

# FORTIES NIGHT IN THE VILLAGE HALL

## May 2005 - and Port Isaac celebrated 60 years after the end of the Second World War

Janet Chadband and Joan Murray laid on a wartime meal - Bob Bulgin likes the look of it! On the menu was bangers and mash, liver and onions and lots of lovely, traditional homemade puddings.

'Traditional games, a quiz and forties music from the Larrick Lads'

Noreen Honey looks great in uniform; Yvonne Cleave just looks great

Robert & Penny Manders enjoy a dance

'the high point of the night was a singsong led by the Larrick Lads that ended with a boisterous and moving rendition of land of Hope and Glory'

'the hall was a mass of patriotic ed, while and blue bunting, streamers, balloons and Union Jacks'
