

Happy Birthday Corsair 25-years old

Port Isaac Rowing Club and its first Gig, *Corsair*, celebrated 25 years on April 17th 2016

“The re-dedication of *Corsair* is the highlight of the club’s year-long celebration of her first launching in Port Isaac. Everyone in the club is delighted that so many significant people from the past who are linked to the club also came to join the celebrations.”

A beautiful sunny day on the Platt marked 25 years since the launch of Port Isaac Rowing Club's first Pilot Gig *Corsair*, with a re-dedication ceremony, conducted by the Rev'd Dr Elizabeth Wild, accompanied by the Port Isaac Chorale

The gig was showered with champagne by Peter "Dasher" Reveley, who built *Corsair*!

The afternoon was enjoyed with a BBQ, beer and cakes on the Platt, making it a truly memorable and heart-warming occasion
