

The Takeaway & The Ice Cream Parlour

For many years this building on the corner of Back Hill and Fore Street was known as 'The Olde Drug Store'. It sold basic chemist goods and was run by Graham & Maureen Woods who also ran the adjoining Fish & Chip Shop with a cafe upstairs.

Prior to that it was the village chemist shop run by Linwood & Hilda Cowling. Nina Oliver worked for them when she first left school and remembers going on the bus to Wadebridge to collection prescriptions for local people.
