The Damp
Rats

Remember, remember that date in November

FIREWORKS

Having taken a second mortgage on Simon's soul - the gales and torrential rain ceased, on cue, for the firework display - well most of the time anyway!

Quite a lot of people stayed for the disco. The children's Fancy Dress competition was of its usual high standard - well done to everyone who entered. The winners were: 1. Samantha May. 2. Kayleigh Fletcher. 3. Richard Pillinger. The 'Gallon of Whisky' was drawn on New Year's Eve and the winner, Mr. Lawrence from the Midlands, asked for it to be auctioned and this raised a further £50.

A very big 'thank you' to:
 - the Parish Council for their donation of £100 and for adopting us so we could be covered by their insurance - no insurance - no fireworks! and Malcolm Lee for dealing with all the 'admin' involved.

- everyone for their donations and raffle prizes.
 - all our marshalls and collectors on the night,
 - Mrs. Ross and the staff of Port Gaverne Hotel for all their help through the year and for the soup on the night.

- and to the 'Gig Club' for their marathon barbecue - they were still cooking at midnight.
 Ron Holmes.

February 1997

FIREWORKS 1994

Halloween/Fireworks night was again held at Port Gaverne with a bonfire on the beach. Although the weather was atrocious the evening was very well supported and thanks to everyone who braved the weather. Hot food was available courtesy of the Port Isaac Rowing Club.

Special thanks to the Parish Council for their generous donation of £100. Thanks also to everyone who gave donations or contributed to the raffle prizes, especially Trudi and her sponsored Bungee Jump.

A Junior Disco followed the open air display and was enjoyed by all who attended. Fancy Dress Winners were: 1st - Carrie Anne Maninton, 2nd - Rebecca Maninton, 3rd - Elin Fletcher. Congratulations to all those who took part.

The evening celebrations were rounded off with an adult disco which was well supported with the atmosphere of the evening set by the spooky decor of the Green Door.

To date the sum of £600 has been collected, with promises of further donations still to be collected. Gallon of Whisky Winner - John and Chrissie Henderson.

Once again thanks to everyone - remember it is your night and requires continued support.

Fireworks Committee.
 December 1994

Record collection at Firework Display

For once the weather was perfect for us on November 4th - dry and almost wind free. We had a record collection in the buckets on the night. Thanks to everyone who contributed to the £346.26 (plus 3 US quarters, 2 escudos and a very nice shiny button! - well, it was dark).

Nearly everyone took notice of our 'safety request' for the contents of the bonfire - we only found one bag of household rubbish including bottles and cans.

The committee would like to thank the Parish Council for its insurance cover and its donation of £100 and thankyou, as always to our wonderful band of helpers.
 February 2001

FIREWORKS

This year the fireworks will be let off from the Headland due to the quay being closed. The bonfire will be in its usual place on the beach. We still need people to help with the bucket collection - we depend on your donations to raise money for the next year's display. If you can't help with the buckets, please remember that we are collecting and bring your purses and wallets - it's surprising how many 'forget' them!!!!

Don't forget the Guy Competition
 Judging will be at 6.30pm so bring your guys down before then and please pin on a label with your name and a contact number. There are cash prizes to be won.

SATURDAY NOVEMBER 13TH
BONFIRE LIT AT 7PM
FIREWORKS AT 7.15PM
 November 2010

Fireworks night November 5th

Bonfire lit 7pm, Fireworks start 7.15pm

Don't run off too quickly after the fireworks as we have Carl the "fireman" planning some additional entertainment. Those of you who were on the Platt for the last night of the Fisherman's Friends will have seen his work up on Lobber - the wind, ship and stars in fire and lights. The idea, at the time of *Trio* going to press, is a fire show set out on the beach after the fireworks.

Also, the money collected in voluntary contributions on the night is still not enough to pay for the fireworks we buy. We are looking at other ways to raise money, which may include setting up a 'Customs Post' at the top of the hill, where you may buy a passport. This will also include you in a special fireworks draw for a range of prizes. This will, of course, be totally voluntary.

help desperately needed

We are getting desperately short of help in all areas. So if you would like to join the committee or just help on the night with the BBQ, the Customs Post or stewarding the fire, please to let us know.

 October 2011

FIREWORK DISPLAY & BONFIRE
 This display on Saturday 10th. November went with its usual bang, and was enjoyed by all on the beach at Port Gaverne. We would like to thank all who helped to go round with the money buckets which raised £151, and everyone who supported this event. Later in the evening the Disco-Supper held in the Green Door Club was a huge success. The supper, supplied by Port Gaverne Hotel, was at its usual high standard. The money raised from the two events was £286 which has been banked for next year's Fireworks. Many thanks for all your support, especially the younger members of the community.
 Clive, Ron, Mike & Barry -
 Port Gaverne Fireworks Brigade.

December 1990

The bonfires back!

The Fireworks Crew are pleased to announce that the bonfire will be back on Port Gaverne beach at this year's Parish Firework Night. However, it will not be on the scale of previous years and no materials for the bonfire will be accepted on the beach without prior consent from Richard Cook. Richard, who is now the Vice Chairman of the Fireworks Crew, along with other members of the committee, will be building the bonfire.

The fireworks will be let off, as usual, from the Main and the best view for those watching will be from the Port Isaac top car park.

If you feel the need to drive from Port Isaac down to Port Gaverne - DON'T! Leave your car in the top car park and walk down - or get a taxi! The fire brigade have laid down certain regulations about parking in Port Gaverne and our stewards will be in attendance to make sure these safety precautions are enforced.

The bonfire will be lit at 6.00pm on Saturday November 6th and the fireworks will start at 6.15pm. They should last about 20 minutes. The barbecue and hot soup will be available on Port Gaverne beach from 5.30pm.

Village Bonfire & Firework Display 8TH November

The fire will be lit at 7pm and the fireworks will follow at 7.15pm. Food will be available from 6.30pm.

Raffle will be drawn in the Port Gaverne Hotel at around 9.30pm

GUY COMPETITION - to be judged at 6.30 pm outside Beach House

We will not be able to collect any large items for the bonfire - although we're happy for you to bring them down on the day - please remember no beds/chairs with springs or sealed containers!

November 2008

October 2004

PORT GAVERNE FIREWORKS

We are planning the very best display of fireworks on the North Cornwall Coast on November 7th, at 6.00pm. In order to raise money for this grand affair we need your support at our various fund raising efforts. Please check the Diary dates and contact Trudy Harris or the Port Gaverne Hotel for tickets.

September 1992

FIREWORK DISPLAY, PORT GAVERNE
 A firework display and bonfire were enjoyed by all, thanks to the generosity of Port Isaac and Port Gaverne business men and women who gave us all the money to buy the fireworks. Without their financial help there would have been no 'Bonfire Night' on the fifth of November, something else that would have 'died out', just like the Carnival, through lack of interest or care, the usual 'someone will do it'. All these things take time and money and so we have formed a Firework Committee and we shall raise money during the coming year to finance the 1988 Bonfire Night. Watch Trio for future events.
 Thanks to all of you who gave so generously, we had over £200 in fireworks and sparklers, and £41.69 collected on the night to go towards next year's fund. Grateful thanks to John Powell, Neil James, Barry and Norman Cleave, Clive Hester, and John Wiseman and Charlie Julian for their organisation on the beach, ensuring a safe and enjoyable evening for all. Finally thanks to The National Trust for allowing us the use of the Beach.
 Ann Cleave,
 p.p. The Firework Committee.

December 1987

Remember, remember the ninth of November!

The final arrangements have been made for the St Endellion Parish Firework Display on Saturday November 9th.

From 6.00pm in the top car park
Soup and roll - 50p
Local homemade steak pasties -
£1.00

Plus, of course, raffle tickets

6.15pm - Big Ron and Simon B will start this year's display, including a finale finish! We anticipate a 30-minute display

The best and safest place to watch will be the top car park. Free car parking and open toilets plus St John's Ambulance cover (just in case).

The raffle ticket draw will be made in the Crow's Nest opposite the car park at 9.30pm. All the prizes will be on display there from 5.00pm

No Bonfire this year

We are apparently not the only ones who have cancelled bonfires this year. Rumours are that at least two other local villages have decided that 'enough is enough'. The National Trust, who own Port Gaverne Beach, have been informed so, please, no dumping rubbish this year.

However, most of the comment we have received believes that it won't be the same without a bonfire and we agree. So you all have ten months to come up with an alternative to the conventional bonfire on Port Gaverne Beach. Preferably something original, interesting and safe.

We are also interested in increasing the entertainment on Firework Night in the future. Any ideas? Between four and five hundred people usually attend the fireworks. We would gladly advertise any exhibitions or late night shopping (?) on our firework posters.

Comments and donations to Port Isaac Firework Fund.
