The closing of the old school was a sad day for Port Isaac and to find out more about life in that school take a look at the PISCES 'Schooldays' exhibition on our touchscreen or website www. portisaacheritage.co.uk ... Trio tells the story of life in our 'new' school since 1982

O.A.P. Dinners

From April 20th. O.A.P's. are to be invited to take their mid-day meal at the School on Tuesdays and Fridays for a cost of 85p. Several days notice must be given so please contact: Mr. Wright (Head), Mrs. Carney, or Peggy Richards. March 1983

SCHOOL UNIFORMS

Port Isaac Primary School is introducing a uniform after the Summer Holiday. A full range of this clothing will be available at 'Eric & Audrey', Fore Street, at very competitive prices. Please buy or order early to avoid disappointment.

July 1985

After ten years I am no longer working at Port Isaac School and my life is poorer in many ways. My days are not enriched by the piping voices of children singing in Assembly; no choir, however musical and accomplished, has afforded me such heart tugging pleasure. Lunch time isn't enlivened by all those eager faces... those bright eyed confidences.. 'it's my birthday' or My Mummy's had a baby'.. or 'You're a good cooker! (Look out for me in SWEB's window, sale of old stock at a discount, of course.) To all those children and staff, past and present, who were so nice to me I wish to say 'Thank You', and I will miss you. And to Margaret Ford who has replaced me, good luck and go well. Only remember, I've left the school - I haven't left the village... speak to me as you pass!

> Kathy Carney. October 1992

FRIENDS OF THE SCHOOL

The consensus of the many who attended the St. Valentine's Evening at the Golden Lion is that it was great fun and thoroughly enjoyable... and in the process £130 was raised. On behalf of the committee I would like to extend thanks to all of those who helped organise the event in many and various ways, and to Mike and his wife for allowing us to hold it at the pub.

Watch this space for news of our next Kathie Carney, Secretary for The Friends of Port Isaac School.

March 1995

THIS AFTERNOON!

The Children of Port Isaac School have written, designed, and compiled a Children-Friendly Cookbook which will be launched at the school this afternoon, Friday 7th. April, at 3.00pm. To mark this event, and support the children's efforts, there will be food prepared from some of the recipes on offer . . . to taste and to buy! Do come along - and bring your taste buds with Kathie Carney,

Secretary of the Friends of Port Isaac School. April 1995

An Open Letter to the Friends of Port Isaac School

On behalf of the children, staff, and governors of Port Isaac School, I am writing to express our sincere thanks for all that the Friends of the School have done over the last year. Now almost too numerous to mention, the variety of ways in which you have helped the school has meant that the school has once again moved forward. Clearly the most significant development has been in the provision of a library which we are all so proud of. It has been an enormous achievement and the resultant effect on the opportunities for the children to study library studies, develop their enjoyment of books, and have easy access to information - to name but a few - has increased enormously. Obviously we look forward to an official opening plus, I hope, the unveiling of a small plaque recognising the achievements of the friends of the School. Though this is the most evident achievement, it is by no means the only one. You have helped with school visits to a variety of places, purchased and made beautiful curtains, helped with parties, provided refreshments at school events, decorated plant pots, planted daffodils, assisted with purchases of the 'extras' which children so appreciate - I could go on and on. Perhaps most significantly the team work between staff and 'Friends' has been one of enormous support and enjoyment. You have made some excellent suggestions yourselves for improving aspects of the school and we both welcome and value these ideas greatly. Thank you once again for a very productive year, each year seems to be more so. We look forward to another successful year to come. Jane Scown, Headteacher.

New Head Teacher

April 1998

Local man, Simon Bishop has been appointed the new Headteacher of Port Isaac County Primary. He is a very popular choice and the children are particularly pleased. Simon, who now lives in Trelights with his wife and two children, first moved here eight years ago to open the Slipway Hotel with his brothers. Before that he had taught in Bristol for eight years. He soon moved back to teaching and has been at St Tudy School for the past five

Said a very pleased Simon, "I am absolutely delighted and overwhelmed with all the messages of support and congratulations I have received. I am really looking forward to September and building on all the hard work the staff, parents and community have already

years.

put into the school".

June 2000

EDITORIAL

Most of us agree that closing the old school was a sad day for the village, but a new trend - to send children out of Port Isaac for their primary education - could presage sadder days for our new school. If the numbers drop drastically, it could become a two-teacher school - a dreadful pity for it is scholastically as good as any in the area.

For the tots transported elsewhere this enforced separation from their local environment is destined to mean loneliness during the long holidays since they will inevitably make friends who live at a distance.

The reasons for the trend aren't clear. Some say 'lack of facilities for rising-fives, others 'lack of sports facilities', still others 'too much religion'.

Taking one point at a time: the law decrees that there has to be 1.8 square metres of space per child in the class room. There is currently only room for two rising-fives... the question is 'which two?'. There are attendant problems which demand more of the teachers' time and attention than is good for the other children in the classroom. For some time there has been an excellent Playgroup run by Mrs. Joy Irwin in close co-operation with the school, so the eeds of this age group are catered for within the village.

Football

A SCHOOL TO BE

It was reported recently that O.F.S.T.E.D.

found 15,000 Primary School teachers to be

below standard. Translate this into percentages,

and it becomes 4%. This failure has become a

political issue, with all parties vying for posi-

tion in making teachers more accountable for

their performances. This only creates more

stress within the profession. What we, the

public, lose sight of amidst the media attention

is that 96% of teacher performances are com-

petent or above. Why in this country do we

96% is a very high percentage. One that we

should be proud of and congratulate the

Nowhere is there a better reminder than here in

Port Isaac. We have a small village school to be

proud of. A school whose excellent staff work

very hard for the benefit of each individual

child. A staff who are being battered and de-

moralised by continued national criticisms and

No organisation survives without criticism, nor

should it. If we are all open and honest about

them, our criticisms can be a very positive

element in the development of a school. It only

becomes negative, and therefore dangerous

The Governors and I, have a great deal of faith

in Port Isaac School, its staff and its children.

You and I can help to redress national negative

pressures by giving our full support to the

school. Showing our appreciation for all the hard work the staff do will go a long way

After all, it is our village school. Its success or

failure is dependant upon all of us working

together. So come on, Port Isaac, join me in

thanking Mrs. Scown and her staff for all their

hard work, let's go against the National Trend

Two highly successful events were held last

term at the school. The first was a 'Healthy

Breakfast' to which families and friends of

the school were invited. Over 200 people

ate breakfast between 7.30 and 9.00 am, on

the 26th. March. All the healthy food was

very kindly provided by the following

establishments: Port Isaac Stores. The Pea

Pod, The Co-op, Glebe Farm and Barne-

cutts. Without their help this event would

not have been possible. The school would

like to say a very big 'thank you' to

everyone who helped make the event

possible, as well as to those who came and

On Wednesday 31st. March, Triggshire

Youth Wind Orchestra joined with the

children of the school for a musical eve-

ning. Organised by Mrs. Jill Nute, the

school's music teacher and Janet Elston,

conductor of the Youth Orchestra, the

evening proved to be inspirational. The

school was packed with families and

friends of both organisations. David Oxley,

a former pupil of the school, performed a

solo on the French horn, and Danny

Albury, again a former pupil, played his

saxophone in the orchestra for the first

time. Thanks to everyone who helped with

Jane Scown, Headteacher.

members of the committee at a special Easter assembly. May 2001

Port Isaac 2000 restored and renovated the clock and it was presented to the school by

On Wednesday last, 8th. Uctober, class one visited the harbour to gain inspiration for some poetry. We went to listen to the sounds of the sea and to look at the beauty of the area. It didn't turn out quite like that. What we found and what the children thought follow.

What Beauty Spot? Is Port Isaac a beauty spot or not? That's what the top class of Port Isaac C.P. School put to the test. All 19 of them went down to the beach. 'What a mess' some of them said, 'Where's the beauty spot gone?' said others. 'No one's to blame it's just the old wellie left behind or tin can, but it soon starts adding. So please make sure you don't leave any rubbish on the beach, for everyone's sake.

Beach Rubbish Dump About a week ago the top class of Port Isaac C. P. School went down to our lovely clean, tidy beach, ahem. Well at least we thought we were but when we got down there, we almost mistook the so-called beach for a rubbish dump. The place was a disgrace taking in the fact that it was meant to be a holiday resort. This is a list of some of the things we found: A car tyre, an old wellington boot, a mud flap from a car which was probably parked there and fell off, a grate, a drainpipe, and many more which I don't think I ought to mention but I really think the County Council ought to employ people to clean up the beach.

Paul James.

Beach Disgrace Port Isaac beach is a disgrace. When I went down there, all I saw was litter, litter, litter. Bits of pipe, a tyre, an old glove, back light of a car, it was a disgrace. Port Isaac is supposed to be a holiday resort and I don't want to know what tourists and holiday makers think. the beach has glass and sharp cans on it. Someone could cut their feet. Port Isaac beach

is a !disgrace! Is it a rubbish dump? The other day we went down to the beach to see what ideas it gave for a poem but on the beach we found things like a mud flap and an old sealer

bottle which most probably was thrown overboard a boat. I think it is a disgrace because what ever you throw into the sea is going to be washed up again, so please keep rubbish to yourself!

Jessica Benger. Beauty Spot? Is Port Isaac really so lovely? The children of class 1 went down to the

harbour to write down a few things about the beach. When it was time to go back to school Mr. Bruce called us. He then told us to go around and pick up a few things that shouldn't be there. We came back with all sorts of things. Here's a few of them: Old boot, sock, bits of car lights, sandal, tyre, the odd shampoo bottle, and all sorts. I think that it's a disgrace and to think that holiday makers come here!

School celebrates award **P**ort Isaac village school has something to celebrate.

The Secretary of State for Education and Skills has awarded the School an achievement award for its successes during the 2001/2002 school year. The award recognised the substantial improvements in results during 1999 to 2002 and achieving better results in 2002 than other comparable schools.

The award also means that all the staff who were working at the School last year will receive a

achievement award 2003

special financial award from the Government in recognition of their contribution to the School's

'We have a wonderful team here and I am delighted that their hard work and dedication, which has taken the school forward, is being recognised in this way. We strongly believe (continued overleaf) June 2003

Port Isaac School gets another brilliant OFSTED report

Pear Trio
I am writing to you to celebrate with your readers the results of our recent OFSTED inspection which was held in the week following half term. I am very proud and pleased to inform you that the School was judged as being good with outstanding features. This is an excellent result and accolade for the school, especially as it was conducted under the new, more rigorous OFSTED regime.

I would like to share with you some of the comments made by the Inspector in our feedback. I would have to confess to being a little apprehensive when I first took the 'phone call', two days before the inspection, as the Inspector informed me that he was not a normal OFSTED Inspector, but actually a senior member of Her Majesties Inspectors of Schools who was responsible for monitoring OFSTED inspections across the South of England.

However, he was extremely impressed by the school and began the feedback to the staff by saying that if anyone doubted the effectiveness of small schools then they should visit Port Isaac School. He went on to say that the children's enjoyment of school 'oozed' from the building and that judging from the comments he read in your feedback, the school really was at the 'heart of its community'. He was impressed by the overwhelmingly large percentage of families who responded to the questionnaires and were then both very supportive of the school and delighted with the services which it

The report comments on the overall effectiveness of the school and the achievement and standards, saying the quality of provision and Leadership and Management was good and that the pupils personal development and well-being was outstanding. Lessons observed were judged as good or outstanding. If anyone would like to read the report in more detail it is available on the OFSTED website.

This is the second excellent OFSTED report which we have received in a row and will hopefully help us to achieve our aim of attracting all the pupils in our catchment area. We are able to offer the children in our school small teaching groups and much individual attention, as well as providing a wealth of educational activities, experiences and events. We would ask that the community does as much as it can to promote our school, as you are probably aware, that the number of pupils is low and we do need them to grow.

Can I also take this opportunity to thank teachers, staff, governors, parents, all of those in the community who have given their time in so many ways to support the school and most of all the pupils (past and present) who have done so much to make the school the happy, vibrant and successful organisation which it is today.

Forest School

Last week in Class 1 we had an afternoon in our nature garden as part of 'Forest School'. We made potions using different coloured flowers; lit a fire and shaped some sticks for roasting marshmallows. A great afternoon was had by all. July 2013

All aboard the Port Isaac School speedboat

When the idea of new playground equipment was raised, one idea stood out from the rest. It was obvious that we should find a play boat. The children already play `fishermen′ on an old donated kayak.

We put an advert out locally for a lonely neglected boat that we could make better use of and give it some love and

ttention. We'd given up hope until we got a call from Steve Siford (a local armer) the last week of school before the school holidays.

ollowing an enthusiastic meeting with a local carpenter (who offered to do ne work for FREE), the boat was delivered the last day of term and wered over the school fence with the farmers tractor.

lith one days labour from the carpenter, Paul and his apprentice from bsolute Wood in Delabole, the speedboat now had seats, a flagpole and a roper floor, even drainage so the children won't have to bale water! Ithough they would enjoy that! November 2011
