Christmas Lights

Where has this year gone? It only seems like a couple of weeks ago that we took all the lights down. But, as with every year, the months roll by and it becomes time to light up our village again.

After the resounding success of our Grand Auction during the summer, more investment has gone into lighting up more areas around our beautiful village. And now it's time to get the ladders out, check the bulbs and illuminate Port Isaac for Christmas 2019.

Once again we have enlisted the help of Caroline Cleave to produce lanterns for our parade through the village down to the Platt. There the children will countdown to "switch-on" and *hopefully* everything will light up. The willow lanterns will be made at the School and at the Stay & Play Group in the weeks leading up to the event - and there are always plenty of spares for anyone who wants to join in with the parade.

The date for this very festive event is FRIDAY DECEMBER 6th with the parade starting at 5.30pm from Port Isaac School down to the Platt for the 6pm Switch-on

Prior to the switch-on we will be gathering a crew of helpers to put up all our lights and projectors. So look out for a group of people in funny hats laden with armfuls of lights and batteries, wandering aimlessly around. And, if you feel the urge to join in and help then you will be welcomed with open arms (albeit arms full of lights!).

The Lights!!!

FISH PI(E) & COMMUNITY LUNCH

The doors of the Village Hall opened up early for the annual Fish Pie and Community Lunch on Saturday 12th October. By 11.30am the judges had arrived and all the entries had been delivered. Once again the school had gone the extra mile and taken the children to the Fish Cellars to buy their fish and created a wonderful Pie along with photographs of the children taking part (see page 13).

This year the businesses in the village excelled themselves and there were lengthy deliberations about who should win - it was extremely close .

The final results:

Business Fish Pie - Fish Kitchen

Fish Pie Open - Angela Sherratt

Fish Pie Children - Port Isaac School Nursery

Fish Cake Open - Millie Dingle (child)

Fish Cake Open Angela Sherratt (adult)

Best decorated plate: Kenton James Kendal (child)
Yvonne Cleave (adult)

The Community Lunch enabled everyone to see the entries and enjoy the lunch. The raffle, along with the lunch takings, raised £180 for the Fishermen's Mission.

Big thank you to the judges Karen Smith and Nathan Outlaw and to all the helpers who always put so much time and energy into this annual autumn event .

It's almost a year since we put out our Village Hall SOS. There were so many things we wanted and needed to do to make your Village Hall a better place for everyone who uses it. And what a momentous year 2019 has been for us; we have raised a lot of money and done so much. But we haven't done it alone. Thank you everyone for your support. This is what you have helped us achieve ...

THANK YOU TO OUR VILLAGE HALL HEROES WHO HAVE HELPED US

NIGEL ANDREWS, SHARON BATTERSBY, LEWIS BISHOP, TOM BROWN, JEREMY BROWN, ALAN DAVIES, SAM EAVES, ANDY HALLAM, BERTIE HERRTAGE, JOHNNY Mc, ANDY O'BRIEN, JOHN SALISBURY, SIMON @ CLIFF COTTAGE, JOHN SPROULL, PETE TOMLINSON & MARTIN THOMAS

GRANTS

Our plea in Trio for help with grants found us our GRANT PRINCESS - Sharon Battersby. How lucky are we! She has been amazing and helped us so much and her skills have raised us:

- National Lottery - £8000
- Norman Family Charitable Trust - £500
- Edward C Oldham Charitable Trust - £250
- Trefoil Trust - £1000
- Garfield Weston Foundation - £7500
- Elmgrant Trust - £600
- 29th May 1961 Charitable Trust - £2000
- Cornwall Community Fund - £1500

plus we still have two grants that we are waiting to hear about

FUNDRAISING

We have also had a brilliant year of fundraising.

A chance meeting with village newcomer, Bertie Herrtage resulted in our Crowdfunding campaign in June. September saw the first Port Isaac Shanty Festival, organised by the Village Hall with the continued support of our Fisherman's Friends. These two events netted us over £17500.

Plus we never expected our Community Cafe to be the huge success it is. And whilst it is not run as a fundraiser and thanks to the generosity of our volunteer helpers, it raised £627 for the Hall in its first year.

DONATIONS

We have also been very lucky and have received many very generous donations from organisations, groups and individuals. A big thank you to:

- Fisherman's Friends - £5000
- Keith Schilling & Amanda Waygood - £2000
- Doc Martin Fund - £7500
- Ian McNeice - £1305
- Waitrose Community Matters - £275
- Private donations - £1270
- Co-op Local Community Fund partial payment for 2019 - £221

plus we should mention here that previous donations totalling £3436 from the Co-op Local Community Fund in 2017 and 2018 went towards the groundwork and footings for the new extension

Thank you also to the Parish Council for letting the Village Hall run a car park in the playing field on Fisherman's Friends nights in the summer. This provided very necessary additional parking and the Car Park team - Roy, Chris, Jenny, Ellen & Juliette Eaves collected £800 for the Hall.

HAVE A SIT DOWN!

A great big thank you to everyone who made donations totalling £3019 for new chairs. We now have 120 lovely new comfy seats (£2326) and 5 new benches for the garden (£2351)

A huge thank you

to the following businesses who have donated materials or given us discount

**B&Q, St Austell Bodmin Flooring

Christmas at the Boathouse

Here is the beautiful 2019 Christmas card for Port Isaac RNLI titled "Christmas in the Boathouse" kindly created by Barbara Hawkins. Available in The Pottery with packs of 5 cards for £5. The original artwork will be subject of the Christmas Draw with tickets £1 each. There is also a special edition art reproduction also available at the Pottery or by above telephone contact or reb37@btinternet.com

In 2013 we were approached by Ian Gardiner, Branch Chair of Welwyn Garden City RNLI to see if we could be their nominated lifeboat station and benefit from some of their branch fundraising activities. Since then they have raised over £22,000 for port Isaac RNLI. This is a fantastic amount of money and we are so grateful for all of their fundraising efforts. Pictured is Ian Gardiner being presented with a shield of thanks by Senior helm Damien Bolton, Chairman Bob Bulgin and Lifeboat operations manager Chris Bolton.

Friday October 11th saw The Old School Hotel once again generously hosting Port Isaac RNLI for our Harvest Festival Auction. The evening was hosted by auctioneer Ross Collins who did a wonderful and entertaining job in auctioning off some fantastic lots including a meal at Outlaws, tickets for family days out, hampers and prints.

Thanks to the huge generosity of supporters over £3000 was raised on the night. This means one of our new crew members is fully funded for 12 months with all of their kit and training.

Committee and crew would like to thank all businesses and individuals who donated auction lots and to those who dug deep to support our cause.

Some of the eagle eyed amongst you may have spotted a change to the lifeboat station. A beautiful shiny new sign has gone up over the entrance to the boathouse and it's written in both English and Cornish. We hope you agree that it is Pur dha!

This is in preparation for the new lifeboat which will soon be arriving at the station and is being named on Saturday November 9th ...

... and so that means it is time to say a fond and somewhat sad goodbye to *D-707 Copeland Bell*.

She has served us well over her years of service keeping our volunteer crew safe, saving lives and working in some treacherous conditions.

She will go back to the RNLI for an overhaul before becoming a relief or training boat, so her RNLI career is far from over. Farewell *Copeland Bell*, may you have fair winds and following seas.

Port Isaac Village Hall committee

Hello,

We visited Port Isaac last July to see the Fisherman's Friends on the Platt. We were so impressed with the organization of the event. It was a warm, sunny afternoon when we arrived. There were stewards in high viz tabards positioned at many points from the entrance to the village right through to the Platt advising us of places to park, which way to walk, where we could eat etc. We were warmly welcomed and very pleasantly guided through the whole evening. We never once felt herded or pushed. It was the same when we were leaving. About three thousand merry people meandering up through the streets of beautiful Port Isaac having joined in the singing as the sun disappeared behind the hills. Wonderful. Congratulations to you all for working so hard and making it such a joyful experience for us.

Tricia Clements, West Sussex

We had another great trip to The Tate, St Ives as part of their look group programme. This includes free entry and a guided tour of the latest exhibition with the curator. It also enabled our group to share information about the other talks we have had with art historian Olive Maggs and Elizabeth Gowing.

The Christmas trip will be on Tuesday December 10th to the Eden project

Holy Habits

Our churches are exploring something called "Holy Habits" at the moment. We are trying to grow in how we live out our faith by spending time with each of 10 Holy Habits over a two year period.

The idea is that we will get familiar with each habit, and explore and practice it until it becomes second nature. And as we grow in living out these habits, which are all based on things that the earliest

Christians did, we hope that we will find ourselves better able to share the good news of God's love and justice in all that we do in our lives.

So what are the habits, and which habits are we exploring now?

Well we decided to begin by exploring the Holy Habit of "Eating Together". So in September and October there have been all sorts of ways that we have tried Eating Together with other people as a spiritual practice. We have eaten with our families and friends, with other church members and with people we don't know so well. We have thought about the fairness of how we share food in our world today and - my favourite - we have enjoyed eating together with children from St Kew, Port Isaac and St Minver schools who have come to our churches for the "Experiencing Harvest" programme.

I hope that as we continue with the other Holy Habits, Eating Together will be something that we continue to do, and that in our eating together we will find a place at the table for the God who has provided us with such an amazing world, and who loves us so much that he has come to meet us in Jesus.

The next Holy Habits we will be exploring - in November and December - are "Gladness and Generosity". So as we continue to eat together, I hope that we will also find we can grow in joy and in giving whatever we can for the good of others.

Every blessing, Revd Elizabeth

Planning Applications

Members considered these planning applications and made the following responses to Cornwall Council:

1. PA19/06645, 36 New Road, Port Isaac – demolition of existing dwelling and replacement with new dwelling. Members objected on the same grounds as before, i.e. Members felt the building was too large and there was too much glazing.
2. PA19/07596, 1 Brooklands View, Port Isaac – change of use from private parking and storage to public car parking. Members supported the application but requested a condition as per Highways request, that the footpath is provided as per the specification.
3. PA19/07664, Glendale, Trewetha, Port Isaac – remodelling and first floor extension to include construction of double garage. A site visit had been made. Cllr. Williams said the driveway is steep and narrow and the proposed chosen site for the double garage would have a severe impact on the light to the neighbour's bedroom. The large site has capacity for a garage with minimal neighbour impact. Members had concerns about the volume of glass in the proposed dwelling, some of which overlooks the neighbours' garden and would have an unreasonable impact on their ability to enjoy their property by reason of overlooking and mass and scale. Members are not fooled by this claim to be a householder application and do not believe this is a "remodelling" application but is a new build. In any future scheme members would wish to see mature trees on site preserved, for the amenity of neighbours and i.r.o. biodiversity of this rural site. Members objected on these lines.
4. PA19/07786, 1 Brooklands View, Port Isaac – conversion of an existing bay within the garage to a separate unit for industrial/commercial use. Members supported the application.
5. PA19/07858, 3 Cliffside, Port Isaac – alterations to dwelling to include conversion of garage and outbuilding/workshop to living accommodation. Members supported the application but conditioned to be used only in association with the main property and not a separate dwelling. An easement for delivery of oil to the neighbouring property should be noted and upheld.
6. PA19/08325, 9 Silvershell View, Port Isaac – erection of single storey entrance porch linking the bungalow and converted garage, Internal re-modelling works including the removal of some internal walls, window and door replacements, re-build sun terrace with privacy screen, new pitched roof on existing kitchen and existing link to garage converted into an ensuite and re-roofed. Members supported the application provided there are conditions for non-reflective glass to be used with no exterior lighting. Any proposed lighting scheme must be agreed with officer for a low level only.
7. PA19/08497, Archer Farm, Trewetha – Non-material amendment in respect of decision notice PA17/08693 (Proposed 3-bedroom dwelling) – Change western glazed doors to window, enclose porch with side door, remove window. Members supported the application.
8. PA19/02445, Maritime and Coastguard Agency, New Road, Port Isaac – proposed single dwelling to replace existing decommissioned Coastguard Buildings. Members supported the application.

9. PA19/08514, 26 Dolphin Street, Port Isaac – reinstatement of brick chimney. Members supported the application.
10. PA19/08515, 26 Dolphin Street, Port Isaac – Listed Building Consent for reinstatement of brick chimney. Members supported the application.

Planning Applications Approved by Cornwall Council

1. PA19/03484, 30 Trewetha Lane, Port Isaac – replacement of two existing oil tanks with one larger oil tank.
2. PA19/04437, Homer Park Farmhouse, Port Isaac – renewal of planning consent PA16/08897 - Demolition of dwelling and construction of replacement dwelling with new boiler house, swim pool house and associated works.
3. PA19/05264, Cliffside, Port Isaac – proposed new fenestration.
4. PA19/06637, 1 Castle Rock, Port Isaac – garden room extension to front and bedroom extension to side.

Road/Footpath Closures

1. Between Trewetha Lane and Pendoggett Road, Port Isaac – 28th-30th October 2019 (07:30 to 18:00). The Highways Manager had assured Members that busses and emergency vehicles can get through. It is necessary to trench right across the road, hence the closure order.
2. Fore Street, Port Isaac – 18th to 19th November 2019. 0700 – 1830 hours.

Miscellaneous Items

1. *Play Equipment Inspections* – Members have renewed the contract with Cormac Solutions Ltd., which will continue to carry out Health and Safety inspections of the play equipment.
2. *Car Park Ticket Machines* – it is intended to update the ticket machines to accommodate motorists wishing to pay by credit/debit cards.
3. *Financial Regulations* – Members have resolved to adopt the revised model Regulations (August 2019). A copy can be found on the Parish Council's website.

Accompanied under 16s free to most concerts – check the website for details

ENDELIENTA When Bishop Bill Inde retired in 2008, he decreed that St Endellion, with its renowned music festivals, should become a centre for the Arts and Spirituality in North Cornwall, largely because the area was lacking in cultural opportunities and venues. Our new Rector at the time, the Reverend John May, a poet and an artist, was appointed with this mission in mind.

Endelienta as an organisation was established and now arranges a diverse programme of concerts, Quiet Days and Exhibitions throughout the year at St Endellion Church around the established Easter and Summer Music Festivals.

In addition we have the North Cornwall Book Festival that has just celebrated it's seventh successful year with best selling authors and poets as well as very well attended days for schools.

The Stone Barn at Endellion provides accommodation for groups from all over the country who want to spend time in this lovely area, using it as a place to work or a centre from which to carry out activities in the locality. A Poetry Group and a Festival Book Group meet monthly here as does a regular Make Club for children and their parents.

Furthermore, for four years now, an Artist, a Composer and a Writer have each been offered an opportunity to stay on site and incorporate the 'spirit of place' into their work. They give an account of their experiences at the end of their week. The resulting work and the revelations of 'looking at things in a different way' and with artistic eyes is amazing.

Now with the new hall at St Endellion opportunities will be enhanced and extended. It has been reported that in the past year alone over 5000 people have attended events at Endellion. If you have never been to an Endelienta event, look out for the posters, get the leaflet and give it a try. There is something for everyone here on our doorstep!

Scott Mann's update from Parliament

We have had some great news on health recently, which I am pleased to share with you. I recently had the pleasure of visiting the brand new Sowenna unit and was shown around by Phil Confue, Chief Executive of Cornwall Partnership NHS Foundation Trust. Sowenna is the first inpatient adolescent mental health facility in Cornwall and the Isles of Scilly for young people aged 13 to 18.

It's great to see central government funding and local fundraising come together to provide this vital facility. NHS England have described this facility as the best young person's mental health facility in the country, and its right on our doorstep in Bodmin. Children in Cornwall will no longer have to access services out of County.

I also welcomed the announcement by Health Secretary Matt Hancock that Cornwall will get up to £450 million for a new hospital. The plans are part of a new strategic Health Investment Programme of £13 billion to upgrade hospitals across the country. This will include funds for the NHS in Cornwall to begin work, with local decision-makers, to consider options and work up the business case, which could include a brand-new acute hospital on a new site. I very much hope that Bodmin can be at the forefront of the consultation and I will be more than happy to work with our Cornwall and Town Council members, as well as local stakeholders and the NHS to see if Bodmin can be a potential site.

The case for a new Cornish hospital was presented to the Health Secretary at a meeting with all six of Cornwall's MPs earlier this year. That the government has accepted this and is committed to funding a new hospital so soon is great news for all in the Duchy. This is a huge announcement for Cornwall, and I welcome this commitment from our Conservative government. A second major hospital in Cornwall is something that successive governments have been unable to deliver. I would like to see the local NHS decision-makers spending the money on a new second general hospital in the centre of Cornwall along the A30 corridor. This programme is in addition to the previously announced investment of £135 million for new facilities and services provided by the RCHT at Treiske.

Constituents regularly lobby me about the distances they must travel to access acute NHS services, they will quite rightly now be receiving the world-class health services they demand closer to home.

You can find out more about the work I do on your behalf in Westminster and the constituency on my website www.scottmann.org.uk or on facebook/therightMANNforNorthCornwall. If there are any issues which I can assist you with please contact me via scott@scottmann.org.uk.

I was prompted to write this column by a question from a young friend who saw the little lines on the back of a fern frond (see picture) and asked what they were. As I did ferns and similar plants (or Pteridophytes as I got to know them) at school, I knew the answer. In explaining about them to my friend and then asking other people, I began to realise that this is not well known, and so a trip round the web was my next step.

As people say, there is an app for that... well there is a website for "fern enthusiasts" called the British Pteridological Society (<https://ebps.org.uk>). It has multiple pages of interesting material, and under the education tab you can find the fern life cycle. So the answer to the young person's question is that the lines on the back of the fern in the picture (it's called a Hart's Tongue fern *Asplenium scolopendrium*) are spores and the spores are spread by the wind. They don't grow into another fern like in the first picture, but into things called thalloids (see the second picture). In fact, you can see a tiny fern growing out of one of these in the top left-hand side of the picture. This way that plants, and some animals reproduce is called alternation of generations. On the website, there is a good diagram with the explanation of why there are two different types of plant that make up the fern during its life cycle. Ferns are not the only type of plant in this group, the others being club mosses and there is a nice report about them on the same website <https://ebps.org.uk/lycopodiella-inundata/>. There is also information about the Devon & Cornwall fern enthusiast group and a link to download a very informative illustrated article on Cornish species www.cornishhedges.co.uk/PDF/mosses.pdf. The Cornish hedges website also has a really good education pack about Cornish hedges as well (hence the name!)

The other type of pteridophyte is the horsetail and there is a good blog about them <https://bsbipublicity.blogspot.com/2014/02/how-to-separate-your-horsetails.html>

Although ferns show this alternation of generation in perhaps the clearest way among plants, you also find it in animals. Jellyfish are probably the best ones to illustrate this where there is one generation that is like a sea anemone and one that is like the jellyfish you see swimming along. They are the same animal, but have this two types of bodies and you can read about it here www.padstowsealifesafaris.co.uk/sea-life/jellyfish-in-cornwall/

In conclusion if you want to find out where a particular fern, clubmoss or horsetail can be found (or indeed any other species in Cornwall, go to www.cornishbiodiversitynetwork.org/FloraNew.html and you can make your own map.

A PORT ISAAC NURSERY OUTING

The Port Isaac Nursery children walked down to the village to buy some fish to make a fish pie for the competition. George very kindly showed the children around his fish shop and donated the fish to us. Thank you George! Laura was in her lobster shop and she showed us some cooked lobsters and even went to the tanks and showed us some live ones. The children were a little scared but were happy when they saw they had elastic bands on their claws!

George also showed us the lifeboat - we all loved getting on the lifeboat and trying on the helmets and sunglasses!

During our walk we also visited the Chapel Cafe. Barbara and Rosie made us some yummy hot chocolates. Thank you so much.

On our walk back up to school the children helped pick and purchase the remaining ingredients needed for our fish pie in the Co-op.

Once back at school all the children helped make the fish pie. We enjoyed digging up the leeks that we have been growing outside and cutting them up along with carrots and celery. We then all had go at mashing the potato and grating the cheese. The children couldn't believe it when Miss McDonnell returned the next week with a 1st place certificate (children's category!) Thank you Caroline for organising such a lovely event.

LAST MONTH HE WAS SCARY ... THIS MONTH CHEF LANYON GETS ALL CUDDLY

Well, now the nights are drawing in and the need for cuddles on the sofa is upon us, the request for a heart-warming soup came flooding in (well, ONE person asked!). So here is one ...

CARROT, CORIANDER & COCONUT SOUP

this soup is suitable for pretty much everyone with it being vegan, vegetarian, gluten intolerant, lactose intolerant and pretty much every other intolerant you can name.

INGREDIENTS:	8oz fresh coriander
1kg carrots	2 tins coconut milk (400g)
1 large white onion	1 sweet potato
4 cloves garlic	salt & pepper
2 pints vegetable stock	Rapeseed oil

- Peel and chop the onion and garlic
- Peel and chop the sweet potato
- Chop the carrots (no need to peel)
- Put a little oil in a pan and add the onions and garlic, sweet potato and carrots and cook over a medium heat to soften
- Add vegetable stock and coriander and bring to the boil
- Add the coconut and simmer for 30 minutes
- When cooked put into a food processor and blitz until smooth
- Season with salt and pepper and enjoy with a hefty wedge of granary bread and Cornish butter

yum, yum

Mrs L's Fill 'em up Meatloaf

1x 850g pack lean mince beef
1x 500g pack lean mince pork
2 onions finely chopped
2tsp dried parsley (or fresh if yours hasn't died from lack of watering)
2 beef oxo cubes crushed up (or your preferred brand)
2tbsp brown sauce
Breadcrumbs from 2 slices of bread (crust, white, brown doesn't matter) - finely chop in a mixer or liquidiser
2 beaten eggs
Salt and pepper to taste

Preheat oven to 200°C

Put all the above into a large bowl and, with well washed hands, mix well. When it's all evenly combined push down into a 2lb loaf tin (put a piece of baking paper across the middle of the tin to make it easy to pull out when cooked, you don't really need to line the ends). All of the ingredients should fit in one tin. If it's tight heap it a bit in the middle like a cooked loaf of bread.

Place in your pre heated oven on another larger baking tray which will catch any juices which may spill over. Cook for 45 minutes.

Serve the meatloaf sliced with mashed potatoes, green beans and/or cauliflower cheese and if you like it moister plenty of beef gravy.

This will go a long way round the family and of course, as always, any left overs from a small family can be frozen or reheated for lunch the next day.

If the kids moan about something "new" just tell them it's a beef burger without the bun!! And of course if you can get their hands clean enough they love to do the mixing part, nothing like helping cook the meal to them interested in their food.

FRACATELLI'S FRUIT CAKE

You will need a 10" spring-form cake tin, greased and double-lined and with a least two layers of thick brown paper tied round the outside of the tin.

INGREDIENTS:

12oz softened butter
8oz caster sugar
4 large eggs, beaten
12oz plain flour
½tsp ground nutmeg or cinnamon
¼tsp ground cloves
grated zest of 2 large oranges and 1 large lemon
1lb currants
8oz sultanas
6oz glace cherries, quartered
6oz mixed peel, finely chopped
4oz ground almonds
8tbsp brandy

- Preheat oven to 130°C
- Cream butter and sugar until light and fluffy
- Whisk in the eggs, one at a time along with a little flour
- Add the zests, then the fruit, flour, ground almonds, orange flower water and brandy. If the mixture is too stiff add a little more brandy (or orange water)
- Tip mix into prepared tin and flatten off, making a small indent in the centre
- Bake for 1 hour and then turn the oven down to 120°C and bake for another 1½ hours, maybe a tad more
- Cool in the tin for at least an hour and then turn out onto a cooling rack
- When cold turn upside down and pierce with a skewer about 20 times and pour a brandy and orange water mix over her and let her soak it up - repeat this once a week for the next couple of weeks

Enjoy this beauty
