## TRELIGHTS SHOW

We would like to thank everyone who participated in our Village Show held on Saturday 18th. August, at Park Villa. It was a friendly, competitive afternoon which even the weather favoured! The auction in aid of the Air Ambulance raised in the region of £50 - £60. Thanks to all who donated handicraft, plants, flowers, cookery, and vegetables. It looks as if the 'Trelights Show' is here to stay, so if you have any suggestions for other classes, contents, etc., please let Harold Barriball, Trelights Post Office, have them in writing so that we can make any changes next year. Thank you all once again for supporting and keeping the village life alive and well!

## TRELIGHTS VILLAGE GREEN

The A.G.M. of the above was held on Thursday 28th. March in the Methodist Schoolroom. The meeting opened with a minute's silence and tributes to the memory of George Cowling, a long standing member and former Chairman of the committee, who passed away recently. We received reports on the year's activities from the Chairman, Harold Barriball and on the finances from the Treasurer, Mr. Clement A'Court. The latter also informed the meeting that, for health and personal reasons he would not be standing for re-election. The Chairman thanked Mr. A'Court for his many years of hard work on behalf of the committee, in particular in connection with the Christmas Tableau, barbecue, and play equipment. The Chairman also thanked the outgoing committee, in particular Mr. Harold Haynes, who was not standing for re-election. It was agreed to invite Mrs. Rita Cowling to continue as President.

The following were elected to the committee for the forthcoming year: Chairman - Harold Barriball, Vice Chairman - William Dawe, Secretary - Virginia Milton, Treasurer - Peter Adams, Ann Pethick, M. Dale, Mary Rayment, Valerie Adams, Gwen Kay, Violet Baker, Fred Milton, Raymond Hillage and Peter Lobb. A proposal by Mr. Lobb for a commemorative tree or plaque in the village for George Cowling was agreed and passed to the committee for further consideration.

## Trelights Methodist Chapel

The Chapel was almost full for the lovely Christmas Concert given by the Carn Awn Singers early in December. The varied programme, which included lots of favourite pieces, was much applauded. There were also musical items from Thomas, a young member of the St Minver Silver Band.

Completing the enjoyable evening was a delicious supper provided by the ladies and members of the Chapel. The concert party kindly donated the evening's proceeds of £132 to Chapel funds.

On December 5<sup>th</sup> the Christmas Fayre was held in the Schoolroom and, once again, was a great success. The hard work involved with preparations was well rewarded and the sum of £360 was raised, to be shared as usual between the Children's Hospice SW and the First Air Ambulance. Grateful thanks to all who contributed towards the occasion in terms of time, energy and donations - all vital, as always, in making this effort worthwhile. A special thank you to everyone who came along to support us.

Although there was a steady drizzle throughout the evening, it did not dampen the spirits of the many people who came to the annual village barbecue. With excellent food, fun games, good company and background music by Mark Hawken on his accordion, the evening went with a swing. Our thanks to the Village Green Committee for organising this get together.

The Committee would in turn like to thank all the people who helped behind the scenes and on the day to make the barbecue such a success (giving a boost of £270 to funds).

Their special thanks go to Chef Rob-in ('Rick') who tirelessly manned his station throughout the evening despite the inclement weather (and no, he will not divulge the secret of his delicious sauce recipe!).

How nice to see the village coming alive once again with spring flowers on every verge and in every garden. Seeing the colourful daffodils the children planted for the Millennium and the current pleasant weather brightens everyone's day.

Look forward to seeing more of Peapod Dave (ex!) about the village now that he has started his new gardening business. We all wish him good luck with his roots and shoots venture.

Some of the children in the village are asking the Parish Council if they could have a skate board site somewhere in Trelights. They are all keeping their fingers crossed for good news.

The Village Green Committee held their AGM in the Methodist Schoolroom, on Wednesday March 19<sup>th</sup>, attended by some 14 people. Here is a summary of the Minutes.

The re-elected Officers are Mr Barriball (Chairman), Mrs Pethick (President), Mr Milton (Vice Chairman), Mr Adams (Treasurer) and Mrs Roskilly (Secretary). All the Committee Members were re-elected en bloc, with the addition of Mr Birchwood.

It was agreed that the £86 remaining in the Millennium Fund be denoted towards the repair to the Methodist Schoolroom ceiling. Items to be referred to the Parish Council - grass cutting, sandbags and dangerous drains in Coronation Park.

## News from Trelights Village Barbeque

Fortunately the rain stayed away (mostly!) on the night of the barbecue and it was lovely to see friends old and new enjoy the evening with good food (Chef Robin was on top form), fun and friendly gossip.

The Village Green Committee would like to thank everyone for their support - all those who came, Mark for his musical interludes, and all the backstage people who help make the evening a success. A special thanks to all who donated such excellent prizes. With your help £427 was raised towards the Christmas Lights Fund.

## New village pump

After a long term project by the Village Green Committee, the new village pump is finally up and working. This new pump is made of cast iron to a traditional design (the original pump was lead). The slate surround has been renewed using two old snooker table bases kindly donated by Margaret and Colin Bunt and a new slate trough was purchased locally. The Committee hope all villagers (and visitors) will like and enjoy this new addition to our village.

## Trelights Chapel news

The members of Trelights Methodist Church would like to extend their sincere thanks to their many supporters who have this year again loyally engaged in fundraising for the Chapel.

Peter & Pam Hall welcomed us into their manicured garden once more on August 12th for an enjoyable Garden Fete. On opening the occasion, Peter spoke of how the Chapel was the hub of village life when he was evacuated here during the war and how welcome village support is now for the continuation of Christian witness here in this wayside bethel. Despite a heavy shower before the opening of the Fete and another as people were leaving with their purchases and prizes, it was a very successful event and well attended. Grateful thanks to Ross of the Village Green Committee for the gazebos and his expertise therewith. Mrs Bette Armstrong entertained with her accordion, playing to the delight of many visitors.

## Trelights Methodist Chapel

Trelights Chapel members and friends were blessed with beautiful weather on August 11th for their Summer Fayre/Garden Fete at Trewithick House, home of Mr & Mrs P Hall, to whom we extend our sincere thanks. Peter and Pam had once again worked hard to prepare their lovely garden which was the perfect venue, being directly opposite the Chapel. The warm summer day made the carrying of tables, chairs, boxes and china across the road much easier for the helpers on the day. We are most grateful especially to 'grandson' Sam and those who helped on the stalls. A special thank you must also go to Ross who 'went the extra mile' in erecting gazebos and games and to Betty Armstrong who added to the atmosphere of the occasion with her accordian playing.
