

Where did it all begin?

Service of healing

When Rev C Simpson first mentioned a service of healing at a church council meeting in the 1970s, the church council at that time was very sceptical. We did not think it would "catch on", but how wrong we were!!!

After promoting it, a service on Sunday afternoon was held in St Peters church.

People came from far and wide to see the two healers, Gerald and Agnes Hooper, acquaintances of Rev Clarry Simpson and his wife, Norma.

Those who wished went forward for prayer and the laying on of hands - many write afterwards saying how they had been helped, and yes, some of them were free from pain.

From that afternoon, meetings were held in various venues and the "healing meetings" began. Another first for St Peters , Port Isaac!!
