!

## ANNUAL FLOWER SHOW

The Port Isaac and District Garden Society's Annual Show will be held on September 7th. in the Church Hall. We are extending the show to include adult handicrafts as follows – Painting 24"x18" maximum in any medium, Hand knitted article, Machine knitted article, Soft toy, Embroidered article or picture.

*G Payne.*

## POLICE

There is a large-scale operation in progress in Division 'B' at present, making it very difficult to obtain any information. After spending over £3.00 in telephone calls via Littlemoor (0990 777444), we were able to elicit the following:

There were some cars broken into in the car park at Pendoggett and an attempt to burgle a nearby house although it is believed nothing was stolen.

Two people were arrested in connection with theft of floor slates from Tregaverne Farm. One of them was a person who had recently come out after 2½ years in prison.

There were two 'warrants' to enter premises at Port Gaverne and although the lead was a false one, another person arrived who was found to be carrying drugs and was arrested.

## The Quiet Corner

'I was brought up to know that if you wanted £1, you went out and earned it, then better not to spend it, if you could avoid it.'

*Rt. Hon. Gillian Shepherd, M.P.*

## PORT ISAAC SCHOOL

### French Student

We were very sorry to say goodbye to Karine Hascoet who spent the first two weeks of this term in school with us. All the children, even the very youngest, had an opportunity to learn some basic French and to find out about life in Brittany.

### Year 6 Camp

On May 22nd., the children in Year 6 join those from Delabole and St. Kew schools at the Delaware Outdoor Adventure Centre for three days of activities including canoeing, rock climbing, and abseiling. This is a wonderful opportunity for the children to experience these exciting activities, and to make new friends. (Fingers crossed for good weather.)

### Photographs

On June 13th. the Tempest photographer will visit the school to take class and team photographs. Those for individuals will be taken later in the year.

### New Pupils

We are looking forward to the Autumn term reception children beginning their introductory visits on Wednesday 5th. June.

### Visit to Camelford

On June 12th., the Senior Class will spend the day at Sir James Smith's School, taking part in a variety of activities from pottery to trampolining.

### Diary Dates

July 4th: Sports Day, July 11th: Inter School Sports, July 17th: Maori and Aboriginal Musical Evening, July 18th: Music Workshops for Children, July 25th: Leavers' Assembly, 1.30pm.

### Birthdays

Ellen Rowe (5) and Lauren Dyer (6) have both had birthdays during May.

## LANTERN RESTAURANT

Now that we have settled in to our new home, we would like to introduce ourselves as new owners of the restaurant.

We moved to Cornwall in October 1995 from Sardinia. John has served 25 years in the Royal Air Force, his last station being St. Mawgan. He leaves the Air Force today.

In the few weeks that we have been here, we have met some lovely people. We had not encountered anything quite like Cornwall, or the warmth and friendliness of the Cornish people even after having travelled around Europe and most of the U.K. We have both decided now that Cornwall is the place where we would love to settle down and spend the rest of our lives – so here we are, with the feeling 'home at last'.

With help from John's redundancy we purchased the Lantern as a semi-retirement venture – with no illusions regarding the hard work and long hours involved in the summer!

We aim to offer good quality food at affordable prices. Give us a try when we are up and running in the season even if just for coffee – all are welcome – most times pushchairs included.

*John and Lucy Bryant.*

## CONGRATULATIONS

Congratulations to Oliver Childs and Nancy Quinn on your marriage in Niagara Falls, Canada, on 26th. April 1996. The whole family wishes you both much love, health and happiness always.

*Ted and Elizabeth Childs.*

## BEST PLAYERS

At a presentation ceremony at the Camel's Rugby Club, Wadebridge, out of 200 juniors, David Provis was named 'Best Player In the Year' for the nine-year olds, and his brother Michael had the same award for the eight-year olds. Mark Provis' butchers shop was once owned by Will Carling's grandfather – perhaps there is some influence here!

## PARISH COUNCIL

An unofficial report compiled from notes taken by a member of the public during the meeting held at the Church Rooms, Port Isaac, on Monday 13th. May. For official information, please refer to the Parish Council minutes.

Present were: Harold Barriball, Bill Dawe (District Councillor), Malcolm Lee, Bryan Nicholls, David Philp, Bryan Richards, and Henry Symons.

Apologies were received from: Richard Hambly, Jill O'Connor, David Phelps, and Mark Provis.

### Election of Officers

This was the Annual General Meeting and the following officers were elected by the Council:

Chairman – Henry Symons, Treasurer – Malcolm Lee, Footpath Officer – Malcolm Lee, Representative to the Village Hall Committee – Bill Dawe, Trelights Village Representatives – Harold Barriball and Bill Dawe. The positions of Vice Chairman and Representative to the Cornwall Association for Town and Parish Councils (C.A.P.T.C.) were left till the next meeting as the nominees were absent.

The following committees were also elected: Playing Fields Advisory Working Party – David Philp and Bryan Richards. Seats – Harold Barriball, Bryan Nicholls, and Bryan Richards.

The Roads Representative ('Tarmac and Chippings') will be decided when the nominee is present.

Bill Norris continues in his post as Representative to the Board of Governors of Port Isaac School until August.

### Public Discussion

Peggy Richards reported that the dog bins were being filled with household rubbish so that people were having to leave bags of dog waste underneath them. She also queried whether the £3,000 allocated for emptying the bins was being misappropriated as the bins were not being emptied by the special vehicle and the waste matter was no longer being incinerated.

She continued that it would be utter madness to remove the gates at the Playing Fields. This would only encourage children to run across the road. There also had been a red van left in the car park for several days which had occasioned many telephone calls to herself from people wanting to know when it was going to be removed. Henry Symons explained that the police had taken no action as the car park was private ground and if the Parish Council towed the vehicle out of the car park it would have to be left where it would block the B.3267 road.

Elsie Ferguson asked for clarification of a point made last month when it was averred that this Parish Council was not bound by decisions made by a previous Council and therefore no need had been felt for a referendum concerning the addition to the Playing Fields. Henry Symons said that whereas any legal agreement, such as a loan, entered into by a Council was binding on future Councils, other decisions could not be as this could mean that an outgoing

Council could, for instance, make decisions to frustrate the incoming one.

Robin Penna agreed with Peggy Richards about the Playing Fields gates and pointed out that these had originally been installed because of dumped vehicles, illegal parking, etc. He also pointed out that Dr. and Mrs. Barron own the land over which the Parish Council have a right of access (and for which they pay an annual wayleave), not the other way round as given in minute 176. He also asked if the dog bin at the junction of New Road and Trewetha Lane could be moved as it blocked the view to the left of car drivers joining the junction when coming up from Rose Hill, the Village Hall, etc.

### Planning Applications

Amended plans for erection of a house and garage, with access to Trewetha Lane, for Mr. and Mrs. R. Carter, were accepted on provided that these plans, and the building regulations, were observed precisely.

The renewal of permission for the change of use of land for a cemetery extension at St. Endellion were acknowledged, without observation.

### Financial Statement

Malcolm Lee presented the statement as at 6th. May showing receipt of the first half of the Annual Precept in the sum of £5,250. The statement also detailed monthly expenditure of £973.60. It was proposed, and carried, that £4,200 be transferred to the High Interest Account where the balance, (including £42.48 annual interest) is now £6,791.57. The balance left in the Treasurer Account being £187.76

A decision to make a donation to Young People, Cornwall, was deferred until next month as Youth Group leader Jill O'Connor was absent.

### Signs on Church Hill

A letter from Ted Childs who owns Tremaine cottage at the bottom of the hill complained at the personal stress and financial expense they have suffered as the result of many unsuitable vehicles using the narrow street and seriously damaging the front of their building. There had been three more incidents since the last Parish Council meeting. One day there could be a brake failure with one of these large vehicles. A few simple signs could obviate all this trouble.

A letter from the Western National Bus Company also complained about the poor signs and reported that a driver on a summer Sunday route, where some of the drivers come from Newquay and Padstow, had mistakenly tried to drive through Port Isaac via Church Hill but had, fortunately, not damaged the bus.

Malcolm Lee pointed out that it was now five months since County Highways had agreed to improve matters but are presently ignoring the situation. He proposed that a strong letter be sent asking for an immediate consultation.

### Gates at the Playing Fields

This item had been put on the agenda by David Phelps who was reported as being anxious about the possible cost of repairing the existing gates and wanting them removed temporarily to see what difference this would make. In the

opinion of a Police Accident Officer who had been consulted, the absence of gates would encourage young people riding bicycles down the hill at Hillson Close to shoot straight across the main road into the Playing Fields car park. David Philp reminded the Council of their earlier attempts to get a pedestrian crossing and asked why they now wanted to get rid of the gates and increase the danger. He said he would not want to be a Parish Councillor if one child were to be killed as a result of Council action. Malcolm Lee said that he wanted to have nothing to do with an 'experiment' that could jeopardise the safety of our children. Bill Dawe proposed that no action be taken as the matter was too serious to play around with. This was carried.

Bryan Richards asked what the cost of re-hanging the gates would be and was told that Taylormade Ltd. are to provide a quotation.

Bryan Nicholls said that the gates should be kept locked and that anyone who used the Playing Fields should have a key. There should also be a key kept at the Doctors' Surgery for use by the Air Ambulance.

#### Pavement in Hartland Road

Bill Dawe said he had visited Hartland Road and noted that the work, including the pavement in New Road, had not been done yet in spite of promises by the District Council and County Highways that it would be completed by the end of April. If someone should fall on the rough pavement, however, it is possible that the Council might be held liable.

#### Discussion of Minor Plans

A proposal by David Phelps to discuss, at the Chairman's discretion, minor planning applications received after publication of the agenda. Henry Symons underlined the legal requirement that the agenda must specify the business to be discussed and that the Parish Council was not in a position to take the action proposed. It was also not possible to ask for an extension to the time limit given for the Parish Council observations to be made because the submission of

plans for Parish Council inspection was a courtesy extended by the District Planning Department, and not a statutory requirement. North Cornwall was one of the few councils which still extended this courtesy to its Parish Councils. It will still be necessary, therefore, to call interim meetings for the purpose of discussing all planning applications received.

#### Sewage in Port Isaac Harbour.

A letter from a visitor, Mr. Terry, Leigh-on-Sea, complained that human waste and tissue paper had been seen emanating from a pipe jutting out of the cliffs just below Northcliff. The Parish Council will write to the Environmental Agency and South West Water Authority and a reply is to be sent to Mr. Terry.

#### Clerk's Correspondence

a. The Highway Authority stated, in a letter, that the direction sign in New Road opposite Penreal Estates had been erected in a different position from that originally decided after a householder complained, it was, nevertheless perfectly adequate and fully visible at the point from which it would be read at the correct speed for the road.

b. A letter from Amanada Martin, Footpath Officer, thanking all who took part in the Parish Paths Partnership scheme at Port Isaac Millpool.

c. The redundant electricity pole opposite the Cornish Cafe has been removed.

d. A request from the Dog Warden for advice on where to put up new notices. Also to advise the Parish Council that there would soon be more powers for Councils to prosecute people for breaches of the dog laws.

e. A request from Trelights Village Green Committee to use Trelights Green for a Coffee Morning on Tuesday 4th. June and for a Barbecue on Wednesday 15th. August. The Playgroup had also requested permission to hold a 'Family Fun' Day in the Playing Fields on Sunday 28th. July

#### Journal

Bryan Nicholls asked about Police surveillance in view of the fact that there had been several car break-ins recently. The Chief Inspector will be asked to come and speak to the Parish Council.

Bryan Richards reported that the seats had now all been numbered. He also queried whether a seat at the Playing Field had been fixed down properly, as requested by the Council, and who had given authority for it to be moved over to a completely new position.

#### Next Meeting

The next monthly meeting of the Parish Council will be held on Monday 10th. June at 7.30pm. in the Chapel Rooms, Trelights.

## P.P.P.

#### From a letter to the Parish Council:

I am writing to thank your parish for all your hard work. I would like particularly to thank Malcolm Lee for all his hard work.

Parish Paths Partnership relies on the dedication of members of the public, and Malcolm Lee is definitely a dedicated member of your parish. I would also like to extend my thanks to all the Parish Councillors who helped with the volunteer day. All their contributions were vital, from lending a hand, to providing refreshments. The teachers and pupils of Camelford School made a substantial improvement to the condition of a popular circular walk.

*Yours sincerely, Amanda Martin,  
Parish Paths Liaison Officer.*

## NEW BUS TIMETABLES

Western National have just published their Summer Bus and Coach Timetable for North Cornwall. You can get your copy from The Harbour Shop, Port Isaac Village Stores, or The Blackthorn Press.

#### Many Routes

There are lots of interesting things in it, and there are colour maps. Western National routes run in all parts of the region including Penzance to Plymouth via Wadebridge, Truro to Bude via Camelford, Newquay to Bude via Wadebridge and Camelford, Wadebridge to St. Austell, many smaller routes and, of course, Padstow to Bodmin Parkway via Wadebridge. There is also a Sunday bus from Delabole to Okehampton.

#### Extended Port Isaac Service

Best of all, however, are the improvements to our own 124 service. We have extracted some of the times, and print a 'condensed' timetable below. Connections at each end of the route now make return journeys possible from Wadebridge to Newquay via Padstow, and from Bude to Barnstaple via Clovelly.

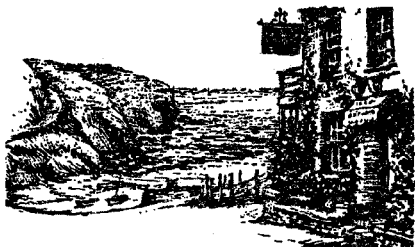

#### Explorer Tickets

If you buy a £4 ticket (Family Ticket £8, Child £2, Senior Citizen £3) from the driver of the first bus you use, you are free travel to travel for the rest of the day.

#### Get Your Copy

Once again we hold no responsibility for any typing mistakes we may have made. The best way to get all the correct information about this route, and about 70 others both Western National and private operators, is to get your own copy of the timetable.

**FUND RAISING QUIZ**

Ten teams competed at the Golden Lion on Saturday 28th. April for the 'Bill Coates' Trophy. Bill was on the winning team last year, representing the Port Gaverne Hotel but, sadly, is no longer with us. Bess Coates compiled the questions and acted as Quiz Mistress. At the end of the evening the team representing the White Hart, St. Teath, came out on top.

The raffle prize of fruit and veg, donated by Dave (Pea Pod), and a chicken from Mark Provis was won by Bess. Very appropriate after all her hard work.

Over £50 was raised which was divided between FFAST (Air Ambulance) and Port Isaac Christmas Lights.

Many thanks to everyone who came along, and to the team from the Custom House, Padstow, for leading the singing.

Without wishing to offend all my friends in the area, I find it necessary to request that, in future, if anyone wishes to see me regarding the R.N.L.I., Voluntary Car Service, photography, etc., they telephone me in advance. I am finding it increasingly difficult to work from home with constant interruptions, and, as I am sure you are all aware, it is no easy task to earn a living down here at the best of times!

Thank you for your co-operation and understanding.

Annie Price,

## YOUTH GROUP

£130 was raised at a Jumble Sale held in the Church Rooms on March 30th, by Port Isaac Youth Group, to raise money towards providing resources for the group.

Special thanks to Bev, Emily, Anne who sold raffle tickets, and to those people who donated prizes.

Thanks also to the people who helped and who came along on the day.

Jill O'Connor.

## FRIENDS OF THE SCHOOL

Two events held during May have raised money for the village school.

### Circular Walk

The first, on Sunday 5th. May, was a circular walk led by Robin Penna, assisted by Malcolm Lee. We were very lucky with the weather, and adults and children all had a good time and walked enthusiastically! The sum of £36 was raised.

### Barn Dance

A very successful Family Barn Dance was held at the Village Hall on Friday 17th. May. Many children attended and they were very keen to have a go at all of the dances. The evening was later described as - brilliant! £112 was raised for funds.

### Cheese and Wine Lunch

Our next planned event is for Wednesday 12th. June. A Cheese and Wine Lunch at Margaret Clark's home, 3 Cliffside, 12.00 - 2.00pm. Margaret's door will be open wide and everybody is welcome to enjoy an excellent and good value lunch at £2.00 per head, including a glass of wine. Any donations of raffle prizes would be most acceptable and should be left with Margaret or at the school. Linda Carey.

## BRITISH RED CROSS

## PORT GAVERNE WILDLIFE

During June and July, there will be weekly guided walks to see the flowers, birds and other wildlife along our clifftops. Everyone is welcome to join in to find out a bit more of the natural history of our area.

### What You will See

The mile of cliffs to the north of Port Gaverne contains some of the main seabird breeding sites in North Cornwall, with over 400 Fulmars, 400 Herring Gulls, 50 Razorbills, as well as Oystercatchers, Guillemots and many other birds. The clifftop flowers should also be at their finest, and, depending on the weather, we may see some of the rare insects found here.

### Binoculars

Although not essential, as we should get plenty of close-ups, bring along your binoculars if you have them. The walks all start at 2.30pm at the top car park in Port Isaac. They are a maximum of 3 miles and take about 2 hours.

These are the dates (also see 'Diary' page):
