

U.M.C. HARVEST FESTIVAL, PORT ISAAC.

"CHAPEL IN THE VALLEY" PORT ISAAC

“Two chapels built for half a hundred souls”

“... a simple slate Methodist Chapel and Sunday School in the Georgian tradition hangs over the harbour ...”

“... anyone who knows of Cornish fishermen in days gone by, knows that most of them did not drink and many were Chapel goers ...”
There were two Temperance Societies in Port Isaac - know locally as the ‘Timber Legs’ and the ‘Cork Legs’.
