SCHOOL

Harvest Festival

This year's Harvest Festival celebration was held in St. Peter's church rather than on the Platt because of inclement weather. The children danced, sang, and recited poems and raps on a theme of 'Machines'. A collection, and a cake sale, raised £100 for the Friends of the School.

Dance Spectacular

The Senior Class were joined by pupils from Sir James Smith's School for an evening of dance. The finale was 'Machine Dance'

P.I.D.T.A.

After months of work collecting information, and cash! from our businesses the New Accommodation Guide has finally been assembled, introductory and information wording written a colour picture taken for the cover, an aerial view of the village (shot by Phil Hudson of the Wheelhouse Restaurant), and the whole taken to the printers in Camborne. We hope to take delivery of the first 5,000 before Christmas. As soon as they are available efforts will be made to start getting them distributed and we should like to hear from anybody who drives to Newquay at any time as otherwise we have difficulty in getting Guides over there. Bodmin, Bude, Boscastle, Camelford, and Wadebridge can all be managed. Many of the Guides will be sent away by post as usual following enquiries from our advertisement in the North Cornwall Guide.

Chris Harris.

A SONNET

For Children at Christmas

A little while ago, my Godchild said to me,
'I believe in fairies, do you?'

Here's my reply.

Are there fairies? you ask me dear.

Of course there are, everywhere.

Their fluttering wings set church
bells ringing.

A childish laugh is a fairy singing,

A child's bright eyes at Christmastide

Is lit by fairies, deep inside.

They send us faith from their fairy glen

And bid us love our fellow men.

They help us sleep after saying

our prayers

And soothe away life's dark cares.

They bring us happiness and love

With the help of Jesus, up above.

Yes, fairies there will always be

In the hearts of folk like you and me.

Merry Christmas,

Eric.

PARISH COUNCIL

Parish Councillors Bill Dawe (Ward Member), Malcolm Lee (Treasurer), Bryan Nicholls, Jill O'Connor, David Phelps (Vice Chairman), Bryan Richards, and Henry Symons (Chairman) attended the monthly meeting at the Church Rooms, Port Isaac, on Monday 11th. November.

The National Trust

Invited speaker, Derek Lord, responsible for the area from Polzeath to Bossiney, (Port Gaverne is virtually their only holding in the parish) said the Heritage Coast Service had helped with clearing the Main and the car park area had been tidied up and an old litter bin removed. He thanked the Parish Council for overseeing the firework display and arranging insurance. The doors of the fish cellars, damaged by the storm, will be repaired but there will be no further cobbing work this financial year.

Malcolm Lee said the Main grass cutting encouraged the wild flowers.

David Phelps was dissatisfied that The National Trust had stopped motorised jet-ski racing at Port Gaverne but allowed a film unit to disrupt the quiet of Port Quin. Mr. Lord said The National Trust was generally in favour of quiet recreation and this was a one-off.

Planning Applications

The Council approved an application by Mr. and Mrs. Goodright, to reduce the height and spread of the crown of a Sycamore tree in Marshalls Way, Trelights.

The Council had no objections in principle to Mr. T. St. John O'Grady's application for the change of use of The Workshop, Trelights plus erection of an extension to form a dwelling, but expressed concern at the blank north elevation fronting the road.

At a separate planning meeting, later, the Council were in favour of an application to return The Manor House to a more suitable appearance by replacing picture - with sash windows, roof reslating, etc.

Finance

With £3118.79 in the high interest account and £85.23 in the Treasurer account, plus receipt of the second half of the precept, £5250.00, interest £2.64, and an anonymous donation for Port Gaverne toilets of £20.00, after payments of £1339.30 were deducted there was a surplus of £3900. It was agreed that this be transferred to the high interest account. The final balances were £7018.79 in the high interest account and £118.57 in the Treasurer account.

The Council made a donation of £25 to the Samaritans who have to spend £4000 on their premises to comply with fire regulations. They have received a £1000 grant from Cornwall County Council.

A donation of £100 was made towards the fireworks display as previous years. David Phelps asked to see a copy of the accounts. Malcolm Lee reported on a very successful fireworks display and noted that Ron Holmes and Simon Barker had attended a one-day safety course beforehand. All the insurance requirements had been met.

Playing Fields Car Park

Henry Symons said there was a covenant which did not allow parking, so the Council could not do much but the situation might change under future plans for the playing fields. Bryan Nicholls said up to 42 cars

could be parked and that parking was essential if the field was to continue in use.

Millennium Project

A scheme was discussed for sports fields with a football pitch, cricket pitch, changing rooms, and a community centre. A committee is to be formed.

Chairman's Report

Henry Symons reported on a Police Liaison meeting where the new telephone system for calls requiring non-immediate action was explained. A neighbourhood watch contact at Bodmin was promised when the computers have been modernised and Port Isaac has been registered as a possible recipient for a closed-circuit television system.

Various Works

A replacement has been arranged for the vandalised surgery direction sign. David Dingle has been asked to put up a temporary fence on the coast path.

Bryan Nicholls said Harvey Lander should be thanked for the repair to the footpath on Port Gaverne Hill.

Letters

There were letters from Mrs. E. Ferguson asking when the Parish Council is going to get full support of electors re the Millennium Grant, from Peggy Richards asking if the playing field equipment will be removed, from Mr. Ffoulkes asking if the Heritage Trust or The National Trust had been consulted about removing hedges at the playing fields, and from Mrs. Haygreen who said she thought the poor attendance by the public at Trelights meetings was due to a lack of interest in Trelights by the Parish Council.

County Transportation and Estates had written to say the sign at New Road was erected at the request of the Parish Council (and its design and location had been agreed beforehand) who would bear the costs if amendment or relocation was required. David Phelps said that if the sign didn't work, it should be their responsibility.

Next Meeting

The next monthly meeting of the Parish Council will be held on Monday 9th. December at 7.30pm. in the Church Rooms, Port Isaac.

NEW PLAYING FIELD COMMITTEE

A meeting has been held to formulate a committee to work on the new enlarged playing field. Any person wishing to work on this committee please contact any member of the Parish Council. Your help is needed.

SECRET BUS?

If you look very carefully in your Western National winter bus and coach timetable for North Cornwall, you will find on page 31, a bus, route no. 126, which starts at Dinham, runs through Polzeath and arrives at Port Isaac at 9.30am. Then it goes via Port Gaverne, Delabole, St. Teath, Camelford, St. Tudy, St. Maby, Bodmin, and arrives at Bodmin Parkway at 11.05am. The return bus leaves at 12.25 from Bodmin Parkway and arrives at Port Isaac at 13.55. You can get the timetable from The Blackthorn Press which is open Monday to Friday 9am. - 5pm. throughout the winter, also Port Isaac Stores and the Harbour Shop.

LIFEBOAT

Two call-outs

Since my last report, our Lifeboat has had two 'end of season' services - one a minor incident, the other could have been very serious.

Cliff Climber

On Wednesday 25th. October, as dusk was falling fast, a man was reported to be overdue after climbing cliffs at Port Quin. A man of considerable experience, he failed to return at his anticipated time and his wife, in concern, called the Coastguard. The ILB launched, to search the area from seaward, and to support our local coastguard team. After searching for some ten minutes, the man was located safe and well. The ILB returned to Port Isaac Harbour in the dark. Crew: Andy Walton, John Collins, Steve Taylor, and Mike Edkins - an extra pair of eyes!

Nearly Drowned Fishermen

Finally, at 3.45pm. on Sunday 27th. October, we launched to rescue two anglers who had been spotted cut off by the rising tide and rough sea. They were on a rock near the 'Gut' in Port Gaverne. The lifeboat arrived just in time; Mike Edkins landed on the rock and escorted the two fishermen into the boat. Just as the boat backed away, a large wave covered the rock where the two men had been - one was a non-swimmer and both were wearing heavy clothing. In carrying out his part, Mike Edkins suffered bruising to his thigh and leg. The two fortunate men were duly landed at Port Isaac none the worse for their lucky escape. The crew who carried out this very good service were: Andy Walton (helmsman), Mike Edkins, and John Collins.

Crew Wanted

The station is now closed for operation and will re-open for service on Saturday 22nd. March 1997. There will be winter training for the crew, starting in early - mid January. I am hoping some will volunteer to join us (female or male) - so far no-one has contacted us since my appeal in the last issue of Trio.

ST. ENDELLION CHURCH

Healing Eucharist

Many parishioners from the United Benefice of St. Endellion, Port Isaac and St. Kew attended a Eucharist for healing at 'Hillows House, Michaelstow the home of Mr. Russell Pollinger and the Revd. Judith Pollinger. Miss Mavis Morgan led the healing service and the Revd. Pollinger presided at the Eucharist. A well attended eucharist for healing was held at Thyme Bank Trebetherick, home of Mrs. Pamela Nash in November. The Revd. Preb. Michael Bartlett, Rector, presided and the service was led by Mrs. Pat Hardman, who shared in the laying on of hands for healing with the Rector and Mrs. Pam Richards.

All Souls Day

Each year on 2nd. November the Christian Church remembers the departed in a Eucharist for the Commemoration of All Souls. This was held in the church on Saturday evening and was very well attended. The Rector presided and prayed aloud the names of all those whom members of the congregations within the United Benefice had requested that it be remembered in this way.

Sponsored Cycle Ride

Over £350 has so far been raised for the church as a result of the sponsored cycle ride held in October.

Julian Group

The monthly meeting of the United Benefice Group for contemplative prayer was held at the home of Mrs. Jean Wilson in Tinnars' Way, New Polzeath in November. The evening was led by the Revd. Pollinger, Curate.

Music Festival Meeting

The Rector travelled to Banbury, Oxfordshire at the weekend to attend the annual meeting of the Festival of Music.

Confirmation Refresher Course

A confirmation refresher course for parishioners within the United Benefice of St. Endellion, Port Isaac and St. Kew had a stimulating first session in the Rectory on Friday evening. It was led by the Rector, who introduced a question based discussion on the vocation of a Christian.

The second session of the United Benefice Confirmation refresher course held in the Rectory on Friday evening was very well attended. Significant memories of their confirmation were shared among the group and they completed a quiz on different aspects of faith and worship. Thoughtful discussion was provoked by a question raised by one of the group.

'God's Word Alive and Active' was the theme of the third session of the United Benefice Confirmation refresher course held in the Rectory, one evening. The group took

part in a dramatised reading of the Book of Ruth and looked at ten different translations of a familiar Bible passage.

The fourth of the well-supported confirmation refresher sessions was held in the rectory on Friday last and led by the Rector. The subject for study and discussion was 'Where God's Presence is to be found.'

Remembrance Service

Two minutes silence was kept and the first verse of the National Anthem was sung in the church on Remembrance Sunday before the start of the Sung Eucharist. The Revd. Canon Noel Godwin presided, preached and led intercessions.

Candlelit Worship

Over 40 people gathered by candlelight in the church on the Seventh Sunday before Christmas for a service of evening worship with Taizé Music. The worshippers came from within the United Benefice of St. Endellion, Port Isaac and St. Kew and from parishes outside, including Liskeard, St. Austell, Luxulyan, Tintagel, Wadebridge and St. Minver. The beauty and peace of the recently cleaned and decorated interior of the church was illuminated by the light of dozens of candles. The service was arranged by the Rector who welcomed the congregation and led a meditation on faith.

Early Carols

Members of the United Benefice branch of the Mothers' Union chose a favourite carol to be sung by the group at the November meeting held at 'Rockmount', home of Mr.

VILLAGE HALL

At our last committee meeting on 21st. November, we were pleased to receive Peter Burton from the Cornwall Rural Community Council, who gave an informative talk on fundraising and sources of finance for voluntary groups in Cornwall. This was most opportune, as we need to raise over £1000 to carry out the necessary work to get an Entertainment Licence for the hall. We also discussed proposals for simplifying the current hire charges structure, with substantial discounts for regular users paying in advance, and special low rates for plays, concerts etc. These will be fully discussed at our next meeting in January, any revised charges to apply from next April.

Please Note

We want to clear out the many surplus items which have accumulated in the hall over the years, to give us the maximum space. If you think you may have left items there, which you still want, let Chris Everett know on 880378, before Monday 6th. January. One of our first fundraising events in the new year will be a Jumble Sale. Any unclaimed surplus items still in the hall on 7th. January will go in the sale. You have been warned! If anyone does have any jumble that we can have to help raise funds for your village hall, please contact Bess Coates on 880391.

William Blake

With the death of Mr. William Blake, aged 92 years, at Treliske Hospital on November 17th., the village has lost one of its oldest former residents. Will was born in Port Isaac and, with his twin brother Sam, farmed at Trewetha for many years. On his retirement, Will and his late wife Annie came to live at 'Little Trewetha' in Mayfield Road. Since her death in 1992, Will made his home with relatives at 'Little Barton' Delabole. The funeral was held on Friday 22nd. November at Delabole Methodist church, followed by the interment in the cemetery. A number of Will's friends were present.

We express our sympathy to his relatives in their bereavement.

William Henry (Bill) Hosking

The funeral service was held on Friday 1st. November at St. Peters Church for Bill Hosking who died, after a long illness, aged 80 years, at the Kernow House Home, Launceston. Bill was born in Port Isaac from a long-established family with strong sea-faring links.

We express our sympathy to his brother, relatives, and close friends in their bereavement.

Brother to the late Bill, Arthur, and friends would like to thank all who attended the funeral service, also for cards and messages of sympathy, to the staff of Kernow House, and to the chosen bearers. Special thanks to the Preb. Revd. Michael Bartlett, Ian Honey, funeral director, and Charlie Honey, organist.

Harry Sweet

Port Isaac has lost another of its well known and much respected residents with the death at Mount Edgecumbe Hospice, of Mr. Harry Sweet of 'Godrevy', New Road. Harry had been in failing health for some time. He had for a number of years a fish round which included Delabole, Tintagel, Boscastle, and St. Mabyn, making for himself many friends on his weekly rounds. The funeral service was held on 9th. November at St. Endellion Parish Church, followed by the interment. Many relatives and friends attended.

Our sympathy is expressed to his family in the loss of a husband, father, and brother.

Ros. and Gerry Sweet would like to express their appreciation of all who helped, all who sent messages of support and encouragement, and all relatives and friends who attended Harry's funeral.

Special thanks must go to Revd. Michael Bartlett who conducted the service, to Mr. Ian Honey the funeral director, and to Mrs. Pam Richards who organised the refreshments so well.

Muriel Bishop Tucker

It was with regret that we heard of the death of Mrs. Tucker, at her home 'Penderris', Tintagel Terrace, age 87 years. Muriel was born in Kensington, London. She had resided in Port Isaac since she was 11 years old. She was very active in the Port Isaac Choral Society, the Women's Institute, and Roscarrock Hill Methodist Church. She was an accomplished pianist and organist but her greatest joy was her garden which was always a pleasure to see. The funeral was held on 30th. October at Glynn Valley Crematorium.

We express our sympathy to the family in the loss of a mother, sister, grandmother, and great-grand.

PARISH SURVEY

For those of you who thought the Parish Survey has died a death, it is very much alive. I hope it will take place in early February, subject to final approval of the survey questions by the Parish Council at its January meeting. The shaping of the questionnaire is taking place, and if you have any subject you would like explored, please contact me.

It is envisaged that the questionnaire will be by personal delivery to those on the electoral register, to be collected a week later. A shorter questionnaire will be available for children to give their views. Second/holiday home owners also have an interest in the parish, but it can be very difficult to get in touch with them. If any second home or holiday home owners are reading this, and you want your views to be included, please send me a SAE at Gullrock, Port Gaverne, Port Isaac, PL29 3SQ, so that you can get a copy of the questionnaire.
